APPROVAL OF USE OF HUMAN SUBJECTS IN RESEARCH FORMS and INSTRUCTIONS

June 20, 2011
IRB Guide
For Determining the Need for IRB Review

A study must be reviewed by the IRB if it involves human subjects and is considered research. Read the information below and answer the questions to determine if your study qualifies.

1. Determination of “Human Subject”.

Human subject means a living individual about whom an investigator (whether professional or student) conducting research obtains: (1) data through intervention or interaction with the individual or (2) identifiable private information.

Intervention includes both physical procedures by which data are gathered and manipulations of the subject or the subject’s environment that are performed for research purposes.

Interaction includes communication or interpersonal contact between investigator and subject.

Private information includes information about behavior that occurs in a context in which an individual can reasonably expect that no observation or recording is taking place, and information which has been provided for specific purposes by an individual and which the individual can reasonably expect will not be made public (for example, a medical record or a school record). Private information must be individually identifiable (i.e., the identity of the subject is or may be ascertained by the investigator or is associated with the information) in order for obtaining the information to constitute research involving human subjects.

2. Determination of “Research”.

Research means a systematic investigation, including research development, testing and evaluation, designed to develop or contribute to generalizable knowledge. Activities which meet this definition constitute research for purposes of the IRB whether or not they are conducted or supported under a program which is considered research for other purposes.

Systematic investigation involves a predetermined method for studying a specific topic, answering a specific question(s), testing a specific hypothesis(es), or developing a theory. Examples of systematic investigations include, but are not limited to, observational studies, interview or survey studies, group comparison
studies, test development, program evaluation, and interventional research. Although quality assurance (QA) activities often follow a systematic method of gathering information, the findings are generally utilized for internal program improvements and do not meet the definition of "research." However, at any point if the CQI or QA activities are intended to be extended beyond a single individual or an internal program, e.g., publications or presentations, they would be considered "research" and an IRB determination would be required.

To develop or contribute to generalizable knowledge requires that the results (or conclusions) of the activity are intended to be extended beyond a single individual or an internal program, e.g., publications or presentations. Examples of activities that are typically not generalizable include biographies and service or course evaluations, unless they can be generalized to other individuals, services, courses or concepts and there is an intention to do so. Theses or dissertation projects conducted to meet the requirements of a graduate degree are considered generalizable.
1. Determining if human subjects are involved.
   
   A. Does the research involve obtaining information about living individuals?  
      ☐ No ☐ Yes  
      
      If no, then study does not involve human subjects.  
      
      If yes, proceed to the following questions.  
      
   All of the following must be “no” to qualify as “non-human subject”:

   B. Does the study involve intervention or interaction with a “human subject”?  
      ☐ No ☐ Yes  
      
   C. Does the study involve access to identifiable private information?  
      ☐ No ☐ Yes  
      
   D. Are data/specimens received by the Investigator with identifiable private information?  
      ☐ No ☐ Yes  
      
   E. Are the data/specimen(s) coded such that a link exists that could allow the data/specimen(s) to be re-identified?  
      ☐ No ☐ Yes  
      
      If “Yes,” is there a written agreement that prohibits the PI and his/her staff access to the link?  
      ☐ No ☐ Yes  

*If you answered “yes” to any of questions 1B-E you must proceed to step 2 to determine if you are conducting “research” as defined by the IRB.*

*If you answered “no” to all of the above questions, you are not using human subjects and IRB review is not required. Do not proceed to step 2.*
2. **One of the following must be “no” to qualify as “non-research”:**

A. Will the data/specimen(s) be obtained in a systematic manner?
   - [ ] No  [ ] Yes

B. Will the intent of the data/specimen collection be for the purpose of contributing to generalizable knowledge?
   - [ ] No  [ ] Yes

*If you answered “no” to either of the above questions, you are not conducting research and IRB review is not required. However, you should submit this form to the IRB to document your responses and project. If you answered “yes” to both of the above questions, then IRB review is required, and you should complete and submit the request for IRB review and approval.*

2011-2012 Budget Update
The State Education and General Fund budget allocation for 2011-2012 was reduced by 5.8% compared to the 2010-2011 allocation. The higher education budget includes a one-time 2010-2011 supplemental appropriation of $10 million to offset the decrease in state appropriations.

OPSU is implementing a 5.9% increase in tuition and mandatory fees to help defray some of the impact of the reduced allocation for 2011-12.

Finally, for the 2011-2012 year, OPSU is giving a one-time, non-base salary stipend of 4% to faculty and staff who:
- work 3/4 time or full time;
- are not newly hired or in their first year of employment;
- are not contract staff;
- are not adjunct faculty and;
- are not recipients of merit or market raises.
Stipends will be prorated and paid out over each employee’s contract period.

The Oklahoma State Regents for Higher Education honored the Town of Goodwell through their Partnership Recognition Program. OPSU and the town of Goodwell team up and share support services such as police protection, fire suppression and emergency medical services, trash collection, water, a sewage system and engineering services. Town-sponsored clean-up days are also held before significant campus events, such as homecoming and commencement. The new OPSU criminal justice program receives strong support from the Goodwell Police Department in the form of advisory committee participation and instruction. A similar collaboration is underway for a proposed EMT option at OPSU. OPSU will provide $500 for tuition waivers to employees of the partnering businesses; internships for current students of the institutions to work at the partnering businesses; faculty externships with the partnering businesses; and/or enhancement of the partnerships with additional equipment, materials or supplies. The State Regents provide a $500 match to the waivers.

