MINUTES OF THE MEETING OF THE BOARD OF REGENTS FOR THE OKLAHOMA AGRICULTURAL AND MECHANICAL COLLEGES, JULY 23, 2010

NOTICE OF THIS MEETING WAS FILED WITH THE SECRETARY OF STATE ON SEPTEMBER 16, 2009.

The Board of Regents for the Oklahoma Agricultural and Mechanical Colleges met in the Executive Board Room in Administration Hall on the campus of Oklahoma State University-Tulsa, 700 N. Greenwood Ave., Tulsa, Oklahoma, on July 23, 2010.

Those present: Mr. Calvin J. Anthony, Chairman; Mr. Fred L. Boettcher, Vice Chairman; Mr. Joe D. Hall; Mr. Jay L. Helm; Mr. Andrew W. Lester; Mr. Terry L. Peach; and Mrs. Lou Watkins.

Absent: Mr. Douglas E. Burns and Mr. Tucker Link.

Others present: Dr. W. Douglas Wilson, Executive Secretary; Mr. Charles E. Drake, General Counsel; Mr. Robert White, Health and Higher Education Policy Analyst; Mr. Jason Ramsey, Director, State Government Relations; Mr. Cecil F. Strande, Director of Internal Audits; Ms. Cherilyn Williams, Administrative Associate; and Ms. Holly Miller, Administrative Associate.

After the Executive Secretary announced a quorum was present and all documents had been filed, the meeting was called to order at approximately 10:00 a.m.

On behalf of the Board of Regents, Chairman Anthony expressed thanks to OSU-Tulsa for hosting the meeting. He said the dinner last evening was very nice. He also thanked the administration of CHS for its efforts.

Those voting aye: Board Members Peach, Watkins, Anthony, Boettcher, Hall, Helm, and Lester. No: None. Abstentions: None. Absent: Link and Burns. The motion carried.
July 23, 2010

Approval of Minutes

Regent Lester moved and Regent Peach seconded to approve the minutes of the June 18, 2010, Regular Meeting of the Board of Regents for the Oklahoma Agricultural and Mechanical Colleges.

Those voting aye: Board Members Peach, Watkins, Anthony, Boettcher, Hall, Helm, and Lester. No: None. Abstentions: None. Absent: Burns and Link. The motion was approved.

Approval of Future Board Meetings

Chairman Anthony announced that the next regular meeting of the Board of Regents is scheduled to convene on September 10, 2010, on the campus of Oklahoma State University, Stillwater, Oklahoma. He noted that the meeting will convene in the Wes Watkins Center, which is a different location than in the past. For consideration of approval is the meeting scheduled to convene on October 22, 2010, in the Ballroom Lounge in the Bruce G. Carter Student Union on the campus of Northeastern Oklahoma A&M College, Miami, Oklahoma. He asked for a motion to confirm this meeting date.

Regent Lester moved and Regent Hall seconded to approve the Board meeting scheduled for October 22, 2010, in the Ballroom Lounge in the Bruce G. Carter Student Union on the campus of Northeastern Oklahoma A&M College, Miami, Oklahoma.

Regent Helm asked if the Board office has moved within the Student Union. Mr. Drake said the move will probably take place the end of August. Dr. Wilson said he is hopeful that when the Board meets in Stillwater on September 10 that the Office of Legal Counsel can show off its new office.
July 23, 2010

OKLAHOMA PANHANDLE STATE UNIVERSITY, GOODWELL, OKLAHOMA

Dr. David Bryant, President, appeared before the Board of Regents to present the business of Oklahoma Panhandle State University and review the Agenda for members of the Board. Dr. Bryant said he would like to thank President Barnett and his staff for the outstanding hospitality at OSU-Tulsa.

Items of information presented by Dr. Bryant included Jordan Muncy-Tatun, a member of the OPSU Women’s Rodeo Team, winning national titles in both Breakaway Roping and All-Around Cowgirl during the College National Finals Rodeo in Casper, Wyoming, in June. Dr. Bryant also reported on the status of the electrical upgrade project, which should be 90-95 percent complete by next Monday.

FY-11 Total Resident Tuition and Mandatory Fee Comparisons

Dr. Bryant presented a breakdown of FY-11 total resident tuition and mandatory fee comparisons as requested during the Fiscal Affairs Committee meeting in June, 2010. He said he listed four-year universities as well as several community colleges that are either in OPSU’s recruiting area or from which OPSU receives quite a few students each year. OPSU’s service area is a 150-mile radius in any direction from Goodwell, and OPSU’s prime recruiting areas for students come from Woodward, Oklahoma; Amarillo and Canyon, Texas; Clayton, New Mexico; Lamar, Colorado; and Dodge City and Garden City, Kansas.

In looking at FY-09 new student data, only 4 percent of the new students came from the service areas of Northwestern Oklahoma State University and Southwestern Oklahoma State University. Dr. Bryant said his perception has always been that Northwestern was a prime competitor for students for OPSU; however, only 4 percent came from NOSU’s service area, which is basically western Oklahoma; 23 percent came from Texas, primarily the Texas panhandle; and 16 percent came from a combination of New Mexico, Colorado, and Kansas. OPSU receives quite a few students from Texas community colleges, primarily West Texas A&M University.

The list provides information on the two-year and four-year institutions to which OPSU compares itself. In looking at the total cost of attendance, which not only includes tuition and mandatory fees but also OPSU’s book rental program, dorm fees, and meal plan rates, OPSU is the best buy in western Oklahoma and the southern High Plains.

Chairman Anthony expressed thanks to Dr. Bryant for this information.

Ratification of Interim Approval to Declare an Emergency

Dr. Bryant reported that he received interim approval from the Executive Secretary on July 8, 2010, to declare an emergency so that notice and competitive bidding are not required for
contracts and purchases to develop a second water well approved at the June 18, 2010, Board meeting in the amount of $255,000 as well as a third backup water well as a part of the same project. Dr. Bryant said this request was necessary in order to ensure the safety and well being of students, faculty, and staff at OPSU in order to have the wells functional by the start of the semester on August 11, 2010.

Regent Peach moved and Regent Watkins seconded to ratify interim approval granted by the Executive Secretary to declare an emergency so that notice and competitive bidding are not required for contracts and purchases to develop a second water well and third water well as presented in the OPSU Agenda.

**Purchase of Furniture for Apartments**

Dr. Bryant referenced the request to purchase furniture for the new Aggie Annex Apartments in the amount of $57,365. He said this is for the married student housing units that were converted into student apartments for overflow. He said Board authorization was received at the April, 2010, meeting to purchase labor, materials, and equipment to renovate 15 married student housing units on the OPSU campus. He said each housing unit will accommodate three students for a total of 45 students. Last fall OPSU had 487 students beginning the fall semester living on campus, which was an all-time high. It is anticipated that OPSU will have at least that many and probably more this fall semester. Currently, OPSU is tracking at a 13 percent increase over last year as far as head count, and, hopefully, that will translate into a 5 percent increase in students by the end of August.

Chairman Anthony noted how OPSU’s enrollment continues to increase, and he expressed congratulations to Dr. Bryant.

**Balance of Agenda**

Regent Peach moved and Regent Helm seconded to approve the balance of the Agenda, subject to the availability of funds and/or the limitations of the budget. (The Agenda is attached.)

Those voting aye: Board Members Boettcher, Hall, Helm, Lester, Peach, Watkins, and Anthony. No: None. Abstentions: None. Absent: Burns and Link. The motion was approved.

The business of Oklahoma Panhandle State University being concluded, Dr. Bryant was then excused from the meeting.

Rodeo Teams in Top 5 in the Nation
The OPSU men’s and women’s teams are again in the top 5 in the nation, with the women winning 3rd and the men winning 5th. Jordan Muncy-Taton won the breakaway roping title as well as the women’s All-Around title. Jordan also came in 5th in barrel racing. On the men’s side, Troy Crowser won 4th place in the saddle bronc riding while Tyrel Larsen placed 6th. Bareback rider Seth Hardwick earned 5th and Seth Glaus won 9th in the bull riding. Other OPSU students competing in Casper, Wyo. were Jessie Suazo and Weston Taylor as well as two recent graduates, Shancee Howell and L. D. Meier.

Congratulations to graduate Carrie Kliwer! She was named the J.R.P. Sewell award recipient at commencement.

Congratulations to the Guymon Fire Department for being recognized by the Oklahoma State Regents for Higher Education through their Economic Development Grant for the Partnership Recognition Program that is designed to highlight successful partnerships between higher education institutions and businesses.
Accreditation Criteria
The Higher Learning Commission's accreditation site visit is scheduled for November 8-10. Team members will examine evidence to ensure OPSU meets the following five criteria:

Mission and Integrity
The organization operates with integrity to ensure the fulfillment of its mission through structures and processes that involve the board, administration, faculty, staff and students.

- The organization's mission documents are clear and articulate publicly the organization’s commitments.
- In its mission documents, the organization recognizes the diversity of its learners, other constituencies, and the greater society it serves.
- Understanding of and support for the mission pervade the organization.
- The organization's governance and administrative structures promote effective leadership and support collaborative processes that enable the organization to fulfill its mission.
- The organization upholds and protects its integrity.

Preparing for the Future
The organization's allocation of resources and its processes for evaluation and planning demonstrate its capacity to fulfill its mission, improve the quality of its education, and respond to future challenges and opportunities.

- The organization realistically prepares for a future shaped by multiple societal and economic trends.
- The organization's resource base supports its educational programs and its plans for maintaining and strengthening their quality in the future.
- The organization's ongoing evaluation and assessment processes provide reliable evidence of institutional effectiveness that clearly informs strategies for continuous improvement.
- All levels of planning align with the organization's mission, thereby enhancing its capacity to fulfill that mission.

- The organization's goals for student learning outcomes are clearly stated for each educational program and make effective assessment possible.
- The organization values and supports effective teaching.
- The organization creates effective learning environments.
- The organization's learning resources support student learning and effective teaching.

