MINUTES OF THE MEETING OF THE BOARD OF REGENTS FOR THE OKLAHOMA AGRICULTURAL AND MECHANICAL COLLEGES, JANUARY 23, 2009

The Board of Regents for the Oklahoma Agricultural and Mechanical Colleges convened in the State Room of the Hospitality Services Building on the campus of OSU Institute of Technology, Okmulgee, Oklahoma, on January 23, 2009.

Those present: Mr. Calvin J. Anthony, Vice Chairman; Mr. Fred L. Boettcher; Mr. Joe D. Hall; Mr. Jay L. Helm; Mr. Andrew W. Lester; Mr. Terry L. Peach; and Mrs. Lou Watkins.

Absent: Mr. Douglas E. Burns, Chairman; and Mr. Gregory L. Massey.

Others present: Dr. W. Douglas Wilson, Executive Secretary; Mr. Charles E. Drake, General Counsel; Mr. Robert White, Health and Higher Education Policy Analyst; Mr. Jason Ramsey, Director, State Government Relations; Mr. Cecil F. Strande, Director of Internal Audits; Ms. Linda Novak, Administrative Associate; and Ms. Cherilyn Williams, Administrative Associate.

After the Executive Secretary announced a quorum was present, the meeting was called to order at approximately 10:55 a.m.

In the absence of Chairman Burns, Vice Chairman Anthony chaired the meeting.

MATTERS PERTAINING TO THE BOARD OF REGENTS FOR THE OKLAHOMA AGRICULTURAL AND MECHANICAL COLLEGES OF INTEREST TO ALL THE COLLEGES MEETING OF JANUARY 23, 2009

Order of Business

Regent Watkins moved and Regent Helm seconded to approve the Order of Business as presented.

January 23, 2009

Approval of Minutes

Regent Watkins moved and Regent Hall seconded to approve the minutes of the December 4, 2008, Special Meeting and the December 5, 2008, Regular Meeting of the Board of Regents for the Oklahoma Agricultural and Mechanical Colleges.

Approval of Future Board Meetings

Vice Chairman Anthony announced that the next meeting of the Board of Regents is scheduled to convene on March 6, 2009, on the campus of Oklahoma State University, Stillwater, Oklahoma. For consideration of approval is the April 17, 2009, Board meeting scheduled to convene on the campus of Oklahoma Panhandle State University, Goodwell, Oklahoma. He asked for a motion to confirm this meeting.

Regent Lester moved and Regent Boettcher seconded to approve the meeting scheduled for April 17, 2009, on the campus of Oklahoma Panhandle State University, Goodwell, Oklahoma.

Those voting aye: Board Members Hall, Helm, Lester, Peach, Watkins, Anthony, and Boettcher. No: None. Abstentions: None. Absent: Massey and Burns. The motion was approved.
Dr. David Bryant, President, appeared before the Board of Regents to present the business of Oklahoma Panhandle State University and review the Agenda for members of the Board.

Dr. Bryant expressed thanks to President Bob Klabenes for the outstanding hospitality at the OSU Institute of Technology. He said the dinner last evening was outstanding.

Dr. Bryant reported that OPSU has again secured grant funds to continue Math-Ese training for Oklahoma Panhandle Mathematics teachers. This is the fourth year OPSU has received this grant.

Approval to Replace Gymnasium Floor and Demolish University-Owned House

Regarding the request to solicit and accept bids for the replacement of the gymnasium floor, Regent Hall asked if Oklahoma State University assists the administration with the preparation of the specifications. Dr. Bryant responded affirmatively. He said Vice President Larry Peters contacted Arlene Lanman of OSU Architectural & Engineering Services. In addition, OPSU is trying to get some ideas from other institutions in the region that have recently replaced gym floors. He said Cameron University has had a replacement within the last year or so.

Regent Peach moved and Regent Lester seconded to authorize Oklahoma Panhandle State University to solicit and accept bids for the replacement of the gymnasium floor in the Oscar Williams Field House in the estimated amount of $130,000 and to solicit and accept bids for the demolition of the University-owned house located at 208 W. Eagle Blvd. in the estimated amount of $12,000.

Those voting aye: Board Members Helm, Lester, Peach, Watkins, Anthony, Boettcher, and Hall. No: None. Abstentions: None. Absent: Massey and Burns. The motion carried.

(The Agenda for Oklahoma Panhandle State University is attached.)

The business of Oklahoma Panhandle State University being concluded, Dr. Bryant was then excused from the meeting.

**President’s Update**

A monthly newsletter from the Office of the President

January 2009

### 2008 in Review

- **Dr. Wayne Stewart** has again secured grant funds to continue *Math-Ese* training for Oklahoma Panhandle mathematics teachers. This year’s amount, $85,600, reflects the fourth year OPSU has received the grant, bringing the total to over $330,000.

- The **Panhandle State Foundation** supported OPSU with over $406,000 in the 2007-2008 year. Scholarships awarded directly to students totaled $230,000 and professional development grants were awarded to six OPSU faculty. PSF pledged $100,000 to the Science and Ag Building Fund for equipment.

- The **United States Department of Agriculture** awarded OPSU a $415,219 Rural Development Grant. OPSU partnered with the **Panhandle Share-Ed Video Network (PSVN)**, PSVN member public schools, and PTCI to apply for funds to add and update existing distance learning equipment for PSVN members.

- U.S. Congressman **Frank Lucas** secured $98,305 for the Murphy-Brown LLC Water Quality Testing Laboratory. The one-time congressionally directed grant will be used to purchase equipment that will allow the lab to meet State of Oklahoma standards for testing water samples.

- OPSU held the second annual **Summer Academy** funded by the Oklahoma State Regents for Higher Education (OSRHE) during June 17-20. **Director Joe Breeden** hosted “A First Look at Getting into the Game Industry” for students from around Oklahoma including Tulsa, Edmond, Oklahoma City, Guymon, Goodwell, Texhoma, and Keyes. Because this is the only academy of its kind in the state, over 100 applications were received for the 18 positions available.

- **Verle Martens of the Frank Parkes Foundation**, Inc. of Hooker presented President Dave Bryant with a $20,000 donation for the Science and Agriculture building. Established by Frank Parkes, a longtime Hooker resident involved in oil and gas production, the Foundation provides funds for area educational purposes.

- Representatives of the **National Council for the Accreditation of Teacher Education (NCATE)** and the Oklahoma Commission for Teacher Preparation paid a joint visit to campus to assess the Teacher Education Program in order for the University to continue its accreditation. Led by Dean of Education Dr. Wayne Stewart, members of the OPSU Teacher Education Council, faculty, staff, students and public school teachers worked diligently to ensure that all aspects of the program were not only met but even exceeded some standards. In the exit interview, Dr. Katharine Rasch, the NCATE Board of Examiners team leader said, “All six standards were met and met well.” Dr. Ed Mauzey, the State Board of Examiners Team Leader added, “All state requirements were met and there were no areas for improvement.” OPSU will receive the final decision by the team in April of 2009, and OPSU officials expect to receive a seven year continuing accreditation.

