OKLAHOMA PANHANDLE STATE UNIVERSITY, GOODWELL, OKLAHOMA

Dr. David Bryant, President, appeared before the Board of Regents to present the business of Oklahoma Panhandle State University and review the Agenda for members of the Board. (The Agenda is attached.)

Dr. Bryant expressed thanks to President Hargis, his wife, Ann, and his staff for the outstanding hospitality at OSU and said it is always a pleasure to visit Stillwater and this part of the state. He offered his congratulations on the win last evening.

Dr. Bryant reported that OPSU’s fall 2011 preliminary enrollment reported to the Oklahoma State Regents for Higher Education is 1,463 individual students and 19,693 credit hours. This represents the highest number of individual students in the history of the University and the second highest number of credit hours. Dr. Bryant said this represents a 5 percent increase in head count over last fall and a 4 percent increase in credit hours.

Dr. Bryant further reported that the Panhandle State Foundation received the largest donation in the history of OPSU of a $1 million endowed scholarship entitled the Rule of Law Education Scholarship Fund from Burns and Stowers, P.C. He said he announced this at the last Board meeting, but he wanted the Board to see the press release. He also reported that the OPSU Women’s Basketball Team is ranked first in The Heartland Conference in Team GPA’s with a 3.31 GPA; and the OPSU Women’s Volleyball Team received the American Volleyball Coaches Association Team Academic Award for the second consecutive year.

Approval to Enter Into Agreement for Construction Management At Risk Services

Dr. Bryant requested Board approval for OPSU to enter into an agreement for Construction Management At Risk Services with Wiley Hicks Jr. Inc. for work at the OPSU campus in Goodwell. He said this matter was discussed with members of the Fiscal Affairs Committee at its meeting this morning.

Regent Link reported that the Fiscal Affairs Committee met with the OPSU administration regarding approval to enter into an agreement for Construction Management At Risk Services with Wiley Hicks Jr. Inc. for work at the OPSU campus in Goodwell. He said President Bryant provided information on the projects that are anticipated in the next three years on the OPSU campus. He pointed out that Wiley Hicks Jr. Inc. provided excellent service to the University on various projects in the past, and he requested permission for the company to provide Construction Management At Risk Services on an as-needed basis and that the agreement allow for OSU-Stillwater to use the firm for projects at the Division of Agriculture’s Panhandle Research and Extension Center, if needed. Regent Link said the OPSU administration will seek Board approval to initiate each of the various projects. He said the Committee acted to recommend approval of Wiley Hicks Jr. Inc. to serve as the Construction Management At Risk
firm to work on the OPSU campus with the agreement to allow for OSU-Stillwater to use the firm as noted.

Regent Link moved and Regent Anthony seconded to authorize OPSU to enter into an agreement for Construction Management At Risk Services with Wiley Hicks Jr. Inc. for work at the OPSU campus in Goodwell and that the agreement allow for OSU-Stillwater to use the firm for projects at the Division of Agriculture’s Panhandle Research and Extension Center, if needed.

Those voting aye: Board Members Burns, Davis, Hall, Helm, Lester, Link, Reese, Watkins, and Anthony. No: None. Abstentions: None. Absent: None. The motion carried.

Chairman Helm expressed to Dr. Bryant that OPSU did a great job on enrollment and that the University is doing very well.

Regent Anthony commented on the press release regarding the gift by Burns & Stowers, P.C. Chairman Helm said that is an outstanding gift and will make a difference for the University. Regent Burns said it is his pleasure, and it is a great place for the gift.

The business of Oklahoma Panhandle State University being concluded, Dr. Bryant was then excused from the meeting.

Board of Regents for Oklahoma A & M Colleges

Dear Board Members,

Subject to the budgetary limitations and availability of funds, the following expenditures are submitted for Board Approval with purchases to be coordinated through the Board Purchasing Office.

Part A---General Information/Reports Requiring No Action By the Board

OPSU’s Fall 2011 preliminary enrollment reported to OSRHE is 1,463 individual students and 19,693 credit hours. This represents the highest number of individual students in the history of OPSU and the second highest number of credit hours (based on official OSRHE records).

Part I---New Construction or Renovation of Facilities

Board approval is requested for OPSU to enter into an agreement for Construction Management At Risk Services with Wiley Hicks Jr. Inc. for work at the OPSU campus in Goodwell. This request has been discussed with OSU Long Range Facilities Planning (Mike Burchert, Nigel Jones and Monty Karns). All are in agreement with this recommendation. The following projects are anticipated in the next 3 years:

1. Sewer lagoon and land application improvements.
2. Sidewalk and gutter improvement to meet ADA requirements.
3. Student Union cafeteria modification to meet needs of increased enrollment.
4. Modification of some married student housing units to accommodate increased on-campus housing needs.
5. Repair of campus structures and infrastructures as needed.
6. Possible renovation of Franklin Hall and North Hall and/or new dormitory construction to accommodate housing needs.

The OPSU administration will return each project to the board for approval of scope, negotiated fee, and total cost before project initiation.

Wiley Hicks Jr. Inc. provided the construction management services for the new Science and Agriculture Building, the campus electrical upgrade, and this past winter’s emergency repairs to the Noble Cultural and Activity Center due to broken water lines. Wiley Hicks Jr. Inc. consistently delivered quality construction in a timely manner on these projects. OPSU’s geographical location limits the availability of qualified firms who can provide construction management services in a timely manner. Based on these factors, OPSU is requesting that Wiley Hicks Jr. Inc. provide construction management services on an as-needed basis and that the agreement allow for OSU-Stillwater to use the firm for projects at the Division of Agriculture’s Panhandle Research and Extension Center if needed.

Monty Karns and Mike Burchert, OSU Long Range Facilities Planning, and Larry Peters, VP of Fiscal Affairs at OPSU, are coordinating the projects.

Part J---Purchase Requests

None

Part K---Student Services/Activities

Part L---New Business Unforeseen At Time Agenda Was Posted

Panhandle State Foundation Receives $1 Million Endowed Scholarship
—Released by OPSU Campus Communications

Goodwell, Okla.—Oklahoma Panhandle State University (OPSU) has received the largest donation in the history of the institution, a $1 million gift from the Rule of Law Education Fund which was made possible through the joint efforts of Oklahoma attorneys Douglas E. Burns and Terry L. Stowers of Burns & Stowers, P.C. in Norman, Okla., Allan DeVore of the DeVore in Oklahoma City and R. Jamie Kee of Trippet, Kee, Trippet & Parsons in Beaver and Hooker, Okla. In making the announcement today, OPSU’s President David A. Bryant said the gift will establish The Rule of Law Education Scholarship Fund.

"I would like to personally thank Doug, Terry, Allan and Jamie for this tremendous and generous donation," said OPSU President Bryant. "Through this gift, they have each demonstrated their desire to expand the scholarly opportunities for our students at OPSU. The impact of this gift for our university will be immeasurable and will no doubt have a lasting effect.”

Bryant continued, "It is important for our students to have a firm grasp of the important role the Rule of Law plays in our country, especially in protecting our freedoms and preserving our rights. The students who will be involved in this program represent our leaders of tomorrow. They will indeed benefit from the collective knowledge they will gain as a result of this gift of an education fund."

The cornerstone of our society is the Rule of Law. The Rule of Law is a legal-political regime that guarantees government accountability and protection of rights of individuals through equal access to a transparent and independent judicial system. "The Rule of Law Education Fund" was created by order of the Honorable Gerald H. Riffe, Associate District Judge for the District Court of Beaver County, as part of a class action distribution for the purpose of advancing the Rule of Law in Oklahoma through the promotion of leadership, citizenship and education of youth.

OPSU students chosen for awards from this grant must meet certain criteria including being an Oklahoma citizen and an undergraduate during the period of the award, as well as qualify for financial assistance in order to pursue a degree.

"We are pleased to make this contribution to OPSU. The Rule of Law Education Fund is a reflection of our deep admiration of the laws that govern our state and country and the need to instill a respect for our laws in the next generation," commented Burns, who is also a member of the OSU/A&M Board of Regents. "Each of us received excellent educations, so we know the value of a degree. We admire this part of the state and we have spent most of our careers in Western Oklahoma and the Panhandle. Many families with children who have the ability and desire to pursue a college degree struggle financially to make it happen. This endowment offers assistance to families in the area to send their children to OPSU, where they will receive a wonderful education that prepares them to be productive members of our society.”

This endowed scholarship fund will assist the Panhandle State Foundation in supporting OPSU’s mission to provide educational experiences designed to enrich the personal lives of students and prepare them for roles in agriculture, business, education, government and industry.

The OPSU Athletic Department is pleased to announce its first Athletic Hall of Fame class. The members of the inaugural class include:
The late James “Jim” Holder (football); Junior Wolf (football); Yelle Pierau (women’s basketball); Anthony Blakely (men’s basketball); and the 1961 Aggie Football Team. The weekend of October 28-29 has been designated Hall of Fame Weekend at OPSU. The induction ceremony will take place October 28 at 7:00 p.m. and the 2011 Hall of Fame class will be presented at the football game on October 29. Contact Jerry Olson for more information.

Congratulations to Dr. Wayne Stewart! He will serve as President of the Oklahoma Association of Colleges of Teacher Education (OACTE) for 2011-2012 year.

The equestrian team at Oklahoma Panhandle State University that competes in the Intercollegiate Horse Show Association (IHSA) finished the regular season in 3rd place at the regional meet held during the spring semester. Alecia Havens went on to qualify for the regional semi-finals held at Missouri State in Springfield, quite an accomplishment as she competed against top riders from across the U.S. Some of the equestrian students also enter National Versatility Ranch Horse Association (NVRHA) competitions. The national finals are held every year in September, and in 2010, 3 OPSU students won year-end buckles in collegiate competition. Patrick Wilson won the Open Division buckle, Carrie Kliwer won the Advanced Colt Division buckle, and Michelle Aduddell won the Beginner Colt year-end buckle. Coach Channing Hawks will take several students to the 2011 finals this September.

The late Mike Wyatt, OPSU head football coach from 2007-2010, was awarded a Master of Science degree in Sports Management posthumously from American Public University (APU). Brandi Wyatt Shafer (Mike’s daughter) made the trip to National Harbor, Maryland and accepted the degree at the APU commencement ceremonies on June 17.

A number of seats are still available in the Select Seating area at Carl Wooten Field for the 2011 football season. Renewals from last year cost $50 for the season and first-time purchasers pay $100 for the first season and may renew for $50/year through 2015. Preferred Parking is also available with 30 reserved parking spaces that are adjacent to the stadium. Each is $50 for the season. Contact Jill Olson for more information.
Congratulations to the 39 OPSU student athletes who were honored this summer by the Heartland Athletic Conference for academic achievement. To be eligible for Heartland All-Academic honors, student athletes must have lettered during the 2010-2011 academic year, be in at least the second academic year at their institution, and carry a cumulative grade point average (GPA) of 3.0 or better for the Commissioner’s Honor Roll or 3.5 or better for the President’s Honor Roll. OPSU was represented in each of the nine sports.

**President’s Honor Roll**
- Baseball: Andy Klaus
- Men’s Basketball: Jared Messer
- Softball: Kayla Pollard and Destyni Tate-Boggs
- Volleyball: Brittany Sciacca, Hillary Islielsson and Kala Belson

- Women’s Cross Country: Megan Metajovsky

The Diagnostic and Prescriptive Teaching of Reading class, taught by Jerry Mihelic, offered college students an upper level 6-week summer class that focused on helping public school students with their reading. The college students were trained in reading assessments which they in turn administered to the public school students. Those taking the college class then developed individualized reading programs for the participating public school students. According to Mihelic, “This service learning activity helped my students receive real-life experience. The students we worked with were at all levels of reading, and our goal was to help the younger students practice their reading over the summer and to challenge them to grow in their reading ability.”