Acquisition, Discovery, and Application of Knowledge
The organization promotes a life of learning for its faculty, administration, staff, and students by fostering and supporting inquiry, creativity, practice, and social responsibility in ways consistent with its mission.

- The organization demonstrates, through the actions of its board, administrators, students, faculty, and staff, that it values a life of learning.
- The organization demonstrates that acquisition of a breadth of knowledge and skills and the exercise of intellectual inquiry are integral to its educational programs.
- The organization assesses the usefulness of its curricula to students who will live and work in a global, diverse, and technological society.
- The organization provides support to ensure that faculty, students, and staff acquire, discover, and apply knowledge responsibly.

Engagement and Service
As called for by its mission, the organization identifies its constituencies and services them in ways both value.

- The organization learns from the constituencies it serves and analyzes its capacity to serve their needs and expectations.
- The organization has the capacity and the commitment to engage with its identified constituencies and communities.
- The organization demonstrates its responsiveness to those constituencies that depend on it for service.
- Internal and external constituencies value the services the organization provides.

Student Learning and Effective Teaching
The organization provides evidence of student learning and teaching effectiveness that demonstrates it is fulfilling its educational mission.

David A. Bryant, President

Dr. Donnie Nero, President, appeared before the Board of Regents to present the business of Connors State College and review the Agenda for members of the Board. (The Agenda is attached.)

Dr. Nero expressed congratulations to OPSU for their championships in Wyoming. He said Connors was very fortunate to come away with a national championship also. He said Mr. Ryan Bothum won the national championship in calf roping, and Connors is very pleased and proud of him for his accomplishments.

Dr. Nero said the enrollment at Connors is also looking good at this time. The enrollment is up 31.5 percent as compared to last fall. Connors is trying to figure out where to put the students and is trying to hire adjunct faculty. The credit hours are up 30 percent. Things are looking good for the institution and the enrollment. Dr. Nero said Connors is working on its housing, which is full at Millers Crossing and McClaren Hall. A few units are off line because of construction and water damage, and the administration has been working with the construction agent and the architect. He said after eight years regarding this issue, Connors will probably have to absorb the cost of renovating those units. Connors is trying to get those units back on line as soon as possible.

Approval of Illegal File Sharing Policy

Dr. Nero requested Board approval of the Connors State College File Sharing Policy. He said this policy has been reviewed by Legal Counsel. The policy will protect the institution and provide information to the employees of the institution about copyright issues and going onto sites and using that information and materials without permission.

Chairman Anthony asked Mr. Drake if this policy has been approved by Legal Counsel, and Mr. Drake responded affirmatively.

Regent Lester moved and Regent Helm seconded to approve the Connors State College File Sharing Policy as presented.

Those voting aye: Board Members Hall, Helm, Lester, Peach, Watkins, Anthony, and Boettcher. No: None. Abstentions: None. Absent: Burns and Link. The motion was approved.

Personnel Actions

Regent Boettcher moved and Regent Watkins seconded to approve the personnel actions as listed in the Connors Agenda.
Those voting aye: Board Members Hall, Helm, Lester, Peach, Watkins, Anthony, and Boettcher. No: None. Abstentions: None. Absent: Link and Burns. The motion carried.

Approval of Revised Connors State College Handbooks

Dr. Nero presented the revisions to the CSC Students with Disabilities Handbook. He said the major revisions to the Handbook pertain to changes in administrative responsibilities. A great deal of the those responsibilities were moved under the responsibilities of the Vice President for Student Services and Enrollment Management. (The summary of revisions is attached to the Connors Agenda, and the complete CSC Students with Disabilities Handbook is on file in the Board of Regents’ Office as Document No. 3-7-23-10.)

Dr. Nero also requested approval of revisions pertaining to the Connors State College Student Handbook. Dr. Nero said the administration tries to update the Handbook annually to make sure it is accurate and has the appropriate information. (The Connors State College Student Handbook, which incorporates the recommended revisions, is on file in the Board of Regents’ Office as Document No. 4-7-23-10.)

Chairman Anthony asked Mr. Drake if he is in agreement with the proposed revisions, and Mr. Drake responded affirmatively.

Regent Lester moved and Regent Peach seconded to approve the revisions to the CSC Students with Disabilities Handbook and the Connors State College Student Handbook as presented.

Those voting aye: Board Members Helm, Lester, Peach, Watkins, Anthony, Boettcher, and Hall. No: None. Abstentions: None. Absent: Link and Burns. The motion passed.

Dr. Nero expressed appreciation to the Board for their continued support of Connors State College.

The business of Connors State College being concluded, Dr. Nero was then excused from the meeting.

Illegal File Sharing

Overview

Legal compliance is a primary focus at CSC. Because of this, we have set forth this policy which addresses illegal file sharing legislation, legal alternatives to illegal file sharing, and penalties for violating state and federal copyright laws.

Purpose

This policy primarily exists to ensure compliance with existing state and federal copyright laws; however, this policy also seeks to provide alternatives to illegal file sharing.

Scope

This policy applies to all CSC employees, students, affiliates, and visitors utilizing CSC-owned PCs, equipment, or the CSC-managed network.

Policy

File sharing (peer-to-peer) software programs have led to significant increases in anti-piracy efforts and legislation. Peer-to-peer software allows the sharing of files often consisting of copyrighted content such as music, movies, and software which usually occurs without the consent of the owner.

It is the policy of CSC to respect copyright ownership and protections given to authors, owners, publishers, and creators of copyrighted work. It is against CSC policy for any employee, student, affiliate, or visitor to copy, reproduce, or distribute any copyrighted materials on CSC-owned equipment or the CSC-managed network unless expressly permitted by the owner of such work.

CSC also discourages the use of any file-sharing program as these types of programs may allow copyrighted material to be downloaded to a CSC-owned computer or device. Many of these programs automatically place downloaded files in a shared folder on your computer, which means you could be sharing files without your knowledge. This also means that you may be held responsible for illegal file sharing, whether you are aware that copyrighted files are being shared or not.
CSC also employs the use of network appliances, equipment, and rules to limit the amount of file-sharing traffic on the CSC network. Active blocking of peer-to-peer traffic is used to protect the CSC network from unwanted traffic and the presence of potentially malicious files introduced through file-sharing programs.

CSC encourages employees, students, affiliates, and visitors to utilize legal alternatives to illegal file sharing. There are a variety of free and pay-per-use options available that can be used instead of illegal file sharing programs. Several of these free and pay-per-use options are listed below; however, this is in no way an all-inclusive list. CSC leaves it to the discretion of the employee, student, affiliate, or visitor to decide which alternative to utilize. They are provided herein for reference only and CSC does not endorse or provide any guarantee or support for any of the legal alternatives located below.

SUMMARY OF REVISIONS TO CSC STUDENTS WITH DISABILITIES HANDBOOK

Page 11. Current Documentation
Ask yourself what describes the CURRENT functional impact of the disability. Obviously the answer differs for different situations and conditions. In general, colleges and universities across the nation ask for documentation that is somewhere between two and five years old. They tend to ask for documentation from assessment of the person as an adult, with testing instruments that are appropriate for use with adults; they tend to ask for more recent documentation for disabilities that may be affected by treatment that is ongoing or underway. Connors State College will normally accept documentation five years old or less. In rare cases, CSC may consider documentation older than five years.

Page 13. REVIEW OF CLASSROOM ACCOMMODATIONS?
A student who believes that appropriate accommodations are not being afforded by the college may seek further review through formal or informal means. The student may first initiate an informal review by:

Contacting their faculty member disagreeing with a recommended classroom instructor and discussing the accommodation and whatever modifications to the accommodation that the student wishes to recommend. In such cases the student MUST also contact, or a recommendation from the Vice President for Student Services and receive approval of any changes to approved accommodations that the student wishes to receive before such alterations will be provided to the student.

If the student disagrees with the recommendations made by the Vice President for Student Services, the student that no accommodation is warranted, may request a formal further review by the Executive Vice President for Academic and Student Services of the matter.

1. This request for review must be made in writing within five (5) working days of the date that the student received notice of the decision from the Vice President for Student Services. The student is encouraged to submit any supporting attachments along with their request for review.

2. The Office of the Executive Vice President for Academic and Student Services will forward copies of the student’s request and supporting documents to the affected faculty, Division Chair(s), unit administrator and Executive Vice President for Student Services. All those receiving notification of the review must maintain confidentiality regarding the request. The officials will consider the request and provide a written opinion to the Executive Vice President for Academic and Student Services within three (3) business days of receipt of the information.

3. The Executive Vice President for Academic and Student Services may seek technical and legal advice from the Office of ADA Compliance and/or the Office of Legal Counsel to the Board of Regents regarding the matter.
4. The Executive Vice President for Academic and Student Services will notify the student of the result of the request for review within ten (10) working days of receipt of the student’s written request.

If either the student or the faculty member disagrees with the decision of the Vice President for Academics, either the student or the faculty member may request further review by the Executive Vice President by providing written notification within three (3) working days of the decision by the Executive Vice President for Academic and Student Services.

The Executive Vice President will normally make a decision within five (5) working days from the receipt of the request. A copy of the decision will be forwarded to the student and all affected college officials. There is no further appeal of such decision.

The student and faculty/administrative officials may mutually agree to some other form of accommodation at any time in the review process. If such an agreement is reached, the agreement must be in writing, signed by the student, and the review process will automatically be terminated.

Page 18. REVIEW OF CURRICULAR ACCOMMODATION?

A student may request a change in curricular or degree requirements in order to accommodate their disability by: the following procedure.

1. Submitting a written request to the appropriate Division Chair and the Vice President for Student Services.

2. The Division Chair and the Vice President for Student Services will review the request to assess whether the student has the ability to complete curricular or degree requirements as ordinarily required by the department and College and make a formal recommendation.

3. The Vice President for Student Services will then notify both the student and the Vice President for Academic Services (or designee) of their recommendation in writing within ten (10) working days of the receipt of the student’s request.