- **John W. Goodwin**, OPSU president from 1995-2002 and OPSU alumnus, passed away Saturday, October 25. Since his retirement, Dr. Goodwin and wife Phoebe had made their home in Fayetteville, Arkansas and the couple continued their ardent support for OPSU. President Dave Bryant said, “Dr. Goodwin cared for students and had a special feeling for first generation college students. He was also one of the first people in the area to recognize the importance of recruiting and graduating Hispanic students. I am honored to carry on his legacy as President of OPSU.”

- The **Ballet Folklórico Corazón de OPSU** troupe traveled to Lubbock on March 15 to compete for the first time in the Lubbock Viva Aztlán Festival. They were placed in the beginner’s division and won the trophy for best choreography. OPSU sophomores Alma Barriga and Diego Gauzin were selected as Best Female and Best Male Dancers for the group. Along with Barriga and Gaucin, other members of the team include senior Jake Luera, sophomores Reyna Baeza and Dahlia Adriana Esparza, and freshmen Karina Chavez and Ruben Cruz.
• During March 27-29 in Memphis, Tennessee, twelve OPSU students competed at the Association of Information Technology Professionals (AITP) 13th Annual Contest. Seven of those OPSU students placed in the national ranks and proved that technology students from a small, rural school possess wide-ranging, well-developed skills. In the fall, the team returned from the regional Association of Information Technology (AITP) contest with one first place award, two third place awards and an honorable mention, upping their count in top ten finishes to a whopping 57 over a 10 year span.
• The Collegiate Officer Program has been approved for accreditation by the Council on Law Enforcement and Education (CLEET), Oklahoma’s professional law enforcement certification division. Successful completion of the program provides students with an Associates of Applied Science and also will afford them the opportunity to take the CLEET certification examination.
• Rob Hamilton, OPSU’s outstanding junior golfer, has been named an All-American Scholar by the Golf Coach’s Association of America. The honor is based upon golfing performance, academic excellence, and citizenship.
• The National Intercollegiate Rodeo Association (NIRA) recently announced 2008 Academic All-American recipients. Townsend Prince was honored in the select group in which student athletes must maintain a 3.5 cumulative grade point average (based on 4.0 scale) and must have qualified for the 2008 College National Finals Rodeo held in June in Casper, Wyoming.
• October 25, 2008 was an historic day on the OPSU campus. In addition to Homecoming activities such as the parade, the barbecue, and an exciting football game, the new Science and Agricultural Building was formally dedicated. The Dedication and Ribbon Cutting Ceremony also kicked off OPSU Centennial Celebrations which will continue through the May 2010 graduation.
• Trell Etbauer, 2008 OPSU graduate, won the 2008 Professional Rodeo Cowboy Association’s Linderman Award. To qualify for the honor, cowboys must win at least $1,000 in a minimum of three events, including a roughstock and a timed event.
• Five Aggie football team members were recently honored for their performance by D2Football.com, a respected authority in NCAA Division II college football. Five OPSU players were honored on the All-Independents team.

• Dr. Matthew Saunders, Assistant Professor of Music and Director of Bands, was honored in Satanta, Kansas on December 2 as the author of an arrangement the high school band performed. The high Satanta school band presented his “Variations on a French Carol,” a piece he was inspired to write following a trip to Germany. The composition has been accepted for publication and should be available next year for any band who would like to use it.
• Jack B. Test, a senior from Guymon, is one of seven Oklahoma students chosen as a Brad Henry International Scholar for the spring of 2009. J. B. will spend much of the semester in Great Britain as a research intern for the National Assembly for Wales located in Cardiff.
• The 2007-2008 rodeo season saw the men’s team complete a perfect regular season, finishing first in all 10 of the Central Plains Region rodeos. The women’s team placed second in the region and members of both teams competed in the College National Finals Rodeo in Casper, Wyo. Both teams were in the top 5 nationally following that rodeo, with the women placing third and the men, fourth. In addition, Krista Johnson was awarded the National Co-Champion Breakaway Roper after tying for first place in that event.
• In December, five graduates were honored on the OPSU campus for completing the requirements for their Associates in Applied Science in Nursing. The program is offered through Oklahoma State University-Oklahoma City on the OPSU campus, and finishing the degree means the graduates are eligible to take the examination to receive registered nursing licensure. Of last year’s graduates, 85% passed the test on the first attempt compared to the national average of approximately 15% first-time test takers.
• The annual Future Farmers of America (FFA) Interscholastics contest was another huge success this year. Hundreds of junior high and high school students representing 35 FFA Chapters from Oklahoma, Colorado, Kansas, Wyoming and Nebraska competed in public speaking contests, livestock, meats, range, and crops judging as well as a shop competition and a number of plant and insect identification contests.

LANGSTON UNIVERSITY, LANGSTON, OKLAHOMA

Dr. JoAnn Haysbert, President; Mrs. Angela Watson, Vice President for Administrative and Fiscal Affairs; and Dr. Marvin Burns, Dean, School of Agriculture and Applied Sciences, appeared before the Board of Regents to present the business of Langston University and review the Agenda for members of the Board.

Dr. Haysbert extended to Dr. Klabenes and his colleagues appreciation for their hospitality. She said the dinner last evening was wonderful, and she thoroughly enjoyed the informative presentation regarding the tribal college and the progress it has made.

Dr. Haysbert said she is very pleased about this first meeting of the new year. She wished each Regent best wishes for health, happiness, and prosperity for 2009.

Vice Chairman Anthony asked President Haysbert if she was able to attend the Presidential Inauguration. Dr. Haysbert responded affirmatively. She said this was the first Inauguration she attended, and it was an excellent opportunity. Obviously, it was a historic one. She said she had the opportunity to talk with individuals who had traveled from practically every state in the country except perhaps Hawaii. She said she also met individuals from Switzerland, Germany, and Canada who came to this historic event.

Personnel Actions

Regent Helm noted that Langston lost a few professors in Rehabilitation Counseling and asked if that leaves the department thin in that area. Dr. Haysbert said this is one of the fastest growing areas and is one of Langston’s areas of distinction. She said it is a loss that the University feels; however, Langston is looking to replace those individuals.

Regent Boettcher moved and Regent Lester seconded to approve the personnel actions as listed in the Langston Agenda.

Those voting aye: Board Members Lester, Peach, Watkins, Anthony, Boettcher, Hall, and Helm. No: None. Abstentions: None. Absent: Massey and Burns. The motion was approved.