The OPSU women’s basketball team ranked first in the Heartland Conference in team GPAs for their sport by earning a team GPA of 3.31 for the 2010-2011 academic year. Congratulations to Head Coach Brad Vanden Boogaard and his team for this outstanding achievement!

Congratulations to Dr. Sara Jane Richter who recently published *The Oklahoma Panhandle* through Arcadia Publishing. Purchase it online at arcadiapublishing.com and search by title for “The Oklahoma Panhandle.” The photograph- and fact-filled book presents a unique look at the oddities such as the Felt Coast Guard Station, pioneers like Cimarron Territory organizer Fred Tracy, and communities and schools of the Panhandle. A book signing on campus is planned for Wednesday, August 24 at the Marvin E. McKee Library from 4-5:30 p.m.

Check out the meat products at the OPSU Meat Lab! In addition to regular cuts of beef and pork, the lab also offers a variety of tasty fresh sausage such as chorizo and Italian sausage as well as hickory smoked items such as meat snack sticks and summer sausage.

David A. Bryant, President
Dr. Tim Faltyn, President, appeared before the Board of Regents to present the business of Connors State College and review the Agenda for members of the Board. Dr. Faltyn expressed appreciation to President Burns Hargis and his wife, Ann, for their hospitality last evening. He said that was the first time he and Kelly had been to the suite level at Boone Pickens Stadium, so that was a real treat.

Dr. Faltyn referenced the latest edition of the *Connors State College Connection*. He noted that Connors journalism students are involved in the publication. Information items included in the publication include Connors being ranked 14th in the nation’s top 100 junior colleges in Native American students attending and receiving degrees and certificates; the Connors cheerleading squad receiving a bid to compete at the National Cheerleading Association national competition in Daytona Beach, Florida, in April after earning first place at the NCA camp in Oklahoma City; and the College hosting Cow Chip Day in Warner on October 1, which will include a concert and fireworks. Dr. Faltyn said when he came on board, one thing he really wanted to do was to get engaged in the communities of Warner and Muskogee, and he said he believes the cities could not be any more pleased. He said one thing he loves about this job is the diversity because one minute he is addressing the budget, and the next minute he is addressing student issues.

Dr. Faltyn said in the next few months the administration will bring forward a recommendation for an individual to fill the position of Director of Public Relations. It will be the first time in approximately eight years that Connors has had someone in this position. He said Connors is also in the process of hiring a person to fill the position of Foundation Director.

With respect to enrollment, Dr. Faltyn reported that the enrollment for Connors is down 3 percent. He said Connors has not had a complete recruitment team in place for several months. He believes that once Connors gets appropriately staffed that this can be corrected. He noted that the enrollment at Warner is up while the enrollment in Muskogee is down.

Dr. Faltyn reported that Connors will take possession of the new facility on the NSU campus on September 15. Connors is looking forward to that and getting out of the downtown building. He also presented the Fall 2011 Event Schedule and outlined some of the activities. He said when he took the position of President, one of the commitments he made to the Board, faculty, staff, and students, was to increase student activities. The Student Activities Coordinator, who also serves as Cheerleading Coach, has done a great job of putting together an excellent list of activities for students both in Warner and Muskogee.

Dr. Faltyn said one thing he told the Board that the administration was going to focus on initially was campus safety. He presented an Emergency Preparedness Guide that was developed (which is on file in the Board of Regents’ Office as Document No. 2-9-9-11). He thinks the work that the campus committee did in putting this together is quite impressive. The committee also made some recommendations that he will be bringing to the Board in terms of increasing the
surveillance system and getting a better emergency notification system installed on the campuses.

Personnel Actions

Dr. Faltyn noted the appointment of Ashley Knapper as Director of Recruitment. This is the position to which he just referenced, and he is excited about this appointment.

Dr. Faltyn also noted that Shirley Twilley, Controller, is being assigned the additional duties of Interim Vice President for Fiscal Services. He said Sharon Owen resigned August 5, 2011, and Ms. Twilley was asked to serve as Interim Vice President. Dr. Faltyn said Ms. Twilley has been an invaluable asset to him by helping him to understand the budget. There is a lot of work there and a lot of organization, and he said he feels good about where Connors is now. He said Ms. Twilley is doing a great job and believes the administration can continue this pace in terms of getting organized and getting the audits submitted by the October 31 due date. Moving forward, Dr. Faltyn said he will begin a formal search process for that position, and, hopefully, have someone in place the first part of 2012.

Regent Anthony moved and Regent Lester seconded to approve the personnel actions as presented.

Those voting aye: Board Members Davis, Hall, Helm, Lester, Link, Reese, Watkins, Anthony, and Burns. No: None. Abstentions: None. Absent: None. The motion carried.

Softball/Baseball Field Renovations

Regent Reese moved and Regent Davis seconded to authorize Connors State College to seek bids for the construction of new bleachers, safety rails, backstop reconstruction, and repair of the field lighting for the softball and baseball fields in the approximate amount of $70,000.

Regent Link referenced item I.1. and the two items listed under J.1. He noted that the three combined items total approximately $266,000 of additional increases. He asked from where funding for those items would come. Dr. Faltyn said the plan is to present a substantial budget revision to the Board with the funds coming from reserves to cover those expenses.

Those voting aye: Board Members Hall, Helm, Lester, Link, Reese, Watkins, Anthony, Burns, and Davis. No: None. Abstentions: None. Absent: None. The motion was approved.
Approval of Increase in Food Service Contract

With respect to the Sodexo contract, Chairman Helm said his understanding is that this is self pay. Dr. Faltyn said this is correct.

Regent Link moved and Regent Burns seconded to authorize Connors State College to increase the purchase order amount for Sodexo Food Services from $496,456 to $568,000 as presented.

Those voting aye: Board Members Helm, Lester, Link, Reese, Watkins, Anthony, Burns, Davis and Hall. No: None. Abstentions: None. Absent: None. The motion carried.

Approval to Increase UGL Unicco Contract

Dr. Faltyn requested Board approval to increase the purchase order amount for UGL Unicco. He said this matter was discussed with members of the Fiscal Affairs Committee at its meeting this morning.

Regent Link reported that the Committee met with the administration of Connors State College regarding amending the current services contract with UGL Unicco to $759,970 to include repair and maintenance of buildings. The original purchase order in the amount of $634,970 was approved in June, 2011. He said President Faltyn described the projects that he will ask UGL Unicco to address. The Committee acted to recommend Board approval to amend the contract as presented by the administration for an increase of approximately $125,000.

Regent Link moved and Regent Anthony seconded to approve an increase of the purchase order amount for UGL Unicco from $634,970 to $759,970, which will cover the cost of amending the current services contract to include repair and maintenance of buildings.

Those voting aye: Board Members Lester, Link, Reese, Watkins, Anthony, Burns, Davis, Hall, and Helm. No: None. Abstentions: None. Absent: None. The motion passed.

Balance of Agenda

Regent Hall moved and Regent Anthony seconded to approve the balance of the Agenda. (The Agenda is attached.)

Regent Anthony referenced the request to waive bid requirements (Item G.1.) and establish a contract with Ramona Munsell and Associates. He asked the reason for the request to waive the
bid requirements. He noted that the firm charges 10 percent if successful in obtaining a grant. Dr. Faltyn said 10 percent is a standard fee for that service. He said what Connors is trying to do is get into a contractual agreement with a specific individual/firm. For a $2 million grant, the fee would be $200,000 and would be an amount CSC would normally have to pay. Because of the agreement, CSC would not have to pay unless the firm was successful in obtaining the grant. Regent Anthony asked if there are other firms that provide this service and if their fees may be lower. Dr. Faltyn said there are other firms that provide this service. He said he does not know what their fees are and could certainly research that. Regent Anthony said he does not have a problem with the request, but anytime a request is made to waive bid requirements it is helpful to understand the reason. Dr. Faltyn said he has had experience working with this firm when he was at OSU-OKC and NEO. Ramona Munsell was successful both times in writing Title III grants. This is something that Connors can really take advantage of in terms of a federal program. When Title III grant administrators were asked who they have had the most experience with, they reported that they have dealt with Ramona Munsell the most.

Those voting aye: Board Members Link, Reese, Watkins, Anthony, Burns, Davis, Hall, Helm, and Lester. No: None. Abstentions: None. Absent: None. The motion was approved.

The business of Connors State College being concluded, Dr. Faltyn was then excused from the meeting.

MEMORANDUM OF UNDERSTANDING

RAMONA MUNSELL & ASSOCIATES CONSULTING, INC. (hereinafter referred to as "RMA") appreciates the opportunity to be of assistance to CONNORS STATE COLLEGE (hereinafter referred to as "College") in its efforts to develop a successful Title III (Part A and/or NASNTI) application. RMA will provide consultation services to assist the College in establishing eligibility and developing a Title III (Part A and/or NASNTI) grant application.

The services of RMA will also include – assuming a grant is obtained – grant management assistance in establishing appropriate program and fiscal controls, technical assistance with program implementation, and assistance with annual performance reports during the term of the grant.

It is likewise understood that if a grant is not obtained, the College will continue working with RMA for at least three more annual cycles under the conditions cited herein. A funding cycle is a period in which one competition for Title III grant occurs and in which the College establishes eligibility, submits a complete proposal on or before the application deadline, and the application is accepted and reviewed.

It is understood that during the development phase of the Title III (Part A and/or NASNTI) proposal, RMA will fund the expenses of its own personnel including travel costs. It is also agreed that should the proposal be successful as a result of the joint efforts of RMA and the College, the College will pay RMA a fee equal to ten percent (10%) of the Title III funds received by the College each year during the term of the grant. Payment of RMA's fee will be made in equal, quarter-annual installments, commencing with the date the grant(s) begin (October 1).

It is further agreed that until the Title III (Part A and/or NASNTI) grant application is funded, the College will not submit or participate in another Title III individual or cooperative grant application that competes with or borrows from the grant application unless RMA and the College mutually agree that no conflict exists with the application developed under this agreement.

In the event that the joint efforts of the College and RMA are unsuccessful after four annual cycles, and unless this Memorandum is renewed by joint agreement, the College and RMA are released from further obligations of one to the other.

It is agreed that RMA will serve only in a consultant or advisory capacity and that the College retains its decision-making powers in both the preparation of the proposal and grant management.
Momo of Understanding
RMA / Connors State College

It is agreed that RMA shall not assert any claim against the College and the College shall not assert any claim against RMA for any act, omission, or error by the other which results in the failure to obtain a grant or a reduction or termination of funding under a grant.

If the College accepts the terms of this agreement, this will be indicated by the signature of the President of the College on this Memorandum of Understanding. The signature of the President of RMA indicates that RMA has also agreed to these terms for working with the College.

Introduction of Representative Cory Williams

Before beginning the business of Northeastern Oklahoma A&M College, Chairman Helm recognized Representative Cory Williams who represents Payne County and the Stillwater area in the State Legislature. He expressed appreciation to him for attending the meeting.

NORTHEASTERN OKLAHOMA A&M COLLEGE, MIAMI, OKLAHOMA

Dr. Jeff Hale, President, and Ms. Jessica Boles, Vice President for Fiscal Affairs, appeared before the Board of Regents to present the business of Northeastern Oklahoma A&M College and review the Agenda for members of the Board. Dr. Hale expressed appreciation to Burns and Ann Hargis for their hospitality last evening.

Dr. Hale referenced the NEO Update brochure and reported that NEO was honored to have Chairman Helm on campus a few weeks ago for the rededication of the Bruce G. Carter Student Union. He noted that the activity and use of the Student Union is at an all-time high with several community people, students, faculty, and staff taking advantage of the beautiful facility.