4. The Vice President for Academic Services (or designee) will then consider the recommendation of the Division Chair and the Vice President for Student Services and the academic requirements of the curricular or degree program at issue. While each case inherently must be judged on its own merits, consideration will be given to the actions taken in similar cases in the past to ensure fairness and comparable treatment.
If the Vice President for Academic Services (or designee) concludes that the requested accommodation should be denied, that recommendation must be supported by a rationally justifiable conclusion that available alternatives to the usual academic requirements would result either in lowering academic standards or requiring substantial program alteration and must set forth in detail the factors considered by the faculty/administrative officials in arriving at that conclusion.

5. The Vice President for Academic Services (or designee) will send a copy of the decision to the student, the appropriate Division Chair(s) and Executive Vice President for Student Services within ten (10) working days following the receipt of the request for review.

If the student disagrees with the decision by the Vice President for Academic Services (or designee), the student may submit a request for further review to the Executive Vice President within five (5) working days of receipt of the decision.

1. The Executive Vice President may seek academic, legal, or technical advice from faculty, College officials, and/or the Office of Legal Counsel the Board of Regents. The Executive Vice President will normally make a final decision within fifteen (15) working days and will communicate such decision to the student and affected College officials and faculty. There is no further appeal of such determination.

2. The student and faculty/administrative officials may mutually agree to some other form of accommodation at any time in the review process. If such an agreement is reached, the agreement must be in writing, signed by the student, and the review process will automatically be terminated.

NORTHEASTERN OKLAHOMA A&M COLLEGE, MIAMI, OKLAHOMA

Dr. Jeff Hale, President; Dr. Tim Faltyn, Vice President for Academic Affairs; and Ms. Jessica Boles, Vice President for Fiscal Affairs, appeared before the Board of Regents to present the business of Northeastern Oklahoma A&M College and review the Agenda for members of the Board. Dr. Hale expressed appreciation to President and Mrs. Barnett and the OSU team for the incredible evening last night. He said that was his first visit to the Philbrook Museum of Art.

Dr. Hale reported on the summer school session, which reflected a 21 percent increase in student credit hours. One reason for the increase was driven by a new initiative in which the football players were brought to campus for a July session and took 3-6 credit hours. One of the key aspects with respect to having good transfer relationships to four-year institutions is to make sure the athletes get degrees. Of the 95 football players, 65 are true freshmen. Dr. Hale also reported that the fall semester enrollment reflects an approximate 5 percent increase over last fall, which is a 21 percent increase from the 2008 fall semester.

Dr. Hale provided an update on facility renovation/construction projects. He extended an invitation to the Board members to attend the dedication of the Athletic Training Center scheduled in connection with the first home football game. A reunion event is also scheduled at that time, which will be the national championship teams of 1967 and 1969. In addition, NEO will soon begin the renovation of the Student Union.

The fast track nursing degree program, which is one of NEO's key premiere degree programs at its branch campus in Grove, graduated 19 students a few weeks ago. The program is only five years old. Dr. Hale said he wanted the Board to be aware of a new initiative at the Grove campus, which has been operational about 12 years. He said in his view there has not been a great deal that has taken place at the Grove campus during this time. He said an advisory council has been formed consisting of the Mayor, City Manager, key business leaders, the State Senator and State Representative representing that area, plus a few other individuals. A branch campus requires a lot of operational funds, but it generates very little revenue. The goal of the College is to see actually how good the branch campus can be. On August 11 a press conference will be held to announce the advisory council members and the plan to review the branch campus.

Dr. Hale further reported on the demolition of the apartments on the southwest corner of the campus; NEO hosting the Eight-Man Football All-Star Week, which NEO has hosted for eight consecutive years; NEO hosting its first Kids' College for children ages 8 to 12; the gifts from the Town of Picher continuing to increase; and the City of Miami hosting 1,100 bicyclists who participated in the 500-mile trek from Hugo to Miami as part of the 2010 Oklahoma FreeWheel ride.

Regent Helm noted that the NEO football team has 65 freshman scholarship players, and he asked how NEO is able to scholarship these players. Dr. Hale said NEO has about 35 full scholarships that include room, board, books, and tuition; and coaches at the junior college level are able to cut these scholarships in a variety of ways. For example, some students receive Pell
grant awards, OHLAP awards, etc., and already have a pretty good scholarship base. Such students will receive less of the institutional money whereas other student athletes may not be Pell grant eligible. The rules allow NEO to cut the scholarships in a variety of different ways. Of the approximate 100 students who will be participating in NEO’s football program this fall, all of them will receive some type of support.

Adoption of Memorial Resolutions

Dr. Hale presented Memorial Resolutions for David Froman, NEO Speech and Theatre Instructor, and Dr. Robert Swanson, Norse Band Director and Music Instructor. He requested the Board’s adoption of the Memorial Resolutions. (The Memorial Resolutions for Mr. Froman and Dr. Swanson are attached to NEO’s portion of the minutes as ATTACHMENTS A-B, respectively, and considered a part of these minutes.)

Regent Lester moved and Regent Watkins seconded to adopt the Memorial Resolutions for David Froman and Bob Swanson as presented.

Those voting aye: Board Members Lester, Peach, Watkins, Anthony, Boettcher, Hall, and Helm. No: None. Abstentions: None. Absent: Link and Burns. The motion carried.

Personnel Actions

Regent Helm moved and Regent Peach seconded to approve the personnel actions as presented.

Those voting aye: Board Members Peach, Watkins, Anthony, Boettcher, Hall, Helm, and Lester. No: None. Abstentions: None. Absent: Link and Burns. The motion passed.

Approval of Grant Programs

Dr. Hale requested Board approval to expend grant funds according to the guidelines of six different ongoing grant programs listed in the NEO Agenda. The programs total over $1,100,000, so it is a big part of NEO’s operations as it relates to the overall $15 million budget. In addition, Dr. Hale reported that NEO is working feverishly towards an August 6 deadline for a Federal Title III grant application. He said NEO applied in January to be declared a Native American Serving Institution because of its high Native American enrollment, which is approximately 27 percent. In March, NEO received notification of that designation. This qualifies NEO to compete for some federal grants through Title III. NEO will submit its first application under that designation for a $2 million federal grant. If NEO is successful, it will
allow NEO to set up services related directly to the recruitment, retention, and graduation of Native American students in NEO’s region. He said there are nine tribes in the City of Miami.

Chairman Anthony said the work NEO has done in this regard is noteworthy. Also, just this week in the media OSU and a few other schools were recognized for the number of Native American enrollees and graduates at the various institutions. Dr. Hale noted that Oklahoma State University and Northeastern Oklahoma State University were the two most prominently noted in that article. He said the article did not identify the junior college level, but NEO has been in the top 10 in three categories and the top 20 in five categories as outlined in the article.

Approval of Memorandum of Understanding with The Nature Conservancy

Dr. Hale asked Dr. Faltyn to address the Board regarding the request to enter into a Memorandum of Understanding with The Nature Conservancy. He noted that this is an international agency, and NEO has spent the last six months working with The Nature Conservancy on an agreement that would allow NEO students to take advantage of the natural resources that are available through this agency.

Dr. Faltyn said he is excited about this project. He presented a packet of information provided by The Nature Conservancy (a copy of which is on file in the Board of Regents’ Office as Document No. 5-7-23-10) that provides its mission, holdings, and what it does in Oklahoma. He said probably the best way to explain The Nature Conservancy is that it goes out and buys small parcels of land for the conservation of wildlife and plant life. This Memorandum of Understanding is important to the College because NEO has an extension forestry program, a strong environmental science program, as well as several agriculture programs. This allows NEO to enter into partnerships to do joint grant operations, it provides places to send NEO students to do control burns for its forestry department, and it provides NEO opportunities to send its environmental science students to learn more about conservation and those sort of things.

Dr. Faltyn said the most famous holdings of The Nature Conservancy in Oklahoma are the Tall Grass Prairie of 39,000 acres and the Black Mesa Preserve. The Cucumber Creek Preserve is a unique ecosystem that only exists in that part of the world.

Dr. Faltyn said The Nature Conservancy also offers internships and scholarships for transfer students. By entering into this agreement, the Conservancy will essentially certify NEO’s academic programs and anyone who graduates can go to any four-year institution with at least half of their final two years paid for as long as the students qualify. Dr. Faltyn said probably the thing that is most exciting to him is that NEO is the first college with which The Nature Conservancy has entered into a formal agreement.

Chairman Anthony said his understanding is that these conservancies are parcels of land that are either public or private contributions, and the land is protected and is under the control of The
Nature Conservancy. The donors specify the purpose of the use of the land. Dr. Faltyn said this is correct.

Regent Peach moved and Regent Lester seconded to authorize Northeastern Oklahoma A&M College to enter into a Memorandum of Understanding with The Nature Conservancy as presented.

Those voting aye: Board Members Peach, Watkins, Anthony, Boettcher, Hall, Helm, and Lester. No: None. Abstentions: None. Absent: Burns and Link. The motion was approved.

Balance of Agenda

Regent Helm moved and Regent Lester seconded to approve the balance of the Agenda, subject to the availability of funds and/or the limitations of the budget. (The Agenda is attached.)

Dr. Hale said having worked in a board office for a few years himself, he is aware that taking the gavel for a second year is a tremendous commitment because of the time involved. He expressed appreciation to Chairman Anthony for his service.

The business of Northeastern Oklahoma A&M College being concluded, Dr. Hale and members of the NEO administration were then excused from the meeting.
Board of Regents for OSU and the A&M Colleges

3. Information Requiring No Action by the Board

   a. Dr. Tracy Allman, biological science instructor, resigned effective June 30, 2010.

PART E - INSTRUCTIONAL PROGRAMS

None

PART F - BUDGETARY ACTIONS

1. Year-End Adjusting Entries to Close Accounts and Transfer Funds for FY10

   Board approval is requested to make necessary adjustments as depicted on Reference Document #1, “Closing Entries for FY2010.”

