Order of Business

Regent Reese moved and Regent Burns seconded to approve the Order of Business as presented.

Approval of Minutes

Regent Lester moved and Regent Watkins seconded to approve the minutes of the October 22, 2015, Special Meeting of the Board of Regents for the Oklahoma Agricultural and Mechanical Colleges.

Regent Lester moved and Regent Link seconded to approve the minutes of the October 23, 2015, Regular Meeting of the Board of Regents for the Oklahoma Agricultural and Mechanical Colleges.

Approval of Future Board Meetings

Chairman Hall announced that the next regular meetings of the Board of Regents are scheduled to convene on January 22, 2016, in the Scholars’ Inn Clubhouse on the campus of Langston University, Langston, Oklahoma, and on March 4, 2016, in the Council Room, 412 Student Union, on the campus of Oklahoma State University, Stillwater, Oklahoma.

Regent Anthony moved and Regent Milner seconded to approve the meetings scheduled for January 22, 2016, and March 4, 2016, as presented.

Dr. David Bryant, President, appeared before the Board of Regents to present the business of Oklahoma Panhandle State University and review the Agenda for members of the Board.

Dr. Bryant thanked President Shirley for the outstanding hospitality at OSU-OKC. He said she is a tremendous host, and it is always a pleasure to be on campus.

**Announcement of Retirement**

Dr. Bryant said he would like to announce his retirement as President of Oklahoma Panhandle State University effective at the end of the 2016 spring semester. He said he began his term as President on January 20, 2003, and has thoroughly enjoyed his time at OPSU. He said it was something he had always aspired to do, and he finally got his chance at OPSU. It has been a tremendous run. OPSU has made some progress in quite a few areas, and he believes the stage has been set for the next administration to move the University even further as far as making the University the place it deserves to be for the people it serves in the Oklahoma Panhandle.

Dr. Bryant said he wanted to especially thank the Regents for everything they have done to support him as President to make it as easy of a job as possible, and he really appreciates all that the Regents have done to help the University and its growth over the past 13 years. (Dr. Bryant presented a draft press release regarding his retirement announcement, a copy of which is attached to OPSU’s portion of the minutes as ATTACHMENT A and considered a part of these minutes.)

Dr. Bryant said he also wished to express that he is looking forward to a productive spring semester. OPSU’s graduation rates have continued to climb, and he is looking forward to a good class of graduates in May. He said he pledges his service and asked the Regents to use him in any way needed for a smooth transition to a new President and administration. Once again, Dr. Bryant expressed thanks to the Board.

On behalf of the Board of Regents, Chairman Hall expressed appreciation to Dr. Bryant for his solid leadership the past 13 years and to his wife, Diane. He said it is comforting to the Board to know that he will be at OPSU next semester. He said he does not recall any significant problems that developed at OPSU during his tenure, which is a nice situation to have for all members of the Board. He said the Regents appreciate Dr. Bryant’s dedicated service and likewise commit to do everything possible to make this a good transition for Dr. Bryant and his family to make his retirement years most productive. Chairman Hall expressed thanks to Dr. Bryant for his service and commitment to OPSU and to this Board. Dr. Bryant said he very much appreciates the comments.

Regent Milner said President Bryant should also be congratulated on his 50th wedding anniversary which occurs on the 19th of this month.
Presentation of OPSU Agenda

Dr. Bryant presented the OPSU Agenda for the Board’s consideration. Informational items presented by Dr. Bryant included the OPSU Fall Concert held on October 13, 2015; the OPSU Theater production of “Driving Miss Daisy” which was presented on November 21-23, 2015; the success of the OPSU Men’s Rodeo Team finishing the 2015 fall season in first place in the Central Plains Region; OPSU junior, Anyssa Barbosa, recently winning the 2015 National Hispanic College Quiz Show; and the success of OPSU graduates Miranda Gilbert and Brent Shoulders who recently completed the 2015 Leadership Arts Program sponsored by the Oklahoma Arts Council.

Appointment of Interim Director of Nursing

Dr. Bryant presented the request to appoint an Interim Director of Nursing, effective January 1, 2016.

Regent Anthony moved and Regent Lester seconded to approve the appointment of Pamela Sandvig as Interim Director of Nursing, effective January 1, 2016, with an annual salary increase of $16,494.

The business of Oklahoma Panhandle State University being concluded, Dr. Bryant was then excused from the meeting.
Oklahoma Panhandle State University President Announces Retirement

GOODWELL, OKLAHOMA – December 4, 2015 – After serving 13 years as President of Oklahoma Panhandle State University, Dr. David A. Bryant announced his plans today to retire at the end of the spring 2016 semester.

"I thoroughly enjoy working with the faculty, students, staff and fellow administrators at Oklahoma Panhandle State University. This University has become a very special place to me. It is a privilege and honor to serve as President. Over the years, I have worked with a number of dedicated faculty members and wonderful students who recognize, as I do, the importance of having fine public university located in the Panhandle of Oklahoma. Together we have accomplished a lot, and we have put this University on firm footing for the future," said Dr. Bryant.

He continued, "On a personal level, I am very grateful for the enthusiastic support of the community and the A&M Board of Regents. I am encouraged and inspired by the commitment of the Regents to support initiatives aimed at building a stronger and better University for the benefit of this part of our state."

During Dr. Bryant’s tenure, the University has focused on attracting and retaining first generation college students. The establishment of the University’s first ever Hispanic Students Services Program has spurred consistent increases in enrollment of Hispanic students adding to greater diversity. The University has also attracted record private donations.

Over the past decade the campus has added a new student residential apartment development and the Science and Agriculture Building. In addition, a campus-wide electrical upgrade, revamped heating and cooling systems, and building renovations have enhanced the living and working environment on campus for students and university employees.

"Dr. Bryant has done an exceptional job leading Oklahoma Panhandle State University. We are pleased he has agreed to remain as President until the end of the spring semester," said Joe D. Hall, Chair of the A&M Board of Regents. "On behalf of the entire Board of Regents, I want to thank David for his solid leadership and considerable contributions over the past 13 years. There is no question - Dr. Bryant has been integral to the growth and success of Oklahoma Panhandle State University, and he leaves the University in a vastly better position than when he started. We wish him and his wife Diane only the best in their retirement. He will be missed."

The A&M Regents will begin an extensive search for a new president in the spring of 2016.

Wesley Bryson is an Instructor of Health and Physical Education (HPE) and the Director of NCAA Compliance at OPSU. Prior to this year, Bryson taught two years for OPSU as an adjunct HPE Instructor. Originally from Eastern Oklahoma, Bryson earned a Bachelor's degree in Special Education from the University of Oklahoma. He received a master's degree in Agriculture from Tarleton State University and a Master's degree in Education from East Central University. Currently, he is pursuing a doctorate in education from Southwestern College in Winfield, Kan.

Over the years, Bryson has taught and coached in Oklahoma, Texas and Indiana at the middle school, high school and college level. For the last seven years, he has worked as an Administrator for Guymon schools.

Bryson has taught a variety of subjects including Agriculture, HPE, and Special Education. Throughout the years he has coached volleyball and softball. As far as his favorite thing about OPSU, he said it would have to be “the people, including the students as well as the people I work for and with.” He also loves interacting with all the coaches and enjoys the environment at OPSU.

He enjoys roping and playing racquetball. You can be sure to see him at the Noble Center a couple of afternoons each week on the racquetball courts. In addition, Bryson raises Corriente cattle and enjoys working on old cars from time to time.

He and his wife, Michelle, have been married for 31 years and currently live in Guymon. Mrs. Bryson is the Assistant Superintendent of Guymon Schools. They have two children Tanner and Kayla who also live in Guymon. Tanner and his wife, Courtney, have one daughter. Tanner teaches Special Education. Kayla and her husband, Troy, have two girls and a boy. Troy teaches math at Guymon High School and is the Head Men’s basketball coach.

