MATTERS PERTAINING TO THE BOARD OF REGENTS FOR THE OKLAHOMA AGRICULTURAL AND MECHANICAL COLLEGES
OF INTEREST TO ALL THE COLLEGES MEETING OF JANUARY 24, 2014

Order of Business

Regent Burns moved and Regent Watkins seconded to approve the Order of Business as presented.

January 24, 2014

Approval of Minutes

Regent Lester moved and Regent Watkins seconded to approve the minutes of the December 6, 2013, Regular Meeting of the Board of Regents for the Oklahoma Agricultural and Mechanical Colleges.

Approval of Future Board Meetings

Chairman Link announced that the next regular meeting of the Board of Regents is scheduled to convene on March 7, 2014, in the Council Room, 412 Student Union, on the campus of Oklahoma State University, Stillwater, Oklahoma. In addition, a meeting is scheduled to convene on April 25, 2014, on the Three Rivers Port Campus, 2501 N. 41st Street East, Connors State College, Muskogee, Oklahoma. Chairman Link asked for a motion to confirm this meeting.

Regent Anthony moved and Regent Reese seconded to approve the meeting scheduled for April 25, 2014, on the Three Rivers Port Campus, 2501 N. 41st Street East, Connors State College, Muskogee, Oklahoma.

Dr. David Bryant, President, appeared before the Board of Regents to present the business of Oklahoma Panhandle State University and review the Agenda for members of the Board.

Dr. Bryant expressed appreciation to President Bill Path, his wife, Deb, and the staff and students for the outstanding hospitality. He said the dinner last evening was tremendous.

Dr. Bryant reported that the Oklahoma Bond Authority sale of bonds for the refunding request for the Aggie Apartments, LLC, in the amount of $5,800,000 is scheduled for the end of February or first of March, 2014. He said the agenda states the end of January; however, as of yesterday it appears this will be moved to a later date.

Dr. Bryant also reported that the Noble Center roof repairs are scheduled for March, 2014, and he is very glad to get that project underway.

With respect to spring enrollment, Dr. Bryant reported that OPSU is tracking close to last year. As of this morning, headcount enrollment is 3.7 percent ahead of last spring, and credit hours are .1 percent ahead. The preliminary spring enrollment figures will be locked in next week, and the figures will be reported to the Oklahoma State Regents for Higher Education. Dr. Bryant said he anticipates that OPSU will lose a few credit hours between now and then, but it will still be very close to the numbers reported.

Other items of information include OPSU junior Katy Doke and her horse bringing home their second national championship earning the Collegiate Year End Title at the National Versatility Ranch Horse Association’s National Finals; the OPSU Equestrian Team being named Reserve Champion Team for day one of the Intercollegiate Horse Show Association show; and the success of the OPSU Computer Information Systems students who recently won their 100th top ten finish in regional and national competitions, which includes five national championships and seven regional championships.

**Energy Conservation and Utility Maintenance Contract**

Dr. Bryant requested Board approval to purchase services for energy conservation and utility maintenance. He said this agreement will replace the existing service agreement with Johnson Controls, Inc. In addition to energy conservation and utility maintenance, the proposed agreement will include ongoing utility consulting services, inspections, and training of OPSU staff. Dr. Bryant said the proposed agreement will be for one year with the option to renew annually for additional one-year periods by mutual agreement. He said OPSU will use the regular bidding process regarding this request.
Regent Anthony moved and Regent Reese seconded to authorize Oklahoma Panhandle State University to bid and purchase services for energy conservation and utility maintenance as presented.

The motion carried.

The business of Oklahoma Panhandle State University being concluded, Dr. Bryant was then excused from the meeting.
January 15, 2014

Board of Regents for Oklahoma A & M Colleges

Dear Board Members,

Subject to the budgetary limitations and availability of funds, the following expenditures are submitted for Board Approval with purchases to be coordinated through the Board Purchasing Office.

