NORTHEASTERN OKLAHOMA A&M COLLEGE, MIAMI, OKLAHOMA

Dr. Jeff Hale, President, and Ms. Jessica Boles, Vice President for Fiscal Affairs, appeared before the Board of Regents to present the business of Northeastern Oklahoma A&M College and review the Agenda for members of the Board. Dr. Hale expressed appreciation to Dr. Bryant and his staff for the wonderful dinner last evening.

Dr. Hale said it is always a pleasure for him to be able to share good news about Northeastern Oklahoma A&M College through the NEO Update that is provided. The publication includes information about NEO receiving its second $2 million grant to provide better services to the Native American population in far northeast Oklahoma; the distinguished Lieutenant Governor visiting the NEO campus along with his economic development team to address some of the priorities of Oklahoma and the good things going on in northeast Oklahoma; and NEO’s participation in the statewide Mind Games competition. Dr. Hale also reported on NEO’s Homecoming, which had several activities cancelled due to weather.

Enrollment Report

Dr. Hale provided a Fall Preliminary Enrollment Report that reflects State Regents’ data that was recently published. He noted that enrollment for higher education in Oklahoma was essentially flat with a .1 percent enrollment growth over the fall of last year; however, the A&M System as a whole grew by 1,500 students this fall compared to just 100 across the state. Dr. Hale said one thing that is unique about the A&M System is that it has schools at all levels with two-year colleges, regional universities, research universities, and medical schools. To have this kind of growth reflects very positively on the institutions. Also, Dr. Hale reported that NEO increased its head count by 7.3 percent this fall over last year, and the FTE enrollment increased by approximately 7.3 percent, as well. He noted that the freshmen growth is about 6.2 percent.

Approval of Title III Grant

Dr. Hale requested Board approval to allow Northeastern Oklahoma A&M College to accept a grant from the U.S. Department of Education. He said this is the Title III grant for which NEO received notice about a month ago that it would be receiving. The grant essentially allows NEO to take three very high-demand degree areas from the Native American perspective and put those programs online. The programs would include Hospitality Management, Early Childhood Education, and Criminal Justice. Dr. Hale said NEO is one of very few institutions in Oklahoma that does not currently offer any degree programs entirely online. NEO currently does not have authorization to do so. Part of the process will be going through the A&M Board of Regents as well as the Oklahoma State Regents for Higher Education to allow NEO to offer online degree program delivery in these three areas. Because of the accreditation requirements, NEO will need to have increased online service from financial aid, academic advising, counseling services, etc. The $2 million will be directed towards helping the College proceed with online degree
programs in those three areas. Dr. Hale requested Board approval to accept the grant and to expend the allocation of the first year budget of approximately $400,000.

Dr. Hale also requested approval of a U.S. Department of Education award for the Student Support Services Grant for the period of September 1, 2011 – August 31, 2012, as presented.

Regent Hall moved and Regent Anthony seconded to allow Northeastern Oklahoma A&M College to accept grants from the U.S. Department of Education and to expend the funds according to the grant guidelines as presented in the NEO Agenda.

Approval to Purchase New Lighting

Regent Anthony moved and Regent Link seconded to authorize Northeastern Oklahoma A&M College to solicit bids and award a purchase order to the lowest and best bidder for new lighting on the NEO campus in the estimated amount of $167,000 to be paid from the Master Equipment Lease 2011A funds.

Approval of Room and Board Rates

Dr. Hale reported that the new student apartment complex on the NEO campus is scheduled to be completed by December 31, 2011. With respect to the request regarding room rates for the new housing, he said this item was discussed with members of the Fiscal Affairs Committee at its meeting this morning.

Regent Link reported that the Fiscal Affairs Committee met with the administration of Northeastern Oklahoma A&M College regarding approval of proposed rates for student housing. He said President Hale provided an NEO Student Housing Summary (a copy of which is on file in the Board of Regents’ Office as Document No. 2-10-28-11) that included financial information, occupancy and capacity information, and room rate recommendations. Regent Link reported that Dr. Hale requested approval of room rates for the new student housing complex effective for the 2012 spring semester, room rates for the new student housing complex effective for the 2012 fall semester, and room rates for the traditional dorms effective July 1, 2012.
Regent Link said President Hale noted that the $4.4 million facility is scheduled to be completed by December 31, 2011. He said the Committee voted to recommend Board approval of proposed rates for student housing as presented by the administration.

Regent Link moved and Regent Davis seconded to approve the proposed rates for student housing as presented in the NEO Agenda.

Chairman Helm said he and President Hale have worked closely on this matter. With a settlement from flood damage that the College sustained, NEO was able to build the new facility. If it were not for those funds, the room rate would be $500 per semester higher. This is a huge savings. He noted that NEO will still have the lowest rates of all the colleges in the State of Oklahoma for dormitory space, and especially for new space. Chairman Helm noted that NEO does have some challenges to face in the older dormitories and needs to remodel those areas.

Those voting aye: Board Members Davis, Hall, Helm, Lester, Link, Reese, Watkins, Anthony, and Burns. No: None. Abstentions: None. Absent: None. The motion carried.

**Balance of Agenda**

Regent Link moved and Regent Lester seconded to approve the balance of the Agenda, subject to the availability of funds and/or the limitations of the budget. (The Agenda is attached.)

Those voting aye: Board Members Hall, Helm, Lester, Link, Reese, Watkins, Anthony, Burns, and Davis. No: None. Abstentions: None. Absent: None. The motion passed.

The business of Northeastern Oklahoma A&M College being concluded, Dr. Hale and Ms. Boles were then excused from the meeting.