With respect to enrollment, Dr. Hale said a five-year analysis was developed, and NEO’s headcount enrollment will be a little more than 2,500 students this fall, which represents a 38-39 percent increase since 2008. For the year, the headcount will be up about 7 percent, and the FTE enrollment will be up about 7.5 percent. He said the increase is creating some complications on campus with respect to the residential halls. NEO had to triple up in the dormitories in approximately 30 rooms, which are relatively small. The new apartment complex is about two-thirds complete, and NEO will be able to move students into the new facility in January, 2012, which will help relieve that problem. He said the first-time freshmen enrollment is about 850, which increased from 799 last year. Also, NEO had 550 students living on campus four years ago, and this year NEO will have a little less than 800 students living on campus.

Other items of information included the first annual Midwest Cattlemen’s Conference held on campus, which was co-hosted by NEO and Tri State Agri Services, and Homecoming activities on the NEO campus that begin the week of September 12.

Dr. Hale presented the Northeastern Oklahoma A&M College Annual Report of the President 2010-2011 (a copy of which is on file in the Board of Regents’ Office as Document No. 3-9-9-11). He said this is a great opportunity for him as President to share the good things that the faculty, staff, and students have accomplished over the past year. He said this is the third published annual report, and he complimented Brad Henderson, Media Director, and Katie Sweeten, Public Information Officer, for developing the Annual Report. He said they are both new employees, and this was the first time they put together the Annual Report.

Dr. Hale also reported that since the last Board meeting in July, NEO has received two significant gifts. The Walton Family Foundation presented NEO with a $10,000 check of unrestricted funds; and Manhattan Construction, which was the firm that renovated the Student
Union, contributed $25,000 to endow a scholarship to students enrolled in the Construction Management Program.

Chairman Helm commented that the renovated Student Union is outstanding. He said the positive attitude of the faculty, staff, and students and the pride they have in their school is very visible. He commended Dr. Hale for that.

**Personnel Actions**

Regent Anthony moved and Regent Lester seconded to approve the personnel actions as listed in the NEO Agenda.

**Approval of Master Lease Purchase Program, Series 2011B, and Approval of Reimbursement Resolution**

Dr. Hale requested Board authorization to enter into an Oklahoma State Regents for Higher Education Master Lease Purchase Program, Series 2011B, in the amount of $696,983. The funds will be used to purchase equipment and furniture for the Student Housing Project and to purchase a voice over internet protocol phone system for the NEO campus. He further requested approval of a reimbursement resolution declaring the Board's intent to reimburse certain allowable original capital expenditures.

Regent Davis moved and Regent Link seconded to authorize Northeastern Oklahoma A&M College to enter into an Oklahoma State Regents for Higher Education Master Lease Purchase Program, Series 2011B, in the amount of $696,983 for the purchase of equipment and furniture for the Student Housing Project and a voice over internet protocol phone system for the NEO campus; and to approve a reimbursement resolution declaring the Board's intent to reimburse certain allowable original capital expenditures in accordance with Regulation Section 1.150-2 of the Internal Revenue Code.

Those voting aye: Board Members Watkins, Anthony, Burns, Davis, Hall, Helm, Lester, Link, and Reese. No: None. Abstentions: None. Absent: None. The motion was approved.

**Partnership on Clean Water Act 319 with Peoria Tribe of Indians of Oklahoma**

Dr. Hale reported that the Peoria Tribe, which is one of nine local tribes in Ottawa County, submitted a grant to the Environmental Protection Agency. He said Tar Creek runs along the
eastern edge of the NEO campus. The Peoria Tribe has a rather large environmental science department with eight scientists. The Peoria Tribe wants to work with NEO to be able to create a water research park, which will be an outdoor laboratory to study the lead and zinc contaminants coming from Tar Creek. The grant proposal is that NEO would create a 4-5 acre retention pond from which water would be pumped from Tar Creek for the study of the growth of plant life that thrive on the heavy contaminants of lead and zinc. Dr. Hale said NEO’s science faculty have been involved in the planning stages. Dr. Hale said he spoke with OSU Provost Robert Sternberg regarding this matter, and he said his hope would be to involve Oklahoma State University and the Nature Conservancy as scientific partners as it relates to the project.

Dr. Hale said essentially what he is asking the Board to consider at this time is to let him work with Legal Counsel to draft a Memorandum of Understanding that would be required so that the Peoria Nation and the College could work together to make this project happen. (A handout regarding this request is attached to NEO’s Agenda as ATTACHMENT A.)

Chairman Helm asked what NEO is currently doing with the farmland, and Dr. Hale said it is used for grazing. He said the design has been coordinated with the City of Miami because NEO will need to get an easement from the City. The agriculture faculty have been involved and certainly support the project.

Regent Burns asked if the levels of lead and zinc on the property are currently hazardous, and Dr. Hale responded negatively. He said he has been told that it has been routinely tested because of the flooding that occurs. According to the tests that were done prior to his arrival on campus, it has been checked out to be non-hazardous. Regent Burns asked for confirmation that lead and zinc will not be brought into the land and that the project will just address that which is there. Dr. Hale said this is his understanding. It will give NEO’s science faculty and students an opportunity to have some hands-on research. If NEO can partner with OSU along with the Nature Conservancy, some really interesting scientific research may be able to be published. This will provide NEO students the opportunity to do some undergraduate research that is desperately needed.

**Approval to Select a Construction Manager At Risk for the Renovation of Kah-Ne Hall**

Dr. Hale requested permission to select a Construction Manager At Risk firm to assist Northeastern Oklahoma A&M College in the design and renovation of Kah-Ne Hall. He said this matter was discussed with members of the Fiscal Affairs Committee at its meeting this morning.

Regent Link said the Fiscal Affairs Committee met with the NEO administration regarding the selection of a Construction Manager At Risk firm to assist the College in the design and renovation of Kah-Ne Hall. He said President Hale provided information on the selection process and noted that funding of $3,000,000 will be provided by unexpended plant funds and Title III grant monies. Dr. Hale said four firms were invited for interviews, and he listed two firms qualified to perform as the Construction Manager At Risk for this project. He said the
Committee acted to recommend approval to select Crossland Construction Company, Inc., Columbus, Kansas.

Regent Link moved and Regent Hall seconded to select Crossland Construction Company, Inc., Columbus, Kansas, as the Construction Manager At Risk firm to assist Northeastern Oklahoma A&M College in the design and renovation of Kah-Ne Hall as presented.

Those voting aye: Board Members Burns, Davis, Hall, Helm, Lester, Link, Reese, Watkins, and Anthony. No: None. Abstentions: None. Absent: None. The motion was approved.

Balance of Agenda

Regent Lester moved and Regent Reese seconded to approve the balance of the Agenda, subject to the availability of funds and/or the limitations of the budget. (The Agenda is attached.)

Those voting aye: Board Members Davis, Hall, Helm, Lester, Link, Reese, Watkins, Anthony, and Burns. No: None. Abstentions: None. Absent: None. The motion carried.

Regent Anthony expressed congratulations on the enrollment report.

The business of Northeastern Oklahoma A&M College being concluded, Dr. Hale and Ms. Boles were then excused from the meeting.

PART B - RESOLUTIONS

None

PART C - POLICY AND OPERATIONAL PROCEDURES

None

PART D - PERSONNEL ACTIONS

Authorization is requested for the following personnel actions:

1. Employment
   a. Darin McDugle, Director of Recruitment, to be paid an annual salary of $43,500.00, effective September 1, 2011. This is a replacement for an employee who resigned.

2. Change of Salary
   a. Cole Rushing, Agriculture instructor and Head Livestock Judging Coach, completed an advanced degree. His annual salary will be increased to $40,680, effective August 1, 2011.

PART E - INSTRUCTIONAL PROGRAMS

None

PART F - BUDGETARY ACTIONS

None
PART G - OTHER BUSINESS AND FINANCIAL MATTERS

1. **Authorization of Master Lease Program – Fiscal Year 2012**

   Board authorization is requested to enter into an Oklahoma State Regents for Higher Education Master Lease Purchase Program, Series 2011B, in the amount of $696,983. These funds will be used to purchase equipment and furniture for the Student Housing Project and to purchase a voice over internet protocol (VOIP) phone system for the Northeastern Oklahoma A&M College campus. The debt service payments will be funded from auxiliary funds for the Student Housing Project equipment and furniture and from Section 13 Offset funds for the phone system.

2. **Approval of Reimbursement Resolution for Projected included in the OSRHE Master Lease Program**

   Board authorization is requested for a reimbursement resolution declaring the Board’s intent to reimburse certain allowable original capital expenditures in accordance with Regulation Section 1.150-2 of the Internal Revenue Code.

Northeastern Oklahoma A&M College intends to enter into a Master Lease Purchase Agreement, Series 2011B transaction with the Oklahoma State Regents for Higher Education and the Oklahoma Development Finance Authority (the “Authority”) for the purpose of financing equipment and furniture to be used in the Student Housing Project and to finance a voice over internet protocol (VOIP) phone system for the campus.

The College may fund certain costs of the project prior to the delivery of the Lease from its own funds or borrowed funds. To the extent the College utilizes its own funds or borrows funds for said purposes, it is intended that proceeds of the Master Lease Purchase program will be utilized to reimburse the College and/or repay borrowed funds. Northeastern Oklahoma A&M College expects the Oklahoma Development Finance Authority to issue revenue bonds for the purpose of paying cost of the projects or reimbursing the College for expenses incurred in retiring indebtedness. Approval of this agenda item constitutes the Board’s declaration of official intent as is required by the reimbursement regulations set forth in Regulation Section 1.150-2 of the Internal Revenue Code.

The source of the reimbursement of these expenditures will come from proceeds anticipated pursuant to the Oklahoma State Regents for Higher Education Master Lease Purchase program.

Under federal guidelines, a reimbursement allocation is a designation of the use of bond proceeds to pay and expenditure which was previously paid from sources other than bond proceeds. According to Internal Revenue regulations, certain preliminary original expenditures related to a capital project may be reimbursed from bond proceeds if the Board declares the intent to do so in a formal resolution.
PART G - OTHER BUSINESS AND FINANCIAL MATTERS

3. Partnership on Clean Water Act 319 with Peoria Tribe of Indians of Oklahoma

Board authorization is requested to permit the College President to negotiate contractual agreements with the Peoria Tribe of Indians of Oklahoma regarding the partnership on a Clean Water Act 319 project on the campus of Northeastern Oklahoma A&M College. This project will be constructed with EPA grant funds obtained by the Peoria Tribe of Indians of Oklahoma and will include a retention pond of approximately four acres with phytoremediatory plants and a one-acre wetlands area. The retention ponds will be constructed in such a way as to appear natural. The project will be located on the campus in the flood plain adjacent to Tar Creek. The two main goals of the project are: 1) reduce heavy metal loading from Tar Creek which flows through the Tar Creek Superfund site and 2) create hands-on educational opportunities for NEO students and faculty and research associates from the Peoria Nation. The final contents of all contractual agreements are to be approved by Legal Counsel.

PART H - CONTRACTUAL AGREEMENTS (other than construction and renovation)

None

PART I - NEW CONSTRUCTION OR RENOVATION OF FACILITIES

1. Approval to Select a Construction Manager At Risk to assist Northeastern Oklahoma A&M College for the Renovation of Kah-Ne Hall

Board approval is requested to select a Construction Manager at Risk to assist Northeastern Oklahoma A&M College in the design and renovation of Kah-Ne Hall.

The firms listed below in order of receipt of Letters of Interest, are all qualified to perform Construction Manager at Risk for this project:

Manhattan Construction, Tulsa, OK
Crossland Construction Company, Inc., Columbus, KS

Funding of $3,000,000 will be provided by unexpended plant funds and Title III grant monies.

The selection process began on May 31, 2011, when a letter was sent to the State Construction Administrator at the Department of Central Services requesting a list of consultants registered with that office. A list of 56 firms was provided.