Part A---General Information/Reports Requiring No Action By the Board

1. The Oklahoma Bond Authority sale of bonds for the refunding request for the Aggie Apartments, LLC in the amount of $5,800,000 is scheduled for the end of January 2014.

2. The Noble Center roof repairs are scheduled for March 2014.

Part B---Resolutions

None

Part C---Policy and Operational Procedures

None

Part D---Personnel Actions

None

Part E---Instructional Programs

None

Part F---Budgetary Actions

None

Part G---Other Business and Financial Matters

None
Part H---Contractual Agreements (other than construction and renovation)

Board approval is requested to purchase services for energy conservation and utility maintenance. This agreement will replace the existing service agreement with Johnson Controls, Inc. In addition to energy conservation and utility maintenance, the proposed agreement will include on-going utility consulting services, inspections, and training. The proposed agreement will be for one year with the option to renew annually for additional one-year periods by mutual agreement. (bid)

Part I---New Construction or Renovation of Facilities

None

Part J---Purchase Requests

None

Part K---Student Services/Activities

None

Part L---New Business Unforeseen At Time Agenda Was Posted

None

Part M---Other Information Matters Not Requiring Action of the Board

1. OPSU junior Katy Doke and her horse, “Mr. Chics Dig It”, brought home their second national championship, earning the Collegiate Year End Title at the National Versatility Ranch Horse Association’s National Finals in Queen Creek, Arizona.

2. The OPSU Equestrian Team competed in the Intercollegiate Horse Show Association show at Lincoln, Nebraska and was named the Reserve Champion Team for day one of the event.

3. OPSU Computer Information Systems students recently won their 100th top 10 finish in Association of Information Technology Professionals regional and national competition. Among these awards are five national championships and seven regional championships.

4. The December and January President’s Update Newsletters are attached.

5. The November & December 2013 Summary of Out-of-State Travel report is attached.

6. The FTE report for the quarter ending December 31, 2013 is attached.

Respectfully submitted,

David A. Bryant
President
President’s Update
A monthly newsletter from the Office of the President

Dec. 7  Women’s Basketball vs. Texas A&M International, 2 p.m.
Dec. 9-12  Finals
Dec. 16  Final grades due at noon
Dec. 24-Jan. 2  OPSU will close for the holidays beginning Dec. 24 and will reopen Jan. 2.
Jan. 9  Women’s Basketball vs. UA-Ft. Smith, 5:30 p.m.
      Men’s Basketball vs. UA-Ft. Smith, 7:30 p.m.
Jan. 11  Women’s Basketball vs. Rogers State, 1 p.m.
      Men’s Basketball vs. Rogers State, 3 p.m.
Jan. 12  Men’s Basketball vs. Arlington Baptist College, 2 p.m.
Jan. 13  Back-to-School Breakfast
      Serving begins at 7:30 a.m. and meeting begins at 8 a.m.
Jan. 15  Classes begin

Pianist and OPSU music instructor, Dr. Michael Rector, just returned from a successful concert tour in Korea. Rector and his wife, pianist Sylvia Hong, performed for the opening ceremony of the new Far East Broadcasting Company headquarters building in Seoul. In addition to the FEBC celebrations, Michael and Sylvia presented concerts and master classes in piano and chamber music at local universities.

The annual Interscholastics FFA Contest was held on Nov. 12. Sixteen Career Development Events (CDE's) plus 11 speech contests were conducted on the Oklahoma Panhandle State University campus as well as the school farm to host more than 550 contest entries. Teams came from across the states of Oklahoma, Kansas and Colorado to compete against fellow future leaders of the agriculture industry.

The OPSU Teacher Education Program had six student teachers serving a semester-long internship in area schools this fall. All six of our student teachers have received “above average” to “high praise” for their internships this fall from their cooperating teachers.