1. File with State Regent’s Office by the tenth of the Month following the end of the calendar quarter being reported.
2. The term employee shall mean a “full-time employee or any number of part-time employees whose combined weekly hours of employment equal those of a full-time employee; but shall not include seasonal employees.” For this report, the number of FTE employees for the reported quarter can be calculated by dividing by 519 hours (173 hours per month multiplied by three months) the total payroll hours excluding seasonal employees for the quarter.
3. This figure reflects the total number of FTE employees for the main campus, branch campus(es) and all constituent agencies.
CONNORS STATE COLLEGE, WARNER, OKLAHOMA

Dr. Tim Faltyn, President, appeared before the Board of Regents to present the business of Connors State College and review the Agenda for members of the Board. Dr. Faltyn expressed thanks to Dr. Bryant, his staff, and his family for the hospitality last evening.

Dr. Faltyn said he is a little more than 90 days into the job, and he said he and Kelly are enjoying the opportunity and the community. Items of information presented by Dr. Faltyn include the initiation of the spring 2012 enrollment, which is going very well with fully staffed recruitment and enrollment areas; the transition from the downtown campus into the new campus in Muskogee; addressing deferred maintenance on the Warner campus; and special preference and attention given by Interim Vice President Shirley Twilley to the upcoming audit.

Dr. Faltyn referenced the latest edition of Connors Connection, and he noted that the young man on the cover is Riley Duvall, a two-time National High School Rodeo Association champion. Other articles include CSC’s participation in the Mind Games competition with the Connors State College Academic Team winning its first competition against Northern Oklahoma College and defeating the Rogers State College team on Wednesday for a total of $6,000 in scholarship money thus far; the launching of the new website for Connors, which is a great deal more interactive; Connors’ Santa Gertrudis bull, “HB Hef” winning Grand Champion at the Tulsa State Fair; the sophomore team of the Livestock Judging Team earning Reserve Champion at the Tulsa State Fair and Champion at the Texas State Fair; the beginning of the basketball season with the women’s team currently ranked 11th and the men’s team ranked 8th going into the season; and the President’s Leadership Class at a welcome reception at the Muskogee campus.

With respect to the Threat Assessment Plan (a copy of which is on file in the Board of Regents’ Office as Document No. 3-10-28-11), Dr. Faltyn said this is in conjunction with Connors’ Emergency Management Guidelines that have already been established and for which training has begun. He said Connors is more prepared because of these efforts.

Dr. Faltyn noted that President Nero submitted a request and authorization was granted by the Board for an easement on the south ranch. Upon further review, there are some easements that already exist to get people into that property. Dr. Faltyn said he has had several discussions with General Counsel Charles Drake regarding this matter, and it was determined that it is not in the best interests of the College to grant that easement. He said the landowners have been told that if they could not get it worked out that they could come back to the College for further discussions. Granting an easement like that will leave the ranch exposed.

As a gift from the Connors State College Rodeo Team, Dr. Faltyn presented the Board members with a 2012 calendar. The students designed the calendar and are using it as a fundraiser.

Chairman Helm said the Board believes Dr. Faltyn is doing a wonderful job at Connors and noted that he has many ideas for the College and where it can go. The Regents are excited to see that process as it takes place.
Personnel Actions

Regent Anthony moved and Regent Lester seconded to approve the personnel actions as listed in the Connors Agenda.

Those voting aye: Board Members Helm, Lester, Link, Reese, Watkins, Anthony, Burns, Davis, and Hall. No: None. Abstentions: None. Absent: None. The motion was approved.

Reinstatement of Campus Police Force and Commissioning of Officer

Dr. Faltyn requested Board approval to reinstate the campus police force and to commission Mr. James Mendenhall as a campus police officer. He said currently the security force is contracted out; however, there were some time slots during the day that were not covered by security.

Regent Lester moved and Regent Link seconded to authorize Connors State College to reinstate its campus police force and to commission Mr. James Mendenhall as a campus police officer.

Those voting aye: Board Members Lester, Link, Reese, Watkins, Anthony, Burns, Davis, Hall, and Helm. No: None. Abstentions: None. Absent: None. The motion carried.

Implementation of P-Card Program

Dr. Faltyn requested Board approval to implement a P-Card program at Connors State College. The card will be used for travel related purposes and will be limited to the Executive Council, Athletic Department, recruiting staff, and Rodeo/Livestock competitive teams.

Regent Anthony moved and Regent Davis seconded to authorize Connors State College to implement a P-card program as presented in the Connors Agenda.

Regent Anthony said in the past there have been issues on other campuses related to the use of the P-Card, and he would recommend that the College moves forward with caution making sure that the proper checks and balances are in place.

Approval to Purchase Property Insurance for Millers Crossing Residential Housing

Dr. Faltyn requested Board approval to purchase property insurance for the CDF Millers Crossing residential housing. The amount of the annual premium is $45,000. He noted that Connors recently refinanced this project into the Master Lease program, and the College will save approximately $1.6 million; however, the deal cannot be finalized until insurance is acquired. He said Connors will purchase the insurance so the deal can be finalized and then receive a pro-rata payment from the insurance company. The buildings will then be insured under the Master Lease program.

Chairman Helm asked how long that will take, and Dr. Faltyn said it is believed it will be done in 30 days. Chairman Helm advised Dr. Faltyn to see if the agent can do a 90-day policy and instead of putting up $45,000 to put up $15,000 and then get a rebate on that. Chairman Helm said if there is a problem with this to let him know.

Balance of Agenda

Regent Hall moved and Regent Lester seconded to approve the balance of the Agenda, subject to the availability of funds and/or the limitations of the budget. (The Agenda is attached.)