Evlyn Schmidt is retiring this summer after 14 years as Director of the Marvin E. McKee Library. Husband John is already retired from his job as a physician assistant and the couple plan to travel and also spend more time with their daughter, 2 sons, and 4 grandsons. They already have plans to visit Seattle in July for the Lions Club International Convention and will vacation in Hawaii in November with their family. The couple also plans to continue attending OPSU events, their volunteer efforts, and their winemaking.

Mel Riley also retires this summer with 31 years of service to OPSU, 20 of those as the Director of Financial Aid. Husband Steve, a contract pumper, is an OPSU graduate as are both of their children, Steve, Jr. and Stephanie. She has no definite plans for retirement, but did say she will miss the students and the people she works with.

NORTHEASTERN OKLAHOMA A&M COLLEGE, MIAMI, OKLAHOMA

Dr. Jeff Hale, President, appeared before the Board of Regents to present the business of Northeastern Oklahoma A&M College and review the Agenda for members of the Board. Dr. Hale offered a welcome to the new Chairman.

Dr. Hale referenced the summer edition of the NEO Update newsletter. He noted that the Adult Learning Center that began three years ago will no longer receive funding from the State Department of Education. NEO will be able to keep the program going this year, but the staff was reduced significantly, as well as the number of programs and services offered. Dr. Hale also reported that NEO hosted for the ninth consecutive year an Eight-Man Football camp. Regent Reese referenced the picture and pointed out that the athlete wearing the No. 5 jersey is his nephew.

Dr. Hale reported on endowments received by the Foundation over the past six weeks, including a $100,000 gift from Kent and Kayleen Thomas and a $15,000 gift in honor of JoAn Taylor; an update on Kids’ College, which is in its second year at NEO with approximately 50 children from the Miami area attending the week-long camp; and the launching of a new degree option where students will be able to enroll in business courses one night per week to earn an Associate of Applied Science degree in Business Administration Technology with an emphasis in Management and Marketing.

Enrollment Report

Dr. Hale presented an enrollment trends report. Summer school experienced an increase in credit hour production of 11 percent. He said the report reflects a five-year trend, and enrollment is headed in the right direction. For the 2011 fall semester, enrollment is projected to be just under 2,500 students, which will be the highest number for NEO since 1987. Currently, enrollment is about 9 percent ahead of where it was for 2010, but the projection is more likely to be a 5 percent increase with a little increase in first-time freshmen. As it relates to housing, NEO has a waiting list and is unable to accommodate all the requests for student housing. The current plan is to put three students to a room.

Regent Burns asked if Miami has apartments available to accommodate the overflow. Dr. Hale responded negatively and said there are little to no apartments available. Regent Burns asked when the new apartments come on line if NEO will still have to continue three students to a room, and Dr. Hale responded negatively. He said this will relieve a lot of the pressure, and this is the first time NEO has had an overflow situation in the housing facility in 20+ years. Chairman Helm asked if it is the men’s housing that is over capacity, and Dr. Hale responded affirmatively. For the women, NEO has approximately 12 available rooms but has about 15 on a waiting list for men’s housing.
Regent Burns asked if NEO anticipates continued enrollment growth. Dr. Hale said this is difficult to answer with any certainty. He anticipates enrollment leveling off in the next two to three years because the economy is beginning to turn around and more jobs are available. Also, demographics reflect a declining number of high school graduates in northeastern Oklahoma, which is the reason Tulsa is being targeted with respect to recruiting.

**Adoption of Memorial Resolutions**

Dr. Hale presented Memorial Resolutions for Kirsten Couch, who served as an Art Instructor for 17 years at NEO, and Brian Hauck, who spent nearly 30 years on the NEO campus as a faculty member in theater, department chair, and as Dean of Liberal Arts for the past 11 years. (The Memorial Resolutions for Kirsten Couch and Brian Hauck are attached to NEO's portion of the Agenda and considered a part of these minutes.)

Regent Anthony moved and Regent Watkins seconded to adopt the Memorial Resolutions for Kirsten Couch and Brian Hauck as presented.

Those voting aye: Board Members Lester, Link, Reese, Watkins, Anthony, Burns, Davis, Hall, and Helm. No: None. Abstentions: None. Absent: None. The motion was approved.

**Personnel Actions**

Dr. Hale recommended the employment of Moses Martinous, English Instructor, to be paid an annual salary of $38,727 effective August 1, 2011. This is a replacement position for an employee who resigned. He said Dr. Martinous recently received his PhD from Penn State University.

For informational purposes, Dr. Hale reported that the departure of Dr. Tim Faltyn left a big hole on campus. The decision was made to fill this position with an interim appointment. A national search is anticipated to begin in January, 2012, and, hopefully, NEO will have that position filled permanently by July, 2012. Dr. Hale said Dr. David Loving has been assigned the additional duties of Interim Vice President for Academic Affairs, effective July 1, 2011. Dr. Loving has been on the NEO campus ten years and was the past Faculty Association Chairman. Dr. Hale said Dr. Loving is one of the most active, engaged instructors on the NEO campus.