Be sure to stop by Mr. Bryson’s office in Hamilton Hall and say hello!

Dr. Ken Harned

This year we have had the privilege of meeting Oklahoma Panhandle State University’s new choir director, Dr. Ken Harned. Despite having a late start on moving into the program, Dr. Harned has introduced himself gracefully as a motivated and innovative director and has already pushed the program to exciting new levels. The program is continuing to build and flourish while Harned inspires his students to do great things with their musical talents.

Dr. Harned began his teaching career with over 10 years as a high school choir and band instructor. He has a bachelor’s degree in music education from Ohio State University as well as a master’s degree in choral music from the University of Southern California. Dr. Harned completed his doctoral degree in choral conducting from Ball State University in Indiana. He has served as a choral music professor at the University of Wisconsin-Whitewater and St. Charles Community College in Missouri.

Before his employment at OPSU, Dr. Harned was living in Los Angeles and working in the entertainment department at Disneyland. There he worked with hundreds of school music groups for workshops and performances at the Disneyland Resort each year through the Disney Performing Arts Program. Clearly having much experience with teaching students, Harned eagerly accepted the choral director position at OPSU, stating that “working with the musicians at Disneyland was truly magical, but the real excitement for me is teaching college students and helping them grow into inspired musicians and teachers.” Given the opportunity to teach, he quickly packed his bags and moved to Goodwell in a hasty two weeks! It was a hectic start for him, coming in after school had begun, but he has managed to recover any lost time effortlessly. Dr. Harned himself was inspired at a young age by amazing music teachers. He says, “they were wonderful educators who instilled a great love of music in me.” This just goes to show how great of an influence that educators have on the young minds that they help develop. His passion grew with involvement in the Marching Band and Men’s Glee Club of Ohio State University. These ensembles urged him to pursue “musical excellence at the highest level, a respect for tradition, and a passion for sharing music with others,” he says. “What better job is there than one where you can create beautiful music with others and help students to develop their individual talents and become great teachers?”

Dr. Harned was obviously a great pick for OPSU to grow its music program and light the fires of our future music educators. Dr. Harned currently conducts the Chamber Singers and Concert Choir, and he also teaches conducting, voice, music history, choral methods, and music education courses. Dr. Harned wants to welcome all students to be a part of this program, even if they are not music majors. Concert Choir accepts all students, and community members are welcome also to join in on the beauty of choral music. OPSU students can sign up now for Concert Choir on their Spring semester schedule, since there is no audition for that group. The OPSU Chamber Singers is an auditioned group, where the ability to read music is required as well as a singing spirit! Auditions will be held the first week of classes in January.

Dr. Harned also wishes to invite everyone to the OPSU Holiday Concert, which will be on Tuesday, Dec. 1st at 7 p.m. in the Centennial Theatre at Hughes-Strong Hall. This event will feature the OPSU Chamber Singers and Concert Choir, and the OPSU band. Admission is FREE and this would be a great way to kick off the holidays with friends and family and some wonderful Christmas music!

Dr. Jeff Hale, President, and Mr. Mark Rasor, Vice President for Fiscal Affairs, appeared before the Board of Regents to present the business of Northeastern Oklahoma A&M College and review the Agenda for members of the Board.

Dr. Hale expressed appreciation to President Shirley and her team for the excellent hospitality. He said everyone is very proud of the work she is doing at OSU-OKC.

Dr. Hale said last night he received notification that NEO’s football coach had resigned. He said he received an incredible opportunity as a position coach at the University of Central Florida in Orlando. He said he is happy for him, but it does create a bit of a challenge for NEO.

Dr. Hale referenced the NEO Update and highlighted some of the articles including the receipt of a $2 million federal grant from the United States Department of Education to improve technology and extend educational access; the recognition of accomplished student leaders during the seventh annual Top Ten Freshmen ceremony; the naming of Cindy Bigby as the new Executive Assistant to the President; and updates on the success of NEO’s volleyball team, wrestling team, equestrian team, equine judging team, and rodeo teams.

Dr. Hale referenced the article regarding the success of the Red Carpet Gala sponsored by the NEO Development Foundation. The emcee for the event was Larry Reece, the “Voice of the Cowboys” for Oklahoma State University. Dr. Hale noted that Mr. Reece graduated from Miami High School and attended Northeastern Oklahoma A&M College before transferring to Oklahoma State University. Dr. Hale reported that Mr. Reece has agreed to be the commencement speaker in May at which time NEO will present Mr. Reece with his NEO degree by using the reverse transfer agreement.

Ten-Year History of Total Foundation Assets and Grant Awards

Dr. Hale presented information regarding the ten-year history of total Foundation assets and grant awards. He said growing revenue is a big priority of the College. NEO is not going to hunker down and assume that it has to cut everything just because of the challenging times through State appropriations. With respect to the Foundation, the assets have increased from $902,800 in 2005 to $5,809,572 in 2015. Part of the reason it has plateaued the last few years is that NEO changed the allocation process through the Foundation. The awarding of scholarships increased from approximately $40,000-$50,000 annually to approximately $110,000 annually. The Foundation is spending more money out of earned proceeds, which is forcing that number to flatten a bit.

As most everyone is aware, NEO will celebrate its 100th anniversary in 2019. As a part of that, NEO will engage in a centennial campaign to raise money, and it is currently in the first phase of the feasibility study regarding the campaign. Dr. Hale said the Foundation hired a consultant two months ago. The consultant will be in Miami and Tulsa next week to conduct the first
35 interviews of alums, corporate people, etc. In January he will be in Oklahoma City, and he invited some of the Regents and Mr. Ramsey to meet with the consultant, if possible.

With respect to grant awards, Dr. Hale provided a list of private and federal grant acquisitions over a ten-year period. The total is more than $19 million, and this will continue to be a priority of the College.

**Synar Farm/Elm Street Renovations**

With respect to the Synar Farm, Dr. Hale reported that the horse stall barns have been constructed and are currently being used at 100 percent capacity. NEO is in the process of moving into the next phase of the Synar Farm project. He requested Board authorization to solicit bids and award purchase orders for labor, materials, equipment, and services to improve parking and storm drainage at the Indoor Arena in the approximate amount of $120,000 and for the construction of a cattle working barn and renovation of the hog working barn at Synar Farm in the approximate amount of $400,000. He said NEO has funds available through the Real Property Master Lease 2014C proceeds.

Regent Link moved and Regent Milner seconded to authorize NEO to solicit bids and award purchase orders for labor, materials, equipment, and services to improve parking and storm drainage at the Indoor Arena and for the construction of a cattle working barn and renovation of the hog working barn at Synar Farm as presented in the NEO Agenda.