On June 8, 2011, a Project Notification was sent to the registered firms informing them of the intent of the College to engage a Construction Manager at Risk for the project and inviting them to advise of their interest. Six firms submitted Letters of Interest.

The selection committee reviewed the Letters of Interest and four firms were invited for interview on August 11, 2011.
PART I - NEW CONSTRUCTION OR RENOVATION OF FACILITIES

1. Approval to Select a Construction Manager At Risk to assist Northeastern Oklahoma A&M College for the Renovation of Kah-Ne Hall (Cont’d)

Kah-Ne Hall is an existing two-story building and is approximately 18,200 gross square feet. The renovation will require work to approximately 14,600 gross square feet. An existing Child Development Center will not be included in the renovation. Work will include interior and some exterior renovation of the existing facility to house the Charles Banks Wilson Art and Education Center, Art studios, and the Title III American Indian Center for Excellence.

Approval to begin the selection process for a Construction Manager at Risk was given at the Board of Regents' meeting held on December 3, 2010.

Nigel Jones, Mike Buchert and Mike Lambert of OSU Long Range Facilities Planning, and Jessica Boles and Steve Grimes of Northeastern Oklahoma A&M College are coordinating this project.

NORTHEASTERN OKLAHOMA A&M COLLEGE
Peoria Tribe CWA 319 Special Project

Project Description:

The project will focus on wetlands development for toxic substance removal and developing nonpoint source educational programs. The Tribe and NEO proposes to restore a wetlands adjacent to the current channel of Tar Creek. The project will consist of approximately five acres of wetlands and retention pools. This will provide natural means such as retention, plant uptake, and additional riparian zones, which will assist in the removal of heavy metals and other contaminants. The second part of our funding request focuses on developing a nonpoint source educational program with NEO utilizing the wetlands and retention pools. Other projects will be developed by NEO College staff and will be used as a hands-on education tool where numerous projects can be developed and performed. Perhaps most importantly, it will provide students with environmental activities that train them in the importance of the environment and particularly nonpoint source pollution.

Project Objectives:

- Decreasing heavy metal loading from the watershed
- Increasing the number of native plant species at the location by improving riparian zones, utilizing plants that uptake heavy metals.
- Increase the opportunity for hands-on education
- Increase the availability for scientific experimentation
- Increase the functionality of the project area
- Increase public awareness about non-point source pollution
- Increase the amount of habitat availability for fish and other aquatic biota

LANGSTON UNIVERSITY, LANGSTON, OKLAHOMA

Dr. Henry Ponder, Acting President; Mrs. Angela Watson, Vice President for Administration and Finance; and Dr. Marvin Burns, Dean, School of Agriculture and Applied Sciences, appeared before the Board of Regents to present the business of Langston University and review the Agenda for members of the Board.

Dr. Ponder said it is great to see so many people interested in higher education. He said he is honored to have been named by the 15th President of Langston University, JoAnn Haysbert, to serve as Acting President of Langston University and to have the opportunity to present the University’s Agenda for the Board’s approval.

Dr. Ponder said he would like to take this opportunity to say how happy he and his wife, Eunice, are to be back in their home state. He said equally enjoyable is the opportunity to return to his alma mater. He said to be back at Langston is imminent and one of the most important things that has happened in his career. He said this State, along with all the southern states, has a long history of segregation in education. Because of this he left Oklahoma to advance his career. He said there are 105 Historically Black Colleges and Universities (HBCU) in America, and 11 of these institutions are in North Carolina. He noted that the citizens of North Carolina are proud of their HBCUs and boast that they are the best HBCUs in the country. Oklahoma has only one HBCU, which is Langston University. He said it is his goal, with the Board’s support, to strengthen the brand and improve the image of Langston University. He said his plan is to make the Legislature and the citizens of Oklahoma proud of that fact. He said he plans to do great things, and he looks forward to the future and the opportunity to lead the charge in making his alma mater and this State proud that Langston is here.

Dr. Ponder reported that Langston’s enrollment for the fall semester is up 6.4 percent. Preliminary numbers show that Langston has enrolled 3,046 students across the three campuses. This represents an increase of 184 students.

Appointment of Henry Ponder to Serve as Interim President

Before the Board addresses the Langston business, Chairman Helm said he would like to announce that he has appointed Andy Lester to serve as Chairman, Rick Davis and Lou Watkins to serve as Members, and himself and Executive Secretary Doug Wilson to serve as Ex Officio Members of a Regents’ Steering Committee Re: Langston University Presidential Selection Process. He asked Regent Lester to update the Board on the process.

Regent Lester expressed thanks to Dr. Ponder for his comments. Having grown up in North Carolina he agrees about the comments concerning HBCU institutions in that North Carolina is certainly proud of its HBCUs; however, having lived in Oklahoma for 30 years, he now considers Oklahoma to be his home state and is proud of what Langston has accomplished over
the years. He said he looks forward to seeing Langston progress and Oklahoma getting to know Langston a whole lot better.

Regent Lester said the Board and Langston University are extremely fortunate to have a distinguished former HBCU President available to serve as Interim President while the Board conducts a search for a permanent replacement for now former President Haysbert. He noted that Dr. Henry Ponder has received many awards during his long career in higher education. Of particular interest include the Henry G. Bennett Distinguished Service Award presented by Oklahoma State University in 1997 and his Induction into the Oklahoma State University Hall of Fame in 1998. Dr. Ponder is not only an alumnus of Langston, but he is an alumnus of Oklahoma State University as well.

Regent Lester noted that Dr. Ponder was born in Oklahoma and was the 11th child of 14 born to Frank and Lillie Mae Ponder. Dr. Ponder graduated from Douglas High School in 1946 and attended Langston University. He is a member of Alpha Phi Alpha fraternity and received his BS degree in Agriculture in 1951. Regent Lester said Dr. Ponder served in the United States Army during the Korean War, returned to civilian life, worked as a research assistant at Oklahoma State University, received a MA degree from Oklahoma State University, and subsequently received a PhD degree from Ohio State University. Regent Lester said Dr. Ponder has had a distinguished career in academia, having served as President of three institutions of higher education including Fisk University in Nashville, Tennessee. He noted he was at Fisk for 12 years and was honored as one of the 100 most effective college presidents in the United States, which is quite an accomplishment. Regent Lester said Dr. Ponder left Fisk University in 1996 to serve as CEO and President of the National Association for Equal Opportunity in Higher Education, and in 2002 he became President of Talladega College in Alabama. Regent Lester said the Board is very fortunate, in his judgment, to have Dr. Ponder who was already at Langston to serve as the Board searches for a permanent President. He said he is thrilled that Dr. Ponder is willing and ready to serve in that role. As Dr. Ponder mentioned, he was named by former President Haysbert to serve as Acting President pending any action that the Board would have.

Regent Lester moved and Regent Burns seconded to appoint Dr. Henry Ponder to serve as Interim President of Langston University effective immediately and that his salary be increased for the Interim Presidency to $210,000 per annum.

Chairman Helm said he and Regent Lester have had discussions with Dr. Ponder before Dr. Haysbert made the decision to name him as Acting President, and he noted they were very comfortable with this appointment. He said Dr. Haysbert stepped down as President effective September 2, 2011, and Dr. Ponder has stepped up on an acting basis. Now the Board is making it a permanent situation for Dr. Ponder to serve as Interim President.

Regent Lester said Dr. Ponder talked about Historically Black Colleges and Universities. He pointed out that Langston University is the westernmost of the HBCUs and serves a great
leadership role in this State and in the United States. He believes Dr. Ponder will help Langston go to even greater heights than it has.

Those voting aye: Board Members Hall, Helm, Lester, Link, Reese, Watkins, Anthony, Burns, and Davis. No: None. Abstentions: None. Absent: None. The motion carried.

Adoption of Memorial Resolution

Regent Davis moved and Regent Anthony seconded to adopt the Memorial Resolution for Mrs. Rachel Mast as presented. (The Memorial Resolution is found on pages 1 and 2 of the Langston Agenda, which is attached.)

Approval to Award Honorary Doctors of Science Degrees

Dr. Ponder said over the last six years the Annual Scholarship Gala during Homecoming week has become Langston's single largest fund-raising event. Each year this event features appearances of legendary celebrities and entertainers. This year Langston will have two celebrities, including award winning singer Dionne Warwick and Emmy nominated actress Pam Grier. Both of these celebrities have distinguished themselves in their careers and in their efforts to better human conditions. He respectfully requested permission to confer upon these individuals an Honorary Doctorate of Science Degree.

Regent Hall moved and Regent Link seconded to authorize Langston University to present to Ms. Pam Grier and Ms. Dionne Warwick an Honorary Doctorate of Science Degree during the 6th Annual Scholarship Gala as presented.

Those voting aye: Board Members Burns, Davis, Hall, Helm, Lester, Link, Reese, Watkins, and Anthony. No: None. Abstentions: None. Absent: None. The motion was approved.

Personnel Actions

Regent Burns moved and Regent Lester seconded to approve the personnel actions as listed in the Langston Agenda.
Those voting aye: Board Members Davis, Hall, Helm, Lester, Link, Reese, Watkins, Anthony, and Burns. No: None. Abstentions: None. Absent: None. The motion carried.

**Balance of Agenda**

Regent Anthony moved and Regent Watkins seconded to approve the balance of the Agenda, subject to the availability of funds and/or the limitations of the budget. (The Agenda is attached.)

Those voting aye: Board Members Hall, Helm, Lester, Link, Reese, Watkins, Anthony, Burns, and Davis. No: None. Abstentions: None. Absent: None. The motion passed.

The business of Langston University being concluded, Dr. Ponder and members of the Langston administration were then excused from the meeting.
BOARD OF REGENTS FOR OKLAHOMA STATE UNIVERSITY AND A&M COLLEGES
Stillwater, Oklahoma 74074

Dear Board Members:
Please approve the following business items for Langston University.

Expenditures from Treasury Funds, contingent upon their availability, will be submitted for purchasing through Ms. Sharon Toy, Director of Purchasing.

A. GENERAL INFORMATION/REPORTS REQUIRING NO ACTION BY THE BOARD:

1. For informational purposes, please note the following change order:

CONSTRUCTION CHANGE ORDER
SEPTEMBER 2011
The following Change Order represents an adjustment to the Auditorium Renovation project. It has been reviewed and approved by the University pursuant to O.S. 61, Section 121 and O.A.C. 30:10-1-9. Specific information concerning the Change Order is on file within Physical Plant Services.

PURCHASING DEPARTMENT CHANGE ORDER:
Langston University
Auditorium Renovation Project

During the installation of seating during the Auditorium renovation project, the University requested an upgrade to the isles end panels from plastic to wood veneer to match new red oak wood trim of interior construction. Changes represented 2.1% of allowed 15% statute provision, representing an increase of $2,659.00 to the $176,000.00 project.

2. For your information and review, Attachment A displays Langston University's Athletic schedules for Football, Men's & Women's Basketball, Men's & Women's Cross Country and Men's & Women's Track & Field.

B. RESOLUTIONS:

1. WHEREAS, it has been called to the attention of the Board of Regents for Oklahoma State University and the Agricultural and Mechanical Colleges that Mrs. Rachel Mast was claimed by death on July 1, 2011; and

WHEREAS, Mrs. Mast rendered valuable and faithful service to Langston University for 32 years, serving as Library Assistant, Supervisor of Tutoring for Upward Bound, and Assistant Librarian.
The world, in general, the Langston community, and Langston University, in particular, have lost a noble citizen. Mrs. Mast's family and friends have suffered an irreparable loss in her passing.