Regent Burns moved and Regent Link seconded to approve the personnel actions as listed in the NEO Agenda.

Those voting aye: Board Members Link, Reese, Watkins, Anthony, Burns, Davis, Hall, Helm, and Lester. No: None. Abstentions: None. Absent: None. The motion was approved.
Approval to Increase Funding of the Student Housing Project

Dr. Hale requested Board approval to increase the funding of the Student Housing project. He said this request was presented to the Fiscal Affairs Committee of the Board of Regents.

Regent Link said the Committee met with the administration of Northeastern Oklahoma A&M College regarding approval to increase the funding of the Student Housing project. He said President Hale reported that the increase in funding from $3 million to $4.4 million is to meet the design requirements and some necessities students provided for consideration. Regent Link said it is also an increase in the number of beds currently estimated at 90 up to a maximum of 124. The estimated debt on the project would be approximately $1.5 million, which is 33 percent of the project cost. The Committee voted to recommend Board approval of the recommendation as presented by the NEO administration.

Chairman Helm commended Dr. Hale and the staff at NEO on this project. He said this site is the site on which former student housing was located and which was flooded in July, 2007. The site was raised 7.5 feet to get it out of the flood zone. Chairman Helm said the Board appreciates all that the administration has done regarding this matter.

Regent Link moved and Regent Hall seconded to authorize Northeastern Oklahoma A&M College to increase the funding of the Student Housing project that was approved at the December 3, 2010, Board of Regents’ meeting from $3 million to $4.4 million.

Those voting aye: Board Members Reese, Watkins, Anthony, Burns, Davis, Hall, Helm, Lester, and Link. No: None. Abstentions: None. Absent: None. The motion was approved.

Balance of Agenda

Regent Anthony moved and Regent Davis seconded to approve the balance of the Agenda, subject to the availability of funds and/or the limitations of the budget. (The Agenda is attached.)

Those voting aye: Board Members Watkins, Anthony, Burns, Davis, Hall, Helm, Lester, Link, and Reese. No: None. Abstentions: None. Absent: None. The motion carried.

Comments by President Hale

On behalf of the students, faculty, and staff of Northeastern Oklahoma A&M College, Dr. Hale said he would like to recognize the former Chairman of the Board who provided two years of
great service. He said most of the Regents had been in NEO's Student Union facility prior to the renovation. Probably the most notable historical element of that facility is the mural in the Ballroom. The mural walls were not structurally sound and were full of asbestos, and it was a difficult decision to tear those walls down. He said Nick Calcagno was the artist and his wife, Carol, is currently very much involved with NEO and serves on the board of the NEO Foundation.

Dr. Hale said A&E Services from Oklahoma State University led the effort to take high resolution digital photographs of the mural, ship the photographs to a glass company in Indianapolis, Indiana, and reproduce those murals on 6 x 4 feet panes of glass. The first test piece was sent to the College a few months ago, and Dr. Hale presented Regent Anthony with the project design piece. Dr. Hale said the next time the Regents are on campus they will see those murals captured on glass.

The business of Northeastern Oklahoma A&M College being concluded, Dr. Hale was then excused from the meeting.

CONNORS STATE COLLEGE, WARNER, OKLAHOMA

Dr. Tim Faltyn, President, appeared before the Board of Regents to present the business of Connors State College and review the Agenda for members of the Board. Chairman Helm noted that this is Dr. Faltyn’s first official Board meeting as President. Dr. Faltyn said he is excited to be here. He also expressed appreciation to President Hargis, the Noble Foundation, and to Dr. Whitson for hosting the meeting. Dr. Faltyn noted that Dr. Whitson has been a personal mentor to him.

Dr. Faltyn reviewed some of the activities that have taken place since he has arrived on campus. He noted that he is in the third week of his presidency, and the first thing involved setting priorities regarding getting the campus organized for the students to come back. The priorities involve plans for the first 100 days, the first semester, and the first year. Priorities include immediately addressing emergency management and safety on campus, student housing, developing a master plan to address facilities, hiring a public relations employee for the College, and organizing a campus beautification committee. Dr. Faltyn expressed appreciation to Mike Buchert and Nigel Jones for their efforts with respect to helping the College develop a campus master plan.

With respect to enrollment, Connors is currently down 2.3 percent. Enrollment is up on the main campus in Warner, but enrollment is down for the Muskogee campus. This is attributed for the most part to federal cuts and prison funding. Connors is working on some last minute advertising to make up that gap.

Dr. Faltyn presented the Board with the inaugural version of the Connors State Connection, which will provide current events and be used as a platform to begin telling the story of Connors State College. He called the Board’s attention to a story about him living in the dormitory; profiles of students, staff, and faculty; and the 30-year anniversary of the Be A Champ Cattle and Lamb Camp under the direction of Jerry McPeak. Dr. Faltyn also highlighted the College’s nursing program, which is the third largest in the State. He said the program has consistently surpassed both the Oklahoma and national graduation rates for a nursing program and is one of the programs of distinction for Connors.