**Outsourcing Custodial Services**

As an information item, Dr. Hale reported that NEO is considering outsourcing its custodial services on campus. About five years ago NEO outsourced its food service operation. Sodexo has been on campus for over five years, and it continues to be a great working relationship. NEO is able to generate a commission of approximately $250,000 annually with an increased quality of food. Dr. Hale said NEO has about 15-18 employees in the custodial services area, and all of these employees receive NEO's employee benefits which includes retirement, insurance, etc. He said he believes NEO will realize some definite cost savings, but the College really wants to be able to protect the quality of service that is delivered with the cleaning of the academic buildings and residential halls, taking care of the major facility needs on campus, etc. Mr. Rasor said Dr. Faltyn's staff at Connors State College as well as the Purchasing Department at Oklahoma State University have provided assistance in helping NEO write the RFP to make certain it is written well.
Regent Burns asked the percentage cost savings NEO expects to realize with this change. Dr. Hale said it is believed it will result in a 25-33 percent cost savings, which is sizable for NEO. With respect to food services, NEO was able to turn an approximate $250,000 loss into an approximate $250,000 gain over the last five years with a major improvement in quality. With respect to the personnel in custodial services, Regent Anthony asked what would happen to them. Dr. Hale said with food services NEO asked for a guarantee that Sodexo would keep the NEO employees on board for a six-month period, and then after that time they could assess and determine whether or not they were capable employees for their organization. He said he would like to do something similar with the custodial operation. Regent Burns said he believes this is fair. He asked if it is known how that worked out for the food service employees. Dr. Hale said this affected approximately 40 food service employees, and about one-third are still working with Sodexo. Mr. Rasor noted they are making better wages with Sodex than they were with NEO; however, the benefits are not quite as good. He said the fallout from that move was a little tough in the beginning because it affected the lives of about 40 employees who were in the retirement system and had benefits, but NEO worked through those individually and Sodexo as a private provider worked with the administration wonderfully. NEO would expect this from the custodial service provider as well.

Recognition of President Bryant

Dr. Hale said he has a lot of respect and admiration for Dr. Bryant having served with him over the last eight years. He noted the many meetings held in Oklahoma City and the need to travel throughout the state to attend meetings, and he said he cannot recall Dr. Bryant not being in attendance. Dr. Hale said he admires that kind of loyalty and dedication, and he expressed thanks to Dr. Bryant for his great work.

The business of Northeastern Oklahoma A&M College being concluded, Dr. Hale and Mr. Rasor were then excused from the meeting.

Dr. Tim Faltyn, President, and Dr. Ron Ramming, Senior Vice President for Academic and Student Affairs, appeared before the Board of Regents to present the business of Connors State College and review the Agenda for members of the Board.

Dr. Faltyn said he, too, would like to thank President Shirley and her staff for the dinner last night.

Dr. Faltyn referenced the Connors Connection and highlighted some of the articles including Congressman Markwayne Mullin selecting a group of Connors students to judge high school student essays for the Second Congressional District Essay Contest; his participation in the “Walk a Mile in Her Shoes” event to bring attention to domestic violence; and the success of the shotgun shooting sports team, which has brought about 60 students to campus who otherwise would not have come to Connors.

Dr. Faltyn also highlighted the article recognizing Connors Alumnus Harold D. Cagle. He reported that Mr. Cagle passed away last Sunday at the age of 79. At one time Mr. Cagle served as Head Football Coach and was the Dean of Students. Dr. Faltyn said Mr. Cagle has been very generous to the College with his time and resources.

Dr. Faltyn referenced the enrollment update. He said he is very proud to report that even though Connors is down 1 percent in head count, it is up 1.5 percent in credit hours. Since credit hours provide the resources to pay the bills, his preference would be an increase in credit hours. Dr. Faltyn noted that the Agenda includes the Oklahoma State Regents for Higher Education 2015 Fall Preliminary Enrollment Survey, which provides information on how all the institutions are doing with respect to meeting their enrollment targets. He said he is pleased to report that Connors is up in all four of the measurable categories listed by the State Regents which include total enrollment, FTE enrollment, first-time entering enrollment, and concurrent enrollment of high school students.

Muskogee and Warner Accelerate Update

Dr. Faltyn said about two years ago he met with the Superintendent of Schools in Muskogee regarding concurrent enrollment. Dr. Faltyn said most of the students who take concurrent enrollment at Connors are students who are bound for major universities. They are typically high school students who have ACT scores between 24-28 and are taking 18-24 college credits at Connors before enrolling at major universities. However, there is a layer of students underneath those students who are capable of going to college, probably the first in their family, but they do not know about the possibility of going to college. Dr. Faltyn said what was discovered in getting to that second layer of students is that they were one point from reaching the qualification score on the ACT or other admission tests. Thanks to a 19-month process led by Dr. Ramming, Dr. Faltyn said he went to the State Regents and asked for a pilot program called Accelerate Muskogee. It was an arduous process, but the State Regents approved Connors to lower the
entrance score for a 36-month period to see if Connors could get these students into this particular
program. He said the best thing is that Connors did not totally move away from the ACT, but it
started to count as a qualifying measure the high school GPA. In doing so, it almost tripled the
number of students who were eligible for concurrent enrollment. Dr. Faltyn said Connors sent one
of its best English faculty to Muskogee High School, and under this program a high school student
can take Comp I and Comp II during their senior year, which meets the English requirement for
high school as well as gives them six hours of college credit. He said by sending some of the
brightest and most charismatic faculty to the high school, it gets these high school students engaged
in college.

Dr. Faltyn said the program was featured about three weeks ago at a statewide conference hosted
by the State Superintendent of Public Instruction of the Oklahoma Department of Education. The
pilot program has been initiated in Warner High School and Muskogee High School. In Muskogee,
there are 190 students in the concurrent enrollment program who were not in the program last year.
Dr. Faltyn noted that Muskogee Public Schools has its own cable channel and created a
promotional video of students talking about the program and how it changed their lives.

(At this time the promotional video regarding the Accelerate Muskogee program was presented.)

Regent Anthony asked if Connors will be able to track the students who are concurrently enrolled
to see if they go to college after high school, where they go, if they graduate, etc. Dr. Faltyn said
the students will be tracked. As far as where they will continue their education, he said it is
uncertain at this time because the program has just been initiated.

Regent Burns asked if the cost-free portion of the concurrent enrollment program is only available
to first generation college students. Dr. Faltyn responded negatively and said the State reimburses
the State Regents, which ultimately reimburses the colleges for concurrent enrollment two years
in arrears. The downside to that is that the reimbursement is at about $.68 on the dollar. While it
is free to the students, the colleges are out about 35 percent of the cost. Given the fact that it also
counts for high school credit, Regent Burns asked if the high schools help financially in any way.
Dr. Faltyn responded affirmatively. He also reported that Muskogee Public Schools received a
grant from the City of Muskogee Foundation for the accelerate program to cover the cost not
reimbursed by the State. The local schools pay for the books for the students, and there are three
or four fees that are not waived by Connors that are paid on behalf of the students. Dr. Faltyn said
the video emphasizes the program being free to the students, which is primarily due to the fact that
most people see the financial barrier of college in this part of the State as so large that they do not
even consider going to college.

Regent Burns said for the most part this was initially generated by virtue of students coming within
one point of the ACT admission score, and, therefore, not being able to get admitted. He asked if
there is anything done to assist high schools in engaging in ACT prep teaching. Dr. Faltyn said
Connors often hosts ACT prep courses, and he is aware that NEO also hosts such courses.
Regent Anthony asked the GPA of high school students that trigger admission into this program. Dr. Ramming said the students would have to have at least a 3.0 GPA in their high school work. Dr. Faltyn said the State Regents had some concerns about that because a 3.0 GPA is not a consistent level of performance across all school systems; however, because it is deemed above average it was believed this was a good indicator. Dr. Faltyn said everyone is very excited about this program, including the State Regents, to see if the GPA is as much of a predictor of success as is the ACT score, and he believes that is the reason Connors was given the opportunity to run the pilot program because some of these issues needed testing.

Personnel Actions

Regent Davis moved and Regent Milner seconded to approve the personnel actions as listed in the Connors Agenda.

The motion carried.

Chairman Hall expressed appreciation for the enrollment reports. He said those reports are enlightening.

Dr. Faltyn said one thing he has learned with respect to David Bryant is patience and tenacity. He said the understated way Dr. Bryant has done things has been an inspiration to him. Dr. Faltyn said Dr. Bryant has done a good job and expressed his compliments to him.

The business of Connors State College being concluded, Dr. Faltyn and Dr. Ramming were then excused from the meeting.