PART G - OTHER BUSINESS AND FINANCIAL MATTERS

Board approval is requested to expend grant funds, including payment of administrative allowances at year-end, according to the grant guidelines for the following grant awards:

1. 2010-11 Adult Education and Family Literacy Act (AEFLA) Grant

   Northeastern Oklahoma A&M College received notification from the Oklahoma State Department of Education that we have received a continuation of the Adult Education and Family Literacy Act (AEFLA) grant for Craig, Delaware, and Ottawa Counties. The state allocation is $67,162 and the federal allocation is $105,048, for a total allocation of $172,210 (allocation for FY10 was the same). These funds are used for the operation of an on-campus Adult Literacy Center.

2. Allied JOBS Program FY 2010-11 Allocation

   The allocation for the Allied JOBS Program (Temporary Assistance for Needy Families Program) for FY2010 will be approximately $181,000 (allocation for FY 2009-10 was $178,000). The purpose of the TANF Program is to set forth a process designed to provide vocational education skills needed to gain employment for eligible recipients. Programs provide the necessary training and support services to meet local employment needs.
PART G - OTHER BUSINESS AND FINANCIAL MATTERS

3. Scholars for Excellence Program 2011 Allocation

The allocation for the Scholars for Excellence Program for FY2011 will be $70,635 (this is the same award amount as FY2010). This program provides enhanced educational opportunities for child care staff working in licensed child care facilities in Oklahoma in earning Child Development associate credentials, certificate of mastery, or an associate degree in early childhood development.

4. Carl Perkins Postsecondary FY2011 Allocation

The Oklahoma Department of Vocational and Technical Education advised us that our award for the Carl D. Perkins Vocational and Technical Education Act of 1999 for FY2011 is Authorization is $50,194.00 (FY2010 allocation was $48,727), reflecting an increase of $1,467. The funds are used to develop the academic, vocational, and technical skills of secondary students and postsecondary students who elect to enroll in vocational and technical education programs.

5. Upward Bound Program Award for FY2010-11

The United States Dept. of Education advised us that our award for the Upward Bound Program for FY2010-11 is $293,163. This is the fourth year of a four-year grant program. This program offers Upward Bound services to participants who reside in an impoverished three-county area in northeastern Oklahoma and attend one of 16 target high schools. All services and activities are centered on building in participants the motivation and skills necessary to succeed in education beyond high school.

6. Federal Awards for Campus-Based Student Financial Aid Programs (FY2011)

The Federal government has advised us of our tentative awards for the Supplemental Education Opportunity Grant (SEOG) in the amount of $100,490 and Federal Work Student (FWS) elements of the Student Financial Aid (SFA) program in the amount of $150,989 for FY2010-11 (award amounts are the same as FY2009-10). Although tentative SFA awards are subject to revision, experience has consistently shown only minimal, if any, changes occur.
PART H - CONTRACTUAL AGREEMENTS (other than construction and renovation)

2. Contract with the Northeastern Oklahoma A&M College Development Foundation

Board approval is requested to continue the contract between Northeastern Oklahoma A&M College and Northeastern Oklahoma A&M College Development Foundation for services rendered by the College to the Foundation in return for financial support from the Foundation. The Foundation provides scholarships, endowments, etc. in support of the College's educational and other public missions and the College provides a Director, secretarial assistance and office space. This agreement has been previously approved by Legal Counsel.

3. Memo of Understanding with The Nature Conservancy

Board approval is requested to enter into a Memo of Understanding (M.O.U.) with The Nature Conservancy. The M.O.U. is designed to establish a framework of cooperation for NEO A&M College and The Nature Conservancy (TNC) to provide mutual support and assistance to increase the level of awareness and understanding of habitat restoration/management; increase public access to TNC holdings and resources for designated educational purposes; and increase educational opportunities for students and faculty in Oklahoma Higher Education by leveraging resources and maximizing the positive aspects of collaboration and shared resources.

PART I - NEW CONSTRUCTION OR RENOVATION OF FACILITIES

None

PART J - PURCHASE REQUESTS

a. Board approval is requested to solicit bids and award the lowest and best bidder a requisition to purchase a 42-passenger bus. Funding will be from Section 13 Offset funds and the estimated cost is $150,000. An option included in the Bid is to consider a trade-in value on our current “failed” bus. NEO will decide if this is in our best interest during the Bid evaluation. If Option 1 is not chosen, then the existing “failed” bus will be auctioned or will be retained and used for parts.

PART J - STUDENT SERVICES/ACTIVITIES

None

PART L - NEW BUSINESS UNFORSEEN AT TIME AGENDA WAS POSTED

None
PART M - OTHER INFORMATIONAL MATTERS NOT REQUIRING ACTION OF THE BOARD

1. File with State Regent's Office by the tenth of the Month following the end of the calendar quarter being reported.
2. The term employee shall mean a "full-time employee or any number of part-time employees whose combined weekly hours of employment equal those of a full-time employee; but shall not include seasonal employees." For this report, the number of FTE employees for the reported quarter can be calculated by dividing by 519 hours (173 hours per month multiplied by three months) the total payroll hours excluding seasonal employees for the quarter.
3. This figure reflects the total number of FTE employees for the main campus, branch campus(es) and all constituent agencies.

MEMORIAL RESOLUTION

WHEREAS, David Froman, Speech and Theater Instructor at Northeastern Oklahoma A&M College during the period of 1961 until 1969, when he left to pursue a career in acting. In 1994, Mr. Froman returned to NEO, where he remained until his retirement in 2002; returning in 2007 as a part-time instructor.

WHEREAS, David Froman was a giant in many, many ways and Northeastern Oklahoma A&M College and its students were fortunate to enjoy his expertise and experience for so many years. Mr. Froman, by his loyalty, attention to duty, and faithful performance rendered his services until the date of his passing, and as a citizen worthy of commemoration and respect; and

WHEREAS, David Froman passed away on February 8, 2010, after a life of exceptional accomplishment and outstanding service to education; and,

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF REGENTS FOR OKLAHOMA STATE UNIVERSITY AND THE AGRICULTURAL AND MECHANICAL COLLEGES:

THAT it takes this method to pay tribute to David Froman, recognizing his honor, integrity, leadership, commitment and significant contributions to Northeastern Oklahoma A&M College, the State of Oklahoma and its citizens, to express respect to his memory; and to extend to the family its deepest sympathy in the loss sustained; and to state that the Board and every member thereof respectfully join the family and friends of the deceased in mourning the passing of one of Northeastern Oklahoma A&M College's beloved faculty members.

BE IT FURTHER RESOLVED, that a copy of this Resolution be spread upon the minutes of the Board and a copy sent to the family of Mr. David Froman.

Adopted in regular meeting assembled this 23rd day of July, 2010.

MEMORIAL RESOLUTION

WHEREAS, Dr. Robert Swanson, director of the Golden Norse Band for 31 years and Instructor of instrumental music, music harmony and theory at Northeastern Oklahoma A&M College during the period of 1954 until his “official” retirement in 1988. Dr. Swanson never really did retire from the College as he returned to campus to teach string methods and lessons and served as the director of the NEO String Quintet, a group that performed at many College and community functions, until his passing; and

WHEREAS, Dr. Robert Swanson was an orchestral icon and dear friend of Northeastern Oklahoma A&M College and its students were fortunate to enjoy his expertise and experience for so many years. His legacy will always be remembered by the students, faculty, staff and administrators whose lives he touched. Dr. Swanson, by his loyalty, attention to duty, and faithful performance rendered his services until the date of his passing, and as a citizen worthy of commemoration and respect; and

WHEREAS, Dr. Robert Swanson passed away on November 15, 2009 after a life of outstanding service to education and the community of Miami; and,

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF REGENTS FOR OKLAHOMA STATE UNIVERSITY AND THE AGRICULTURAL AND MECHANICAL COLLEGES:

THAT it takes this method to pay tribute to Dr. Robert Swanson, recognizing his honor, integrity, leadership, commitment and significant contributions to Northeastern Oklahoma A&M College, the State of Oklahoma and its citizens, to express respect to his memory; and to extend to the family its deepest sympathy in the loss sustained; and to state that the Board and every member thereof respectfully join the family and friends of the deceased in mourning the passing of one of Northeastern Oklahoma A&M College’s beloved faculty members.

BE IT FURTHER RESOLVED, that a copy of this Resolution be spread upon the minutes of the Board and a copy sent to the family of Dr. Swanson.

Adopted in regular meeting assembled this 23rd day of July, 2010.

LANGSTON UNIVERSITY, LANGSTON, OKLAHOMA

Dr. JoAnn Haysbert, President, and Dr. Marvin Burns, Dean, School of Agriculture and Applied Sciences, appeared before the Board of Regents to present the business of Langston University and review the Agenda for members of the Board.

Chairman Anthony noted that the city of Kingstree, South Carolina, which is President Haysbert’s home town, will be honoring her on July 31, 2010. The city will be unveiling commemorative signage and honoring her as the first African American female college president in the State of Oklahoma. He expressed congratulations to Dr. Haysbert. Dr. Haysbert said she is certainly pleased about the honor, especially because her parents are still living and residing in Kingstree. She said it will be more of an honor for them, and she is pleased that she can give her parents this recognition as a form of “thank you” for all that they have given her. It is within that frame of mind that she graciously accepts this recognition.

Dr. Haysbert expressed appreciation to President Barnett and his colleagues for the tour yesterday of the OSU Forensics and Biomedical Science Building. She also expressed thanks for hosting the tour and dinner last evening at the Philbrook Museum as well as the presentation last evening.

Approval to Accept Grants from the U.S. Department of Education

Regent Helm moved and Regent Lester seconded to authorize Langston University to accept continuation grants from the U.S. Department of Education as presented (Items F.1. – F.5.).