Approval of Connors State College Student Handbook Revisions

Dr. Faltyn requested Board approval of the revisions to the Connors State College Student Handbook. He said this matter was discussed with members of the Academic Affairs, Policy and Personnel Committee. Dr. Faltyn said within the next year a comprehensive review of all of the handbooks will be reviewed and brought to the Board for approval as one handbook.

Regent Lester said the Committee met with the administration of Connors State College regarding approval of revisions to the Connors State College Student Handbook. President Faltyn provided information to the Committee and stated that the Handbook revisions have been
reviewed by the Board’s Office of Legal Counsel. The Committee acted to recommend Board approval of the administrative recommendation, subject to further review by Legal Counsel.

Regent Lester moved and Regent Anthony seconded to approve the revisions to the Connors State College Student Handbook, subject to further review by Legal Counsel.

Dr. Faltyn requested Board approval to enter into a ground lease agreement between the Board of Regents for the Oklahoma Agricultural and Mechanical Colleges and Connors State College and the Regional University System of Oklahoma and Northeastern State University. This matter was discussed with members of the Fiscal Affairs Committee.

Dr. Faltyn said he just received notification a few minutes ago that the Regional University System of Oklahoma Board of Regents has approved the ground lease.

Regent Link said the Committee met with the administration of Connors State College regarding approval of the ground lease agreement between the Board of Regents for the Oklahoma Agricultural and Mechanical Colleges and Connors State College and the Regional University System of Oklahoma and Northeastern State University. This relates to the new Connors building in Muskogee. The Committee voted to recommend Board approval, pending approval by Legal Counsel.

Regent Link moved and Regent Anthony seconded to authorize Connors State College to enter into a ground lease agreement between the Board of Regents for the Oklahoma Agricultural and Mechanical Colleges and Connors State College and the Regional University System of Oklahoma and Northeastern State University, pending approval by Legal Counsel.

Renovation of President's Residence

Dr. Faltyn requested Board approval of the ratification request regarding the renovation of the President’s residence. On a personal note, he said he and Kelly are very appreciative of the renovation. It is a grand old house, and they are excited about the move.

Chairman Helm said he would encourage Dr. and Mrs. Faltyn to do this right because it is not only going to be their home, but it is also the Board's home. The Board wants this to be a showplace that people want to visit.

Regent Burns moved and Regent Link seconded to ratify interim approval granted by the Executive Secretary regarding renovation of the President’s residence.

Those voting aye: Board Members Hall, Helm, Lester, Link, Reese, Watkins, Anthony, Burns, and Davis. No: None. Abstentions: None. Absent: None. The motion was approved.

CSC departments reserve the right to send correspondence through either means of communications from professors and academic advisors, communications regarding enrollment and communications regarding student conduct. CSC e-mail can be forwarded to another e-mail account if student chooses. More details can be found online at http://www.connorsstate.edu/page.php?p=newstudent.

For this reason, we encourage you to report vandalism. This is one way you can reduce unnecessary costs. Furniture cannot be moved from the dorm that it is located in.

LANGSTON UNIVERSITY, LANGSTON, OKLAHOMA

Dr. JoAnn Haysbert, President; Mrs. Angela Watson, Vice President for Administrative and Fiscal Affairs; and Dr. Marvin Burns, Dean, School of Agriculture and Applied Sciences, appeared before the Board of Regents to present the business of Langston University and review the Agenda for members of the Board.

Dr. Haysbert expressed appreciation to President Hargis and the Noble Foundation for their hospitality during the hosting of this meeting and thanked President Hargis for the wonderful dinner last evening.

Dr. Haysbert referenced the Greatness publication and highlighted a few articles of interest, including the Freshman Village. She said students in their first year at Langston University will know that “Failure Is Not an Option.” This year Langston is focusing on not only increasing enrollment, but, most importantly, retention and graduation. While the apartment style living is conducive for students, oftentimes too many of the freshmen were housed among the upperclassmen and did not do as well in school. Langston tried to recreate what might be considered dormitory style living and used the Centennial apartment complex as a home for the new freshmen and named it Freshman Village. Dr. Haysbert also referenced the article on Langston University-Tulsa hosting a week-long teacher institute this summer focusing on empowering urban K-12 students to make healthy food choices, as well as designing and creating community and school gardens.

Dr. Haysbert also reported on Langston’s five-year annual giving campaign. She said a group of financial supporters of the University were recognized with the creation of the President’s Club that was set up to honor those who consistently donated money for each of the past five years as part of the University’s first ever annual giving campaign. The club consists of 25 charter members who have given $5,000 or more to the University over a five-year period. She said fundraising has increased more than 40 percent from last October until the current time.

**Personnel Actions**

Regent Anthony moved and Regent Burns seconded to approve the personnel actions as listed in the Langston Agenda.

Those voting aye: Board Members Lester, Link, Reese, Watkins, Anthony, Burns, Davis, Hall, and Helm. No: None. Abstentions: None. Absent: None. The motion carried.
Construction of Storage Building and Flag Mall at LU-Tulsa Campus

Dr. Haysbert requested permission to solicit bids and accept the lowest and best bidder to construct a new storage building and flag mall at the Langston University-Tulsa campus and to purchase construction services and materials from the lowest and best bidder for the historical restoration of the Cottage Row housing units. She said these requests were considered by the Fiscal Affairs Committee at its meeting this morning.