①Semester FTE enrollment is calculated as follows: The total semester credit hours taken by undergraduate students is divided by 15, and the total semester credit hours taken by graduate and professional students is divided by 12. The sum of these two calculations is semester FTE enrollment.

②Minus (-) indicates a loss from the previous year. Totals include duplication because some students enroll at more than one institution.

③Excludes interns and residents (OUHSC, 805 and OSUCHS, 336).

State Regents' Policy 3.18
Dr. Kent Smith, President, and other members of the Langston administration appeared before the Board of Regents to present the business of Langston University and review the Agenda for members of the Board. Dr. Smith said that he, too, would like to thank President Shirley for the hospitality.

Dr. Smith reported that Lieutenant Governor Todd Lamb has accepted the University’s offer to be the commencement speaker on May 14, 2016. He said Chairman Hall has committed to attend, and he is hopeful other Regents will be able to attend as well.

With respect to enrollment, Dr. Smith reported that last year was a banner year for Langston University with respect to the number of applications and having the largest freshman class in its history. Dr. Smith said he is happy to report that at this time Langston is up 6 percent over last year’s number in terms of applications and has already received a little over 6,000 applications for next year’s class. The goal once again is 650 students, and, hopefully, Langston will surpass that number. He said he is anxious to get through final exams, which are scheduled for next week, and spend a few weeks looking at what the retention numbers will be for the spring semester.

Dr. Smith also highlighted the success of the men’s and women’s basketball teams. He further reported that last night Langston hosted its 30th Annual Holiday Concert on campus and said although he was not able to attend he heard great reviews. He said Langston also looks forward to hosting the Regents on campus in January, 2016.

Approval of Vision Statement and Learning Outcomes for Langston University

Dr. Smith reported that Langston’s Higher Learning Commission (HLC) accreditation visit will occur in 2017. The planning process began several months ago. Part of the planning process requires institutions to review their mission and vision statements. A strategic planning committee was appointed comprised of faculty, staff, students, alumni, and community members who spent a number of months reviewing the Vision Statement and Learning Outcomes statement of the University. The committee forwarded its recommendations to the Faculty Senate, the Student Government Association, the staff group, as well as the alumni asking them for their review and feedback. Dr. Smith said he is pleased to bring forward the proposed Vision Statement and Learning Outcomes, which will be Langston’s new statements as required by the HLC. He requested Board approval of the statements.

Regent Anthony moved and Regent Davis seconded to approve the Vision Statement and Learning Outcomes for Langston University as presented.

Approval of New Degree Program

Dr. Smith requested approval for the Langston University School of Arts and Sciences to offer an Associate of Arts in General Studies degree. Basically this request deals directly with retention and allows students to get some of the general course requirements out of the way and see some success by obtaining an associate’s degree in general studies. It is believed this will help propel them to complete their bachelor’s degree. He said this matter was discussed with members of the Academic Affairs, Policy and Personnel Committee of the Board of Regents. (The New Program Request Form for the Associate of Arts in General Studies is on file in the Board of Regents’ Office as Document No. 3-12-4-15.)

Regent Watkins reported that the Committee met with the administration of Langston University to consider the addition of an Associate of Arts in General Studies degree program. The Committee acted to recommend Board approval of the request.

Regent Watkins moved and Regent Milner seconded to authorize Langston University to offer an Associate of Arts in General Studies degree program as presented.

Approval of Charter School Agreements

Dr. Smith requested Board approval to renew Langston’s sponsorship of the DOVE Science Academy Charter School of Tulsa and The Deborah Brown Community School, Inc., of Tulsa. He said he is proud to report that these are two of the top four charter schools in the State of Oklahoma, and he is very proud of Langston’s relationship with these two schools. He requested permission to renew the sponsorships for five years. (The Charter School Contracts with the DOVE Science Academy Charter School of Tulsa and The Deborah Brown Community School, Inc., of Tulsa are on file in the Board of Regents’ Office as Document Nos. 4-12-4-15 and 5-12-4-15, respectively.)

Regent Lester moved and Regent Link seconded to authorize Langston University to renew its sponsorship of the DOVE Science Academy Charter School of Tulsa and The Deborah Brown Community School, Inc., of Tulsa for five years, pending final approval by Legal Counsel.

Ratification of Interim Approval to Install Surveillance Camera System

Dr. Smith requested ratification of interim approval regarding the purchase of a new surveillance camera system for all Langston University campuses. He said Langston is utilizing a contract that Oklahoma State University had established through an RFP process.

Regent Milner moved and Regent Lester seconded to ratify interim approval granted by the Chief Executive Officer to purchase a new surveillance camera system for all Langston University campuses in the amount of $190,593 as presented in the Langston Agenda.

Balance of Agenda

Regent Link moved and Regent Watkins seconded to approve the balance of the Agenda, subject to the availability of funds and/or the limitations of the budget. (The Agenda is attached.)

Regent Anthony referenced agenda item G.2. regarding the request to create a new department entitled Residential Life and Housing Services. He noted that the request states that “The University recently took ownership of the residential facilities previously owned by The Habitat Company.” Dr. Smith reported that The Habitat Company operated the day-to-day maintenance as well as any other matters dealing with housing from a living environment and operational standpoint. Regent Anthony said his question relates to the language pertaining to “ownership.” Dr. Smith said Langston still has outstanding bonds on which Langston is paying. Regent Anthony said technically the Board owns these facilities, and Dr. Smith said this is correct considering Langston has bonds that it is paying back. Regent Anthony asked for clarification that there was no money that was exchanged between the entities, and Dr. Smith confirmed this. He said according to the way the bonds were set up, Langston was required to have an outside entity overseeing housing on a day-to-day basis through the bonding agent. Because Langston is moving away from that through the Master Lease Program and refinancing those bonds, this will no longer be required.

Chairman Hall said it is somewhat confusing that “the University recently took ownership” on buildings on which it has always had ownership, even at the initiation of the funding of the financing. Dr. Smith said he understands the point being made and that reference can be deleted. He said what he was referencing was that Langston recently took ownership of the oversight of the day-to-day operations. Regent Davis said it is very similar to the agreement with Sodexo with the food service. It is a service provider that Langston is requesting to change. Regent Lester said the difference is that this one was required. Regent Davis said he does not believe anything needs
to be changed within the minutes because the request is to establish a new department called Residential Life and Housing Services, and Mr. Stephens said he agrees. He said it is confusing the way it is stated because Langston is and has always been the owner and what is being done is transferring the previous contract from The Habitat Company to the new Department. Regent Link said it is a service contract and not legal title, and Mr. Stephens said this is correct. Regent Anthony said he thought the request was stating that Langston had recently acquired the residential facilities. Mr. Stephens said this is the way he reads it too, and that is incorrect. Langston already owns it. Given the circumstances and how it is written, Chairman Hall asked Mr. Stephens his recommendation. Mr. Stephens said the request is to approve the creation of a new department within the University. The remainder is explanatory beyond that, which is incorrect. He said the request for approval is appropriate in his opinion.

The business of Langston University being concluded, Dr. Smith and the Langston administration were then excused from the meeting.
Dear Board Members:
Please approve the following business items for Langston University.

Expenditures from Treasury Funds, contingent upon their availability, will be submitted for purchasing through Mr. Scott Schlotthauer, Director of Purchasing.