Approval of Budget Revision

Dr. Haysbert said the budget has been increased based on the receipt of a $200,000 ground lease payment that was made available for the first time since Langston constructed the apartments. She said this information was shared with the Board as a part of Langston’s 2008 audit presentation. These funds have been added to Langston’s contingency account in an effort to implement year two of the five-year salary program that was approved by the Board last year.
Therefore, Dr. Haysbert requested approval of a revision to the budget effective November 1, 2008, as presented.

Regent Boettcher moved and Regent Lester seconded to approve Langston University's budget revision as presented.

Ratification of Interim Approval

Regent Lester moved and Regent Peach seconded to ratify interim approval granted by the Executive Secretary to correct the bid and purchase requisition amount for furnishing the Allied Health Building from $225,000 to $328,380.

Approval of Purchase Requests

Regent Boettcher moved and Regent Peach seconded to approve the purchase requests as listed in the Langston Agenda, subject to the availability of funds and/or the limitations of the budget.

Balance of Agenda

Vice Chairman Anthony referenced the out-of-state travel summary and noticed the year-to-date travel amount is significantly more this year than the prior fiscal year. He said he is aware that Langston has a lot of grants and asked if this is attributable to that. Dr. Haysbert said she believes this is primarily the reason as well as the increase in the cost of gasoline.

Regent Helm asked how the new Tulsa campus is progressing. Dr. Haysbert said the University received a certificate of occupancy earlier this week. She expressed thanks to the Board for their help in getting Langston to this point. She said she is very appreciative of the support the University has continued to receive from OSU-Tulsa under the leadership of President Gary Trennepohl and Vice President Ron Busement.
Regent Lester moved and Regent Boettcher seconded to approve the balance of the Agenda, subject to the availability of funds and/or the limitations of the budget. (The Agenda is attached.)

Dr. Haysbert expressed thanks to the Board members for their support of the Langston administration and for the support of the University in general.

The business of Langston University being concluded, Dr. Haysbert and members of the Langston administration were then excused from the meeting.

**Summary of Expenditures by Function and Object**

**Agency:**  
OKlahoma City, OK 73104  
655 Research Parkway, Suite 200  
OKlahoma State Regents for Higher Education
Dr. Jeff Hale, President, and Mr. Tom Poole, Special Assistant to the President, appeared before the Board of Regents to present the business of Northeastern Oklahoma A&M College and review the Agenda for members of the Board.

Vice Chairman Anthony welcomed the newest President of the OSU/A&M System. He said everyone is glad to have Dr. Hale as a member of the OSU/A&M family. Dr. Hale expressed thanks to the Board for the opportunity to stand before the Regents as President of Northeastern Oklahoma A&M College. He said after five days on the job he feels like a kid in a candy store. He said he has already had the opportunity to be involved in several on-campus and off-campus activities. He said he appreciates the support that Tom Poole has provided.

Dr. Hale provided a packet of information, which includes the brochure for the 64th Annual High School Basketball Tournament. He said 52 teams from four states will be on the NEO campus Thursday through Saturday this week. He said it is pretty amazing to have a high school basketball tournament that size on the NEO campus. Dr. Hale said what struck him is the all-out effort that takes place on campus to be able to host that event. He said it literally requires hundreds of volunteers each day.

In addition, the packet includes the preliminary enrollment numbers for the spring semester, which look very good. Today is the last day for add/drop, so NEO will have final numbers available in the next few weeks. He said it does appear that both head count and the student credit hour production will be up by approximately 4.5 percent. The final item is the December newsletter that goes out across campus as well as to the alumni and donors of the College.

Dr. Hale referenced the surplus property auction, which is an annual event. The auction has been scheduled for March 7, 2009, in the Equine Center. The projection is that NEO will raise somewhere between $2,000 to $10,000.

Initiate the Search Process for Vice President for Academic Affairs

Dr. Hale said the request regarding approval of the job description and minimum required qualifications and authorization to initiate the job search process was discussed with members of the Academic Affairs, Policy and Personnel Committee.

Regent Lester reported that the Academic Affairs, Policy and Personnel Committee met with the NEO administration regarding approval of a position description and authorization to initiate a search for the position of Vice President for Academic Affairs. He said President Hale provided a job description, which included minimum required qualifications for the position and a summary of the duties. The Committee acted to recommend Board approval of the administrative recommendation as presented by the NEO administration.
Regent Lester moved and Regent Boettcher seconded to approve the job description and minimum required qualifications and to initiate the job search process for the position of Vice President for Academic Affairs for Northeastern Oklahoma A&M College as presented.

Those voting aye: Board Members Boettcher, Hall, Helm, Lester, Peach, Watkins, and Anthony. No: None. Abstentions: None. Absent: Burns and Massey. The motion was approved.

Payment of Property and Content Insurance Premiums

Dr. Hale said NEO received approval at the December, 2008, Board meeting to pay property and content insurance premiums for FY2009 to the Office of Public Affairs, Risk Management Division, for all equipment and buildings on the campus in the estimated total amount of $55,000 with a $50,000 deductible. He said NEO has received an invoice for FY2009, and the actual amount is $133,506.36 with a $50,000 deductible. Dr. Hale said the increase is due to flood insurance that was purchased by Risk Management, and NEO’s portion of the $150,000 flood insurance premium is $70,261.

Regent Hall moved and Regent Lester seconded to pay property and content insurance premiums for FY2009 to the Office of Public Affairs, Risk Management Division, for all equipment and buildings on the campus in the amount of $133,506.36 with a $50,000 deductible as presented.

Balance of Agenda

Regent Hall moved and Regent Lester seconded to approve the balance of the Agenda, subject to the availability of funds and/or the limitations of the budget. (The Agenda is attached.)

Those voting aye: Board Members Hall, Helm, Lester, Peach, Watkins, Anthony, and Boettcher. No: None. Abstentions: None. Absent: Massey and Burns. The motion passed.

Dr. Hale said as he was leaving yesterday to attend the Board meeting, he learned that NEO received an estate gift check in the amount of $380,000 from Treva McColey. He said according to Mr. Poole, this is the second largest gift ever received by the College. The check is specifically designed for scholarships for students in Craig County. NEO will put the gift to good use.
Expression of Appreciation to Tom Poole

Vice Chairman Anthony expressed to Tom Poole thanks for his service. He said he is aware he is winding things down, and on behalf of the Board he expressed appreciation for his work and efforts. Mr. Poole said it has been a great pleasure to have been associated with this system all these years. He said it is going to be real difficult to pick up and walk out the door. He expressed thanks for the Board’s support and caring for NEO over all these years. Vice Chairman Anthony said that the sentiment is mutual and wished him well in his retirement.

The business of Northeastern Oklahoma A&M College being concluded, Dr. Hale and Mr. Poole were then excused from the meeting.

Board of Regents for OSU and the A&M Colleges
Stillwater, Oklahoma

Dear Board Members:

Subject to budgetary limitations and availability of funds, the following expenditures are submitted for Board Approval with purchases to be coordinated through the Board Purchasing Officer, Oklahoma State University. We recommend the following business for your consideration and approval.