As part of an Argentine Exchange Program, OPSU student, Eldi Barrios, had the experience of a lifetime last semester when she traveled to Argentina for classes at Universidad Nacional de Villa Maria (UNVM). This semester, UNVM student, Fausto Vercellino is taking classes at OPSU.

Congratulations to Junior Katy Doke and her horse, “Mr. Chics Dig It” (RJ). They traveled to Queen Creek, Arizona to compete in the National Versatility Ranch Horse Association’s National Finals and brought home their second National Championship, earning the Collegiate Year End title.
OPSU Featured Faces
It's 5 a.m. on a Monday morning in November and the temperature is in the teens. Across the campus of OPSU sounds of shovels moving snow and scraping ice can be heard. Skip eight months ahead on the calendar and you will find the same crew mowing grass in 100+ degree weather. For many visiting OPSU, the beauty of the campus is the first thing that captures their attention. Snow or sun, the hard working employees of the OPSU Grounds Crew under the supervision of Ray Ortiz are busy keeping OPSU looking its best!

The crew maintains all University property aside from the school farm. Not only does this include the entire campus area, but also the sports fields, golf course, sewer lagoon, and the Married Student Housing/Aggie Annex Apartments. They also do work at the Goodwell Garden Park as well as the No Man’s Land Museum.

In the warmer months, employees of the Grounds Crew can be seen around campus mowing, spraying, and fertilizing. The winter months are the perfect time for equipment maintenance and storage clean-up when there isn’t snow or ice on the ground. The crew does daily trash clean-up around campus.

Additional duties range from the installation and maintenance of campus sprinkler systems to grooming trees. Ortiz and his guys work all campus events from the Annual Chili Cook-off to the Commencement barbecue. They can also be seen preparing the football field for home games. From painting crosswalks to hanging Christmas lights, the Grounds Crew works hard to keep OPSU looking great all year around.

Ortiz is currently in his fourth year as OPSU Ground Maintenance, Motor Pool and Storage supervisor. When complimented about the campus looking great, Ortiz is quick to credit the guys working for him as well as the support of Dr. Bryant, Larry Peters and Bob Scott. Ortiz said “I get the compliments, but I couldn’t do it without the guys.”

Mike Lamar is the crew leader with 10 years of experience. Other team members include Manuel Cazares, Jose Cazares, Jose Magallanes and Keith Englishbey. Robert Lamar works in the Motor Pool as a Maintenance Repairman.

David A. Bryant, President
2013 in Review

The 61st Annual Oklahoma Panhandle State University Performance Tested Bull Sale was held February 18, 2013. Fifty-two bulls brought $142,100 for an average of $2732.69.

As part of an ongoing exchange program, OPSU student Eldi Barrios traveled south at the beginning of February to attend Universidad Nacional de Villa Maria (UNVM) located in Córdoba Province, Argentina. Buenos Aires native, Fausto Vercellino, completed a semester of classes at OPSU during the 2013 fall semester.

The rodeo team had a record-breaking 11th Annual Doc Gardner Memorial Top Hand Auction. Approximately $30,000 was raised which will be used to provide practice livestock, feed and facility upkeep for the team throughout the year.

In April, as part of the “Rails to Our Future” exhibit at the No Man's Land Museum, a reception was held at the OPSU Student Union Ballroom featuring the Harvey House Blue Plate Special Meal.

Eleven Oklahoma Panhandle State University students earned 12 state championship honors at the 2013 Oklahoma FBLA-PBL State Leadership Conference held at the John Hammond Convention Center April 4-6, and in addition, advisor Sara Hitch took home the Outstanding Local Chapter Advisor plaque.

Oklahoma Panhandle State University, the Guymon Chamber of Commerce and Main Street Guymon were among the 27 business and higher education partnerships throughout the state that were recognized in April for innovative collaborations that strengthen Oklahoma's workforce. The partnership between OPSU, the Guymon Chamber of Commerce and, more recently, Main Street Guymon, provides a variety of collaborations that benefit community and workforce development.