Approval to Name Agriculture Building in Honor of President Emeritus Ernest L. Holloway

Dr. Haysbert requested Board approval to name the Agriculture Building in honor of President Emeritus Ernest L. Holloway. The naming ceremony will be held during the Opening Convocation scheduled for September 16, 2010. She said Dr. Holloway graduated from Langston University in 1952 with a bachelor’s degree in Agriculture Education. He served 25 years as President of the University, and during that time he focused on numerous renovations of several campus buildings as well as the construction of Anderson Stadium, the physical therapy building, the agriculture building, and three apartment-style residence areas. The addition of several academic programs occurred under his leadership, and the institution experienced an enrollment growth during his tenure.
Dr. Haysbert said she believes Dr. Holloway’s time and service alone deserves the recognition and honor. It is suggested that the building be named the E. L. Holloway Agriculture Building.

Regent Peach moved and Regent Lester seconded to name the Agriculture building in honor of President Emeritus Ernest L. Holloway as presented.

Those voting aye: Board Members Boettcher, Hall, Helm, Lester, Peach, Watkins, and Anthony. No: None. Abstentions: None. Absent: Burns and Link. The motion was approved.

Approval to Add Auditorium to Existing CM at Risk Contract

Dr. Haysbert requested permission to add the Auditorium work previously approved by the Board in April, 2010, to the existing Construction Manager at Risk Contract. She reported that the value of the additional scope of the work is $543,000, yet the direct costs of adding the work to the contract is $72,150.

Regent Hall moved and Regent Boettcher seconded to authorize Langston University to add the Auditorium work previously approved by the Board in April, 2010, to the existing Construction Manager at Risk contract as presented.

Those voting aye: Board Members Hall, Helm, Lester, Peach, Watkins, Anthony, and Boettcher. No: None. Abstentions: None. Absent: Burns and Link. The motion carried.

Approval to Process Requisitions through Small Jobs Contract

Regent Lester moved and Regent Peach seconded to authorize Langston University to process requisitions through the small jobs contract of Sodexo for the projects listed in the Langston Agenda.

Those voting aye: Board Members Hall, Helm, Lester, Peach, Watkins, Anthony, and Boettcher. No: None. Abstentions: None. Absent: Link and Burns. The motion passed.

Balance of Agenda

Regent Helm moved and Regent Lester seconded to approve the balance of the Agenda, subject to the availability of funds and/or the limitations of the budget. (The Agenda is attached.)
Those voting aye: Board Members Helm, Lester, Peach, Watkins, Anthony, Boettcher, and Hall. No: None. Abstentions: None. Absent: Link and Burns. The motion was approved.

Chairman Anthony noted that Regent Lester put in a lot of work on an issue relating to Langston University regarding High Plains Technology, and he wanted to acknowledge Regent Lester for that work and successfully resolving that issue. Dr. Haysbert said she, too, would like to echo that recognition for Regent Lester and for the entire Board, as well. She said it took strength and courage to pursue that in the passion in which Regent Lester did. She would like to express thanks for taking the leadership on that particular item and for getting it resolved. It is an issue that has been ongoing since her arrival in 2005. To have it resolved in the manner in which it was, she believes is a win/win situation for everyone.

Dr. Haysbert referenced the latest edition of Greatness, which highlights some of the ongoing summer activities taking place as well as an array of accomplishments. She referenced the Fifth Grade Day that was held on campus as well as International Day. Regent Peach complimented Dr. Haysbert and her staff for the great job they do with this publication.

Dr. Haysbert expressed appreciation to the Board for their support and leadership.

The business of Langston University being concluded, Dr. Haysbert and Dr. Burns were then excused from the meeting.

G. OTHER BUSINESS AND FINANCIAL MATTERS:

1. Permission is respectfully requested to name the Agriculture Building, constructed in 2004, in honor of President Emeritus Ernest L. Holloway. The naming ceremony will be held during Opening Convocation scheduled for September 16, 2010, the day before his 80th birthday.

During his 25-year tenure as president, Dr. Holloway oversaw the renovations of several campus buildings, the construction of Anderson Stadium, the physical therapy building the agriculture building and three apartment-style residence areas; the addition of several academic program; along with a growth in enrollment. (See Attachment C for compilation of milestones.)

H. CONTRACTUAL AGREEMENTS (other than construction and renovation):
None

I. NEW CONSTRUCTION OR RENOVATION OF FACILITIES:

1. Permission is respectfully requested to add Auditorium work previously approved by the Board in April 2010 to the existing CM at Risk Contract. The value of the additional scope for stage rigging system, sound system, theatrical lighting system, curtain system, electrical and ADA ramps/sidewalks enhancements to accommodate same are estimated at $543,000, plus the contracted 5% mark-up stipulated within the CM at Risk Contract. The direct
costs, are currently estimated at $72,150. The addition of the latter scope of services to the existing CM at Risk Contract will result in a more comprehensively complete work product with no projected warranty of work product issues associated with different contractors installing said state systems during and after current CM at Risk Contract performance period. Funding for additional scope of services is available in current IW Young Auditorium Renovation Capital Bond Funding.

SUMMARY OF PRESIDENT HOLLOWAY'S CAPITAL IMPROVEMENTS OVER THE PAST 25 YEARS

Amazing accomplishments have been attained under the leadership of President Holloway. The campus has evolved with numerous capital projects despite the lack of capital funding from the Oklahoma State Regents for Higher Education. President Holloway’s clear vision and persistence to provide all the needs for the success of our students have resulted in over $105 million in capital improvements to Langston University over the past twenty-five years to include by decade:

1980's

During the period of 1980 -- 1989, the buildings were in poor shape and maintenance was at a minimum. In the early 80's the Greenhouse, Child Development Lab, University Women Building, Sanford Hall, Gandy Hall, Brown Hall, Barn, Agricultural Building, Cottages, and former President’s residence were all empty and deteriorated to the point of being uninhabitable. However, at the end of this same period, ALL of these facilities became operable.

• University Men Building was converted to a Research facility
• 14,000 square feet of the University Women Building were renovated to house Extension Services, Student Affairs Office Space and a Health Center
• New windows, seating and a new heating and air system were installed in the J. W. Young Auditorium
• Renovations were made to the Football Stadium and C. F. Gayles Gymnasium
• Renovations were made to the G. L. Harrison Library
• Breaux Hall, Moore Hall and Jones Hall also received updates.
• Sanford Hall was totally renovated to house the Black Heritage Center, radio station, Communication Department, classrooms, and meeting rooms
• The Child Development Laboratory was developed from existing housing to training space for the care of children
• A campus-wide landscaping program was undertaken to include drainage, beautification, and energy conservation.
• The air conditioning system was replaced in the Student Union building for greater efficiency.
• Campus Peripheral Lighting was installed for safety, security and athletic purposes.
• The interiors of major buildings and exterior trim on all campus buildings were repaired and painted.
• Many computer advancements were made to include the installation of a data-link to our Tulsa Urban Center and the placement of the Admissions office on line.
• Complete renovation of the old President’s residence to a Hospitality and Hotel Management training center
• Construction of the John Montgomery Multi-Purpose Building
• Construction of a new Headhouse and Physical Plant Building
• Repaired and replaced many sidewalks, drives, steam tunnels and gas lines.
• New furnishings and state of the art equipment were also attained.
1990's

- Renovations to expand the dining area of the William H. Hale Student Union were completed.
- A new parking lot was constructed to serve Page Hall.
- Colonial style signs were added at each entrance.
- Needed Janitorial Equipment and Kitchen Equipment were attained.
- Bookstore was renovated.
- A new parking lot and plaza area were added to both Young Hall and Breaux Hall.
- The construction of a telecommunications annex to include state-of-the-art equipment, plaza and parking lot were completed at Sanford Hall.
- The construction of a Physical Therapy Laboratory.
- Adding air conditioning to the C. F. Gayles Gymnasium.
- The addition of a new student residential apartment complex (Centennial Court).
- New streets were added to accommodate access to Centennial Court and Young Hall.
- The Development of a Centennial Plaza, including the restoration of the “old entrance,” Walk of Fame and the construction of a Heritage Center (Annie Laurie Coleman) replica of the Presbyterian Church in Langston where the first classes were taught, and a mall featuring the busts of Langston University's presidents.
- A new pond at the West entrance and a wetland project at the East entrance.
- Moore Hall was completely renovate.
- Enhancements were made to the Langston Lake facilities to accommodate recreational activities.
- A new Student Union plaza was constructed surrounding the student union, gymnasium and multi-purpose buildings.
- New computers were provided to each faculty member.
- New space was leased and improvements were made for the expansion of our Oklahoma City campus to include the acquisition of new furnishings.

2000's

- Construction of a ten building, 600-bed apartment complex and clubhouse (Scholar's Inn).
- Construction of a new apartment complex to accommodate students w/children (The Commons).
- Complete renovation of the C. Felton Gayles Field House.
- Complete renovation of the Anderson Stadium and track.
- Construction of a new 10,000 square ft. Physical Plant Grounds building.
- Construction of a new Agricultural Research and Extension Complex.
- Construction of a new Commercial/Retail Plaza in the City of Langston University.
- The expansion of the Physical Therapy Building.
- Added a footbridge, seating and trash receptacles to the wetlands project.
- Expansion of the food court in the Student Union, adding new venues.
- Renovations to the Management Training Center.
- Developed a new entrance on the North side of campus and a new perimeter road around the campus to connect with old Highway 33 and the new entrance.
- Enhanced campus lighting along new roads for increased security.
• The addition of security cameras throughout the campus
• Added gazebos to the Centennial Walk of Fame.
• Completed preliminary designs for the proposed Museum of African American Heritage.
• Architectural designs are underway for the University's first building on the Langston University-Tulsa campus.
• Additional parking lots for visitors and employees.
• Major influence on Oklahoma Government to construct the new 4-lane, divided Highway 33.
• The purchase of 45.11 +/- acres on the North side of the campus.
• The purchase of 67.5 +/- acres on the West side of the campus.
• New roofs on the Cimarron Garden Apartment buildings.
• New sidewalks leading from The Commons Apartments onto the campus.
• Sidewalk, street, and curb repairs and/or replacements are ongoing as needed.
• Repairs to and/or replacement of Chillers, Boilers, Heat and Air conditioning units, Steam lines and utility lines as needed.