PART A - GENERAL INFORMATION/REPORTS REQUIRING NO ACTION BY THE BOARD

1. High School Invitational Basketball Tournament

The annual High School Basketball Tournament will be held January 23, 24, and 25, 2009. This is the 64th year that NEO has hosted this tournament. This year we have 52 teams from the four-state area participating and this continues to be the largest high school basketball tournament in the nation.

PART B - RESOLUTIONS

None

PART C - POLICY AND OPERATIONAL PROCEDURES

None

PART D - PERSONNEL ACTIONS

We request approval of the following personnel actions:

1. Initiate Job Search Process for Vice President for Academic Affairs

   We request approval of the job description and minimum required qualifications and to initiate the job search process for the position of Vice President for Academic Affairs for Northeastern Oklahoma A&M College. A job description which includes the minimum required qualifications for this position is attached (Reference Document #1).

2. Change of Position and Salary

   a. Keith Sutton, English instructor and Advisor/Coordinator of the International Student Program (11 month position), has resigned as Advisor/Coordinator of the International Student Program and his annual salary has been changed to $40,929.00 (10 months), effective January 1, 2009.
PART E - INSTRUCTIONAL PROGRAMS

None

PART F - BUDGETARY ACTIONS

1. Revision – E&G Budget Part I – FY09

We request approval of the revision for FY 09 E&G Budget Part I (Reference Document #2) which reflects the one-time stipends for FY-09 for all full-time NEO employees.

PART G - OTHER BUSINESS AND FINANCIAL MATTERS

1. Peace Officer Commission

We request peace officer commission for Campus Police Officer, John K. Sharp.

PART H - CONTRACTUAL AGREEMENTS (other than construction and renovation)

None

PART I - NEW CONSTRUCTION OR RENOVATION OF FACILITIES

None

PART J - PURCHASE REQUESTS

1. We were approved at the December 2008 board meeting to pay property and content insurance premiums for FY2009 to Office of Public Affairs, Risk Management Division, for all equipment and buildings on the campus at an estimated total cost of $55,000 with a $50,000 deductible. We have received an invoice for FY2009 and the actual amount is $133,506.36 with a $50,000 deductible. The increase is due to flood insurance that was purchased by Risk Management and our portion of the $150,000 flood insurance premium is $70,261. The additional increase was due to the estimated replacement value of the buildings and contents going from $93,807,106 in FY2008 to $121,028,250 in FY2009. The funding will be from the E&G and Auxiliary Budgets (housing, student union, cafeteria, and bookstore).

PART K - STUDENT SERVICES/ACTIVITIES

CONNORS STATE COLLEGE, WARNER, OKLAHOMA

In the absence of President Donnie Nero, Dr. Jo Lynn Digranes, Executive Vice President, and Ms. Sharon Owen, Vice President for Fiscal Services, presented the Agenda for members of the Board and reviewed the business of Connors State College. Dr. Digranes said Dr. Nero sends greetings. She noted that Dr. and Mrs. Nero had the opportunity to attend the Presidential Inauguration. Dr. Digranes expressed appreciation to President Klabenes for the wonderful gourmet meal and for the hospitality. She said it is always a pleasure to visit the campus. She also expressed appreciation to the Board for its continual support.

Dr. Digranes said Connors is concluding its second week of classes today, and enrollment will be ceasing. The enrollment for Connors is up slightly over 7 percent from last spring. For the Muskogee campus the increase is a little over 9 percent, for the Warner campus it is 8.5 percent, and for the correctional centers the enrollment is fairly even. Also, the student credit hours are up about 6 percent. Dr. Digranes said it is believed that the cooperative alliance student enrollment from the Indian Capital Technology Center will be fairly even this semester, as well.

Academic Curriculum and Course Modifications

Dr. Digranes said Connors is recommending several curriculum and course modifications to assist with student transfer, to clean up some programs, and to move with recommendations from the child development accrediting agency, the National Association for Education of Young Children.

Regent Lester said the Academic Affairs, Policy and Personnel Committee met this morning with the administration of Connors State College regarding approval of program modifications. He said Executive Vice President Digranes requested approval of the proposed curriculum and course modifications beginning with the 2009 fall semester. The Committee acted to recommend Board approval of the administrative recommendation as presented.

Regent Lester moved and Regent Watkins seconded to approve the proposed curriculum and course modifications as presented.

Those voting aye: Board Members Helm, Lester, Peach, Watkins, Anthony, Boettcher, and Hall. No: None. Abstentions: None. Absent: Massey and Burns. The motion carried.

Approval of Student Fees

Dr. Digranes said she has four fee requests that she is requesting approval to submit to the Oklahoma State Regents for Higher Education for their review and approval. She said Connors will come back to the Board for approval of the fees when it presents the budget for FY-10. She
said all of the requests are rather selective fees and would only apply to certain groups at certain times.

Regent Lester said the Academic Affairs, Policy and Personnel Committee also met with the Connors administration regarding approval of student fees. He said Dr. Digranes presented four different fees for approval including modification of the $55 Student Housing Deposit Fee to a Student Housing Application Fee; increasing the Student Graduation Fee to $35; charging a $10 replacement fee for academic diplomas; and increasing the Nursing Program Kaplan Fee to $112.50 per student, effective with the 2009 fall semester. Discussion centered on the need for these fees and how they will impact student enrollment. He said the Committee acted to recommend Board approval of the administrative recommendation.

Regent Lester moved and Regent Watkins seconded to authorize the Connors administration to submit the fee requests as presented to the Oklahoma State Regents for Higher Education for their review and approval.

Those voting aye: Board Members Lester, Peach, Watkins, Anthony, Hall, and Helm. No: None. Abstentions: None. Absent: Massey, Boettcher, and Burns. The motion carried.

Balance of Agenda

Regent Peach moved and Regent Watkins seconded to approve the balance of the Agenda, subject to the availability of funds and/or the limitations of the budget. (The Agenda is attached.)

The business of Connors State College being concluded, Dr. Digranes and Ms. Owen were then excused from the meeting.