Virginia Frantz, Allen McClay and Steven Smith were all inducted into the 2013 Alumni Ambassador Hall of Fame.

Oklahoma Panhandle State University graduate, Owen Larson paired countless hours of service in OPSU organizations and activities with academic excellence to be named the 2013 recipient of the J.R.P. Sewell Award at OPSU commencement exercises on May 18, 2013.

Oklahoma Panhandle State University's Dr. Sara Jane Richter was honored at the Oklahoma State Historic Preservation Office Conference in June for her research and work on the Hay Meadow Massacre. Richter received the 2013 Citation of Merit, an award that recognizes Oklahomans who preserve the State's heritage.

Staying true to the Panhandle winning tradition, the OPSU Men's Rodeo Team brought yet another National Team Championship back to Goodwell. Joe Frost captured the Reserve Champion All-Around Cowboy title. Saddle Bronc Riders Joe Harper and Jake Watson finished second and third in the event's national standings. Dusty Moore finished eighth in the steer wrestling. With the combined effort of these cowboys along with fellow qualifiers Allen Boore and Jeff Bertus, OPSU was able to clench its fifth men's team championship.

OPSU Assistant Rodeo Coach Robert Ethauer was named the Central Plains Coach of the Year and his horse “Rambo” was named Horse of the Year for the second consecutive year.

Sidearm Sports and the OPSU Office of Sports Information launched a new website exclusive to Aggie athletics in June.

Oklahoma Panhandle State University, in conjunction with the Oklahoma State University Extension office in Guymon, hosted the 5-state Women in Ag Conference on the OPSU campus. Approximately 75 participants attended educational sessions and learned about a variety of topics.
After qualifying in April for the opportunity to compete at nationals, 12 members of Oklahoma Panhandle State University’s Phi Beta Lambda (PBL) club traveled to Anaheim, Calif. for the 2013 FBLA-PBL National Leadership Conference held June 22-25, 2013, at the Hilton Anaheim and returned to the Panhandle with five top 10 national awards!

After 31 years as an accounting teacher at OPSU, Linda Tapp retired in July. Owning her own CPA firm in Boise City, Linda had an in-depth understanding of the material she taught in the classroom.

Oklahoma Panhandle State University awarded a record high number of degrees for the 2012-2013 year with a total of 311. The record total was a result of 230 bachelor’s degrees and 81 associate’s degrees.

The OPSU Volleyball team maintained their strong commitment to academic success by receiving the AVCA Team Academic Award for the 2012-2013 season completing their fourth consecutive year to do so. The award honors collegiate and high school volleyball teams that display excellence in the classroom by maintaining at least a 3.30 cumulative team grade-point average on a 4.0 scale throughout the academic year.

OPSU’s HALO (Hispanic American Leadership Organization) hosted the annual Noche de Gala banquet on October 22. The banquet is a culmination of the activities HALO sponsors throughout Hispanic Heritage Month.

Oklahoma Panhandle State University men’s golfer Trent Combs was named by the Golf Coaches Association of America to the Cleveland Golf/Srixon All-America Scholar list for the second straight year.

Senior Gideon Busienei earned all-conference honors as he finished 17th overall at the Heartland Conference Cross Country Championships.

Combining the efforts of the 13th Annual Paul Farrell Memorial Art Auction and the Dorm of Doom, the OPSU Art Department and Images Art Club raised over $21,000 to benefit the art students.

The “Doc” Gardner Family was selected by the Panhandle State Association of Alumni and Friends as the 2013 Honored Family. Richard Lynn Gardner known to many as “Doc” was an OPSU professor and rodeo coach for more than 30 years.

OPSU Assistant Rodeo Coach, Robert Etbauer, along with his brothers Billy and Dan, was inducted into the Rodeo Hall of Fame in Oklahoma City at the National Cowboy and Western Heritage Museum.