Regent Anthony referenced purchase request No. 3 regarding the request to purchase security cameras. He asked how the cameras will be used. Dr. Faltyn said the cameras are on what is called a redundant system and will be placed on an electronic file. Regent Anthony asked if anyone reviews the film. Dr. Faltyn responded affirmatively and said the security office will have monitors. If, for instance, someone tried to break into a dorm, the film for the occurrence can be viewed. A number of the indoor cameras in classroom buildings and the Student Union will go to the security office. It really is about tracking people who come in and out.

Those voting aye: Board Members Reese, Watkins, Anthony, Burns, Davis, Hall, Helm, Lester, and Link. No: None. Abstentions: None. Absent: None. The motion was approved.

Fall Enrollment

Regent Burns said the handout presented by Dr. Hale reflected a comparison of all the colleges and universities across the state in terms of enrollment growth. He noted that Connors had its challenge last year, and the Board is excited about what the administration is doing to turn that around. Regent Burns asked if the reason for the enrollment drop has been identified. Dr. Faltyn said it was twofold. There was a personnel change right after he arrived on campus with the Director of Enrollment Management, and he said he believes this caused enrollment to taper off with the traditional students. In addition, for several years Connors had a fair amount of business
in educating both men and women prisoners in the area. The federal government reimbursement cuts resulted in about 100 fewer students who received an education through that program. That actually accounted for the 3 percent drop in enrollment. Dr. Faltyn said he plans to open an office in Muskogee and perhaps add a recruiter in Muskogee. He noted that the demographics are interesting because there are currently 12,000 students who are of college age and are qualified for college who have not been contacted by a college. If Connors could even get 10 percent of those prospective students, the enrollment would be back to where it was. It is believed there is a great opportunity there in Muskogee.

The business of Connors State College being concluded, Dr. Faltyn was then excused from the meeting.

LANGSTON UNIVERSITY, LANGSTON, OKLAHOMA

Dr. Henry Ponder, Interim President; Mrs. Angela Watson, Vice President for Administration and Fiscal Affairs; and Dr. Marvin Burns, Dean, School of Agriculture and Applied Sciences, appeared before the Board of Regents to present the business of Langston University and review the Agenda for members of the Board.

Chairman Helm said he hopes everyone in the audience has had the chance to meet Dr. Henry Ponder. He noted that Dr. Ponder has been gracious to accommodate the Board by serving as Interim President. He also introduced his wife, Dr. Eunice Ponder. Dr. Ponder said it is a pleasure to be here. He said this is his eighth week on the job, and every day is interesting and informative. He said he wants to thank the Board for allowing him to serve in this capacity. Dr. Ponder said it has probably been about 50 years since he has been in the Panhandle. He expressed appreciation to Dr. Bryant for the wonderful dinner last evening.

Dr. Ponder said his first Homecoming as Interim President was outstanding. The President’s Scholarship Gala, which was held the Friday evening before Homecoming, was very successful. The guests were Dionne Warwick, Pam Grier, and Jennifer Holliday. It was well attended and very successful. A concert and comedy show had standing room only for the students. The football game against Southwestern Assemblies of God was very exciting, and Langston won 41-13. The parade drew thousands of alumni, friends, well-wishers, and potential students of the University and was the largest turnout Langston has had in a long time.

Dr. Ponder said enrollment is up over last year, and the number of incidents involving unacceptable behavior is down. Langston’s Community of Scholars is working collaboratively to make this a very productive and successful year. Dr. Ponder said he is also pleased to share the latest edition of The Gazette, Langston’s student newspaper. It chronicles many of the activities that have taken place on the campus this past week. Also, Dr. Ponder said the faculty and staff of Langston are excited that the Board of Regents will hold its December meeting on the Langston campus, and the University looks forward to hosting the Regents at that time.

Chairman Helm noted the successful Homecoming coronation of the University. He also noted that the football team has a chance for finishing out the season very strong.

Personnel Actions

Regent Burns moved and Regent Lester seconded to approve the personnel actions as listed in the Langston Agenda.

Those voting aye: Board Members Watkins, Anthony, Burns, Davis, Helm, Lester, Link, and Reese. No: None. Abstentions: None. Absent: Hall. The motion was approved.
Approval to Delete Academic Programs

With respect to the request to delete two instructional programs, Chairman Helm said the Board deeply respects the intent to discontinue programs that have low enrollment. Institutions do not need to be expending funds on such programs.

Regent Lester moved and Regent Anthony seconded to authorize Langston University to delete the Bachelor of Science in International Studies degree program in the School of Business and the Associate Degree in Pre-Veterinary Science program in the School of Agriculture & Applied Sciences.

Approval to Purchase a Parcel of Land

Dr. Ponder requested Board approval to purchase a parcel of land abutting the University’s property which has been offered to the University by its owner in the amount of $2,500. He said the University has attempted to purchase this land in the past, but the owner had been unwilling to sell until recently.

Regent Anthony asked the location of this property. Dr. Ponder said the property is adjacent to the campus in the area of the foot bridge. It is on the campus side of the highway. Regent Anthony noted that this is an important piece of property for the University to acquire.

Regent Link moved and Regent Lester seconded to authorize Langston University to purchase a parcel of land abutting the University’s property (lot N2 of 5, Block 88), which has been offered to the University by its owner in the amount of $2,500, pending review by Legal Counsel that all matters surrounding this purchase are legal and in order.