Proposed Curriculum and Course Modifications
Connors State College
January 2009

Agriculture -- AS in Horticulture

- Change program core hours from 17-23 to 14
- Change guided electives hours from 0-6 to 9
- Place Agricultural Orientation under program core
- Add the following classes:
  - HORT2513 Herbaceous Plant Materials
  - HORT2613 Woody Plant Materials
  - HORT 2202 Commercial Plant Production
  - HORT2302 Horticulture Growing Systems
  - HORT2402 Residential Landscape Design
  - HORT2101 Landscaping with Native Materials
  - HORT2201 Maintaining the Home Landscape
- Include Woody Plant Materials and Herbaceous Plant Materials under the program core, with all other new courses under guided electives

AAS and AA in Child Development

- Modifications are made as recommendations from NAEYC team and ease of transfer.
- General Education Requirements:
  - Eliminate “Selected Electives” and collapse into General Education Requirements.
  - Add Sociology 1113
- Minimum Program Requirements: (same as for AA)
  - Orientation Course Added as requirement, and to be taken 1st semester.
  - Child and Family, and Guidance of YC - need CHDV2523 prerequisite added
  - CHDV 1113 Professional Prep—Reduce to 2 hour lecture course—accommodates addition of 1 hour course. Key assessment will be moved to CHDV 2543, reducing work load—however, this will also mean that this course will not be on the CEP matrix.
  - CHDV 2543 Language and Literacy—move to Requirements for accreditation key assessment (key assessments must be done by all students in program)
- Program Electives: (same as for AA)
  - Ensure Prerequisite is in place for all courses.
  - Add CHDV 2593 Infant Toddler Programs
  - CHDV 2223 Creative Experiences
- Support Courses:
  - Eliminate—per recommendation of accreditation team, to increase child development hours.
General Studies

- This request for program modification comes from the Enrollment Services Office. The reasoning is that the requested modifications will allow greater flexibility in the degree plan and better accommodate our students.
- The basic change is in the 24 hours of Program Requirements.
  o Currently students take three (03) or more courses from seven (07) academic areas for 9 to 18 hours and two (02) or more courses for 6 to 15 hours in eleven (11) academic areas.
  o The recommended modification would require students to take at least one (01) three-hour course from a minimum of four (04) different disciplines from a list of 28 academic areas.
- The modification also updates the academic area listing.

A.A. in History

- In the general education requirements section of the plan, only History 1483 would be listed. Then, in the history program requirements section, only History 1493 would be listed. This will make it clear that history majors must take the two survey American history courses. One course will be counted towards their general education requirement and the other toward their history major requirements.
- Reduce the history program requirements from 15 hours to 12 hours and
- Add three hours to the elective section, which will change it to 6 hours. Under the electives section add the course: SOCI 2523 Social Psychology.

A.A. in Psychology

- Make Psychology 1113 a prerequisite course for all of the advanced psychology courses offered at Connors.
- Change the name of our Psychology of Personality Adjustment PSYC 2113 course to Psychology of Adjustment. This will bring our course more in line with the courses of other institutions that are listed on the Regent’s Matrix as Psychology of Adjustment and aid our students who transfer from Connors.

A. A. in Sociology

- Modify the Pre-Professional Sociology Option degree plan by making the required psychology course for sociology majors PSYC 1113 Introduction to Psychology rather than the current PSYC 2313 Developmental Psychology course. The introductory course is not listed anywhere in the degree plan, but it is a prerequisite course for all other psychology courses. Therefore, it should be the required course and the developmental course should be placed in the elective section of the plan. The elective hours should then be changed to 0-3 hours.
• Change the degree plan for the Sociology Pre-Social Work Option by deleting the business course requirements section. The two courses listed, BUSN 2113 Macroeconomics and BUSN 2213 Microeconomics, should be moved to the elective section of the degree plan.

• A psychology requirement of three hours, PSYC 1113 Introduction to Psychology, should be added to the degree plan. This will not change the number of hours that the majors will have to take.

Courses in Mathematics

• Change both Calculus I and II from 5 hour to 4 hour courses.
  o Change Math 2215 Calculus I to a 4 hours course, Math 2214. The change would occur to correspond to the calculus courses offered by other colleges in the area.
  o Change Math 2235 Calculus II to a 4 hours course, Math 2234. The change would occur to correspond to the calculus courses offered by other colleges in the area.

OKLAHOMA STATE UNIVERSITY, STILLWATER, OKLAHOMA

President V. Burns Hargis appeared before the Board of Regents to present the business of Oklahoma State University and review the Agenda for members of the Board.

President Hargis expressed appreciation to Bob Klabenes for the school’s culinary success last evening. He said it was nice to welcome Jeff Hale as the new member of the team and to have the opportunity to say goodbye to Tom Poole.

President Hargis referenced the Accomplishments brochure and noted the main article on the front page is about OSU’s creativity initiative that is being chaired by Professor John Mowen. In these times with big budget cuts and wanting to increase quality, it is certainly going to require some creativity. President Hargis said he is also delighted about the opening of the North Classroom Building at Monroe and Hall of Fame. It is a beautiful state-of-the-art facility, and he encouraged the Regents to tour the building. He said this facility was partially funded by the Oklahoma Higher Education Capital Bond Program, and it is going to be used jointly with Northern Oklahoma College as a part of the partnership with that institution.

Memorial Resolution

President Hargis presented information about Lucy A. Tate, Registered Nurse, Retired, University Health Services, Division of Student Affairs. He recommended the Board’s adoption of the Memorial Resolution for Ms. Tate as presented. (The Memorial Resolution for Lucy A. Tate is attached to OSU’s portion of the minutes as ATTACHMENT A and considered a part of these minutes.)

Regent Lester moved and Regent Boettcher seconded to adopt the Memorial Resolution for Lucy A. Tate as presented.

Those voting aye: Board Members Peach, Watkins, Anthony, Boettcher, Hall, Helm, and Lester. No: None. Abstentions: None. Absent: Burns and Massey. The motion was approved.

President Hargis requested Provost Strathe to present information pertaining to Policy and Operational Procedures, Personnel Actions, and Instructional Programs:

Approval of 2009-2010 Special Fees

Dr. Strathe said Oklahoma State University requests Board approval to submit to the Oklahoma State Regents for Higher Education several new special fees and modifications of some existing fees. The summary is provided on page C-1 of the OSU Agenda (a copy of which is on file in the Board of Regents’ Office as Document No. 1-1-23-09). She said this request was discussed earlier with members of the Academic Affairs, Policy and Personnel Committee.
Regent Lester said the Academic Affairs, Policy and Personnel Committee met with the OSU administration regarding approval of the 2009-2010 Special Fees request. He said Provost Strathe and Joe Weaver highlighted these requests. He said the Committee acted to recommend Board approval to submit to the Oklahoma State Regents for Higher Education the fee requests as presented with the understanding that the OSU administration will seek additional authority from the OSU/A&M Board of Regents to implement the fees.

Regent Watkins moved and Regent Helm seconded to authorize the OSU administration to submit the 2009-2010 Special Fees to the Oklahoma State Regents for Higher Education as presented for their review.

Vice Chairman Anthony said he believes the entire Board is in agreement that the Regents take very seriously the passing of any kind of fees on to the students. In a perfect world it would be ideal not to have to do that. He said he seconded the motion in the Committee meeting in order to get this request onto the floor for discussion at the Board meeting. He said it is important that the Board has full discussion because of the concerns about the issue and how best to address it in view of the financial decline the University is facing.