Regent Link reported that the Committee met with the Langston University administration regarding approval to solicit bids and accept the lowest and best bid to construct a new storage building and flag mall at the Langston University-Tulsa campus. He said President Haysbert explained that prior approval to add program components back to this Vision 2025 project was given at the March, 2010, Board meeting. Funding for the storage building and flag mall is available and has been approved by Tulsa County via Vision 2025. Regent Link said the Committee voted to recommend Board approval with additional consideration and modification regarding the location of the storage building.

Regent Link moved and Regent Davis seconded to authorize Langston University to solicit bids and accept the lowest and best bid to construct a new storage building and flag mall at the Langston University-Tulsa campus with additional consideration and modification regarding the location of the storage building.

Those voting aye: Board Members Link, Reese, Watkins, Anthony, Burns, Davis, Hall, Helm, and Lester. No: None. Abstentions: None. Absent: None. The motion was approved.

Purchase of Construction Services and Materials Regarding Historical Restoration of Cottage Row Housing Units

Regent Link reported that the Committee met with the Langston University administration regarding approval to purchase construction services and materials from the lowest and best bidder for the historical restoration of the Cottage Row housing units on the Langston University campus. He said President Haysbert said that funds for this $450,000 project are provided by the Recovery Act Stimulus Historical Grant. He said permission for advertising for a general contractor was given at the October, 2010, Board meeting. Regent Link reported that the Committee recommended that the administration circulate the tabulation and bid information and seek interim approval for the award of the contract.

Regent Link moved and Regent Anthony seconded to authorize Langston University to purchase construction services and materials from the lowest and best bidder for the historical restoration of the Cottage Row housing units on the Langston University campus in the approximate amount of $450,000.
and to seek interim approval from the Executive Secretary for the award of the contract as presented.

**Balance of Agenda**

Regent Lester moved and Regent Anthony seconded to approve the balance of the Agenda, subject to the availability of funds and/or the limitations of the budget. (The Agenda is attached.)

Those voting aye: Board Members Watkins, Anthony, Burns, Davis, Hall, Helm, Lester, Link, and Reese. No: None. Abstentions: None. Absent: None. The motion passed.

1. File with State Regents’ Office by the tenth of the Month following the end of the calendar quarter being reported.
2. The term employees shall mean a “full-time employee or any number of part-time employees whose combined weekly hours of employment equal those of a full-time employee; but shall not include seasonal employees.” For this report, the number of FTE employees for the reported quarter can be calculated by dividing by 519 hours (173 hours per month multiplied by three months) the total payroll hours excluding seasonal employees) for the quarter.
3. This figure reflects the total number of FTE employees for the main campus, branch campus(es) and all constituent agencies.
President Burns Hargis appeared before the Board of Regents to present the business of Oklahoma State University and review the Agenda for members of the Board.

Recognition of Former Chairman Calvin Anthony

Chairman Helm said before beginning the business of Oklahoma State University, he would like to take a moment to recognize Calvin Anthony, who served the Board as Chairman the past two years. Chairman Helm said in his ten years being associated with the Board, he has never seen anyone work harder than the past Chairman the last two years. He noted that it involved 100-120 hours per month, and the Board appreciates all that Regent Anthony has done and how he represented the Board in such an exemplary manner.

Chairman Helm presented a plaque to Regent Anthony that reads, “For distinguished service as Chairman of the Board of Regents for Oklahoma State University and the A&M Colleges, July 1, 2009 – June 30, 2011.” Chairman Helm also presented Regent Anthony with the gavel set he used during his tenure as Chairman.

Regent Anthony expressed thanks for the recognition. He said he is overwhelmed. He noted that the Regents work as a team and everyone does their share of work. He said it is a pleasure to have chaired a group that has worked as hard as this entire group. Chairman Helm said Regent Anthony has been the hardest working chairman the Regents have seen, and the Regents do appreciate all that he has done. Regent Link said he would also like to express his appreciation to Regent Anthony for doing a great job and setting a very high standard.

President Hargis said he would like to add his thanks to Regent Anthony, as well. He expressed appreciation for the countless times they have talked over the last few years. As a new president, it has been a wonderful asset to have Regent Anthony’s judgment, experience, and accessibility. He appreciates it very much.

Opening Remarks by President Hargis

President Hargis said he hopes everyone is enjoying Ardmore as much as he is in the beautiful new facility. He said he believes this facility will give Oklahoma State University a positioning in southern Oklahoma that will help benefit its students as well as the Noble Foundation and the entire State of Oklahoma. President Hargis expressed appreciation to the Regents for their support of this project and congratulations to Vice President Whitson and his staff for putting this together.
President Hargis said the campuses are gearing up for the fall semester. Classes begin on August 22. A very large freshman class is expected with more students than last year's class, which was the largest since 1981. More will be known about enrollment in the next few weeks.