Ratification of Interim Approval to Secure Entertainment

Dr. Ponder requested ratification of interim approval to enter into an agreement with Perry Publishing and Broadcasting Inc. to secure entertainers for three 2011 Homecoming concerts at a cost of $43,000.
Regent Anthony moved and Regent Lester seconded to ratify interim approval granted by the Executive Secretary to enter into an agreement with Perry Publishing and Broadcasting Inc. for the purchase of securing entertainers for the 2011 Homecoming concerts for October 12, 13, and 14, 2011, in the estimated amount of $43,000.

Regent Lester said he is aware that this represents a substantial savings from the way this had been done in the past.

Those voting aye: Board Members Davis, Helm, Lester, Link, Reese, Watkins, Anthony, and Burns. No: None. Abstentions: None. Absent: Hall. The motion was approved.

Regent Davis referenced H.3. regarding the request to enter into affiliation agreements. He said the Agenda states Logan Hospital/Medical Center in Guthrie, and he asked the administration to make sure that is the way the name is still being carried. He noted that the hospital was sold to the Mercy health network a few months ago, and he is not sure that is the way the name is still carried.

Ratification of Interim Approval to Purchase Construction Services and Materials

Dr. Ponder requested ratification of interim approval to purchase construction services and materials from the lowest and best bidder, Builders Unlimited Inc., for the historical restoration of the Cottage Row housing units on the Langston University campus in the estimated amount of $450,000. This includes five separate units. Funds are provided by the Recovery Act Stimulus Historical Grant.

Chairman Helm said this is a project that is coming back to the Board after further clarification by Mrs. Watson. Langston received a good bid, and he believes Langston is in good shape.

Regent Anthony moved and Regent Reese seconded to ratify interim approval granted by the Executive Secretary to purchase construction services and materials from the lowest and best bidder, Builders Unlimited Inc., for the historical restoration of the Cottage Row housing units on the Langston University campus in the estimated amount of $450,000.

Those voting aye: Board Members Helm, Lester, Link, Reese, Watkins, Anthony, Burns, and Davis. No: None. Abstentions: None. Absent: Hall. The motion was approved.
Balance of Agenda

Regent Watkins moved and Regent Davis seconded to approve the balance of the Agenda, subject to the availability of funds and/or the limitations of the budget. (The Agenda is attached.)

Those voting aye: Board Members Helm, Lester, Link, Reese, Watkins, Anthony, Burns, and Davis. No: None. Abstentions: None. Absent: Hall. The motion carried.

Chairman Helm noted that there will be further discussions about Langston University in the Committee reports.

Regent Anthony noted that a very famous alumnus of Langston University, Marques Haynes, will be inducted into the Oklahoma Hall of Fame next month. He said that Mr. Haynes is a distinguished graduate of Langston and is probably known as the greatest dribbler to ever play the game of basketball.

The business of Langston University being concluded, Dr. Ponder and members of the Langston administration were then excused from the meeting.

The term employee shall mean a "full-time employee or any number of part-time employees whose combined weekly hours of employment equal those of a full-time employee; but shall not include seasonal employees." For this report, the number of FTE employees for the reported quarter can be calculated by dividing by 510 hours (173 hours per month multiplied by three months) the total payroll hours excluding seasonal employees) for the quarter.
3. This figure reflects the total number of FTE employees for the main campus, branch campus(es) and all constituent agencies.

Langston University Quarterly Report

- Lane fence line and pens on west pasture constructed to catch cattle.
- Used bull dozer to dig out and fix some farm ponds.
- Used bull dozer to make roads through woodlands and across creeks to make areas more accessible by vehicles.
- Due to extreme drought, the hay meadow did not produce enough forage to cut and bale, so the meadow will be left fallow this season.

President Burns Hargis and members of the OSU administration appeared before the Board of Regents to present the business of Oklahoma State University and review the Agenda for members of the Board.

Chairman Helm noted that the OSU women’s soccer team won the Big XII championship with a 2-0 win last evening. This is the fifth conference title for women’s soccer. While on the subject of athletics, President Hargis said the Big XII Conference announced this morning that it has accepted the application of West Virginia University to become a member of the Conference. President Hargis said the Conference is very excited about this addition because West Virginia is a great institution with great athletic programs. Adding Texas Christian University and West Virginia University will bring a lot of excitement to the Conference. Chairman Helm said the Board appreciates the time that the new Chairman of the Big XII Conference, President Hargis, has devoted to realignment and expansion issues of the Conference.

President Hargis said he wants to join everybody else in thanking David Bryant and his staff for the great dinner last evening. He said it is always a delight to meet the community people in this area.

President Hargis referenced the OSU Accomplishments, which highlights a number of exciting things that are happening on the OSU campus—none more exciting than the impending Homecoming celebration, which has been going on all week. For those engaged in house decorations, plans and preparations have been going on for several months. From just looking at the work that has been done so far, President Hargis said it will be exciting and the best ever. The house decorations get more and more sophisticated every year. It appears that the weather will be good this year, unlike last year when it rained. On Saturday, OSU will have the parade along with several other ongoing activities all day for the alumni who come to enjoy their alma mater. For the Homecoming game, OSU will host the Baylor Bears at 2:30 p.m. on Saturday.

Adoption of Memorial Resolutions

President Hargis presented information on behalf of Lester Johnson, Professor, Retired, Veterinary Clinical Services, Center for Veterinary Health Services; Ranga Komanduri, Nelson Chair and Regents Professor, Mechanical and Aerospace Engineering, College of Engineering, Architecture, and Technology; Larry A. Lundholm, Director, Retired, OSU Physical Plant Project Support Services; and Rudolph W. Trenton, Professor, Retired, Economics and Legal Studies in Business, Spears School of Business. President Hargis presented Memorial Resolutions for Dr. Johnson, Dr. Komanduri, Mr. Lundholm, and Dr. Trenton and recommended their adoption. (The Memorial Resolutions are attached to the minutes as ATTACHMENTS A-D and considered a part of these minutes.)
Regent Lester moved and Regent Anthony seconded to adopt the Memorial Resolutions for Lester Johnson, Ranga Komanduri, Larry A. Lundholm, and Rudolph W. Trenton as presented.