Regent Lester said there was good discussion during the Committee meeting. He said he voted against the proposal during Committee and plans to vote against it here, as well. He said he does not like voting against the request; however, one complaint he hears a great deal about is fees and the affordability of education. He said he believes Oklahoma State University has done a great job keeping the education that OSU offers both top rate and affordable. Certainly within OSU’s peer group it is the most affordable. For example, as noted in the Accomplishments brochure OSU is listed as one of the nation’s best values, and he said he believes that is probably an understatement. Regent Lester said, however, he cannot support this particular fee request.

Regent Helm also noted OSU’s ranking by Kiplinger, and he said in order to achieve that and to make OSU’s education a value it must provide quality education. He said the Board is still going to be able to readdress this issue at another time, but he believes at this time the Board should submit the request to the State Regents. There is a February 1 deadline to submit the fee requests. Regent Helm said he believes it is essential to keep all opportunities available. He said he is not saying the Board must spend it, but at least be able to have the opportunity when the time comes to address it again. Regent Helm said he believes it would be derelict on the Board’s part if it did not have the chance to look at the fee again after the State budget, enrollment figures, etc., are known. Regent Helm said he believes this keeps the options open, and he believes it is essential that the Board does this at this time.

Regent Peach said he has a concern about the way the fee increases were presented because some of the fees were increased due to particular classes that may cost more. However, included in with the fee requests is a $10 per-credit-hour fee for academic excellence. Regent Peach said it seems to him that these are two separate issues. OSU is assigning a $10 per-credit-hour fee to all students who come to OSU, which appears to him to be a hidden increase in tuition. He said he does understand that it would cost more to take science classes, for example. Regent Peach said
he is somewhat disappointed that these fees are all presented as one increase, and this is the concern he has.

Vice Chairman Anthony said Regent Peach raised a good point and said if the motion on the floor does not pass then it would be possible to approve the specific fees as a group and exclude the Academic Excellence Fee, if this is the wish of the Board. He said he seconded the motion during the Committee meeting so that this matter could get to the floor, but he indicated he will be voting against the request simply because he believes another opportunity will be provided later to implement a fee if, in fact, it is necessary. Vice Chairman Anthony said he believes it is presumptuous not knowing the budget and not knowing what the State will be able to do, and he believes it looks like the Board is anxious to do this. Vice Chairman Anthony said he also believes that this might jeopardize the issue of the State Legislature taking control again of who dictates increases in tuition. He said it would be his preference to increase tuition than tack on this $10 fee. Vice Chairman Anthony said he is fully appreciative of what the University does, but the administration must get away from playing games with the fees.

Regent Helm asked Dr. Strathe to explain the February 1 deadline date because during the Committee meeting Dr. Strathe alluded to the fact that if OSU does not have the fees submitted by February 1 that the State Regents could say that the fee requests were not submitted in time and could not be assessed this year. Dr. Strathe said this is correct. She said there have been occasions in the past in which OSU and other institutions were permitted to submit late fee requests, but the question was raised this morning about whether or not that would raise to a higher level the visibility of the fee requests. She said she would like to address Regent Peach’s concern about the presentation of the fees. She said these are fees that are defined as special fees by the State Regents, and that is why they are included together. Basically, special fees are any fees that are not required of all students, and this is the reason the Academic Excellence Fee falls into this category. Regent Peach said it was his understanding that it would be paid by all students, and Dr. Strathe said it is only required of the entering class next year.

Regent Hall asked the amount of impact the Academic Excellence Fee places on the budget. Dr. Strathe said it would be a little over $1 million. She said the other fees, which are specific course fees, will have a very limited impact because they are graduate fees with a smaller number of students taking those courses. Regent Hall said the $1 million basically is about 6,000 students taking 15 credit hours times $10. Dr. Strathe said this is correct.

Vice Chairman Anthony called for a vote on the floor.

Vice Chairman Anthony said he would entertain a motion to authorize the submission of the special fee requests to the Oklahoma State Regents for Higher Education with the exception of the Academic Excellence Fee.
Regent Boettcher moved and Regent Peach seconded to authorize the OSU administration to submit the 2009-2010 Special Fees to the Oklahoma State Regents for Higher Education with the exception of the Academic Excellence Fee.

Those voting aye: Board Members Anthony, Boettcher, Hall, Helm, Lester, Peach, and Watkins. No: None. Abstentions: None. Absent: Burns and Massey. The motion was approved.

**Personnel Actions**

Dr. Strathe presented four pages of personnel actions and recommended their approval with the exception of those items pertaining to separation, retirement, and death, which are included as information items only. (These recommendations are listed on pages D-3.1 through D-3.4 of the OSU Agenda, which is on file in the Board of Regents’ Office as Document No. 1-1-23-09.) Dr. Strathe said the list includes 4 new appointments and 14 changes in title, rate, and/or length of a tenure track appointment. She noted the list also includes as information one retirement and seven separations. Dr. Strathe recommended approval of the personnel actions.

Regent Lester referenced personnel action No. 15 regarding the request to authorize the President and Athletic Director to execute contractual adjustments to Frank Anderson’s contract. He asked what the Board is being asked to approve. Dr. Strathe said essentially the President and the Athletic Director will execute contractual adjustments to the contract for the Head Baseball Coach. She said this is a common practice with the athletic coaches. Regent Lester asked how much money is being addressed. Dr. Wilson said he inquired about this and learned that a portion of Coach Anderson’s compensation came from a contract with Louisville Slugger. OSU has now gone to an all Nike contract, so Coach Anderson lost that portion he was receiving from Louisville Slugger. Now OSU is replacing that amount with money from the Nike contract. Dr. Wilson said this is his understanding based on his inquiry. Mr. Drake said this is his understanding, also.

Dr. Wilson said he had the impression that it did not represent an increase in compensation but was just a restructuring of the agreement. Mr. Drake said he believes Coach Anderson was paid directly by Louisville Slugger, and this is offsetting the loss of that income. Regent Helm said his understanding is that the Nike deal is a lump sum payment to the Athletic Department. Mr. Drake said this is correct, and the previous one was personal to Coach Anderson. Regent Hall said as the request is stated the Board would also be authorizing the Athletic Director to negotiate the contract as he sees fit, whether that is an increase or not he has that authority.

Vice Chairman Anthony asked Regent Lester if he was asking the amount. Regent Lester said he just wants to know what it is and what he is actually approving other than a blank check. Regent Boettcher said he does not think one can understand what he/she is approving when authorizing a negotiation. Vice Chairman Anthony asked Dr. Strathe if the amount is known, and she said she did not know.
Vice Chairman Anthony asked Regent Lester if he is interested in pulling that item. Regent Lester said if this is a zero sum request that is one thing; however, he said he would have a hard time voting to approve this specific request as stated. He said if he knew what the substance was he might not have any problem with it.

Regent Lester said he is a fan of Coach Anderson and noted he has done a great job. He said he can vote to approve every one of these items except for that one request.