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF REGENTS FOR OKLAHOMA STATE UNIVERSITY AND THE AGRICULTURAL AND MECHANICAL COLLEGES:

THAT it takes this method to express its appreciation for the 32 years of useful service rendered by Mrs. Rachel Mast to Langston University, the State of Oklahoma, and the nation; and to extend to the family its deepest sympathy in the loss sustained; and to state the Board of Regents for Oklahoma State University and the Agricultural and Mechanical Colleges joins the family and friends of the deceased in mourning the passing of one of Langston University's beloved staff members.

BE IT FURTHER RESOLVED, that a copy of this Resolution be spread upon the minutes of the Board and a copy sent to the family of Mrs. Mast.

Adopted this 9th day of September, 2011.

C. POLICY AND OPERATIONAL PROCEDURES:

Permission is respectfully requested for Langston University to present to Ms. Pam Grier and Ms. Dionne Warwick an Honorary Doctorate of Science Degree during the 6th Annual Scholarship Gala on October 14, 2011, for their distinction of excellence in their professional disciplines as well as their recognized involvement in community and worldwide education and humanitarian efforts, particularly in the areas of urban/community agriculture, world hunger, and health disparities; all substantial issues addressed by the rural/urban land-grant mission of Langston University. PAM GRIER

Actress, Author, Philanthropist Pam Grier grew up on U.S. Air Force bases in Europe and near Denver, Colorado. Pam was one of four children born to Air Force mechanic Clarence Grier and Gwendolyn Samuels, a nurse. She is one of a few African-American actresses to receive a Golden Globe nomination for Best Actress. She has also been nominated for a SAG, NAACP Image Award as well as a Satellite Award for her performance in the iconic film *Jackie Brown*. She received an Emmy Award nomination for her work in an Animated Program *Happily Ever After: Fairy Tales for Every Child*. Rotten Tomatoes has ranked her as the second Greatest Female Action Heroine in film history. Director Quentin Tarantino remarked that she may have been cinema’s first female action star, was the first Black woman to appear on the cover of MS Magazine (August 1975 issue), named as one of Ebony Magazine’s "100 Most Fascinating Women of the 20th Century" and awarded a "Career Achievement Award" at the 34th Annual Chicago International Film Festival. Her entire career of over thirty years has brought only success for this beautiful and talented actress.

Grier is the new celebrity spokeswoman for National Multicultural Western Heritage Museum (NMWHM). July 23, 2011 marked the official opening of the Pam Grier Community Garden. Her love and passion for the cultural heritage of the American Cowboy and the way of life that built this country truly speaks to the mission of the museum.

She moved to Hollywood and worked as a production assistant at American International Pictures (AIP) Company, and shortly after became famous in the early 1970s, after starring in a string of successful women in prison, appearing in Roger Corman thrillers such as *Women in Cages* (1971). Beautiful and leggy, Grier played a tough and foxy chick in a string of action movies in the 1970s -- dubbed "blaxploitation" films -- playing big, bold, assertive women, beginning with Jack Hill's *Coffy* (1973) and *Foxy Brown* (1974).

During the eighties she had a memorable role in 1981's *Fort Apache, The Bronx* (starring Paul Newman), became a regular on "Miami Vice" (1984) and played a supporting role as an evil witch in Ray Bradbury's and Walt Disney Pictures *Something Wicked This Way Comes* (1983) and then returned to action as Steven Seagal’s partner in *Above the Law* (1988) and has made guest appearances on *Martin, Night Court* and *The Fresh Prince of Bel Air*, and also had a recurring role in the TV series *Crime Story*. She also appeared on *Sinbad, Preston Chronicles, The Cosby Show, The Wayans Brother Show*, and *Mad TV*.

Pam's most famous role of the 90s was probably *Jackie Brown* (1997), with Samuel L. Jackson and Robert DeNiro, directed by Quentin Tarantino, which was a homage to her earlier 70s action roles. While a student at UCLA, she sang back-up for singer-composer Bobby Womack. Interestingly, Womack's composition and 1972 recording of the song "Across 110th Street" was the theme song of the film Jackie Brown.

In 2010 Grier began appearing in a recurring role on the hit science fiction series *Smallville*, latest additions to film credits include *Just Wright, Larry Crown*, directed by Tom Hanks and *On the Seventh Day*.

Also in 2010 she wrote her memoir, "Foxy: My Life in Three Acts" with Andrea Cagan.
DIONNE WARWICK

Scintillating, soothing and sensual best describe the familiar and legendary voice of five-time Grammy Award winning music legend, DIONNE WARWICK, who has become a cornerstone of American pop music and culture. Warwick’s career, which currently celebrates 50 years, has established her as an international music icon and concert act. She has earned more than sixty charted hit songs and sold over 100 million records. She began singing professionally in 1961 after being discovered by a young songwriting team, Burt Bacharach and Hal David. She had her first hit in 1962 with “Don’t Make Me Over.” Less than a decade later, she had released more than 18 consecutive Top 100 singles, including her classic Bacharach/David recordings, “Walk on By,” “Anyone Who Had a Heart,” “Message to Michael,” “Promises Promises,” “A House is Not a Home,” “Alfie,” “Say a Little Prayer,” and the theme from “Valley of the Dolls.”

Warwick received her first Grammy Award in 1968 for her mega-hit, “Do You Know the Way to San Jose?” and a second Grammy in 1970 for the best-selling album, “I’ll Never Fall in Love Again.” In 1974, she hit the top of the charts with “Then Came You,” a million-selling duet with The Spinners. In 1976, Arista Records label-mate Barry Manilow produced her first Platinum-selling album, “Dionne,” which included back-to-back hits “I’ll Never Love This Way Again,” and “Déjà vu.” Both recordings earned Grammy Awards, making Warwick the first female artist to win the Best Female Pop and Best Female R&B Performance Awards.

Warwick’s 1982 album, “Heartbreaker,” co-produced by Barry Gibb and the Bee Gees, became an international chart-topper. In 1985, she reunited with composer Burt Bacharach and longtime friends Gladys Knight, Elton John and Stevie Wonder to record the landmark song “That’s What Friends Are For,” which became a number one hit record around the world and the first recording dedicated to raising awareness and major funds for the AIDS cause, which Warwick continues to support.
Throughout the 1980's and 1990's, Warwick collaborated with many of her musical peers, including Johnny Mathis, Smokey Robinson, Luther Vandross, Jeffrey Osbourne, Kashif and Stevie Wonder. Warwick was also host of the hit television music show, “Solid Gold.” In addition, she recorded several theme songs, including “Champagne Wishes & Caviar Dreams,” for the popular television series “Lifestyles of the Rich & Famous,” and “The Love Boat,” for the hit series from Aaron Spelling. Most recently, she recorded an album of duets, “My Friends & Me,” for Concord Records and a much anticipated Gospel album, “Why We Sing,” for Rhino/Warner Records. This year, she will release a special album celebrating the music of legendary composer Sammy Cahn.

Always one to give back, Warwick has supported and campaigned for many causes and charities close to her heart, including AIDS, The Starlight Foundation, children’s hospitals, world hunger, disaster relief and music education for which she has been recognized and honored and has raised millions of dollars. A New Jersey school was named in her honor, The Dionne Warwick Institute in recognition of her accomplishments and support of education.

Celebrating 50 years in entertainment, and the 25th Anniversary of “That’s What Friends Are For,” Warwick will host and headline an all-star benefit concert for World Hunger Day in London, will be honored by the Desert Aids Project with its prestigious 2011 Steve Chase Humanitarian Arts & Activism Award and will be recognized by AMFAR at its Anniversary Gala in New York City.

Warwick’s pride and joy are her two sons, singer recording artist David Elliott and award-winning music producer Damon Elliott.

President Burns Hargis and members of the OSU administration appeared before the Board of Regents to present the business of Oklahoma State University and review the Agenda for members of the Board.

President Hargis welcomed everyone to Stillwater and was hopeful everyone enjoyed the game last evening. He said he is very proud of the entire football team and the fans. More than 54,000 fans were in attendance last night, which is no small feat for a Thursday night game. It is an incredible logistic challenge to host a game during the week with all the parking issues for the faculty, staff, and students. He said everyone cooperated remarkably, and it all worked beautifully.

President Hargis expressed appreciation to Regent Anthony for providing the commencement address at the recent commencement at OSU Institute of Technology. He said the students, faculty, staff, and guests really enjoyed it.

President Hargis said a very special program is planned this afternoon with respect to the dedication of the Henry Bellmon Research Center. The Bellmon family will be in attendance at which time a bust of Henry Bellmon will be unveiled. As the Regents are aware, Henry Bellmon was one of OSU’s most distinguished graduates, and, in his opinion, one of the greatest Oklahomans who has ever lived. President Hargis said Henry Bellmon always cared about research and the future and would be very pleased, although somewhat embarrassed, if he knew the building was named after him.

At each seat President Hargis said the Regents will find a large orange brochure put together by Enrollment Management for recruitment purposes under the leadership of Kyle Wray. Enrollment has really become a very robust part of the University. OSU-Stillwater and OSU-Tulsa have an all-time high enrollment in excess of 24,000 students. He is very proud of that and appreciates Mr. Wray’s leadership and everyone’s participation in recruiting.

Adoption of Memorial Resolutions

President Hargis presented information on behalf of Larry Borgelt, Associate Professor, Retired, School of Fire Protection and Safety Technology, College of Engineering, Architecture, and Technology; Lora Cacy, first Director, Home Economics University Extension, and Associate Professor, Retired, Home Economics Education, College of Human Sciences; Howard A. Lackey, Instructor, Retired, Electrical Maintenance, Oklahoma State University Institute of Technology, Okmulgee; Ernest L. (E.L.) Stair, Jr., Chief Pathologist and Professor, Retired, Oklahoma Animal Disease Diagnostic Laboratory, Center for Veterinary Health Sciences; and Katherine “Katie” Womack, Executive Administrative Assistant, Office of the President. President Hargis presented Memorial Resolutions for Mr. Borgelt, Dr. Cacy, Mr. Lackey,
Dr. Stair, and Ms. Womack and recommended their adoption. (Copies of the Memorial Resolutions are attached to OSU’s portion of the minutes as ATTACHMENTS A-E.)

Regent Anthony moved and Regent Watkins seconded to adopt the Memorial Resolutions for Larry Borgelt, Lora Cacy, Howard A. Lackey, Ernest L. (E.L.) Stair, Jr., and Katherine “Katie” Womack as presented.

Those voting aye: Board Members Helm, Lester, Link, Reese, Watkins, Anthony, Burns, Davis, and Hall. No: None. Abstentions: None. Absent: None. The motion carried.

President Hargis requested Provost Sternberg to present information pertaining to Academic Affairs:

**Approval of Revisions to the Faculty Senate Bylaws for OSU-OKC**

Dr. Sternberg said the Oklahoma State University-Oklahoma City campus requests approval to modify its Faculty Senate Bylaws. (The proposed document can be found on page C-1 of the OSU Agenda, which is on file in the Board of Regents’ Office as Document No. I-9-9-11.) He said President Natalie Shirley and members of the leadership team discussed the modifications at the meeting this morning of the Academic Affairs, Policy and Personnel Committee.

Regent Lester reported that the Academic Affairs, Policy and Personnel Committee met with the OSU administration regarding approval of revisions to the Faculty Senate Bylaws for OSU-OKC. He said OSU-OKC President Natalie Shirley presented information regarding revisions to the Bylaws in the areas of membership, election, and removal of senators; faculty senate officers; elected faculty senate representatives; standing and ad hoc committees; and referendum. He said the Board Legal Counsel has reviewed the revisions. The Committee acted to recommend Board approval of the administrative recommendation as presented.

Regent Lester moved and Regent Link seconded to approve the revisions to the Faculty Senate Bylaws for OSU-OKC as presented.

Those voting aye: Board Members Lester, Link, Reese, Watkins, Anthony, Burns, Davis, Hall, and Helm. No: None. Abstentions: None. Absent: None. The motion was approved.