Adoption of Memorial Resolution

President Hargis presented information on behalf of Kenneth B. Smith, Medical Director, University Health Services, Student Affairs. He presented a Memorial Resolution for Dr. Smith and recommended its adoption. (The Memorial Resolution for Dr. Smith is attached to OSU's portion of the minutes as ATTACHMENT A and considered a part of these minutes.)

Regent Link moved and Regent Davis seconded to adopt the Memorial Resolution for Kenneth B. Smith as presented.

Those voting aye: Board Members Davis, Hall, Helm, Lester, Link, Reese, Watkins, Anthony, and Burns. No: None. Abstentions: None. Absent: None. The motion carried.

President Hargis requested Provost Sternberg to present information pertaining to Academic Affairs:

Personnel Actions

Dr. Sternberg presented the personnel actions and recommended their approval with the exception of those items pertaining to separation, retirement, and death, which are presented as information items only. (The personnel actions are listed on pages D-3.1 through D-3.13 of the OSU Agenda, which is on file in the Board of Regents' Office as Document No. 1-7-29-11.)

Dr. Sternberg noted changes in title and/or rate including Michael Lorenz from Professor and Dean, Center for Veterinary Health Sciences, to Regents Service Professor; Mark Payton from Professor and Interim Dean, Graduate College, College of Arts and Sciences, to Regents Service Professor; and Karl Reid from Professor and Dean, College of Engineering, Architecture and Technology (CEAT), to Regents Service Professor and Director, WEB Handling Research Center. He noted that Karl Reid served as Dean of CEAT for 25 years. Dr. Sternberg said these changes are to the honorary title of Regents Service Professor in recognition of their distinguished careers. Dr. Sternberg also noted the change in title of Mitchell Kilcrease from Student Union Director to Assistant Vice President and Student Union Director.

Dr. Sternberg said there is one leave of absence request, two sabbatical leave requests, and one correction. Dr. Sternberg requested approval of the personnel actions as listed. For informational purposes, 14 retirements and separations are included.
Regent Davis moved and Regent Anthony seconded to approve the personnel actions as listed in the OSU Agenda.

Those voting aye: Board Members Hall, Helm, Lester, Link, Reese, Watkins, Anthony, Burns, and Davis. No: None. Abstentions: None. Absent: None. The motion was approved.

Approval of Degree Requests and Program Modifications

Dr. Sternberg presented the curricular requests from the OSU-Stillwater campus. These are summarized beginning on page E-1 of the OSU Agenda. If approved, the requests will be forwarded to the Oklahoma State Regents for Higher Education for review and approval.

Regent Lester moved and Regent Davis seconded to approve the new degree program and program modifications as presented in the OSU Agenda.

Those voting aye: Board Members Helm, Lester, Link, Reese, Watkins, Anthony, Burns, Davis and Hall. No: None. Abstentions: None. Absent: None. The motion carried.

President Hargis requested Vice President Weaver to present information pertaining to Administration and Finance:

G-2 Approval for an Agreement with a Government Relations Firm

Mr. Weaver requested Board approval to authorize the President to renew an agreement with the current government relations firm in Washington, D.C. He said the firm is Capitol Hill Consultant Group.

Chairman Helm said he believes the firm is doing a good job, and he asked if the administration is comfortable with this recommendation. President Hargis said OSU has a number of relationships in Washington, D.C., with the Federal Transportation Administration, the Department of Defense, Homeland Security, and NASA, and Bill Brewster’s firm is very helpful to OSU in working with these agencies. President Hargis said he does believe this firm has done a great job for OSU and will continue to do so. Chairman Helm said it seems like it is going to be even more important to have a firm like this because now OSU is dealing with the agencies and not Congressional Representatives or Senators. A firm that has those relationships with the federal agencies is very important. Regent Anthony said he would concur with those comments. With what has happened with respect to getting approval for various programs, he said it is important to have someone there to help OSU be aware of those changes. Regent Anthony said he believes this is money well spent.

Regent Anthony moved and Regent Hall seconded to authorize the President to renew an agreement with the current government relations firm in Washington, D.C.

Those voting aye: Board Members Link, Reese, Watkins, Anthony, Burns, Davis, Hall, Helm, and Lester. No: None. Abstentions: None. Absent: None. The motion carried.

H-1 Approval to Grant Utility Easement to Oklahoma Gas and Electric

Mr. Weaver requested Board approval to grant a utility easement to Oklahoma Gas and Electric to serve a community conference center and support facilities for the City of Woodward.

Regent Burns moved and Regent Lester seconded to grant a utility easement to Oklahoma Gas and Electric to serve a community conference center and support facilities for the City of Woodward, subject to review and approval by Board Legal Counsel.

H-2 Payment to the OSU Foundation for a Suite at Boone Pickens Stadium

Mr. Weaver requested Board approval for the payment of $100,000 to the OSU Foundation pursuant to a contract for the utilization of a suite at Boone Pickens Stadium for public relations, fundraising, and recruiting purposes. He said this is for OSU-CHS.

Regent Burns asked if this is the super suite, and President Hargis said it is a normal suite at the stadium. Regent Burns asked if this is the normal price, and Mr. Weaver responded affirmatively and said this involves a renewal of a contract. Chairman Helm asked if this is CHS’s suite and OSU is paying CHS for it. Mr. Jim Hess, COO and Vice President for Administrative Affairs for the OSU Center for Health Sciences, responded negatively and said CHS is paying for the suite.