Future Plans Include:

• Expansion of the Student Union to include a new student success center annexed to Candy Hall
• Development of an Oklahoma Museum for African-Americans as part of the Oklahoma Centennial Commission Plan.
• Continued development of 1,200 acres of land in Okfuskee County, North of Boley.
• Construction of a bowling alley, wellness center, and swimming pool renovations.
• Construction of a professional health services building annexing Jones and Hamilton Halls.
• Construction of a performing arts building and renovations to the I. W. Young Auditorium and Hargrove Music Hall.
• Acquisition of the existing facility for the Langston University/Oklahoma City campus.
• Develop homes for faculty, administrators, and former employees near the campus.
• Continue the enhancement of the Centennial Walk of Fame.
• Construction of a new child development center.
• Renovation of the Douglas Property in Oklahoma City.
Since Dr. Holloway's Presidency, listed are the following capital improvements that have taken place on Langston University's campus.

Agricultural Research and Extension Program

In 1979 the Agricultural Research and Extension Program moved to higher heights. Research and Extension were separate entities, and in 1983, the university merged them into one program with two dimensions. The research accomplishments at national and international levels are noteworthy. During the past twenty-five years over 500 scientific articles, peer review refereed articles, abstracts, and short papers were contributed by the scientists and published in nationally and internationally reputed journals. The scientists present their work every year at various national and international society meetings. Below are some of the major accomplishments of the Agricultural Research and Extension program under the dynamic leadership of Dr. Ernest L. Holloway.

1979-1980's

Aquaculture/Fisheries Program

Establishment of the E (Kika) de la Garza Institute for Goat Research in 1983
The E (Kika) de la Garza American Institute of Goat Research, previously known as the American Institute for Goat Research, was founded at Langston University in 1984 to generate and disseminate technical information on goats, advance the knowledge of goat production, and enhance the utilization of goat products. The E (Kika) de la Garza American Institute for Goat Research (AIGR) of Langston University has as its mission to develop and transfer enhanced goat production technologies at local, state, national, and international levels. The Institute has many strong ties with research and academic institutions around the world and has hosted visiting scientists from over 20 foreign countries for the purpose of conducting research and demonstrations.

Central Laboratory Establishment

Collaborative Activities
Collaborative activities are also continuing with the Facultad de Medicina Veterinaria y Zootecnia de Universitit Autonomo de Nuevo Leon, Monterrey, Mexico with whom Langston University signed a Memorandum of Understanding.

Field Days—1985-2003
Our 18th annual Goat Field Day was held on Saturday, April 26, 2003 at the Langston University Goat Farm. The theme was Export Potential, Market Outlook, and Value-Added Processing.

International Visitors/Student Training
Training such as this is beneficial to the scientists themselves, their home institutions and to Langston University. This type of hands-on training translates into skills and knowledge that is readily transferred to the classroom and research arena once they return to their respective universities.
1990's

Middle East in 1998
Most importantly, through our international partnerships and the associated research, training, and development activities, the E (Kika) de la Garza Institute for Goat Research plays a role in improving the lives of people in developing countries. In fact, the Institute is currently involved in five projects, in Ethiopia (two), Middle East (Egypt, Israel, Palestinian Authority, and Jordan), Ethiopia and Kenya, and Iraq. In addition, some of these projects entail collaboration with sister universities in Oklahoma as well as in other states.

Land-Grant Programs Strengthened
1200 acres of additional land was acquired by Langston University in Okfuskee County to strengthen our delivery of outreach and extension programs.

Grassland Center

The Grassland Center was initiated at Langston University in 1996 and provides services to the farmers and ranchers of Oklahoma with emphasis placed on the underserved farmers and ranchers of Oklahoma and the region.

Goat DH1 Laboratory
The Langston Goat Dairy Herd Improvement (DH1) Program is housed at the dairy farm, west of campus, and operates under the umbrella of the Texas DHIA. Langston University continues to serve the very small-scale dairy goat producer.

The Meat Buck Performance Test was initiated and continues to make valuable contributions for farmers and ranchers throughout the state and region.
The seventh annual meat buck performance test started May 3, 2003 with 52 bucks enrolled from 16 different breeders. Fifty-one of the bucks were fullblood Boers, and one Boer-cross buck. Twenty-nine bucks were from Texas, 19 from Oklahoma, 2 from Mississippi and 2 from Nebraska. Weight at the beginning of the test averaged 66.3 lbs and weight at the end of the test averaged 119.5 lbs.

2000

In Armenia
In Armenia, the E (Kika) de la Garza Institute for Goat Research collaborated with the United States Department of Agriculture (USDA) Marketing Assistance Project and the Armenian Academy of Agriculture in "Fostering future collaboration between U. S. institutions and the Armenian Academy of Agriculture through training and information exchange."

Gamma Sigma Delta Honor Society of Agriculture
Langston University had its first initiates into Gamma Sigma Delta Honor Society in 2001. President Ernest L. Holloway was among the first initiates. Gamma Sigma Delta Honor Society is an organization having as its objectives the advancement of agriculture in all its phases, the
maintenance and improvement of the relations of agriculture and related sciences to other industries, and the recognition of the responsibilities of those engaged in all aspects of agriculture to humankind.

**Substantial Development Work With Native Americans**
In 2001, Langston University was awarded an USDA Sustainable Agriculture Research and Education grant to study the efficacy of using goats to eliminate invasive vegetation on tribal lands. The Caddo, Cherokee, Choctaw, Osage, Sac & Fox, and Seminole Nations are collaborators on this project and demonstration sites will be established on lands affiliated with the tribes.

**Oklahoma Black Historical Association**
In 2001, Langston University signed a memorandum of understanding with the Oklahoma Black Historical Association to conduct a goat grazing demonstration.

**Middle East Research Grant**
In 2003, AIGR continued activities on a grant entitled "Multinational Approaches to Enhance Goat Production in the Middle East" involving the Desert Research Center and Animal Production Research Institute of Egypt, Volcani Center in Israel, Al-Quds University of the Palestinian Authority, and Jordan University of Science and Technology.

**Ethiopian University Partnerships**
Activities with Debub University located in Awassa, Ethiopia are continuing in a collaborative grant involving Fort Valley State University, Fort Valley, Georgia entitled "Improving Ethiopian Household Food Security and Enhancing the Teaching, Research and Extension Ability of Awassa College of Agriculture, Debub University, Ethiopia" funded by United Negro College Fund Special Programs (UNCFSP)/USAID. Langston University is continuing collaboration with Alemaya University, Dire Dawa, Ethiopia in a grant awarded by the Association Liaison Office for University Cooperation in Development/USAID involving Oklahoma State University entitled "Improving Ethiopian Household Food Security and Enhancing the Teaching, Research and Extension Ability of Alemaya University, Alemaya, Ethiopia."

**Animal Source Foods**
In 2003 and early 2004, Langston University participated in a grant led by Oklahoma State University that included the University of California at Los Angeles; Debub University, Ethiopia; and University of Nairobi, Kenya. The grant, entitled "Combating Micronutrient Malnutrition: Assessment of Constraints to Including Animal Source Foods in Children’s Diets in Rural Ethiopia and Kenya" was funded by the Global Livestock Collaborative Research Support Program with funding from USAID.

**Iraq**
In 2003, Langston University joined with the University of Oklahoma, Oklahoma State University, and Cameron University in submitting a proposal to work toward revitalizing the higher education system in Iraq.
Dr. Tilahun Sahlu was honored with Bouffault International Animal Agriculture Award during the American Society of Animal Science Awards banquet in Indianapolis. The Bouffault International Animal Agriculture Award recognizes distinguished service to animal agriculture in the developing areas of the world and is sponsored by the Bouffault Award Fund.

Selected Current Grants

USDA CSREES 1890 Institution Capacity Building grant entitled “Nutrient Requirements of Goats: Composition of Tissue Gain and Loss” ($300,000) September 1, 2003 - August 31, 2006.

USAID “Al Sharaka Program for Higher Education in Iraq” Oklahoma Higher Education Partnership with the University of Oklahoma as lead institution and Langston University, Oklahoma State University, and Cameron University as partnering institutions ($4,988,569) December 2003 – February 2005.

Global Livestock Collaborative Research Support Program “Combating Micronutrient Malnutrition: Assessment of Constraints to Including Animal Source Foods in Children’s Diets in Rural Ethiopia and Kenya.” Oklahoma State University-led partnership with Langston University; Debub University, Ethiopia; and University of Nairobi, Kenya. $80,000.
OKLAHOMA STATE UNIVERSITY, STILLWATER, OKLAHOMA

President Burns Hargis appeared before the Board of Regents to present the business of Oklahoma State University and review the Agenda for members of the Board. President Hargis said he joins everyone in thanking Howard Barnett and his wife, Billie, for the elegant dinner last evening and for the wonderful presentation after dinner.

President Hargis referenced the OSU Accomplishments brochure, which highlights a lot of great things that are happening at OSU. He said the enrollment figures are encouraging, but it is too early to know the final numbers. He said Kyle Wray and his team are doing a great job, and he also appreciates the work of the faculty and staff in their recruiting efforts. He said the Board members will receive the Accomplishments brochure electronically on their iPads for the September meeting.

President Hargis said Dr. Hale brought up the issue of Native American students. He said OSU and Northeastern Oklahoma State University in Tahlequah tied with 370 Native Americans receiving diplomas. OSU was first in the number of Native Americans who earned degrees in three of five broad educational categories, which are engineering, biological sciences, business management, marketing, and sports services. OSU has been working with members of the tribes to determine programs that will increase the participation of Native Americans in higher education.