**Personnel Actions**

Dr. Sternberg presented ten pages of personnel actions and recommended their approval with the exception of those items pertaining to separation, retirement, and death, which are presented as information items only. (The personnel actions are listed on pages D-3.1 through D-3.8 of the
OSU Agenda, which is on file in the Board of Regents’ Office as Document No. 1-9-9-11.) Dr. Sternberg reported that the actions include rate increases of a stipend of $1,000 for this years’ recipients of the Regents Distinguished Teaching and Research Awards, new appointments, and changes in title and/or rate, including the title change for Kyle Wray from Associate Vice President to Vice President for Enrollment Management and Marketing. Dr. Sternberg said he would like to add to the comments expressed by President Hargis about the fantastic job Kyle Wray has done with enrollment management. Also, the list includes three sabbatical leave requests. Approval is requested on all the actions included in the personnel section of the Board book. For information, retirements and separations are listed on pages D-3.9 and D-3.10.

Regent Anthony moved and Regent Lester seconded to approve the personnel actions as listed in the OSU Agenda.

Chairman Helm said he, too, would like to acknowledge Mr. Wray’s hard work. He asked about freshman enrollment, and Mr. Wray reported that it is slightly less than 3,900. Chairman Helm noted that three years ago that number was 3,100. He said OSU has been able to maintain its academic standards with an ACT average in excess of 25. OSU is attracting well-qualified students who will be successful, and he said the Board is very proud of that.

Those voting aye: Board Members Link, Reese, Watkins, Anthony, Burns, Davis, Hall, Helm, and Lester. No: None. Abstentions: None. Absent: None. The motion carried.

President Hargis requested Vice President Weaver to present information pertaining to Administration and Finance:

G-1 Approval of Peace Officers’ Actions

Regent Lester moved and Regent Watkins seconded to adopt the following Resolution appointing campus police and to authorize the OSU administration to make the appropriate arrangements for expediting the appointments.

WHEREAS, pursuant to 74 O.S. §§ 360.11 et. seq. as amended, the governing or controlling board of any institution of higher education is authorized to appoint necessary officers to be designated as campus police for the purpose of protecting all properties of such institutions and carrying out the duties enumerated in said act:

NOW, THEREFORE, BE IT RESOLVED:

THAT the Board of Regents for the Oklahoma Agricultural and Mechanical Colleges does hereby appoint the following named individuals as campus police of the colleges/universities listed, with full power and authority and privileges of peace officers as described and defined by
the Statutes of the State of Oklahoma, and that written commissions evidencing said appointments be issued thereto:

OSU-Stillwater

Marc A. Walling 667
Zachary W. Cook 668
Steven C. Gripe 669

OSUIT

Kevin E. Collins 670
Spenser F. King 671

Those voting aye: Board Members Reese, Watkins, Anthony, Burns, Davis, Hall, Helm, Lester, and Link. No: None. Abstentions: None. Absent: None. The motion was approved.

G-2 Approval to Submit Documents to the Oklahoma State Regents for Higher Education (OSRHE) for Inclusion in the Master Equipment Lease Program, Series 2011B and to Purchase the Items

Mr. Weaver requested Board approval to submit the appropriate documents to the OSRHE for two projects. One is an energy savings project for OSU-CHS in the estimated amount of $1,751,447. The second is infrastructure upgrades and improvements to Kerr and Drummond residence halls in an estimated amount of $500,000. These projects will be included in the Master Equipment Lease 2011 Program. Mr. Weaver further requested Board approval to purchase the Master Equipment Lease Program items in accordance with purchasing policy and procedures.

Regent Anthony moved and Regent Lester seconded to authorize Oklahoma State University to submit the appropriate documents to the OSRHE for two projects including an energy savings project for OSU-CHS and infrastructure upgrades and improvements to Kerr and Drummond residence halls; and to authorize OSU to purchase the Master Equipment Lease Program items in accordance with purchasing policy and procedures.

Chairman Helm said at one time discussion occurred about razing the Kerr-Drummond residence complex; however, it appears that OSU is preparing to spend $5 million on the complex. He asked if the Campus Master Plan has been changed. Mr. Weaver said there are issues that need to be addressed as long as the building stays in service. The $500,000 will address some life safety devices such as strobe lights in each room and audio alerts, which can be activated in any emergency situation in Drummond Hall. He said the building has been around a long time, and the mechanical systems need improvement and to be brought up to code as well as the plumbing.
He said it is believed to be a smart business move to invest the money into that building. Mr. Weaver said the building is basically paid for except for whatever Master Lease funding is approved. With respect to the Campus Master Plan, the complex was not reflected as being on the campus in 2025, but it was not determined at what point in time it might be off line. Under the current circumstances, OSU officials do not anticipate taking these residence halls off line at least in the next five to seven years given the enrollment surge that OSU recently experienced and anticipated enrollment in the next few years. Mr. Weaver said he has directed that a complete assessment of the building be conducted with respect to the total amount that OSU might want to spend and what the payoff will be for those items in terms of having to build. At this point, replacing Kerr-Drummond with new construction will be a very expensive undertaking, and OSU is not ready to recommend that at this point.

Chairman Helm asked if the initial $500,000 will be spent on Kerr or Drummond. Mr. Weaver said it will be spent on Drummond on basic issues. Chairman Helm asked if OSU will create an issue of not doing the work to both of the dorms. Mr. Richard Krysiak said OSU has worked with Floyd Cobb, the authority having jurisdiction on campus, and identified those immediate needs in both facilities. These are the needs that Mr. Cobb wanted OSU to address in order for him to allow OSU to continue to have students in these facilities. Regent Burns asked how many students are in that dormitory complex. Mr. Weaver said his understanding is that the complex is at 95 percent capacity, and it was reported that there are 1,200 students in the complex. Regent Burns asked if OSU is expecting this to be a ten-year facility before it is razed. Mr. Weaver said he stated earlier that it will be at least five to seven years. He said in discussions that occurred over the course of the summer there is a business plan the administration could put forward to the Regents that would show that it is to OSU's advantage to keep the building in service, make these repairs, and extend its useful life. That would be a less expensive option for OSU rather than replacing with new construction.

President Hargis said the problem is what OSU does with the students who are in the complex if it is torn down. OSU would need to build a replacement facility before it is torn down and keep this one in service because OSU does not have anywhere to move the students. Chairman Helm pointed out that these dorms are less expensive than the newer dorms. It is necessary to have various pricing options available.

Regent Burns said he understands the dilemma, but he said he believes OSU needs to be moving in the direction of replacing the complex for obvious reasons.

Regent Anthony said he appreciates the information provided in the Agenda regarding the debt burden ratio if this request is approved. The ratio will increase, but it is very modest. He also commented that while the complex does need repairs, it serves a wonderful purpose of providing less expensive housing for students. It is within a price range that students can afford who might not otherwise be able to afford the cost of the newer housing.

Regent Link asked for clarification as to the intent of the motion. He said his understanding is that it is for the requests as stated in the first and second paragraphs under G-2. Chairman Helm
said regarding the way the request is written, his understanding is that it is for the entire balance of $5,000,000 for the Kerr-Drummond complex. Chairman Helm asked Regent Link if he would prefer to divide these into two requests. Regent Link said he just wanted to make sure that the amounts of money for which the Board is authorizing approval are $1,751,447 and $500,000 and that the Board is not approving the $5 million total project cost. Chairman Helm said Regent Link is correct that at this time the Board is just authorizing $500,000 for Kerr-Drummond. Mr. Weaver said OSU is asking approval for the entire list through the Master Lease process. OSU is describing to the Board how it will be set up over the next several years.

Given the comments by some of the Board members and the obvious concern of OSU’s long-range plan, Regent Hall said it might be in the best interest of the Board to either put a small group of Regents on a task force to assess where OSU is going to be in the next five to ten years with respect to this matter because he believes the Regents thought that the demolition of Kerr-Drummond was going to be sooner rather than later. It would be the Board’s responsibility to start assessing options for housing the 1,200 students with regard to increased enrollment and develop a plan before it gets three years down the road and another $10-$15 million needs to be spent on the complex.

Chairman Helm asked for an amendment to the motion to approve the OSU-CHS portion of the request.

Regent Anthony moved to amend his motion to authorize OSU to submit the appropriate documents to the OSRHE for an energy savings project for OSU-CHS in an estimated amount of $1,751,447 and that some group be appointed to study the needs for long term. Regent Lester seconded the amended motion.

For clarification, Regent Burns asked the intent of the amended motion. Chairman Helm said the motion would authorize OSU to submit the appropriate documents to the OSRHE for the energy savings project for OSU-CHS in the estimated amount of $1,751,447 and that an action group be appointed to address the long-range elements of the Kerr-Drummond situation and provide a report by the next Board meeting. Regent Anthony said some of this relates to safety issues. If there is, in fact, an issue related to safety of the students occupying those halls and the amount involved is $500,000, Regent Anthony said he believes those items need to be addressed. If this group can function quickly, he is in favor of it. If not, he would like to go ahead and authorize the expenditure.

Regent Link said he would support the $500,000 if a safety issue or requirement is involved. He said he just did not want the Board to get into approving this as Step 1 without knowing what is coming with respect to Steps 2, 3, and 4 and where OSU was regarding capital funding. Regent Burns said he feels likewise. OSU currently has students in those residence halls, and safety and plumbing issues need to be addressed, but he would question doing something for seven years or more. He commented that for seven years this would basically break down to $600 per student per year for these renovations. The finance of that bothers him somewhat.
Regent Hall asked if the Governor’s authorities are looking for the Board’s approval and commitment for years 2012, 2013, and ongoing years as an exhibition that the Board intends to get every item up to code. He asked if there is any problem with the Board not approving the balance. Mr. Krysiak responded negatively. He said this was a plan laid out that was worked out with Floyd Cobb. He said like Regent Anthony said, if this is looked at quickly and further out, he does not believe it will be an issue.

Mr. Weaver said during the course of the summer, the administration visited with Long Range Facilities and with Residential Life and looked at options to address this matter. He said he thought Kerr-Drummond was coming down, as well. Given the enrollment surge of 700 more students on campus and the likelihood that the enrollment growth will continue over the next two to three years, a free-standing new building on another location is not going to happen for another two to three years, even if the process began today. OSU is faced with a tough situation. Enrollment growth is a nice problem to have. Replacing this number of beds will easily require a $100 million project. At any rate, the administration will be glad to share with the Board the various options that were laid out and what kinds of actions that can be taken that do not require new construction.

Chairman Helm called for a vote on the amended motion regarding the request dealing with OSU-CHS.

Those voting aye: Board Members Burns, Davis, Hall, Helm, Lester, Link, Reese, Watkins, and Anthony. No: None. Abstentions: None. Absent: None. The motion carried.

Regent Anthony moved and Regent Link seconded to authorize the Board to submit the appropriate documents to the OSRHE for infrastructure upgrades and improvements dealing with safety issues to the Kerr-Drummond residence halls in an estimated amount of $500,000 with the understanding that the other portion of the total request will be taken under advisement with a committee working with the administration of the Office of Vice President for Administration and Finance regarding a long-range plan.

Chairman Helm appointed members of the Fiscal Affairs Committee to review this matter and requested that this be done as quickly as possible. Regent Link said this is fine with him. He said at the last Board meeting he asked about the review of the Capital Master Plan and how often that five-year plan was reviewed. The Board requested the administration to look at where it was and to come up with a formal review process of the capital expenditures improvement plan. Regent Link asked if the administration has given thought to that matter. Mr. Weaver said it will take several months to get the whole plan put together. In terms of this specific piece of the master plan, it is believed this warrants special attention. It might involve Residential Life hiring a consultant to look at the entire residence hall system to see what options should be
considered. Regent Link said he is happy to accept the Chairman’s designation to work with the administration regarding this matter; however, he does not want to lose sight of the overall plan.