Regent Anthony moved and Regent Lester seconded to approve the payment of $100,000 to the OSU Foundation pursuant to a contract for the utilization of a suite at Boone Pickens Stadium for public relations, fundraising, and recruiting purposes.

Those voting aye: Board Members Watkins, Anthony, Burns, Davis, Hall, Helm, Lester, Link, and Reese. No: None. Abstentions: None. Absent: None. The motion passed.

President Hargis noted that non-appropriated funds will be used for this contract.

I-1 Approval to Amend Previous Agreement for the OSU Tennis Center

Mr. Weaver requested Board approval to amend a previously approved Gift-in-Kind Agreement for Cowboy Athletic Facilities, LLC, to enter Board of Regents’ property to plan, design, and construct the OSU Tennis Center on behalf of the Department of Intercollegiate Athletics.

Chairman Helm said the Regents have seen the preliminary design. He said the location will be the southeastern corner of McElroy and Washington.

Regent Burns moved and Regent Hall seconded to amend a previously approved Gift-in-Kind Agreement for Cowboy Athletic Facilities, LLC, to enter Board of Regents’ property to plan, design, and construct the OSU Tennis Center on behalf of the Department of Intercollegiate Athletics.

Those voting aye: Board Members Anthony, Burns, Davis, Hall, Helm, Lester, Link, Reese, and Watkins. No: None. Abstentions: None. Absent: None. The motion was approved.
I-2 Approval for Cowboy Athletic Facilities, LLC, to Enter Board of Regents' Property and for a Gift-in-Kind Agreement

Mr. Weaver requested Board approval for Cowboy Athletic Facilities, LLC, to enter Board of Regents' property at various locations on the Stillwater campus to make certain repairs and improvements on behalf of the Department of Intercollegiate Athletics. Board approval is also requested for the President to enter into a Gift-in-Kind Agreement with Cowboy Athletics, Inc., for receipt of the projects upon completion. Mr. Weaver said these projects total approximately $320,000.

Regent Hall said he would like to note that the projects listed for this request and the previous request are funded by private funds and are not University funds. These agreements are for Cowboy Athletics to make improvements on University property. Regent Burns noted that Cowboy Athletics Facilities, LLC, will then give the projects back to the University. Chairman Helm said the improvements are on land owned by the University; and when these are completed, the Athletic Department will dedicate the structures back to the Board. He said the Board does appreciate this and sincerely thanks the private donors who have made all of this possible. These are private dollars and not public dollars. Regent Burns said instead of giving money to Athletics, these donors are giving the University these completed projects.

Regent Burns moved and Regent Hall seconded for Cowboy Athletic Facilities, LLC, to enter Board of Regents' property at various locations on the Stillwater campus to make certain repairs and improvements on behalf of the Department of Intercollegiate Athletics and to authorize the President to enter into a Gift-in-Kind Agreement with Cowboy Athletics, Inc., for receipt of the projects upon completion.

Those voting aye: Board Members Burns, Davis, Hall, Helm, Lester, Link, Reese, Watkins, and Anthony. No: None. Abstentions: None. Absent: None. The motion was approved.

He said the firms listed in the Agenda are in the order of receipt of Letters of Interest and are qualified to perform as architectural consultants for this project. The firms include Beck Design, Tulsa, Oklahoma; KKT (Kinslow, Keith & Todd, Inc.), Tulsa, Oklahoma, with LMN Architects of Seattle, Washington; and FSB (Frankfurt, Short, Bruza), Oklahoma City, Oklahoma, with Pfeiffer Partners Architects Inc., Los Angeles, California. Mr. Weaver said this matter was discussed with members of the Fiscal Affairs Committee.
Regent Link reported that the Committee met with the administration of Oklahoma State University concerning approval to select an Architect to assist the University in the design and construction of a Performing Arts Center and the possible renovation of the Seretean Center for the Performing Arts. He said Mr. Weaver reported that the selection committee invited four firms for interviews and listed the top three firms qualified to perform as the Architect for this project. Regent Link said funding will be provided by private donations and lawfully available funds. He said the Committee voted to recommend Board approval to select Beck Design, Tulsa, Oklahoma, as the Architect for this project.

Chairman Helm said Beck Design did the interim study as OSU reviewed the possibility of this project. This firm was also the architect for a recent project at Oklahoma City University, and he believed this is a good selection.

Regent Link moved and Regent Davis seconded to select Beck Design, Tulsa, Oklahoma, as the Architect to assist the University in the design and construction of a Performing Arts Center and the possible renovation of the Seretean Center for the Performing Arts.

Those voting aye: Board Members Davis, Hall, Helm, Lester, Link, Reese, Watkins, Anthony, and Burns. No: None. Absentions: None. Absent: None. The motion carried.

He said this item was also discussed with members of the Fiscal Affairs Committee.