Those voting aye: Board Members Lester, Link, Reese, Watkins, Anthony, Burns, Davis, Hall, and Helm. No: None. Abstentions: None. Absent: None. The motion was approved.

President Hargis requested Vice President Weaver to present information pertaining to Academic Affairs and Administration and Finance:

Personnel Actions

On behalf of Provost Robert Sternberg who is absent from the meeting, Mr. Weaver said he is pleased to present the personnel actions for the Oklahoma State University campuses. He presented six pages of personnel actions and recommended their approval with the exception of those requests pertaining to separation, retirement, and death, which are included as information items only. (These recommendations are listed on pages D-3.1 through D-3.6 of the OSU Agenda, which is on file in the Board of Regents’ Office as Document No. 1-10-28-11.) He said the actions include 3 new appointments, 13 changes in title and/or rates, 1 leave of absence, and 3 sabbatical leave requests. For information, the separations are listed on page D-3.6.

Chairman Helm said this matter has been studied very carefully. He noted that there are deed restrictions associated with this sale. He feels very comfortable with this sale and believes it will enhance the clean up in the area. Regent Anthony said he assumes OSU has no long-term proposed use for the land, and Chairman Helm said this is correct.

Those voting aye: Board Members Burns, Davis, Hall, Helm, Lester, Link, Reese, Watkins, and Anthony. No: None. Abstentions: None. Absent: None. The motion carried.

Those voting aye: Board Members Hall, Helm, Lester, Link, Reese, Watkins, Anthony, Burns, and Davis. No: None. Abstentions: None. Absent: None. The motion was approved.

H-2 Approval of a Police Services Agreement with the City of Stillwater to Provide Police Protection

Mr. Weaver requested Board approval for a police service agreement between the Board of Regents for the Oklahoma Agricultural and Mechanical Colleges acting for and on behalf of Oklahoma State University and the City of Stillwater for the purpose of providing police protection for property and persons within each of its own jurisdictional areas. This agreement was signed earlier this month by the Mayor on behalf of the City Council of Stillwater.

Regent Anthony moved and Regent Reese seconded to approve a police service agreement between the Board of Regents for the Oklahoma Agricultural and Mechanical Colleges, acting for and on behalf of Oklahoma State University, and the City of Stillwater for the purpose of providing police protection for property and persons within each of its own jurisdictional areas.

Regent Anthony noted that this is just putting in writing what has been practiced as standard procedures.

Those voting aye: Board Members Helm, Lester, Link, Reese, Watkins, Anthony, Burns, Davis, and Hall. No: None. Abstentions: None. Absent: None. The motion carried.

H-3 Approval to Negotiate Electrical Services with OG&E and Authorize the OSU President to Execute the Contract

Mr. Weaver requested Board approval to negotiate electrical services with OG&E for the Stillwater campus. He said this matter was discussed with members of the Fiscal Affairs Committee at its meeting this morning.
Regent Link reported that the Committee met with members of the OSU administration at its meeting this morning concerning approval to negotiate electrical services with OG&E for the Stillwater campus and to authorize the OSU President to execute the contract pending Board Legal Counsel review and approval. He said OSU desires to purchase and utilize wind energy generated by a new Wind Facility to be located in Blackwell, Oklahoma, and supplemented by electric service from OG&E’s system. The purchase of the wind energy will enable the University to reduce its carbon footprint by 65 percent. Funding will be provided through current utility rates. Regent Link reported that the Committee received information from an assessment conducted by C.H. Guernsey & Co. as well as information provided by a representative of OG&E who also addressed the Committee. The Committee voted to recommend Board approval to negotiate electrical services with OG&E and to authorize the OSU President to execute the contract as presented by the administration, pending consultation with and agreement from Regents Helm, Burns, and Link.

Regent Link moved and Regent Davis seconded to authorize Oklahoma State University to negotiate electrical services with OG&E and to authorize the OSU President to execute the contract as presented by the administration, pending consultation with and agreement from Regents Helm, Burns, and Link.

Regent Reese disclosed that he owns property that may be within the Wind Farm, so he will abstain from the vote.

Regent Link asked Mr. Weaver if there will be some publicity or press release upon completion of the agreement. Mr. Weaver said absolutely, and it is OSU’s intention to make such an announcement some time during the OSU/OU football game if timing allows. Chairman Helm said he would like to thank the Fiscal Affairs Committee and Regent Burns for their due diligence in working through this. He said the Board has a solemn promise from Vice President Weaver that it will see such actions at an earlier time in the future.

Those voting aye: Board Members Lester, Link, Watkins, Anthony, Burns, Davis, Hall, and Helm. No: None. Abstentions: Reese. Absent: None. The motion was approved.