Regent Lester moved and Regent Boettcher seconded to approve the list of personnel actions as presented with the exception of personnel action No. 15 and that this item be pulled for more information.

Regent Hall said in reading the request he believes the only adjustment would be to the Talent and Personal Services portion of his contract and not his coaching contract as furnished by the University. Regent Hall said he understands Regent Lester’s concern, but he also hears that there are some changes in the Talent and Personal Services agreement with Louisville Slugger to Nike and that would be the duty of the Athletic Director. Mr. Drake clarified that the Talent and Personal Services contract is with the Coach and the University. The Coach’s compensation is divided between an employment contract and the Talent and Personal Services contract, and the Athletic Director (AD) is seeking to adjust that contract. Mr. Drake clarified that it is University money.

Regent Peach said it may be urgent for OSU to get this contract renegotiated in order to keep Coach Anderson. He said he believes this needs to be discussed more. Regent Helm said he believes this exclusion is hasty. Regent Helm said the Regents have had this information and could have asked for clarification before the open meeting. He asked if this might send a message that the Board does not want Coach Anderson. Regent Helm noted that the Athletic Director has done an outstanding job of reducing OSU’s costs of the assistant football coaches as they were being replaced. Regent Helm said he believes the AD is very aware of money matters and is not giving things away freely. He said he believes the AD is doing what he needs to do to be competitive, but he is very cautious with the money. Regent Helm said he is concerned about the message the Board sends with this action.

Regent Boettcher said he wonders if in the future that the Regents could get the amount of money after the negotiations have taken place. He said this is really the Board’s responsibility as he understands it. He said he can recall almost that same language for the Head Football Coach and he thought the coach was getting $1.9 million, but he read in The Daily O’Collegian that the Head Football Coach was getting over $2 million. There may be nothing wrong with that because there may have been some additional money or an average over the years of the contract, but he said voting yes on an open commitment or an open provision like this gives him some concern.

Vice Chairman Anthony said he does not believe the Board wants to jeopardize any feelings of Coach Anderson. Regent Peach said he believes Coach Anderson has taken the baseball program in the direction the Board asked him to take it when he accepted the position.
Regent Lester said he does not want to jeopardize anything with Coach Anderson because he is a fan of his, a fan of Coach Holder, and a fan of the President. He noted that they all have done a fantastic job. He said he is concerned, however, when he is asked to approve a blank check, which this is. Regent Lester said he did ask for clarification on this request as soon as he could, and the clarification he received was precisely what has been stated that this is to replace funding previously received by the Louisville Slugger contract that has now been cancelled. He said he still does not know how much is being addressed and whether or not it involves the same amount, an increase, a decrease, or what is being addressed. Regent Lester said he asked for clarification, and that is the information he received; however, it does not answer the question on what he is being asked to approve. Regent Lester said of course he trusts the personnel to deal with matters appropriately; however, he does not normally vote for blank checks.

President Hargis said his understanding is that it is the same amount as what Coach Anderson was receiving from the Louisville Slugger contract. If that is the case and it is no more, he asked about the possibility of approving the request with that proviso because it was approved initially. Regent Lester said this was his question originally, and if it is a zero sum amount then the answer is yes. President Hargis said his request would be that the Board approve the request on the condition that Coach Anderson’s compensation does not exceed the existing amount that he was receiving from Louisville Slugger.

Regent Peach said in reality it probably will not be a zero sum amount, so he asked about the possibility of changing the wording for the Athletic Director to negotiate and execute the contract and report back to the Board the terms of that negotiation. Vice Chairman Anthony said the Board has the ability to do that. Mr. Drake said once this is done the contract is an open record. Once it is negotiated, the contract would be executed and the Athletic Director and the President could certainly inform the Regents the result of that negotiation. Regent Peach said he just doesn’t want to tie anyone’s hands.

Vice Chairman Anthony said he believes the President’s suggestion is in the spirit of the concerns expressed by Board members.

Regent Lester withdrew his motion. He said he believes this makes good sense. He said he understands Legal Counsel’s point that it is not a zero sum and was probably a poor choice of words on his part. He said this completely answers his concerns. President Hargis said if it is more, then the administration would come back to the Board; however, he believes that it will be just a shift of the payor.

Regent Lester moved and Regent Boettcher seconded to approve the personnel actions as presented; however, if there is an increase to Coach Anderson’s total compensation that it be brought back to the Board.

New Degrees and Program Modifications

Dr. Strathe said there are several new degrees and program modifications that have been proposed both for the Stillwater campus and for the Center for Health Sciences in Tulsa. The summary of these requests is found beginning on page E-1 of the OSU Agenda (a copy of which is on file in the Board of Regents’ Office as Document No. 1-1-23-09). These requests were discussed this morning with members of the Academic Affairs, Policy and Personnel Committee. If these requests are approved, they will be submitted to the State Regents for their review and approval, as well.

Regent Lester reported that the Academic Affairs, Policy and Personnel Committee met with the OSU administration regarding approval of the degree requests and program modifications. He said Provost Strathe provided detailed information on each specific request. The Committee acted to recommend Board approval of the administrative recommendation as presented by the OSU administration.

Regent Lester moved and Regent Peach seconded to approve the degree requests and program modifications as presented.

Those voting aye: Board Members Hall, Helm, Lester, Peach, Watkins, Anthony, and Boettcher. No: None. Abstentions: None. Absent: Massey and Burns. The motion passed.

President Hargis requested Vice President Bosserman to present information pertaining to Administration and Finance:

G-1 Approval of Payment to OSU Medical Center Trust

Dr. Bosserman requested Board approval to authorize OSU to request the remaining balance of $19,914,993 held by the Oklahoma State Regents for Higher Education to pay, subject to prior receipt of such funds, a valid invoice from the newly formed OSU Medical Center Trust, as approved by the OSU Medical Authority. He further requested Board approval to augment the $19,914,993 with $85,007 from an OSU-CHS one-time funding account to fully fund the $20,000,000 portion of the OSU Medical Center Trust agreement. He said this item was discussed with members of the Academic Affairs, Policy and Personnel Committee.

Regent Lester reported that the Academic Affairs, Policy and Personnel Committee met with the OSU administration regarding approval of payment to the OSU Medical Center Trust. He said Dr. Jim Hess provided details to the Committee on this agenda item. He said the Committee acted to recommend Board approval of the administration’s recommendation.

Regent Lester moved and Regent Peach seconded to authorize OSU, acting as the fiscal agent for the OSU Medical Authority, to pay the remaining balance of $19,914,993 held by the Oklahoma State Regents for Higher Education to
the OSU Medical Center Trust. Additionally, authorization was approved for payment of $85,007 from a one-time funding account of OSU-CHS, subject to review and approval by Legal Counsel.

Those voting aye: Board Members Helm, Lester, Peach, Watkins, Anthony, Boettcher, and Hall. No: None. Abstentions: None. Absent: Massey and Burns. The motion was approved.