The OPSU Fire Protection Safety Training program students and the OPSU Emergency Medical Technology students participated in live fire training at the Guymon Fire Department’s training tower in October.

The Panhandle State Foundation Distinguished Contributors for 2013 were recognized at the annual donor appreciation banquet in November. Thank you to Troy Morris and the Jordan-Quinn Post #1203 VFW for their continued support.

Junior Katy Doke and her horse, “Mr. Chics Dig It” (RJ) traveled to Queen Creek, Arizona to compete in the National Versatility Ranch Horse Association’s National Finals. The duo brought home their second National Championship, earning the Collegiate Year End title.

OPSU Computer Information System (CIS) students recently won their 100th top 10 finish in Association of Information Technology Professionals (AITP) Regional and National Competitions. Among these awards are five National Championships and seven Regional Championships.

OPSU’s chapter of the Student Oklahoma Education Association (SOEA) received the Outstanding Chapter, Outstanding Class Grant, Outstanding Local Leader (Kirstin Rodriguez) and Outstanding Advisor (Jerry Mihelic) for the 2012-2013 school year.

In December, the OPSU Music Department spread Holiday cheer with the Concert Band, Chamber Singers and Concert Choir performing a concert in Centennial Theatre.

David A. Bryant, President

Dr. Kent Smith, President; Dr. Clyde Montgomery, Vice President for Academic Affairs; and Dr. Sharron Burnett, Vice President for Fiscal and Administrative Affairs, appeared before the Board of Regents to present the business of Langston University and review the Agenda for members of the Board.

Dr. Smith said he would also like to thank Dr. Path for the wonderful dinner and the continued creativity. He said this is only his second visit to the OSUIT campus, and it certainly gets better and more creative each time he is here.

With respect to enrollment, Dr. Smith said as of yesterday Langston's retention rate of its freshman class was 76 percent. He noted that last year the freshman retention rate was 60 percent. Dr. Smith said the goal was 75 percent.

With respect to enrollment for the fall semester, Dr. Smith said as of this morning Langston has 6,385 applications for next year's class. For all of last year Langston had 6,900 applications, which almost doubled the record of any that Langston ever had in the history of the University. He said this compares to approximately 500 applications this same time last year. In addition, Langston has more than 210 transfer applications from students who wish to transfer from other institutions. With a lot more hard work and continued creativity, Dr. Smith said he hopes to stand before the Board in September and report that Langston has another record enrollment. At this point Langston is making plans because if this enrollment trend continues Langston will have to open up Young Hall. Langston was about 6 to 8 students away last year from opening up Young Hall, which has not been utilized in many years.

Dr. Smith provided a publication to the Regents entitled, "Repositioning HBCUs for the Future." This was produced by the Association of Public and Land-Grant Universities. He said the publication addresses what HBCUs must do to not only be relevant but to thrive in the next 20 years, and he said he believes that Langston University is positioning itself in numerous ways to thrive.

Approval of Academic Services Fees

Dr. Smith presented the requests for changes to its Academic Services Fees. One is a new request to establish a Nursing Simulation Lab Fee, and the other two requests involve increases to existing fees. He requested approval of the fees as presented.

Regent Davis said the Academic Affairs, Policy and Personnel Committee met with the administration of Langston University regarding approval of the Academic Services Fees, effective Fall 2014. He said the Committee acted to recommend Board approval of the fees as presented. Regent Davis said he appreciates not only the administration of Langston University
but the other institutions as well for their availability this past week to discuss questions from the Committee members regarding the proposed fees.

Regent Davis moved and Regent Lester seconded to approve the changes to Langston University's Academic Services Fees as presented.

**Personnel Actions**

Dr. Smith highlighted the personnel actions as listed in the Langston Agenda and requested approval.

Dr. Smith noted the request to employ Koshia Silver as Director of Public Relations. He said she is present at the meeting, and he asked her to stand and be recognized. He said Ms. Silver comes to Langston from the University of Central Oklahoma where she was the Director of Public Relations for the College of Business. He noted that she already has some ideas for Langston and is currently working on a design to be displayed at the Will Rogers World Airport in Oklahoma City.