I-1 Approval to Begin the Consultant Selection Process for a Construction Manager At Risk to Assist the University in the Design and Construction of a New Civil Engineering Laboratory Building

Mr. Weaver requested Board approval to begin the selection process for a Construction Manager At Risk firm to assist the University in the design and construction of a new Civil Engineering Laboratory building, commonly referred to as the Structures Lab. This item was also discussed with members of the Fiscal Affairs Committee.
Regent Link reported that the Committee met with the OSU administration regarding approval to begin the consultant selection process for a Construction Manager At Risk firm to assist the University in the design and construction of a new Civil Engineering Laboratory building. He said Mr. Weaver reported that the Department of Environmental Engineering has long wished to build a new lab, which will be located at the northeast corner of McElroy and Willis Street in the northwest area of the campus. It will provide state-of-the-art facilities for ongoing engineering research and will be funded through industry donations and other legally available funds. The Committee voted to recommend Board approval to begin the consultant selection process.

Regent Link moved and Regent Reese seconded to authorize Oklahoma State University to begin the selection process for a Construction Manager At Risk firm to assist the University in the design and construction of a new Civil Engineering Laboratory building as presented in the OSU Agenda.

Those voting aye: Board Members Link, Reese, Watkins, Anthony, Burns, Davis, Hall, Helm, and Lester. No: None. Abstentions: None. Absent: None. The motion carried.

I-2 Approval to Begin the Consultant Selection Process for an Architect to Assist the University in the Design and Construction of a New Academic Building

I-3 Approval to Begin the Consultant Selection Process for a Construction Manager At Risk to Assist the University in the Design and Construction of a New Academic Building

Mr. Weaver requested Board approval to begin the selection processes for an Architect and a Construction Manager At Risk to assist the University in the design and construction of a new academic building to house classrooms, student services, and faculty offices for Oklahoma State University-Tulsa and Oklahoma State University-Center for Health Sciences. He said these two requests were discussed with members of the Fiscal Affairs Committee.

Regent Link said the Committee met with the OSU administration concerning approval to begin the consultant selection processes for an Architect and a Construction Manager At Risk firm to assist the University in the design and construction of a new academic building for Oklahoma State University-Tulsa and Oklahoma State University-Center for Health Sciences. He said Mr. Weaver reported that to cost effectively address the needs of both campuses, a joint facility is proposed to be located on land available at the OSU-Tulsa campus. OSU-CHS plans to significantly increase the number of medical students in the next five years and will need a building that accommodates larger class sizes. The OSU-CHS medical students will use the classrooms during the day, and OSU-Tulsa students will use the classrooms in the evening if the demand requires. The new building will also include additional student service areas and much needed additional offices for faculty. Funding for the work through the schematic design phase will be provided by OSU-Tulsa and CHS capital funds. Further funding will likely come from a combination of donations, reserves, and other legally available funds. This project has been
unanimously approved for recommendation by both the OSU-Tulsa Board of Trustees and the University Center at Tulsa Authority Board. Regent Link reported that the Committee voted to recommend approval of these requests as presented by the administration.

Regent Link moved and Regent Hall seconded to authorize Oklahoma State University to begin the selection processes for an Architect and a Construction Manager At Risk firm to assist the University in the design and construction of a new academic building to house classrooms, student services, and faculty offices for OSU-Tulsa and OSU-Center for Health Sciences as presented.

J Approval of Purchase Request Items

Mr. Weaver presented the purchase request items and recommended their approval from the lowest and best bidder or through the competitive bidding process, subject to the availability of funds and/or the limitations of the budget. (The purchase requests are listed on pages 6 and 7 of the OSU Agenda, which is on file in the Board of Regents’ Office as Document No. 1-10-28-11.)

Regent Hall moved and Regent Davis seconded to approve the purchase requests as listed in the OSU Agenda (purchase requests Nos. 1-7, pages 6 and 7, OSU Agenda).

Regent Anthony referenced purchase request No. 4 regarding the request for the Field and Research Service Unit to exchange four units of existing John Deere equipment with approximately 200 hours of use/unit for new John Deere equipment of equal value. He asked how OSU is able to swap used equipment for new equipment. Mr. Weaver said OSU has entered into a program with John Deere whereby if OSU trades in equipment with less than 200 hours of use, John Deere will give OSU the most recent model to replace the equipment at no cost to the University. Regent Burns asked if this is for promotional use by John Deere, and Mr. Weaver said this is correct. Mr. Weaver said the motivation of John Deere is to have OSU students and faculty utilizing the latest equipment.

Those voting aye: Board Members Watkins, Anthony, Burns, Davis, Hall, Helm, Lester, Link, and Reese. No: None. Abstentions: None. Absent: None. The motion passed.

The business of Oklahoma State University being concluded, President Hargis and members of the OSU administration were then excused from the meeting.

Dr. David Bryant, President, appeared before the Board of Regents to present the business of Oklahoma Panhandle State University and review the Agenda for members of the Board. (The Agenda is attached.)

On behalf of the Board of Regents, Chairman Helm expressed appreciation to Dr. Bryant for the wonderful dinner last evening. He said the professor who provided a history of the Panhandle was very informative and entertaining. Dr. Bryant said it has been his pleasure to host the meeting.

Approval to Proceed with Construction Projects

Dr. Bryant reported that OPSU received approval at the September Board meeting to enter into an agreement with Wiley Hicks Jr. Inc. to serve as the Construction Manager At Risk (CMAR) for various projects with the understanding that for each project information regarding the scope of the project, fee, and the projected cost would be provided. Such information has been provided for the sewer lagoon project and the sidewalk and guttering project. The contract with the CMAR basically states that for projects costing $100,000 - $1,000,000, the fee would be 5 percent, and for projects costing less than $100,000, the fee would be 6 percent. For the sewer lagoon project, the CMAR fee is $43,790, which represents 5 percent of the project cost of $875,798. With respect to the sidewalk and guttering project, the CMAR fee is $4,900, which represents 6 percent of the project cost of $81,675.