Vice Chairman Anthony said he would like to acknowledge Regent Helm who has done a yeoman’s job on this matter. He said he carried the ball on this for a while, but Regent Helm has taken over and is running with it and is now serving on the OSU Medical Center Trust. Vice Chairman Anthony said he knows Regent Helm is burning the midnight oil to get this done in time, and he said his work is very much appreciated. Regent Helm said there are many others involved. It is a dedicated group of individuals who have volunteered to try to get this accomplished as soon as possible.

H-1 Approval to Grant a Permanent Drainage Easement to the City of Bixby

Dr. Bosserman requested approval to grant a permanent drainage easement to the City of Bixby, Tulsa County, Oklahoma. He said Dr. Bob Whitson and his staff have been working with the City of Bixby to make this happen. All of this will be subject to review by Legal Counsel prior to execution.

Regent Helm moved and Regent Peach seconded to grant a permanent drainage easement to the City of Bixby, Tulsa County, Oklahoma, subject to review and approval by Legal Counsel prior to its execution.

Regent Helm said this project is being funded by the Vision 2025 program. The easement involves approximately 4.4 acres. He said a ditch will be widened, and through the agreement a bridge will be replaced. Regent Helm said OSU will be compensated for this. He said this project will help with a flood problem, and this is the right thing to do.

Those voting aye: Board Members Lester, Peach, Watkins, Anthony, Boettcher, Hall, and Helm. No: None. Abstentions: None. Absent: Massey and Burns. The motion was approved.

J Approval of Purchase Request Items

Dr. Bosserman presented the Purchase Requests and recommended their approval from the lowest and best bidders through the competitive bidding process or from State contract vendors, subject to the availability of funds and budgetary limitations. (The Purchase Requests are listed on pages 3 and 4 of the OSU Agenda, which is on file in the Board of Regents’ Office as Document No. 1-1-23-09.)
Regent Peach moved and Regent Helm seconded to authorize Physical Plant Services Department to purchase consulting services to conduct facility condition assessments in the estimated amount of $300,000 (purchase request No. 1, page 3, OSU Agenda).

Those voting aye: Board Members Peach, Watkins, Anthony, Boettcher, Hall, Helm, and Lester. No: None. Abstentions: None. Absent: Massey and Burns. The motion was approved.

Regent Watkins moved and Regent Helm seconded to authorize OSU-Tulsa to purchase fundamental core laboratory equipment for the Helmerich Advanced Technology Research Center in the amount of $1,390,000 (purchase request No. 5, page 3, OSU Agenda).

**Balance of Purchase Requests**

Regent Lester moved and Regent Boettcher seconded to approve the balance of the purchase requests, subject to the availability of funds and/or the limitations of the budget.

The business of Oklahoma State University being concluded, President Hargis and members of the OSU administration were then excused from the meeting.
MEMORIAL RESOLUTION

WHEREAS, it has been called to the attention of the Board of Regents for Oklahoma State University and the Agricultural and Mechanical Colleges that Lucy A. Tate, Registered Nurse, Retired, University Health Services, Division of Student Affairs, was claimed by death on November 28, 2008; and

WHEREAS, Ms. Tate, by her loyalty, attention to duty, and faithful performance rendered service as a staff member of Oklahoma State University from July 1, 1982, to the date of her retirement, May 1, 1993, and as a citizen worthy of commemoration and respect; and

WHEREAS, her friends and Oklahoma State University have suffered irreparable loss in her passing:

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF REGENTS FOR OKLAHOMA STATE UNIVERSITY AND THE AGRICULTURAL AND MECHANICAL COLLEGES:

THAT it takes this method to express its appreciation for the years of useful service rendered by Ms. Tate to the State of Oklahoma and its citizens, to express respect to her memory, and to extend to the family its deep sympathy in the loss sustained, and to state that the Board and every member thereof respectfully join the friends of the deceased in mourning the passing of one of Oklahoma State University's staff members.

BE IT FURTHER RESOLVED, that a copy of this resolution be spread upon the minutes of the Board and a copy sent to the family of Ms. Tate.

Adopted by the Board the 23rd day of January.

Public Comments

Vice Chairman Anthony announced that 15 minutes would be provided for the public to make comments to the Board of Regents, and he asked if there were any members of the public who would like to address the Board at this time. There being none, the Board continued with its business.
MATTERS PERTAINING TO THE BOARD OF REGENTS FOR THE
OKLAHOMA AGRICULTURAL AND MECHANICAL COLLEGES
OF INTEREST TO ALL THE UNIVERSITIES/COLLEGES
MEETING OF JANUARY 23, 2009

Vice Chairman Anthony called upon the following Committee Chairs to give Committee reports.

**Academic Affairs, Policy and Personnel Committee – Regent Calvin Anthony**

(All matters discussed by the Academic Affairs, Policy and Personnel Committee were addressed during the business of Northeastern Oklahoma A&M College, Connors State College, and Oklahoma State University.)

**Fiscal Affairs Committee – Regent Greg Massey**

In the absence of Regent Massey, Regent Helm reported on behalf of the Committee.

**Acceptance of FY-08 Audit for Connors State College**

Regent Helm said Executive Vice President Jo Lynn Digranes addressed the Committee in the absence of President Nero concerning the FY-2008 audit for Connors State College. He said Vice President Sharon Owen provided background information on the status of the audit and the completion of the Connors Development Foundation audit, which had been delayed until this week. He said the Committee acted to recommend that the Board accept the June 30, 2008, CSC audit.

Regent Helm moved and Regent Hall seconded to accept the FY-08 Audit for Connors State College.

Those voting aye: Board Members Anthony, Boettcher, Hall, Helm, Lester, Peach, and Watkins. No: None. Abstentions: None. Absent: Burns and Massey. The motion was approved.

In addition to the audit, Regent Helm further reported that OSU Vice President Bob Whitson provided information to the Committee regarding the Institute for Agricultural Biosciences to be constructed in Ardmore, Oklahoma. He displayed the site plan, conceptual drawings for the facility, and provided an update on the status of the project. This is OSU’s first LEED project.

Regent Helm also reported that OSU Vice President David Bosserman provided information about the joint project between the City of Stillwater and OSU pertaining to the resurfacing of
University Avenue and how the closing of that street will affect access to various areas of the University. He said it will be a challenge to access the south side of campus for a few months; however, this project is greatly needed, and the long-term benefit will outweigh the interruption of traffic flow. He said the completion of the project is scheduled no later than September 18, 2009.

Vice Chairman Anthony said the University is in desperate need of that renovation. Regent Helm noted it will involve cleaning up around The Atherton Hotel and the Student Union also, so he believes it will be a great addition.

Planning and Budgets Committee - Regent Fred Boettcher – No report.

Adjournment

At approximately 12:05 p.m., Regent Boettcher moved and Regent Lester seconded that the meeting be adjourned.