President Hargis also referenced OSU receiving an honor from the BACCHUS Network, which is a leading non-profit organization focused on health and safety issues concerning college students. It has officially certified OSU with its first and only Gold Award for the University’s tobacco-free campus policy. OSU’s policy was implemented July 1, 2008, and it all began with the students.

Report Regarding OSU-Tulsa Initiative 2015

President Hargis said he believes everyone will agree with him that President Barnett is doing an outstanding job at OSU-Tulsa and the Center for Health Sciences. He asked President Barnett to share information regarding these institutions.

Mr. Barnett said he will report a little bit on CHS; but, primarily he will address the OSU-Tulsa Initiative 2015. (The PowerPoint presentation made by Mr. Barnett regarding the OSU-Tulsa Initiative 2015 is on file in the Board of Regents’ Office as Document No. 1-7-23-10.) The process began last January and involved five months of trying to determine and decide where OSU-Tulsa wants to be in five years. He reviewed the Initiative 2015 Committee, which was comprised of community members, faculty, and administration/staff. In addition, once a certain level of initiatives was developed to flesh out some of the strategies, subcommittees were then formed. He noted that Chairman Anthony served on one of those subcommittees. There was a total of approximately 50 individuals who were involved one way or another.
The first thing the Committee did was address key issues. Mr. Barnett addressed some of these issues, which include static enrollment over the past five years, the change in student demographics, OSU’s brand in the market being misunderstood, and the real “value” of an education from OSU-Tulsa not being communicated. With respect to a financial analysis viewpoint, OSU-Tulsa has lost money over the last few years and will hit a dollar “wall” in the future if this trend is not reversed. The last analysis pertained to a marketing competitive standpoint. While OSU-Tulsa’s enrollment is static, the enrollment at Northeastern State University and Rogers State College has increased, and those are OSU-Tulsa’s primary competition.

Five strategic initiatives were developed including 1) ensure a dynamic culture of scholarly productivity and academic excellence; 2) grow enrollment; 3) strengthen institutional brand; 4) enhance constituent relationships; and 5) increase and diversify resources. Each initiative has a Statement of End Result, which is what OSU-Tulsa will look like in 2015 if it is successful in accomplishing its initiatives. Also, for each initiative, goals, objectives, and strategies were established.

Mr. Barnett noted that the phrase “OSU in Tulsa” has been adopted as the new tag line, which states more about what OSU is within the community of Tulsa and allows OSU to talk a little bit more about its footprint in what it does in Tulsa.

Mr. Barnett continued with his review of the goals, objectives, and strategies of each strategic initiative.

Regent Helm said Mr. Barnett mentioned finances at the beginning of his discussion and that OSU-Tulsa’s budget was going to be negative. He said Gary Trennepohl did a nice job of building reserves for the institution, and it was known when the Helmerich Research Center came on board that it was going to eat into the budget significantly. As an institution, OSU-Tulsa only offers junior, senior, and graduate level courses, which are more expensive to operate. OSU-Tulsa will need help not only by increasing its enrollment but also from the State over the next two to three years.

Mr. Barnett said Regent Helm also serves on the UCT Authority, which basically owns most of the land around OSU-Tulsa. He said the Authority has some money, and he believes it will help the campus in its “orange up” campaign and other initiatives so that these funds do not have to come out of OSU-Tulsa’s budget.

President Hargis said he appreciates Mr. Barnett’s work on this effort. He said his background in business has been very critical in understanding that the model originally created is not sustainable. OSU-Tulsa will need to do things differently, and he appreciates Mr. Barnett’s commitment to that effort. President Hargis said he is also very optimistic and excited about the future of CHS. He believes OSU’s medical school has tremendous opportunities going forward, and OSU intends to put a lot of thought, effort, and resources into building what is a critical need for Oklahoma and the entire country in terms of primary care physicians.
Adoption of Memorial Resolutions

President Hargis presented Memorial Resolutions for Linville J. Bush, Professor Emeritus, Animal Science, College of Agricultural Sciences and Natural Resources; Steve O. Corley, Supervisor, Retired, Custodial Services, Physical Plant, OSU Institute of Technology-Okmulgee; David B. Jackson, Manager, Retired, Lab and X-Ray, University Health Services, Division of Student Affairs; Glenn E. Laughlin, Professor, Retired, Administrative Services and Business Education, School of Business; Jack W. Smith, Resident Manager, Retired, Housing, OSU Institute of Technology-Okmulgee; and John E. Susky, Professor Emeritus, Philosophy, College of Arts and Sciences. President Hargis recommended the Board’s adoption of the Memorial Resolutions for these individuals. (The Memorial Resolutions for Mr. Bush, Mr. Corley, Mr. Jackson, Dr. Laughlin, Mr. Smith, and Dr. Susky are attached to OSU’s minutes as ATTACHMENTS A-F, respectively, and considered a part of these minutes.)

President Hargis noted that he had taken Business Law under Professor Laughlin. Regent Helm indicated that he, too, had classes under Professor Laughlin.

Regent Helm moved and Regent Peach seconded to adopt the Memorial Resolutions for Linville J. Bush, Steve O. Corley, David B. Jackson, Glenn E. Laughlin, Jack W. Smith, and John E. Susky as presented.

Those voting aye: Board Members Lester, Peach, Watkins, Anthony, Boettcher, Hall, and Helm. No: None. Abstentions: None. Absent: Link and Burns. The motion carried.

President Hargis requested Vice President Bosserman to present information pertaining to Academic Affairs, and Administration and Finance:

Personnel Actions

Dr. Bosserman presented eight pages of personnel actions and recommended their approval with the exception of those items pertaining to separation, retirement, and death, which are presented as information items only. (These requests are listed on pages D-3.1 through D-3.8 of the OSU Agenda, which is on file in the Board of Regents’ Office as Document No. 2-7-23-10.) Dr. Bosserman said the list includes 15 new appointments, 17 changes in title and/or rate, 1 leave of absence, and 1 correction. For information, there are 4 retirements and 6 separations listed, as well.

Regent Helm moved and Regent Hall seconded to approve the personnel actions as listed in the OSU Agenda.
Those voting aye: Board Members Peach, Watkins, Anthony, Boettcher, Hall, Helm, and Lester. No: None. Abstentions: None. Absent: Link and Burns. The motion carried.

**Approval of New Degree Program**

Dr. Bosserman reported that OSU-Oklahoma City requests approval of the Bachelor of Technology in Sign Language Interpretation. This would be a new program. He said the field of sign language interpretation is moving towards requiring a baccalaureate degree by 2012 before granting credentials. He said the degree program would be unique in Oklahoma as there are currently no bachelor degrees offered in sign language interpretation and there are only two institutions offering associate degrees in interpretation. Dr. Bosserman said upon Board approval, this request would be submitted to the Oklahoma State Regents for Higher Education for review and approval.

Regent Lester moved and Regent Peach seconded to approve the new program of Bachelor of Technology in Sign Language Interpretation and to authorize the request be submitted to the Oklahoma State Regents for Higher Education for review and approval.

Chairman Anthony asked what other school currently offers an associate degree in sign language interpretation. Dr. Carroll said Tulsa Community College has had such a program for approximately ten years. OSU-OKC had the second program in the state, but within a five-state area there are no bachelor degree programs available. Dr. Carroll said he is hopeful the State Regents will look favorably upon this request.

Those voting aye: Board Members Peach, Watkins, Anthony, Boettcher, Hall, Helm, and Lester. No: None. Abstentions: None. Absent: Burns and Link. The motion was approved.

**G-1 Approval for Lease of Space with OSU Medical Center**

Dr. Bosserman requested Board approval to enter into an agreement with the OSU Medical Center to lease space currently utilized by the Department of Surgery and to authorize the OSU President to execute the lease, subject to review and approval by Legal Counsel.

Chairman Anthony asked if this space is in close proximity to the hospital. Dr. Hess responded affirmatively and said it is owned by OSU Medical Center and is being rented from them.

Regent Lester moved and Regent Helm seconded to authorize Oklahoma State University to enter into an agreement with the OSU Medical Center to lease space currently utilized by the Department of Surgery and to authorize the
OSU President to execute the lease, subject to review and approval by Legal Counsel.

G-2 Approval for Lease of Space with OSU Medical Center

Dr. Bosserman requested Board approval to enter into an agreement with the OSU Medical Center to lease space currently utilized by the Department of Internal Medicine Center for Respiratory Medicine and to authorize the OSU President to execute the lease, subject to review and approval by Legal Counsel.

Chairman Anthony noted the lease rate of $13.00 per square foot is a good rate.

Regent Helm moved and Regent Watkins seconded to authorize Oklahoma State University to enter into an agreement with the OSU Medical Center to lease space currently utilized by the Department of Internal Medicine Center for Respiratory Medicine and to authorize the OSU President to execute the lease, subject to review and approval by Legal Counsel.

G-3 Assignment of Rights and Release of Rights

Dr. Bosserman requested Board approval for the assignment of a patent application relating to small subsurface flow constructed wetlands for intermediate treatment in septic systems to inventor Michael D. Fletcher. He said this request has been reviewed by Legal Counsel and follows the guidelines of the Board in recovering costs should profits be made.

Regent Helm moved and Regent Lester seconded to approve the assignment of a patent application relating to small subsurface flow constructed wetlands for intermediate treatment in septic systems to inventor Michael D. Fletcher as presented in the OSU Agenda.

G-4 Approval for the Naming of a Room in Agriculture

Dr. Bosserman requested Board approval to name a student study room in Agriculture, Room 419, the Joseph E. Williams Study Room. He said Dr. Williams has made an enormous mark on the students of his department, college, and University, and upon his recent retirement it is fitting that a room close to his former office be so named. Dr. Bosserman said he has served on several committees with Dr. Williams, and he noted that Dr. Williams was one of the finest faculty members that he has come across and was always looking out for the college and the institution.