Dr. Bryant noted that the amounts have been changed for the sidewalk and guttering project since the initial mailing to the Board because the bids from the subcontractors were received yesterday.

Regent Davis moved and Regent Reese seconded to authorize Oklahoma Panhandle State University to proceed with the sewer lagoon and land application improvements project for the sanitary sewer system and the sidewalk and gutter improvements project to meet ADA requirements as presented in the OPSU Agenda.

Those voting aye: Board Members Anthony, Burns, Davis, Hall, Helm, Lester, Link, Reese, and Watkins. No: None. Abstentions: None. Absent: None. The motion was approved.

Chairman Helm said the Board wants to congratulate OPSU on the record enrollment for this year.

The business of Oklahoma Panhandle State University being concluded, Dr. Bryant was then excused from the meeting.

Panhandle State Foundation received the largest donation in the history of the institution, a $1 million gift from the Rule of Law Education Fund which was made possible through the joint efforts of Oklahoma attorneys Douglas E. Burns and Terry L. Stowers of Burns & Stowers, P.C. in Norman, Okla., Allan DeVore of the DeVore in Oklahoma City and R. Jamie Kee of Trippet, Kee, Trippet & Parsons in Beaver and Hooker, Okla. The gift will establish The Rule of Law Education Scholarship Fund. OPSU students chosen for awards from this grant must meet certain criteria including being an Oklahoma citizen and an undergraduate during the period of the award, as well as qualify for financial assistance in order to pursue a degree.

Congratulations to the 2010-2011 OPSU volleyball team! The group continues to excel in the classroom and won recognition from the American Volleyball Coaches Association (AVCA) for the second consecutive year. In order to qualify, a team must attain a minimum of a 3.3 grade average (on a 4.0 scale) for the full academic year.

OPSU’s preliminary fall 2011 figures show 1,463 individual students enrolled at the institution, the highest number ever reported according to official records on file with the Oklahoma State Regents for Higher Education (OSRHE). The number reflects a 5% increase compared to the fall 2010 figures. In addition, OPSU has recorded the second-highest number of total credit hours. Students are enrolled in 19,693 hours, representing a 4% increase over the fall of 2010. Dr. Bryant said, “I am gratified to be a part of this historic event at OPSU. Faculty members, coaches, advisors, and staff members have increased their focus on student satisfaction and are responsible for our recruitment and retention success.”

Of the 11 regional, 4-year universities in the state, OPSU posted the highest graduation rate of first-time, full-time freshmen in the 2009-2010 academic year. Using data from each institution under its governance, the Oklahoma State Regents for Higher Education (OSRHE) reported that OPSU graduated 39.1% of its first-time, full-time freshmen within 6 years.
Tony Hardman

Tony, a native of Provo, Utah, joined the OPSU faculty this summer as Director of the Marvin E. McKee Library. In addition to his excellent qualifications for the position, he also brings a unique expertise with him.

After completing a bachelor's degree in Theater Arts and Communications at Southern Utah University, Tony then earned a Master's of Library Science at Brigham Young. He has worked in public and school libraries across the Southwest including Utah, Arizona, and Oklahoma and also taught English as a second language in Japan for two years. He enjoyed Asian culture so much that he said his favorite book is what he considers the Japanese “War and Peace,” an epic novel entitled “The Tale of the Genji.”

His career also includes an interesting twist. For 5 years, he went out on his own as a professional storyteller, and at one point, he toured 12 states and performed in 300 schools in 10 months. He particularly enjoys weaving tales for children and hopes to use his dramatic telling of ghost stories, historical tales, and folklore to draw community members to campus. He is a member of Oklahoma’s statewide storytelling organization, Territory Tellers, and also serves on the Board of Directors. Tony has performed at each of the 5 Spirit of Oklahoma Storytelling Festivals that have been held and plans to continue actively participating in the Festival.

This professional actor has a wide repertoire of stories, including some about Oklahoma and he plans to explore the Panhandle area so he can add local accounts to his colorful collection.

We look forward to Tony bringing his knowledge to manage the day-to-day operations of McKee Library and sharing his gift for drama with area residents.

Daniel Betti

From New York to Texas and other points in between, Daniel has landed at OPSU to teach political science courses. A native of Poughkeepsie, he earned his bachelor's in political science at Mary Washington College in Fredericksburg, Va.

Daniel returned home for a short time to decide on a graduate school and ended up going straight into Texas A&M's political science Ph.D. program. “At the time, they were recruiting and they offered me a great package,” Daniel said. He earned his degree in August of 2010.

He accepted a 1-year position at Wittenberg Univ. in Springfield, Ohio as an assistant visiting professor before moving to Goodwell. He teaches both lower and upper level courses, and in fact, is enjoying the challenge of teaching constitutional law this semester, a class he had not taught before. The self-professed fan of Socrates said he likes examining all of the “big ideas” that history, philosophy and government offer as well as the opportunity to continue learning that his job offers.

When he's not reading old books or discussing ideas with students, he practices rock and roll on his bass guitar, hikes, and follows football, specifically Texas A&M and the Washington Redskins.

Dan said he enjoys being at OPSU and is impressed with the dedication he has found among the students. He encourages them to express their ideas and opinions and the assistant professor displays a passion for educating students as well as himself.

MATTERS PERTAINING TO THE BOARD OF REGENTS FOR THE OKLAHOMA AGRICULTURAL AND MECHANICAL COLLEGES OF INTEREST TO ALL THE UNIVERSITIES/COLLEGES MEETING OF OCTOBER 28, 2011

Chairman Helm called upon the Committee Chairs of the following Committees to give reports.