Those voting aye: Board Members Davis, Hall, Helm, Lester, Link, Reese, Watkins, Anthony, and Burns. No: None. Abstentions: None. Absent: None. The motion carried.

G-3 Approval to Accept Bids on Oil and Gas Lease Sales

Mr. Weaver requested Board approval to accept bids on oil and gas lease sales in the amount of $129,060.23. He said this is the recommendation of the Commissioners of the Land Office for the State of Oklahoma.

Regent Link moved and Regent Watkins seconded to accept bids on oil and gas lease sales in the amount of $129,060.23 as presented.

Those voting aye: Board Members Hall, Helm, Lester, Link, Reese, Watkins, Anthony, Burns, and Davis. No: None. Abstentions: None. Absent: None. The motion was approved.

G-4 Approval to Purchase the Center Office Building

Mr. Weaver requested Board approval to purchase the Center Office Building located at 707 S. Houston Avenue in Tulsa, Oklahoma, in the amount of $250,000. He further requested approval to authorize the OSU President to execute an agreement and closing documents of the purchase, subject to review by the Board’s Legal Counsel.

Regent Anthony moved and Regent Lester seconded to authorize Oklahoma State University to purchase the Center Office Building located at 707 S. Houston Avenue in Tulsa, Oklahoma, in the amount of $250,000 and to authorize the OSU President to execute an agreement and closing documents for the purchase, subject to review by the Board’s Legal Counsel.

Chairman Helm said he has participated in this matter, which has been a long process. He said the City of Tulsa owns the building, and it is proposed that OSU purchase the building at $6 per square foot. The building adjoins a building already owned by OSU, and it is across the street from the hospital. Chairman Helm said strategically this is something OSU needs to do.

Those voting aye: Board Members Helm, Lester, Link, Reese, Watkins, Anthony, Burns, Davis, and Hall. No: None. Abstentions: None. Absent: None. The motion carried.
G-5 Approval to Renew Wheat Pasture Agreements

Mr. Weaver requested Board approval to renew four one-year wheat pasture leases for the Wheat Pasture Research/Education Program at Marshall, Oklahoma. He further requested approval to authorize the Vice President, Dean and Director, Division of Agricultural Sciences and Natural Resources, to execute the lease renewals, subject to review by the Board’s Legal Counsel.

Regent Link moved and Regent Davis seconded to authorize Oklahoma State University to renew four one-year wheat pasture leases from the Wheat Pasture Research/Education Program at Marshall, Oklahoma, and to authorize the Vice President, Dean and Director, Division of Agricultural Sciences & Natural Resources, to execute the lease renewals, subject to review by the Board’s Legal Counsel.

Chairman Helm asked if the cost of these leases seems fair and equitable. It was reported that the leases are a good rate and that this is a good program and is beneficial to the wheat farmers across the state.

Those voting aye: Board Members Lester, Link, Reese, Watkins, Anthony, Burns, Davis, Hall, and Helm. No: None. Abstentions: None. Absent: None. The motion passed.

G-6 Approval of Lease Agreement for Medical Office Space

Mr. Weaver requested Board approval to enter into a five-year and three-month agreement with Oral Roberts University in Tulsa, Oklahoma, to house the OSU-CHS Ophthalmology Clinic on the 37th floor of the CityPlex Towers Building and to authorize the OSU President to execute the lease, subject to review by the Board’s Legal Counsel.

Regent Anthony noted that this is at $13.50 per square foot of finished space. Chairman Helm commented that this is a good location.

Regent Anthony moved and Regent Lester seconded to authorize Oklahoma State University to enter into a five-year and three-month agreement with Oral Roberts University in Tulsa, Oklahoma, to house the OSU-CHS Ophthalmology Clinic on the 37th floor of the CityPlex Towers Building and to authorize the OSU President to execute the lease, subject to review by the Board’s Legal Counsel.

Those voting aye: Board Members Link, Reese, Watkins, Anthony, Burns, Davis, Hall, Helm, and Lester. No: None. Abstentions: None. Absent: None. The motion was approved.
Approval for Renaming the Reading Room to the Anne Morris Greenwood Reading Room

Mr. Weaver requested Board approval to rename the Reading Room in the Edmon Low Library to the Anne Morris Greenwood Reading Room.

Regent Link moved and Regent Watkins seconded to rename the Reading Room in the Edmon Low Library to the Anne Morris Greenwood Reading Room as presented.

Approval to Begin Selection Procedures for a Construction Manager At Risk to Perform Construction Management and Construction Services for Physical Plant Services

Mr. Weaver requested Board approval to authorize Physical Plant Services to begin the selection process for a Construction Manager At Risk to assist the University with the construction management and construction services of miscellaneous projects on an on-call basis. This item was discussed with members of the Fiscal Affairs Committee at its meeting this morning.

Regent Link reported that the Fiscal Affairs Committee met with the OSU administration regarding approval to begin the selection procedures for a Construction Manager At Risk firm to assist the University with the construction management and construction services of miscellaneous projects on an on-call basis. He said Vice President Weaver explained that due to the workload of the OSU Physical Plant there are times when sufficient manpower is not available to develop, execute, and finish various construction/renovation/repair projects. The plan is to establish a pre-qualified, on-call Construction Manager At Risk in order to provide quality construction and services in as short amount of time as possible. The Committee acted to recommend approval to begin the selection procedures outlined by the OSU administration.

Regent Link moved and Regent Anthony seconded to authorize Physical Plant Services to begin the selection procedures for a Construction Manager At Risk firm to assist the University with the construction management and construction services of miscellaneous projects on an on-call basis with a recommendation for the selection of the firm to be presented to the Board at a future meeting.

Those voting aye: Board Members Watkins, Anthony, Burns, Davis, Hall, Helm, Lester, Link, and Reese. No: None. Abstentions: None. Absent: None. The motion was approved.
I-2 Approval to Select Additional On-Call Civil Engineers, and Mechanical, Electrical and Plumbing Engineers to Provide As-Needed Engineering Services to the University System and Institutions Governed by the Board

Mr. Weaver requested Board approval to select additional on-call civil engineers, and mechanical, electrical, and plumbing engineers to provide as-needed engineering services. The firms listed in the Agenda are all qualified to perform as consultants, and it is recommended that all the firms be added to the on-call list.

Chairman Helm said the Board is familiar with these firms and is aware that the firms are located throughout the State in different locations. He noted that the Board has had an issue in the past throughout the System of covering all campuses because it is difficult at times, for example, to get a firm selected in Tulsa to cover a project on the Oklahoma Panhandle State University campus. He said these firms are to provide services for smaller jobs for on-call situations. Chairman Helm said this is a very good selection.

Regent Hall moved and Regent Anthony seconded to select the on-call civil engineers, and mechanical, electrical, and plumbing engineers as listed in the OSU Agenda to provide as-needed engineering services.

I-3 Approval to Accept Gift-in-Kind of Partition Curtains for OSU Athletics Center

Mr. Weaver requested Board approval for Cowboy Athletics Facilities, LLC, to purchase and install a partitioning curtain within the Athletics Center, basketball court area. He further requested Board approval for the OSU President to enter into a Gift-in-Kind Agreement with Cowboy Athletics, Inc., for the receipt of the project when it is completed.

Regent Hall moved and Regent Link seconded to authorize Cowboy Athletics Facilities, LLC, to purchase and install a partitioning curtain within the Athletics Center, basketball court area, and to authorize the OSU President to enter into a Gift-In-Kind Agreement with Cowboy Athletics, Inc., for the receipt of the project when it is completed.

Those voting aye: Board Members Burns, Davis, Hall, Helm, Lester, Link, Reese, Watkins, and Anthony. No: None. Abstentions: None. Absent: None. The motion was approved.
I-4 Approval to Ratify Interim Approval to Demolish Poultry Building

Mr. Weaver requested Board approval to ratify interim approval to demolish building 00097, North Broiler—Poultry Farm.

Regent Davis moved and Regent Burns seconded to ratify interim approval granted by the Executive Secretary to demolish building 00097, North Broiler—Poultry Farm in the estimated amount of $10,000.

Those voting aye: Board Members Davis, Hall, Helm, Lester, Link, Reese, Watkins, Anthony, and Burns. No: None. Abstentions: None. Absent: None. The motion carried.

I-5 Approval to Demolish Hay Barns A, B, C, and Feed Lane—Dairy Farm

Mr. Weaver requested Board approval to demolish Hay Barn A—Building 661A; Hay Barn B—Building 661B; Hay Barn C—Building 661C; and Feed Lane—Building 660F. He said these structures are located at the Dairy Farm on West McElroy and received significant damage beyond repair during the recent storm.

Regent Davis moved and Regent Burns seconded to authorize Oklahoma State University to demolish Hay Barns A, B, and C, and the Feed Lane at the Dairy Farm as presented.

Those voting aye: Board Members Hall, Helm, Lester, Link, Reese, Watkins, Anthony, Burns, and Davis. No: None. Abstentions: None. Absent: None. The motion passed.

J Purchase Requests

Mr. Weaver presented the Purchase Requests and recommended their approval from the lowest and best bidders through the competitive bidding process or from State contract vendors, subject to the availability of funds and budgetary limitations. (These requests are listed on pages 9-10 of the OSU Agenda, which is on file in the Board of Regents’ Office as Document No. 1-9-9-11.)

Mr. Weaver said of the nine items listed in the book, five are new items, three are annual renewals that the Board has previously approved in prior years, and one is a ratification of interim approval.

Regent Anthony referenced purchase request No. 2 and said he understands this is some type of software and was wondering what it does or what it is. Mr. Weaver said his understanding is that
this software will provide someone who is interested in purchasing a ticket to virtually see what
the view would be from a particular seat. Regent Anthony said the software will help with
respect to selling tickets and expediting the ticket operation, and Mr. Weaver said this is correct.

Regent Anthony moved and Regent Hall seconded to approve the sole source
and special requests as listed in the OSU Agenda (purchase requests Nos. 1-3,
page 9, OSU Agenda).

Those voting aye: Board Members Helm, Lester, Link, Reese, Watkins,
Anthony, Burns, Davis, and Hall. No: None. Abstentions: None. Absent:
None. The motion carried.

Mr. Weaver referenced purchase request No. 7 regarding the request to establish a contract to
purchase labor, materials, equipment, and services for roof replacement projects. He said the
intent is to establish a contract on an as-needed basis for roofing contractors without going
through the Department of Central Services, which charges a 3.5 percent fee. It is believed that a
list of service providers can be established without going through Central Services that can save
money for the A&M System. Regent Hall asked if it will be a similar format, and Mr. Weaver
responded affirmatively. An anticipated bid opening is September 27. Regent Hall asked if this
is System wide. Mr. Weaver responded affirmatively and said any institution in the A&M
System could use this contract or go through the Department of Central Services, if preferred.

Regent Hall moved and Regent Lester seconded to authorize the Physical
Plant Services Department to establish a contract to purchase labor, materials,
equipment, and services for replacement of roofs on an as-needed basis in the
estimated annual amount of $4,000,000, including an option to renew for six
additional one-year periods.

Those voting aye: Board Members Lester, Link, Reese, Watkins, Anthony,
Burns, Davis, Hall, and Helm. No: None. Abstentions: None. Absent:
None. The motion passed.

Regent Davis moved and Regent Link seconded to ratify interim approval
granted by the Executive Secretary for Oklahoma State University to purchase
labor, materials, equipment, and services for roof replacement due to storm
damage on the OSU-CHS Health Care Center in the estimated amount of
$267,618 from Oklahoma Roofing & Sheet Metal, Inc., and to pay the
required 3.5 percent administration fee to the Department of Central Services
in the estimated amount of $9,367.
Those voting aye: Board Members Link, Reese, Watkins, Anthony, Burns, Davis, Hall, Helm, and Lester. No: None. Abstentions: None. Absent: None. The motion was approved.