Regent Link reported that the Committee also met with the OSU administration regarding approval to select a Construction Manager At Risk firm to assist the University in the design and construction of a Performing Arts Center and the possible renovation of the Seretean Center for the Performing Arts. He said Mr. Weaver said the selection committee invited five firms for interviews and listed the top three qualified firms. Regent Link said funding will be provided by private donations and lawfully available funds. The Committee voted to recommend Board approval to select Manhattan Construction Company, Oklahoma City, Oklahoma.
Regent Link moved and Regent Hall seconded to select Manhattan Construction Company, Oklahoma City, Oklahoma, as the Construction Manager At Risk firm to assist the University in the design and construction of a Performing Arts Center and the possible renovation of the Seretean Center for the Performing Arts.

Those voting aye: Board Members Hall, Helm, Lester, Link, Reese, Watkins, Anthony, Burns, and Davis. No: None. Abstentions: None. Absent: None. The motion was approved.

I-5 Approval to Select a Construction Manager At Risk to Assist the University with the Design and Construction of a New Energy Center

Mr. Weaver requested Board approval to select a Construction Manager At Risk firm to assist the University with the design and construction of a new Energy Center at the Oklahoma State University Institute of Technology. He said the firms being recommended are listed in the order of receipt of Letters of Interest and include Nabholz Construction Services, Tulsa, Oklahoma; Timberlake Construction Co., Oklahoma City, Oklahoma; CMS Willowbrook Construction Co., Oklahoma City, Oklahoma; and The Ross Group, Tulsa, Oklahoma. Regent Link moved and Regent Anthony seconded to select Nabholz Construction Services, Tulsa, Oklahoma, as the Construction Manager At Risk to assist the University with the design and construction of a new Energy Center at the Oklahoma State University Institute of Technology.

Those voting aye: Board Members Helm, Lester, Link, Reese, Watkins, Anthony, Burns, Davis, and Hall. No: None. Abstentions: None. Absent: None. The motion carried.

J Approval of Purchase Requests

Mr. Weaver presented the Purchase Requests and recommended their approval from the lowest and best bidders through the competitive bidding process or from State contract vendors, subject
to the availability of funds and budgetary limitations. (These requests are listed on pages 7-8 of the OSU Agenda, which is on file in the Board of Regents’ Office as Document No. 1-7-29-11.)

With respect to the purchase requests, Mr. Weaver said of the 13 items listed, 9 are annual renewals for items the Board has previously approved in prior fiscal years. He noted purchase request No. 8 is a request for ratification of interim approval.

Regent Davis moved and Regent Hall seconded to approve the request to authorize OSU-Oklahoma City to purchase media/advertising for general marketing purposes and jobs advertising in the estimated annual amount of $383,500 (purchase request No. 1, page 7, OSU Agenda).

**Balance of Purchase Requests**

Regent Hall referenced purchase request No. 12 regarding the request to purchase construction and repair services for the OSU Athletic facilities on an as-needed basis in the estimated annual amount of $150,000 from Apache Construction Inc. He asked if the $150,000 will stay consistent over the four-year period. Ms. Sharon Toy, Director of Purchasing, said it is an estimated amount. Regent Hall asked if $150,000 is the cap per year, and Ms. Toy responded affirmatively. Regent Hall asked about the firm, and Ms. Toy said Apache Construction is a local construction company.

Regent Anthony referenced purchase request Nos. 6 and 7 regarding the purchase of computers, hardware, software, maintenance, and accessories from Dell Marketing, L.P. for the OSU Institute of Technology in the amount of $1,000,000 and for OSU-Oklahoma City in the amount of $1,750,000. He said he assumes that this is an estimate, and Mr. Weaver said this is correct.
Regent Anthony moved and Regent Link seconded to approve the balance of the Purchase Requests, subject to the availability of funds and/or the limitations of the budget.

The business of Oklahoma State University being concluded, President Hargis and members of the administration were then excused from the meeting.

He asked that this information be placed in the official minutes of the meeting. (A copy of the Board Committee Structure is attached to this portion of the minutes as ATTACHMENT A.)

Approval of Presidential Assessment

Dr. Wilson said in order to bring closure to the annual presidential evaluation/assessment process, he recommended that the Board establish as a part of the confidential personnel file the compilation of the Board’s comments, which were solicited by a questionnaire and a summary of the Board session at which the presidents presented a self assessment. He said the presidents have been offered an opportunity to review these materials.

Dr. Wilson recommended that the Board authorize the establishment of a confidential personnel file pending any additional contact from the presidents.
Regent Burns moved and Regent Lester seconded to authorize the establishment of a confidential personnel file, pending any additional contact from the presidents.

Those voting aye: Board Members Burns, Davis, Hall, Helm, Lester, Link, Reese, Watkins, and Anthony. No: None. Abstentions: None. Absent: None. The motion was approved.

Regent Anthony said he wanted to acknowledge Bob Whitson and his staff on the wonderful facility and for the very nice dedication that was held yesterday. As stated yesterday by many, this facility will provide great opportunities for Oklahoma State University in this part of the state.

On behalf of the Board of Regents, Regent Burns said he would like to extend thanks to the Noble Foundation for hosting the meeting, at least in part. He said the Regents look forward to a long, industrious future with the Foundation.

Chairman Helm said he, too, would like to thank Dean Whitson. He said there were a lot of people who had a hand in this project, but Dr. Whitson’s persistence to get the kind of facility he knew was needed played a big role. He said the Board appreciates his work.