Fiscal Affairs Committee

(Business discussed by the Fiscal Affairs Committee was presented during the business of Northeastern Oklahoma A&M College and Oklahoma State University.)

Regents’ Steering Committee Re: Langston University Presidential Selection Process

Regent Lester said following approval of Chairman Helm of the composition of the Search Committee, the members were contacted and met in an organizational meeting on October 20, 2011. Also in attendance at that meeting was Dr. George Ayers of Ayers & Associates, Inc., the search consultant. He said Dr. Ayers provided excellent information to the Committee, and as a result of his involvement in the search process the Committee is very optimistic about the creation of a strong pool of candidates. It is anticipated that the next meeting of the Search Committee will be November 17, at which time the Committee will determine those candidates who will be invited for face-to-face interviews with the Search Committee.

Approval of Position Description and Selection Criteria and Qualifications Statements

Regent Lester said the Board members have been provided with a copy of the Position Description and Selection Criteria and Qualifications statements recommended by the Search Committee for the position of President, Langston University. On behalf of the Search Committee, Regent Lester made the following motion. (The Position Description and the Selection Criteria and Qualifications statements for the position of President, Langston University, are attached to this portion of the minutes as ATTACHMENTS A and B, respectively.)

Regent Lester moved and Regent Watkins seconded that the Board approve the Position Description statement and the Selection Criteria and Qualifications statement for the position of President, Langston University.

Chairman Helm said he would like to thank the Steering Committee for the wonderful selection of the Search Committee. He complimented Regents Lester, Watkins, and Davis for their agreement and willingness to serve in this capacity and for their selection of great representatives from the faculty, staff, students, and alumni. It appears to be a dynamic committee.
Those voting aye: Board Members Burns, Davis, Hall, Helm, Lester, Link, Reese, Watkins, and Anthony. No: None. Abstentions: None. Absent: None. The motion was approved.

Executive Session

In addition, Regent Lester said there are other issues related to the Langston University President that would more appropriately be discussed in Executive Session. Pursuant to the Oklahoma Open Meeting Act, which allows executive sessions for this type of discussion, he made the following motion.

At approximately 11:40 a.m., Regent Lester moved and Regent Davis seconded that the Board convene into Executive Session, if so approved by the required number of Board members present, for the purpose of considering information relevant to the employment of a President of Langston University. (Oklahoma Open Meeting Act §307B.1.)

Those voting aye: Board Members Davis, Hall, Helm, Lester, Link, Reese, Watkins, Anthony, and Burns. No: None. Abstentions: None. Absent: None. The motion carried.

Open Session

At approximately 12:10 p.m., Regent Anthony moved and Regent Davis seconded that the meeting reconvene in Open Session.

Those voting aye: Board Members Hall, Helm, Lester, Link, Reese, Watkins, Anthony, Burns, and Davis. No: None. Abstentions: None. Absent: None. The motion carried.

At this time, Regent Lester said he would like to acknowledge that the Board is in receipt of several communications recommending the appointment of numerous candidates as the permanent President of Langston University. He said he believes he can speak on behalf of the Board that it certainly appreciates the interest of these various groups and individuals. Nevertheless, the search process this Board has long established for all of its institutions is tried and true, and it is his belief the Board should allow that process to work to let all the friends of Langston University participate in the selection of the best person to serve as the next President of Langston University.
Regent Lester moved and Regent Davis seconded that the Board affirm its intentions to proceed with the Langston University Presidential Search process according to the Outline of Procedures previously approved by the Board.

Those voting aye: Board Members Hall, Helm, Lester, Link, Reese, Watkins, Anthony, Burns, and Davis. No: None. Abstentions: None. Absent: None. The motion passed.

Executive Secretary Search Committee

Chairman Helm said following the notice by Doug Wilson of his plan to retire as Executive Secretary, he appointed Regent Joe Hall to chair a committee composed of Regents Anthony and Burns, and himself as an ex officio member, to conduct the search for the next Executive Secretary. Chairman Helm called on Regent Hall to make a report on behalf of the Search Committee.

Approval of Position Description for the Position of Executive Secretary

Regent Hall said the Committee conducted a conference call to review a position description, advertising, and other matters related to the search. In the Board folder is a document titled, Position Description, Executive Secretary, Board of Regents for the Oklahoma Agricultural and Mechanical Colleges. This document has been reviewed by several members of the staff of the Board of Regents and members of the Search Committee. At this time, Regent Hall said he would move for approval of the document. (The Position Description, Executive Secretary, Board of Regents for the Oklahoma Agricultural and Mechanical Colleges is attached to this portion of the minutes as ATTACHMENT C and considered a part of these minutes.)

Regent Hall moved and Regent Anthony seconded to approve the Position Description, Executive Secretary, Board of Regents for the Oklahoma Agricultural and Mechanical Colleges as presented.

Chairman Helm said in the Board folder is a letter from him as Chairman of the Board to President Hargis. He said at this time he will accept a motion for the Board to authorize his execution of the document. This involves discussion the Board had with Dr. Wilson as he informed the Board of his pending retirement, and it authorizes him to transmit this
correspondence to President Hargis. (A copy of the letter executed by Chairman Helm is on file in the Board of Regents' Office as Document No. 4-10-28-11.)

Regent Watkins moved and Regent Davis seconded to authorize Chairman Helm to execute a correspondence pertaining to the pending retirement of Doug Wilson and to authorize its submission to President Hargis.

This includes the addition of the Executive Secretary Search Committee. He asked that this information be placed in the official minutes of the meeting. (A copy of the Board Committee Structure is attached to this portion of the minutes as ATTACHMENT D and considered a part of these minutes.)