**Balance of Purchase Requests**

Regent Anthony moved and Regent Link seconded to approve the balance of the Purchase Requests, subject to the availability of funds and/or the limitations of the budget.

President Hargis said in his opening comments he neglected to report that OSU's freshman class is the most diverse class OSU has ever had. Almost 25 percent of the class is from minority groups. He said Vice President Jason Kirksey and his team worked very hard on that matter. President Hargis said he is also proud to report that OSU is the No. 1 school for Native American graduates.

With respect to earlier comments about Thursday games and how such games impact the school, Regent Anthony said he is pleased about how smoothly everything went yesterday and commented on the facilities. He said he watched the recorded game and commented on the appearance of the campus. He also noted that within the televised component of the game that OSU had a very impressive advertisement he had never seen before, and he said he believed it was by far the best promotion he has ever seen for Oklahoma State University. Chairman Helm asked that the advertisement be sent to the Regents.

Regent Burns commented that he does not believe the campus has ever looked better. He commended the grounds crew. He noted that the addition of the campus-wide irrigation system helped to make the campus look outstanding. President Hargis said given the extreme heat this summer and the recent storm OSU had, it is pretty remarkable. He noted that the campus lost approximately 70 trees in the storm. He said Steve Dobbs, Rick Krysiak, and their crews are a big part of OSU's beautiful campus.

President Hargis said another item he wanted to mention is that OSU has now sold more than 11,000 student athletic tickets. Almost half the students at OSU have tickets to the games. Unlike some groups over the years, the students stay for the whole game.

The business of Oklahoma State University being concluded, President Hargis and members of the OSU administration were then excused from the meeting.
MEMORIAL RESOLUTION

WHEREAS, it has been called to the attention of the Board of Regents for Oklahoma State University and the Agricultural and Mechanical Colleges that Larry Borgelt, Associate Professor, Retired, School of Fire Protection and Safety Technology, College of Engineering, Architecture, and Technology, was claimed by death on July 1, 2011; and

WHEREAS, Mr. Borgelt, by his loyalty, attention to duty, and faithful performance rendered service as a faculty member of Oklahoma State University from July 1, 1974, to the date of his retirement, February 29, 2000, and as a citizen worthy of commemoration and respect; and

WHEREAS, his friends and Oklahoma State University have suffered irreparable loss in his passing:

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF REGENTS FOR OKLAHOMA STATE UNIVERSITY AND THE AGRICULTURAL AND MECHANICAL COLLEGES:

THAT it takes this method to express its appreciation for the years of useful service rendered by Mr. Borgelt to the State of Oklahoma and its citizens, to express respect to his memory, and to extend to the family its deep sympathy in the loss sustained, and to state that the Board and every member thereof respectfully join the friends of the deceased in mourning the passing of one of Oklahoma State University’s faculty members.

BE IT FURTHER RESOLVED, that a copy of this resolution be spread upon the minutes of the Board and a copy sent to the family of Mr. Borgelt.

Adopted by the Board the 9th day of September 2011.

Jay Hehn, Chair
Public Comments

Chairman Helm said 15 minutes are provided for members of the public who would like to address the Board, and he asked if there were any members of the public who wished to address the Board at this time.

Mr. Kevin Cox said he did not come to speak today, but noted that the Chairman called his name earlier. He said he wanted to take this opportunity to express thanks to the Board for all the months the Regents have listened to him. He said he does believe Langston is headed in the right direction, and he stated he supports Dr. Ponder 100 percent. Mr. Cox said his comments are his own as a citizen and former Legislator, and he does not speak for the alumni, students, faculty, or staff. He said he has never worked for Langston, received anything from Langston, nor is he currently working for Langston or receiving anything. Mr. Cox said he is happily retired and does not plan to go back to work.

Mr. Cox said he just wants to say that Dr. Ponder, in his opinion, is the best possible choice the Board could have made. He said he is just here as a citizen, a parent of a student at Langston, and a former Legislator who stood up for Langston University for 24 years in the Oklahoma House of Representatives. Mr. Cox said he was informed and has seen footprints of Regent Davis as a good supporter of Langston, and he expressed thanks to Regent Davis. He said he knows he will see him at the ballgames and he will be glad to take him around campus and show him the good things that have been accomplished. Mr. Cox said he just wants to express thanks to the Board.

Mr. Cox said when he was in the Legislature he received many items including plaques, medals, pins, etc. He said the awarding of the championship rings is a big thing; however, he did not realize it had to come before the Board of Regents for approval because the money was raised outside of State appropriations. He said if it is permissible with the Ethics Commission, he would like to use personal funds to purchase a championship ring for the Board members. He said he will be communicating with Dr. Wilson regarding the Board’s interest. Mr. Cox said it is only a way to say “thank you” to the Regents because those rings were hard to come by. A lot of blood, sweat, and tears were given up to earn those rings.

Mr. Cox said he has spent a lot of time in front of the Board, but it was not for anything but for the promotion of Langston and to have Langston keep on educating young people over the State of Oklahoma.

Chairman Helm said the Board not only appreciates the time Mr. Cox has taken to meet with the Board but also to be on campus. He noted that his heart is in the right place, and the Board appreciates that.
Chairman Helm called upon the Committee Chairs of the following Committees to give reports.

**Fiscal Affairs Committee**

(Business discussed by the Fiscal Affairs Committee was presented during the business of Northeastern Oklahoma A&M College, Oklahoma Panhandle State University, Connors State College, and Oklahoma State University.)

**Academic Affairs, Policy and Personnel Committee**

(Business discussed by the Academic Affairs, Policy and Personnel Committee was presented during the business of Oklahoma State University.)

**Regents’ Steering Committee Re: Langston University Presidential Selection Process**

**Approval of Outline of Procedures 2011-2012 Selection of a President for Langston University**

Regent Lester reported that the Regents’ Steering Committee recently had a conference call to consider matters relating to the search process. In the Board’s folder is the recommended Outline of Procedures 2011-2012 Selection of a President for Langston University. It calls for action by the Board Chair to act on behalf of the Board when the timing of the Board meetings necessitates that, and it also details the makeup of the Search Committee. For clarification, he said the Outline of Procedures does not detail who the people are who will serve on the Search Committee but how those people will be named. On behalf of the Steering Committee, Regent Lester requested approval of the Outline of Procedures. (The Outline of Procedures 2011-2012 Selection of a President for Langston University is attached to this portion of the minutes as ATTACHMENT A and considered a part of these minutes.)

Regent Lester moved and Regent Davis seconded to approve the Outline of Procedures 2011-2012 Selection of a President for Langston University as presented.
Chairman Helm said he hopes the Regents have had the opportunity to review the document. The Board has done a lot of searches, and through these various searches the process has been refined. The attempt is to have numerous campus groups represented on the Search Committee.

Those voting aye: Board Members Watkins, Anthony, Burns, Davis, Hall, Helm, Lester, Link, and Reese. No: None. Abstentions: None. Absent: None. The motion carried.

Approval of Special Payments

In addition, Regent Lester said as the Board members are aware, the presidential search processes require quite a bit more time for the staff members. In lieu of adding additional temporary staff, the Steering Committee recommends extra compensation to acknowledge the extra time for Shari Brecht, Cherilyn Williams, and Linda Novak. On behalf of the Steering Committee, Regent Lester recommended Board approval of the following.

Regent Lester moved and Regent Hall seconded to award special payments to Shari Brecht in the amount of $5,000, and to Cherilyn Williams and Linda Novak in the amount of $2,500, each payable at the conclusion of the search process.

Those voting aye: Board Members Anthony, Burns, Davis, Hall, Helm, Lester, Link, Reese, and Watkins. No: None. Abstentions: None. Absent: None. The motion was approved.

Board Committee Structure

Dr. Wilson said included in the Board folders is a copy of the Board Committee Structure appointed by Chairman Helm and the description of the functions and responsibilities of the various Board committees. This includes the addition of the Steering Committee for the Langston University Presidential Search. He asked that this information be placed in the official minutes of the meeting. (A copy of the Board Committee Structure is attached to this portion of the minutes as ATTACHMENT B and considered a part of these minutes.)

Approval to Settle Case Regarding the OPSU Noble Center

Mr. Drake said he previously shared with the Board a proposed settlement with Ed’s Carpetland with respect to the OPSU Noble Center litigation. He requested Board approval that President Bryant be authorized to sign an agreement regarding this matter, pending Board Legal Counsel approval.
Regent Anthony moved and Regent Lester seconded to authorize President Bryant to sign an agreement concerning a proposed settlement with Ed’s Carpetland in the OPSU Noble Center litigation, pending review by the Board’s Legal Counsel.

Those voting aye: Board Members Burns, Davis, Hall, Helm, Lester, Link, Reese, Watkins, and Anthony. No: None. Abstentions: None. Absent: None. The motion carried.

Adjournment

At approximately 11:55 a.m., Chairman Helm announced the meeting was adjourned.
OUTLINE OF PROCEDURES
2011-2012 SELECTION OF A PRESIDENT FOR
LANGSTON UNIVERSITY

It should be clearly understood that the decision to select and employ a President or to reject all candidates or to reopen the search shall at all times remain solely the responsibility of the Board of Regents. All participants in this process must hold in strictest confidence the identities of applicants for the position and the status of the process at any given time. The Board of Regents is committed to equal opportunity policies and practices and to the principles and goals of Affirmative Action. Applications from minorities and women should be sought and encouraged. The following process will be approved by the Board of Regents to be utilized in the selection of a President for Langston University.

I. Board Chair appoints a Steering Committee of Regents.

II. Steering Committee

A. will recommend to the Board the process to be followed.

B. will, if it is determined desirable, recommend for Board of Regents' approval* an executive search firm to serve as a consultant to the Steering Committee, Search Committee, and/or Board of Regents concerning the selection of the President.

C. will solicit nominations from various constituencies of Langston University for representation on the Search Committee.

D. will recommend for Board of Regents’ approval* appointments to the Search Committee. The Search Committee will be composed as follows:

- 3 Regents (Board Chair and Board Executive Secretary are ex officio members)
- 2 Faculty (University Senate to make 5 nominations)
- 2 Alumni (Alumni Association to make 4 nominations)
- 2 Students (Student Government Association to make 4 nominations)
- 1 Staff (to be appointed by the Board of Regents)
- 1 Administrator (to be appointed by the Board of Regents)
- 1 LU-OKC representative (LU-Oklahoma City Associate Vice President to make 3 nominations)
- 1 LU-Tulsa representative (LU-Tulsa Associate Vice President to make 3 nominations)
- 1 Board of Trustees for LU-Oklahoma City and LU-Tulsa representative (Board of Trustees Chair to make 2 nominations)

At-large representatives (to be nominated by Steering Committee)
(Affirmative Action Officer for Langston campus will serve in advisory capacity)
III. Search Committee

A. will recommend for Board of Regents’ approval* a statement on Position Description and Qualifications for the President of Langston University (after seeking input from the various constituencies of the University.)

B. will seek candidates through appropriate advertising and through solicitation of nominations.

C. will forward six unranked names to the Board of Regents who are acceptable and best qualified to be considered for the Presidency of Langston University.

IV. The Chair of the Search Committee will have the authority to organize the work of the Search Committee as he/she deems necessary. This might include the appointment of appropriate subcommittees to facilitate the work of the Committee.

V. Board of Regents shall make the final selection from among candidates referred by the Search Committee or may decline to make any selection and request further recommendations from this Search Committee or convene a new Search Committee in accordance with this selection criteria.

*When the scheduling of Regular meetings of the Board of Regents prohibits prompt action by the Board, the Board delegates its authority to the Chair of the Board of Regents.