A. GENERAL INFORMATION/REPORTS REQUIRING NO ACTION BY THE BOARD: NONE

B. RESOLUTIONS:

1. WHEREAS, it has been called to the attention of Langston University and the Board of Regents for the Oklahoma Agricultural and Mechanical Colleges that Mr. Willard C. Pitts was claimed by death on October 17, 2015; and

WHEREAS, Mr. Willard C. Pitts, by his loyalty, attention to duty, and faithful performance rendered service as a faculty member of Langston University for 24 years, serving as Assistant Professor of Communications, Assistant Professor of Communications/Gazette Advisor, Associate Professor/Chairman of Communications and Gazette Advisor; and

WHEREAS, his friends and Langston University have suffered an irreparable loss in his passing; NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF REGENTS FOR THE OKLAHOMA AGRICULTURAL AND MECHANICAL COLLEGES; THAT, it takes this method to express its appreciation for the 24 years of exemplary service rendered by Mr. Willard Pitts to Langston University, the State of Oklahoma and its citizens, to express respect to his memory, and to extend to the family its deepest sympathy in the loss sustained, and to state that the Board and every member thereof respectfully join the friends of the deceased in mourning the passing of one of Langston University’s beloved retired faculty members.

BE IT FURTHER RESOLVED, that a copy of this resolution be spread upon the minutes of the Board and a copy sent to the family of Mr. C. Willard Pitts.

Adopted by the Board the 4th day of December 2015.
2. WHEREAS, it has been called to the attention of Langston University and the Board of Regents for the Oklahoma Agricultural and Mechanical Colleges that Dr. Judith G. Harned was claimed by death on October 9, 2015; and

Lamar Harrison Library, and Systems Coordinator for the G. Lamar Harrison Micro Computer Laboratory; and

WHEREAS, her friends and Langston University have suffered an irreparable loss in her passing; NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF REGENTS FOR THE OKLAHOMA AGRICULTURAL AND MECHANICAL COLLEGES; THAT, it takes this method to express its appreciation for the 11 years of exemplary service rendered by Dr. Judith G. Harned to Langston University, the State of Oklahoma and its citizens, to express respect to her memory, and to extend to the family its deepest sympathy in the loss sustained, and to state that the Board and every member thereof respectfully join the friends of the deceased in mourning the passing of one of Langston University's beloved retired staff members.

BE IT FURTHER RESOLVED, that a copy of this resolution be spread upon the minutes of the Board and a copy sent to the family of Dr. Judith G. Harned.

Adopted by the Board the 4th day of December 2015.

C. POLICY AND OPERATIONAL PROCEDURES:

1. Approval is respectfully requested to adopt a proposed Vision Statement and Learning Outcomes for Langston University, which has been revised to more accurately reflect the current vision for the University. The revision of the Vision Statement was developed from the Strategic Planning Committee. The Strategic Planning Committee consists of faculty, staff, students, alumni, and community members. The effort to revise our Vision Statement and Learning Outcomes coincides with preparation for an accreditation visit from the Higher Learning Commission in 2017.

The proposed Vision Statement is as follows:

Langston University fosters an environment that cultivates leaders, innovators, and engaged citizens who meet the challenges of local, national, and global communities.
The proposed Learning Outcomes are as follows:

Graduates of Langston University will be able to demonstrate:

- Critical Thinking skills through academic problem-solving
- Effective communication skills
- Knowledge of challenges faced by rural and urban communities, both global and domestic
- Knowledge of current technology
- Positive leadership skills
- Use of quality methods for conducting research or inquiry
- Respect for diversity in its many forms
- Commitment to responsible citizenship
- Competence in their chosen field of study

**D. PERSONNEL ACTION:**

1. **FOR INFORMATIONAL PURPOSES**
   
   Langston University will accept the following notices of resignation:
   
   Mr. Mark Vaughn, Campus Police Officer, effective November 3, 2015.
   
   Dr. Jeffrey Martindale, Director of Counseling & Health Services, effective November 30, 2015.
   
   Dr. Gregory Price, Interim Dean, School of Business, effective December 31, 2015.

2. **FOR INFORMATIONAL PURPOSES**
   
   Langston University issued the following notice of separation:
   
   Koshia Silver, Director of Public Relations, effective October 20, 2015.

3. Approval is respectfully requested to employ Jennifer Moore as Director of the Early Childhood Laboratory, on a 10-month basis, at an annual salary of $45,000.00, effective October 12, 2015.

4. Approval is respectfully requested to employ Dr. Angel Wilson as Acting Director of Residential Life, on a 12-month basis, at an annual salary of $60,000.00, effective October 22, 2015.

5. Approval is respectfully requested to change the title of William Evans from Acting Executive Director of Residential Housing to Acting Executive Director of Residential Life and Housing Services with no change in salary.

6. Approval is respectfully requested to change the title of Desmond Harvey from Acting Assistant Director of Residential Housing on a 12-month basis at an annual salary of $50,000, to Acting Director of Housing Services on a 12-month basis with no change in salary.
7. Approval is respectfully requested to change the title of Konstance Wamble from Assistant Professor/Research and Instruction Librarian (tenure track) on a 12-month basis at an annual salary of $45,000, to Assistant Professor/Coordinator of Public Services, at an annual salary of $47,000, on a 12-month basis, effective October 15, 2015.

8. Approval is respectfully requested to employ and commission Ramario R. Holland as Campus Police Officer, on a 12-month basis, at an annual salary of $35,000.00, effective August 19, 2015.

E. INSTRUCTIONAL PROGRAMS:
1. Approval is respectfully requested for Langston University School of Arts and Sciences to offer an Associate of Arts in General Studies degree. This program will assist the University in completion efforts. The degree program will consist of 62 hours of general education courses which are required for most majors, with some modifications. Students will be awarded the Associate of Arts in General Studies degree upon successful completion of course work. The New Program Approval Request is included for your review in Attachment A.

F. BUDGETARY ACTION: NONE

G. OTHER BUSINESS AND FINANCIAL MATTERS:
1. Approval is respectfully requested for Langston University to de-commission Mark Vaughn, Campus Police Officer, effective November 3, 2015.

2. Approval is respectfully requested to create a new department within the University entitled Residential Life and Housing Services. The University recently took ownership of the residential facilities previously owned by The Habitat Company. Upon transition into new ownership, it became necessary for the University to create an administrative unit to provide oversight in residential housing. The department will be managed by an executive director and will include two directors, and residential directors for each building.

H. CONTRACTUAL AGREEMENTS (other than construction and renovation):
1. Approval is respectfully requested for Langston University to renew our sponsorship of the DOVE Science Academy Charter School of Tulsa, operated by The Sky Foundation, Inc., for five years pending final approval by legal counsel. The charter school contract for the DOVE Science Academy Charter School of Tulsa is included in Attachment B for your review.

2. Approval is respectfully requested for Langston University to renew our sponsorship of The Deborah Brown Community School, Inc. of Tulsa for five pending final approval by legal counsel. The charter school contract for The Deborah Brown Community School, Inc. of Tulsa is included in Attachment C for your review.
I. NEW CONSTRUCTION OR RENOVATION OF FACILITIES: NONE

J. PURCHASE REQUESTS:

1. Approval is requested for ratification of an interim approval request related to the purchase of a new surveillance camera system for all Langston University campuses in an effort to better address our security needs. Langston University respectfully requests to utilize the state-approved vendor, Digi Surveillance Services, to procure surveillance camera equipment and associated software for Langston University. The equipment and software will cover all three campuses. The cost of the expenditure totals $190,593.00, which will be divided evenly between three accounts: 151999, 518403, and 775200. All sources will contribute $63,531.00 to the project. The interim approval document is included for your review in Attachment D.

K. STUDENT SERVICES/ACTIVITIES: NONE

L. NEW BUSINESS UNFORSEEN AT TIME AGENDA WAS POSTED: NONE

M. OTHER INFORMATIONAL MATTERS NOT REQUIRING ACTION OF THE BOARD: NONE

All items listed above are respectfully submitted for your approval.