Chairman Anthony said he certainly concurs. He said he has known Dr. Williams for a long time. He noted that Dr. Williams has not only been a very staunch supporter of OSU, but he has contributed greatly to the community of Stillwater.

Regent Watkins moved and Regent Boettcher seconded to name a student study room in Agriculture, Room 419, the Joseph E. Williams Study Room.

Those voting aye: Board Members Helm, Lester, Peach, Watkins, Anthony, and Boettcher. No: None. Abstentions: None. Absent: Burns, Hall, and Link. The motion was approved.

I-1 Approval to Select an Architect to Assist the University in Renovating and Expanding the Colvin Center Annex

Dr. Bosserman requested Board approval to select an Architect to assist the University in the renovation and expansion of the Colvin Center Annex. He said this item was discussed with members of the Fiscal Affairs Committee at its meeting this morning.

Regent Helm reported that the Fiscal Affairs Committee met with the administration of Oklahoma State University concerning approval to select an Architect to assist the University in the renovation and expansion of the Colvin Center Annex. He said the selection committee processed the results and four firms were presented for the Committee's consideration. The Committee then voted to recommend Board approval to select Rees Associates, Inc., Oklahoma City, Oklahoma.

Regent Helm moved and Regent Lester seconded to select Rees Associates, Inc., Oklahoma City, Oklahoma, as the Architect to assist the University in the renovation and expansion of the Colvin Center Annex.

Those voting aye: Board Members Helm, Lester, Peach, Watkins, Anthony, and Boettcher. No: None. Abstentions: None. Absent: Hall, Link and Burns. The motion carried.
I-2 Approval to Select a Construction Manager at Risk to Assist the University in Renovating and Expanding the Colvin Center Annex

Dr. Bosserman requested Board approval to select a Construction Manager at Risk to assist the University in the renovation and expansion of the Colvin Center Annex. He said this matter was discussed with members of the Fiscal Affairs Committee.

Regent Helm reported that the Committee met with the administration of Oklahoma State University regarding approval to select a Construction Manager at Risk to assist the University in the renovation and expansion of the Colvin Center Annex. He said Dr. Bosserman described the process that resulted in the recommendation of four firms for the Board's consideration. Following further discussions of the merits of each firm, the Committee voted to unanimously recommend Lambert Construction Co., Stillwater, Oklahoma.

Regent Helm moved and Regent Lester seconded to select Lambert Construction Co., Stillwater, Oklahoma, as the Construction Manager at Risk to assist the University in the renovation and expansion of the Colvin Center Annex.

Those voting aye: Board Members Helm, Lester, Peach, Watkins, Anthony, and Boettcher. No: None. Abstentions: None. Absent: Link, Burns, and Hall. The motion passed.

I-3 Approval to Select an Architect to Prepare a Programming Plan for the Business Building

Dr. Bosserman requested Board approval to select an Architect to assist the University with a programming plan for a possible new or expansion and renovation of the Business building. He said this item was also discussed with members of the Fiscal Affairs Committee.

Regent Helm said the Committee met with the administration of Oklahoma State University concerning approval to select an Architect to assist the University with a programming plan for a possible new or expansion and renovation of the Business building. He said representatives from the Spears School of Business participated in the selection process which included students as well as faculty and staff. Following discussion, the Committee voted to recommend Board approval of Frankfurt-Short-Bruza, Oklahoma City, Oklahoma, with Perkins+Will, Inc., Minneapolis, Minnesota.

Regent Helm moved and Regent Lester seconded to select Frankfurt-Short-Bruza, Oklahoma City, Oklahoma, with Perkins+Will, Inc., Minneapolis, Minnesota, as the Architect to assist the University with a programming plan for a possible new or expansion and renovation of the Business building.
Those voting aye: Board Members Lester, Peach, Watkins, Anthony, Boettcher, and Helm. No: None. Abstentions: None. Absent: Link, Burns, and Hall. The motion was approved.

I-4 Approval to Select an Architect to Prepare a Master Plan for a Performing Arts Center, Providing Facilities for the Departments of Music and Theater

Dr. Bosserman requested Board approval to select an Architect to assist the University with a master plan programming and conceptual design for the possible construction of a Performing Arts Center, providing facilities for the Departments of Music and Theater. He said the Fiscal Affairs Committee also discussed this item.

Regent Helm reported that the Committee met with the administration regarding approval to select an Architect to assist the University with a master plan programming and conceptual design for the possible construction of a new Performing Arts Center. He said the Dean of the College of Arts and Sciences and representatives from the Departments of Music and Theater participated in the selection process. After discussion, the Committee voted to unanimously recommend Beck Design, Tulsa, Oklahoma.

Regent Helm moved and Regent Lester seconded to select Beck Design, Tulsa, Oklahoma, as the Architect to assist the University with a master plan programming and conceptual design for the possible construction of a Performing Arts Center, providing facilities for the Departments of Music and Theater.

J Approval of Purchase Request Items

Dr. Bosserman presented the Purchase Requests and recommended their approval from the lowest and best bidders through the competitive bidding process or from State contract vendors, subject to the availability of funds and budgetary limitations. (These requests are listed on pages 7-9 of the OSU Agenda, which is on file in the Board of Regents’ Office as Document No. 2-7-23-10.)

Dr. Bosserman noted that Purchase Request No. 6 is an interim approval request. He also referenced Purchase Request No. 11. He said at the last Board meeting Regent Hall asked for information on compressed natural gas vehicles. This information was provided to him, and the same information was sent yesterday to all other Board members.
Regent Helm moved and Regent Watkins seconded to approval the sole source and special request items (purchase request Nos. 1 and 2, page 7, OSU Agenda).

Regent Peach moved and Regent Watkins seconded to authorize the Transportation Services Department to contract with the Department of Central Services to convert 25 Chevrolet Impala sedans to operate on compressed natural gas in the estimated amount of $250,000 (purchase request No. 11, page 8, OSU Agenda).

Regent Helm asked if this amounts to approximately $10,000 per vehicle. Dr. Bosserman responded affirmatively; however, it is anticipated that OSU will receive some of the money back under a grant, but it is not known how much at this time. Regent Helm asked if the administration is comfortable with this request, and Dr. Bosserman responded affirmatively.

Those voting aye: Board Members Watkins, Anthony, Boettcher, Helm, Lester, and Peach. No: None. Abstentions: None. Absent: Burns, Hall, and Link. The motion was approved.

Balance of Purchase Requests

Regent Helm moved and Regent Lester seconded to approve the balance of the purchase requests, subject to the availability of funds and/or the limitations of the budget.

The business of Oklahoma State University being completed, President Hargis and members of the OSU administration were then excused from the meeting.

Public Comments

Chairman Anthony announced that 15 minutes would be provided for the public to make comments to the Board of Regents, and he asked if there were any members of the public who would like to address the Board at this time. There being none, the Board continued with its business.
Chairman Anthony called upon the following Committee Chairs to give Committee reports.

**Fiscal Affairs Committee**

(All business discussed by the Fiscal Affairs Committee was presented during the business of Oklahoma State University.)

**Academic Affairs, Policy and Personnel Committee** – No report

**Planning and Budgets Committee** – No report

**Board Committee Structure**

Dr. Wilson said included in the Board folders is a copy of the Board Committee Structure appointed by Chairman Anthony and the description of the functions and responsibilities of the various Board committees. He asked that this information be placed in the official minutes of the meeting. (A copy of the Board Committee Structure is attached to this portion of the minutes as ATTACHMENT A.)

**Approval of Presidential Assessment**

Dr. Wilson said in order to bring closure to the annual presidential evaluation/assessment process, he recommended that the Board establish as a part of the confidential personnel file the compilation of the Board’s comments which were solicited by a questionnaire and a summary of the Board session at which the presidents presented a self assessment. He said the presidents have been offered an opportunity to review these materials.

Dr. Wilson recommended that the Board authorize the establishment of a confidential personnel file pending any additional contact from the presidents.

Regent Helm moved and Regent Hall seconded to authorize the establishment of a confidential personnel file, pending any additional contact from the presidents.

Appointment of Regent to Serve on OSU-Tulsa Board of Trustees

Chairman Anthony said for the last three years he had the great honor to serve on the OSU-Tulsa Board of Trustees along with Regent Helm. He said it has truly been an honor, and he appreciates and sees the progress being made under President Barnett’s leadership as well as what was accomplished during Gary Trennepohl’s tenure as President. Chairman Anthony said he would like to step down from that position since he is serving another year as Board Chairman. He wants to make the point that his stepping down is certainly no reflection of any dissatisfaction with anything happening in Tulsa because he is very proud of what is happening there and looks forward to being of further assistance. Chairman Anthony said he would like to suggest that Regent Tucker Link be appointed to serve on the OSU-Tulsa Board of Trustees. He said Regent Link has agreed to fill this position, which is position No. 9 on the OSU-Tulsa Board of Trustees. He clarified that this is a Board appointment.

Regent Helm moved and Regent Watkins seconded to appoint Tucker Link as a member of the OSU-Tulsa Board of Trustees.

Those voting aye: Board Members Hall, Helm, Lester, Peach, Watkins, Anthony, and Boettcher. No: None. Abstentions: None. Absent: Burns and Link. The motion carried.

Regent Helm said appointments to the Board of Trustees require that at least one member reside in the First District, so he will continue to serve in that position. Chairman Anthony noted that Regent Helm has done a yeoman’s work on the OSU-Tulsa Board of Trustees as well as former Regent Ed Keller, who is currently serving as Chairman of the Board of Trustees. Chairman Anthony said the Board of Trustees is comprised of an excellent group of people in which he has great confidence. He said the progress that has been made makes him feel very proud.

Adjournment

At approximately 11:40 a.m., Regent Watkins moved and Regent Boettcher seconded that the meeting be adjourned.

Those voting aye: Board Members Hall, Helm, Lester, Peach, Watkins, Anthony, and Boettcher. No: None. Abstentions: None. Absent: Link and Burns. The motion carried.