Sincerely,

KENT J. SMITH, JR.
PRESIDENT
LANGSTON UNIVERSITY
OFFICIAL INTERIM APPROVAL REQUEST TO THE OFFICE
OF THE CHIEF EXECUTIVE OFFICER OF THE OSU/A&M BOARD OF REGENTS

NOTE: Both pages of this form must be completed before interim approval is considered official.

Langston University
College/University from which Request for Interim Approval Originated

1. The basis upon which interim approval is requested is indicated below (check one or more and explain).

   X   (a) The matter is related to the peace, health and safety of the institution and/or its inhabitants.
   (Explain how the matter of business for which interim approval is requested is related to the immediately
foregoing statement.)

   Langston University has experienced continuous difficulty with obtaining essential camera footage related
to incidents and/or investigations. The cameras which are currently in place use technology which is now
obsolete and cannot be maintained. A series of recent events has caused us to elevate the priority of
addressing the matter of cameras at Langston University. A new contract was recently negotiated through
public bid on the state level, and the vendor has now been made available to all public colleges and
universities in the State of Oklahoma. The vendor, Digi Surveillance Systems, has provided a quote to
Langston University of $190,593.00 to cover all three campuses of Langston University. This vendor has
been utilized by Oklahoma State University in at least two camera projects.

   Langston University sees this as an urgent request affecting the safety of our students, staff, and faculty. In
order for the vendor to complete work before the start of the Spring semester, approval for purchase must be
granted prior to the December 4, 2015 meeting of the Board of Regents for the Oklahoma A&M Colleges.
We respectfully request interim approval for this reason.

   (b) The matter quite possibly could pose a deterrent to the accomplishment of important institutional
objectives without authorization to act immediately or reasonably soon; and/or it is believed
imprudent to delay action until the next meeting of the Board of Regents. (Explain how the matter
of business for which interim approval is requested is related to the immediately foregoing statement.)

   (c) The matter has significant economic implications for institutional resources and/or properties
without authorization to act immediately or reasonably soon; and/or it is believed imprudent to
delay action until the next meeting of the Board of Regents. (Explain how the matter of business for
which interim approval is requested is related to the immediately foregoing statement.)

   (d) The matter is related to an emergency requiring action by the administration prior to the next
meeting of the Board of Regents because of extenuating circumstances not referenced above.
(Describe the specific extenuating circumstances.)
2. The administrative action for which interim approval is hereby requested is as follows (describe fully what action is proposed and, if necessary, use an attached sheet):

Langston University respectfully requests to utilize the state-approved vendor, Digi Surveillance Services, to procure surveillance camera equipment and associated software for Langston University, covering all three campuses.

3. State the actual cost or best estimated cost required to complete the action for which interim approval is requested. $190,593.00

4. Identify the fund or funds to be used in covering the cost stated above. 151999, 518403, and 775200. All funding sources will contribute $63,531.00 toward the project.

5. If verbal approval was previously granted, indicate to whom approval was given, the date, and whether by telephone or in person. 

6. (Optional) Signature of Requesting Administrator (Required) Signature of President

President Burns Hargis and other members of the OSU administration appeared before the Board of Regents to present the business of Oklahoma State University and review the Agenda for members of the Board. He said he regrets missing the dinner last evening because he heard that President Shirley put on a great show.

President Hargis said during his tenure as a Regent there were some problems at Oklahoma Panhandle State University, and the Regents spent quite a bit of time on those issues. He said David Bryant has brought not only a quality of leadership and improvement to OPSU, but he has also been accepted throughout that part of Oklahoma. President Hargis said he agrees with Dr. Faltytn that he cannot even imagine how many miles Dr. Bryant has logged to attend meetings of the Board of Regents. Very early on the Regents encouraged video presentations, but he noted that Dr. Bryant always wanted to be present. President Hargis said Dr. Bryant is going to be tough to replace.

President Hargis said it is hard to believe OSU is wrapping up another semester. The graduate commencement will be held on Friday, December 11, and two undergraduate commencements will be held on Saturday, December 12. It is estimated that approximately 1,300 students will participate in the process. Honorary degrees will be awarded during the undergraduate commencements to John Niblack, Walt Garrison, and Bill Goldston as previously approved by the Board.

Adoption of Memorial Resolutions

President Hargis presented information on behalf of James G. Hromas, Former Director, School of International Studies; Barbara Kinzer, Instructor, Retired, Communications, OSU Institute of Technology, Okmulgee; William F. McTernan III, Professor, Retired, Civil and Environmental Engineering, College of Engineering, Architecture, and Technology; Marvin L. Stone, Regents Professor, Retired, Biosystems and Agricultural Engineering, College of Agricultural Sciences and Natural Resources; and Dallas F. Wadsworth, Professor, Retired, Plant Pathology, College of Agricultural Sciences and Natural Resources. President Hargis presented Memorial Resolutions for Dr. Hromas, Mrs. Kinzer, Dr. McTernan, Dr. Stone, and Dr. Wadsworth and recommended their adoption, which are attached to OSU’s portion of the minutes as ATTACHMENTS A-E, respectively.

President Hargis said Dr. Hromas was a classmate of his and noted that he provided leadership all across the University, primarily in Outreach and International Relations. He also noted the passing of Dr. Stone who was a victim of the Homecoming Parade tragedy along with his wife, Bonnie, who was also an OSU employee.
Regent Burns moved and Regent Lester seconded to adopt the Memorial Resolutions for James G. Hromas, Barbara Kinzer, William F. McTernan III, Marvin L. Stone, and Dallas F. Wadsworth as presented.

President Hargis asked Provost Gary Sandefur to present information on behalf of Academic Affairs

Approval of Revisions to OSU-OKC Student Code of Conduct

Dr. Sandefur said on behalf of President Natalie Shirley, he is pleased to present a request to approve revisions to the Oklahoma State University-Oklahoma City Student Code of Conduct. (The Oklahoma State University-Oklahoma City Student Code of Conduct 2015 is presented beginning on page C-1 of the OSU Agenda, which is on file in the Board of Regents’ Office as Document No. 1-12-4-15.)

Dr. Sandefur said the original policy was approved by the Board in June, 2015, and it was later determined that additional changes were needed for OSU-OKC. All modifications have been reviewed and approved by the Board's Legal Counsel and President Shirley, and members of her administrative team are in the audience should there be any questions about the proposed changes. Dr. Sandefur requested Board approval.

Regent Anthony moved and Regent Milner seconded to approve the revisions to the Oklahoma State University-Oklahoma City Student Code of Conduct as presented.

Regent Burns said he has come to respect Regent Lester’s opinion on these issues, and he asked Regent Lester if he had any comments. Regent Lester said this was reviewed in June, 2015, and it appears to him to be updating that policy. Mr. Stephens said this is correct and that it had been reviewed by Legal Counsel. He said not everything at OSU would be applicable at OSU-OKC. Ms. Shirley said this is correct and is exactly what the changes involve. This was approved by the Board in June for Oklahoma State University, but OSU-OKC does not have residential housing and things like that. Corrections were made, and it was sent to Legal Counsel for review. Regent Burns said Regent Lester looks at it from a policy point of view in a different way than perhaps the Office of Legal Counsel. Regent Lester said he reviewed this in June when it was originally submitted, and he reviewed the proposed changes as submitted by OSU-OKC. He said the revisions look good to him.

Regent Watkins said under Parental Notification on page 3 it states “FERPA permits educational institutions to notify parents of students under the age of 21 when a student has been found
responsible for an alcohol or drug related violation. Students are generally notified when parents or guardians will be contacted and are given the opportunity to contact the parents first.” She asked if those are the only two conditions under which parents are notified. Mr. Stephens referred the question to Mackenzie Wilfong, and she responded affirmatively. Regent Watkins also referenced page 5 under Good Samaritan, which states, “If amnesty is offered, educational options may be explored, but no conduct actions or record will result.” She asked what is meant by this statement. Ms. Wilfong said this typically refers to alcohol violations where the school would want a student to attend alcohol/drug counseling but not be held responsible for those issues. Regent Watkins said the educational reference is treatment, and Ms. Wilfong responded affirmatively.

**Personnel Actions**

Dr. Sandefur presented the personnel actions and recommended their approval with the exception of those items pertaining to separations and retirements, which are included as information items. The list includes five new appointments and four changes in title. Dr. Sandefur requested Board approval of the personnel actions as presented. For information, five retirements and two separations are also included in the list of personnel actions. (These recommendations are listed under Section D-1 of the OSU Agenda, which is on file in the Board of Regents’ Office as Document No. 1-12-4-15.)

Regent Lester moved and Regent Link seconded to approve the personnel actions as listed in the OSU Agenda.

**Approval of Proposed New Degrees and Program Modifications**

Dr. Sandefur requested Board approval of proposed new degree requests and program modifications for the OSU-Stillwater campus. (These requests are summarized beginning on page E-1 of the OSU Agenda, which is on file in the Board of Regents’ Office as Document No. 1-12-4-15.) These degree requests and program modifications were discussed with members of the Academic Affairs, Policy and Personnel Committee during its meeting this morning. If approved, the requests will be submitted to the Oklahoma State Regents for Higher Education for consideration.
Regent Watkins reported that the Committee met with the OSU administration to consider the proposed degree requests and program modifications and recommended approval of this request.

Regent Watkins moved and Regent Milner seconded to approve the proposed new degrees and program modifications as presented.

Regarding the Graduate Certificate in Big Data Analytics, Regent Anthony asked if there is a credit hour requirement. Dr. Sandefur said he is sure there is a number of credit hours required that is not listed, and he does not remember exactly what it is. He clarified that there are a certain number of credits that one must take in order to receive a certificate.

Regent Link asked what the certificate entails. Dr. Sandefur said it is very large sets of data that have lots of information. He said it used to take computers hours to analyze data but now enormous data sets with lots of information can be analyzed in less than a minute. This is used by companies, government, researchers, etc. Regent Link asked if this is done with the equipment OSU has on campus or is this done through the cloud or offsite. Dr. Sandefur said a lot can be done on campus, and one can even analyze big data with a laptop.

Approval of the 2014-15 Academic Program Reviews

Dr. Sandefur said the list of 51 academic program reviews completed during the 2014-2015 academic year is found beginning on page E-2 of the OSU Agenda (which is on file in the Board of Regents’ Office as Document No. 1-12-4-15). This list and corresponding two-page executive summaries of these programs were presented and discussed with members of the Academic Affairs, Policy and Personnel Committee earlier this morning. Reports generated during this extensive five-year review process were also sent to the Oklahoma State Regents for Higher Education for their review. Dr. Sandefur requested Board approval of the 2014-15 Academic Program Reviews. (The detailed information regarding the 2014-15 Academic Program Reviews is on file in the Board of Regents’ Office as Document No. 2-12-4-15.)

Regent Watkins reported that the Committee met with the OSU administration regarding approval of the Academic Program Reviews for 2014-2015. The Committee acted to recommend Board approval.

Regent Watkins moved and Regent Milner seconded to approve the 2014-15 Academic Program Reviews as presented.

Regent Lester asked if every program is ultimately reviewed during a five-year period, and Dr. Sandefur said this is correct.

President Hargis requested Senior Vice President Weaver to present information pertaining to Administration and Finance

G-1 Approval of Changes to the Special Retirement Plan (OSU-System)

Mr. Weaver requested Board approval to adopt Plan amendments or restatements of the retirement plans listed in the OSU Agenda. Upon Board approval, amended documents will be finalized by McAfee & Taft and routed for approval.

Regent Burns moved and Regent Davis seconded to approve the changes to the special retirement plans as presented in the OSU Agenda.

G-2 Approval of Financing Team for 2016 General Revenue Bonds

Mr. Weaver requested Board approval to award contracts for Bond Counsel, Trustee/Paying Agent, and Underwriters to serve the Board of Regents for Oklahoma State University and Agricultural and Mechanical Colleges for the potential 2016 General Revenue Bonds. He said this would be the bonds associated with the Performing Arts Center project.

Regent Anthony moved and Regent Milner seconded to authorize Oklahoma State University to award contracts to The Public Finance Law Group, PLLC, as Bond Counsel; BOK Financial as Trustee/Paying Agent; and Bank of America Merrill Lynch and BOSC, Inc., as Underwriters to serve the Board of Regents for the potential 2016 General Revenue Bonds for the Performing Arts Center project.

G-3 Approval to Accept Bids on Oil and Gas Lease Sales

Mr. Weaver requested Board approval to accept bids on oil and gas lease sales as presented in the OSU Agenda. He reported that 45 oil and gas leases were offered, and bids were received on 2 tracts in McClain County and 19 tracts in Payne County. The remaining 24 tracts received no bids. Mr. Weaver requested Board approval to only accept the bids on the 2 tracts in McClain County. (The list of oil and gas leases are presented in Exhibit II of the OSU Agenda, which is on file in the Board of Regents' Office as Document No. 1-12-4-15.)

Regent Burns moved and Regent Davis seconded to authorize Oklahoma State University to accept bids on oil and gas lease sales on two tracts in McClain County as presented in the OSU Agenda.

G-4 Approval to Increase the Amount Financed for the Performing Arts Center and of Actions Required to Effect this Increase

Mr. Weaver requested Board approval to increase the previously approved financing for the Performing Arts Center to an amount up to $60,000,000. At the meeting on January 23, 2015, the Board initially approved financing of $40,000,000. He said this matter was discussed with members of the Fiscal Affairs and Plant Facilities Committee at its meeting this morning.

Regent Davis said the Committee met with the OSU administration to consider increasing the amount of the previously approved financing for the Performing Arts Center. The Committee recommended approval of this request and other actions required to allow for this increase.

Regent Davis moved and Regent Anthony seconded to approve the increase of the previously approved financing for the Performing Arts Center to an amount up to $60,000,000; to authorize Oklahoma State University to submit to the Oklahoma State Regents for Higher Education the appropriate documentation to seek legislative authorization; to take necessary action to issue up to an additional $20,000,000 in general revenue bonds; and to purchase the items in accordance with Purchasing Policy and Procedures.

Regent Anthony said his understanding is that the debt ratio is under 7 percent, and Mr. Weaver said this is correct.

Chairman Hall said this is a great project that will be transformational to not only the University but also the State of Oklahoma. He said the Regents are glad to be a part of that.

G-5 Approval to Submit Documents to the Oklahoma State Regents for Higher Education for Inclusion in the Master Equipment Lease Program and to Purchase the Items

Mr. Weaver requested Board approval to submit the appropriate documents to the Oklahoma State Regents for Higher Education and to take all necessary action to include the Performing Arts Center Enhanced Audio-Visual project for an estimated total value of $4,500,000 in the Master Equipment Lease 2016 Program. He said this will bring all the technology into the building. He said it has a shorter useful life, so it will be financed over a much shorter period of time.

Regent Davis moved and Regent Lester seconded to authorize Oklahoma State University to submit the appropriate documents to the Oklahoma State Regents for Higher Education; to take all necessary action to include the Performing Arts Center Enhanced Audio-Visual project for an estimated total value of $4,500,000 in the Master Equipment Lease 2016 Program; and to purchase the Master Equipment Lease Program items in accordance with Purchasing Policy and Procedures.

G-6 Approval of Actions Required to Finance a Research Facility at the OSURF Energy Park

G-7 Approval to Enter into Negotiations for a Building Lease in the OSURF Energy Park

Mr. Weaver requested Board approval to submit to the Oklahoma State Regents for Higher Education the appropriate documentation to finance a potential Research Facility at the Oklahoma State University Research Foundation (OSURF) Energy Park for an amount not to exceed $6,200,000. He said this item was discussed with members of the Fiscal Affairs and Plant Facilities Committee at its meeting as well as Item G-7 which is a companion item to authorize the University to negotiate a building lease in the OSURF Energy Park.

Regent Burns said the Committee met with the OSU administration to consider actions required to finance a Research Facility at the OSURF Energy Park and to enter into negotiations for a building lease. The Committee acted to recommend approval of these requests.

Regent Burns moved and Regent Reese seconded to authorize Oklahoma State University to submit to the Oklahoma State Regents for Higher Education the appropriate documentation to finance a potential Research Facility at the
OSURF Energy Park for an amount not to exceed $6,200,000; to take necessary action to include the project in the Master Lease Program; to purchase the items in accordance with Purchasing Policy and Procedures; and to enter into negotiations for a building lease in the OSURF Energy Park.

G-8 Approval to Enter Real Estate Exchange Agreement for Real Property

Mr. Weaver requested Board approval to enter into a real estate exchange agreement to exchange and accept title to property in Stillwater, Oklahoma, as listed in the OSU Agenda. He said the real estate exchange agreement enables the University to acquire property it needs for expansion in the near future. He further requested Board approval to allow the President or his designee to sign all related real estate agreements.

Regent Anthony moved and Regent Milner seconded to authorize Oklahoma State University to enter into a real estate exchange agreement to exchange and accept title to property in Stillwater, Oklahoma, as presented; to authorize the President, or his designee, to sign all related real estate agreements; and to demolish all structures on the property as needed for future use.

G-9 Approval of Lease Agreement for Office Space (OSU-CHS)

Mr. Weaver requested Board approval to enter into a new agreement between the Center for Health Systems Innovation, Health Access Network in Tulsa, and 810 Cincinnati LLC to lease space at the 810 Building, Suite 112, located on 810 South Cincinnati, Tulsa, Oklahoma.

Regent Anthony moved and Regent Milner seconded to authorize Oklahoma State University to enter into a new agreement between the Center for Health Systems Innovation, Health Access Network in Tulsa, and 810 Cincinnati LLC to lease space at the 810 Building, Suite 112, located at 810 South Cincinnati, Tulsa, Oklahoma, and to authorize the OSU President to execute the lease, subject to review and approval by Legal Counsel.

H-1 Approval to Grant Easements and Rights of Way for the OSU Energy Park Project

Mr. Weaver requested Board approval to grant utility and telecommunication easements to KAMO Electric Cooperative and K-Powernet LLC for the OSU Energy Park. Board approval is also requested for a right-of-way easement for KAMO and a telecommunications easement for K-Powernet, LLC. As consideration, KAMO and K-Powernet, LLC, will pay $20,000 for these items.

Regent Milner moved and Regent Reese seconded to grant utility and telecommunications easements to KAMO Electric Cooperative and K-Powernet, LLC, for the OSU Energy Park and for a right-of-way easement for KAMO and a telecommunications easement for K-Powernet LLC, subject to review and approval by Board Legal Counsel.

H-2 Approval to Grant Utility Easements to Public Service Company of Oklahoma (OSU-CHS)

Mr. Weaver requested Board approval to grant utility easements to Public Service Company of Oklahoma for the new Academic Building at the Center for Health Sciences, Tulsa, Oklahoma.

Regent Anthony moved and Regent Reese seconded to authorize Oklahoma State University to grant utility easements to Public Service Company of Oklahoma for the new Academic Building at the Center for Health Sciences, Tulsa, Oklahoma, subject to review and approval by Board Legal Counsel.

I-1 Approval to Select On-Call Construction Management Firm, Nabholz Construction, to Assist the University with Construction at the Previously Approved New Intramural Sports Fields

Mr. Weaver requested Board approval to select on-call Construction Management firm, Nabholz Construction, to assist the University with the construction of the support buildings and other work
at the previously approved new Intramural Sports Fields. He said this item was discussed with members of the Fiscal Affairs and Plant Facilities Committee of the Board of Regents.

Regent Burns reported that the Committee met regarding approval to select the on-call Construction Management firm for the Intramural Sports Fields project. He reported that the Committee recommended approval of the administrative recommendation.

Regent Burns moved and Regent Milner seconded to select on-call Construction Management firm, Nabholz Construction, to assist the University with the construction of the support buildings and other work at the previously approved new Intramural Sports Fields.

I-2 Approval to Demolish Structures on the OSU Stillwater Campus

Mr. Weaver requested Board approval to demolish structures on the OSU-Stillwater campus as listed. He said as a result of the master planning effort in the Division of Agricultural Sciences and Natural Resources, these facilities are being recommended for demolition. He said all of these are dilapidated facilities and in poor condition that need to be demolished.

Regent Davis moved and Regent Reese seconded to authorize Oklahoma State University to demolish the structures on the OSU-Stillwater campus as listed in the OSU Agenda.

Regent Anthony noted on 6th Street that there are some greenhouses in front of barns, and he asked if these are included in the request. Mr. Weaver said Exhibit VI in the OSU Agenda highlights the facilities that will be demolished, and he said greenhouse(s) on 6th Street are included in the request. Regent Anthony said the removal of these facilities will make that area more aesthetically appealing.

I-3 Approval to Select an On-Call Architect to Assist the University with the Design and Construction of an Engine/Compressor Testing Facility

I-4 Approval to Select an On-Call Construction Manager At Risk to Assist the University with the Design and Construction of an Engine/Compressor Testing Facility

Mr. Weaver requested Board approval to select an on-call Architect and an on-call Construction Manager At Risk to assist the University with the design and construction of an engine/compressor testing facility to be located at the OSURF Energy Park, west of Stillwater. He said these items were discussed with members of the Fiscal Affairs and Plant Facilities Committee of the Board of Regents.

Regent Burns said the Committee met with the administration regarding approval to select an on-call Architect and an on-call Construction Manager At Risk to assist the University with the design and construction of an engine/compressor testing facility to be located at the OSURF Energy Park, west of Stillwater. He said the Committee acted to recommend Board approval to select McFarland Architects, Tulsa, Oklahoma, as the Architect and Nabholz Construction as the Construction Manager At Risk for this project.

Regent Burns moved and Regent Davis seconded to approve the selection of McFarland Architects, Tulsa, Oklahoma, as the Architect and Nabholz Construction, Tulsa, Oklahoma, as the Construction Manager At Risk to assist the University with the design and construction of an engine/compressor testing facility to be located at the OSURF Energy Park, west of Stillwater.

J Approval of Purchase Request Items

Mr. Weaver presented the purchase requests and recommended their approval, subject to the availability of funds and/or the limitations of the budget.

Mr. Weaver noted that purchase request No. 1 pertains to the replacement of two Cessna 172 aircraft that were destroyed during high winds. Insurance proceeds will pay for the bulk of the cost, and the College of Education will pay the remainder.

Mr. Weaver referenced purchase request No. 2, which is a request to purchase consulting services in the estimated amount of $500,000 for the purpose of reviewing business processes for efficiencies that can be gained by a shared services model for the OSU and A&M System. He said everyone is really excited about that project and is looking forward to developing recommendations.
Regent Milner moved and Regent Reese seconded to approve the purchase requests as listed in the OSU Agenda, subject to the availability of funds and/or the limitations of the budget (purchase request Nos. 1 and 2, page 10, OSU Agenda).

The business of Oklahoma State University being concluded, President Hargis and other members of the OSU administration were then excused from the meeting.