Dr. Smith also referenced the personnel action regarding the change in salary for Dr. Corey Moore, Department Chair/Professor/Research Director of Rehabilitation Counseling. Dr. Smith said Dr. Moore and his team secured a $4.3 million grant, which is a very significant grant and is believed to be the largest ever secured by Langston. The grant will pay for a portion of Dr. Moore's salary.

Regarding the request to reappoint Head Football Coach Dwone Sanders, Dr. Smith reported that Coach Sanders was chosen as *The Oklahoman's* Coach of the Year. This is very significant for Langston University.

Regent Lester moved and Regent Reese seconded to approve personnel actions D.2.-D.6 as listed in the Langston Agenda.

Balance of Agenda

Regent Hall moved and Regent Watkins seconded to approve the balance of the Agenda, subject to the availability of funds and/or the limitations of the budget. (The Agenda is attached.)

The business of Langston University being concluded, Dr. Smith and members of the Langston administration were then excused from the meeting.
January 24, 2014

Langston University

BOARD OF REGENTS FOR THE OKLAHOMA A&M COLLEGES
Stillwater, Oklahoma 74074

Dear Board Members:

Please approve the following business items for Langston University.

Expenditures from Treasury Funds, contingent upon their availability, will be submitted for purchasing through Ms. Sharon Toy, Director of Purchasing.

A. GENERAL INFORMATION/REPORTS REQUIRING NO ACTION BY THE BOARD: NONE

B. RESOLUTIONS: NONE

C. POLICY AND OPERATIONAL PROCEDURES:

1. Approval is respectfully requested for Langston University to make the following changes to our Academic Service Fees:

   a. Establish a Nursing Simulation Lab Fee of $25.00 per course to cover the maintenance and repair costs of four (4) specialized simulators used in nursing laboratories. The simulators are extensively used and require consistent maintenance and upkeep in order to provide the appropriate simulation experience for our students. This request may be viewed in Attachment A.

   b. Increase Nursing Clinical Testing Fees from $53.00 to $60.00 for classes related to clinical education. This requested is necessitated by the change in testing companies utilized, as the integrity of testing from the previous company was compromised. This request may be viewed in Attachment A.

   c. Increase Nursing Liability Insurance Fee from $10.00 to $13.50 to cover the increased cost of liability insurance required for nursing students. This request may be viewed in Attachment A.
D. PERSONNEL ACTION:

1. **FOR INFORMATIONAL PURPOSES**
   Langston University will accept the following notices of resignation:
   Sheila Bryant, Assistant Professor, Research and Instruction Librarian, effective November 29, 2013.
   Jenny Fields, Instructor, School of Nursing and Health Professions, effective December 20, 2013.
   Jennifer Moore, Instructor, Family and Consumer Sciences, effective December 31, 2013.
   Katherine Moore, Instructor, Family and Consumer Sciences, effective December 31, 2013.

2. Approval is respectfully requested to employ Jennifer Adams as Instructor, Nursing and Health Professions, on a 9-month basis, at an annual salary of $50,000.00, effective January 13, 2014.

3. Approval is respectfully requested to employ Jenna Chandler as Instructor, Nursing and Health Professions, on a 9-month basis, at an annual salary of $50,000.00, effective January 13, 2014.

4. Approval is respectfully requested to employ Koshia Silver as Director of Public Relations, at an annual salary of $65,000.00, effective January 9, 2014.

5. Approval is respectfully requested to change the salary of Dr. Corey Moore, Department Chair/Professor/Research Director, Rehabilitation Counseling, from $128,300.00 to $160,000.00, on a 12-month basis, effective October 1, 2013.

6. Approval is respectfully requested to reappoint Mr. Dwone Sanders as Head Football Coach, at his current annual salary of $60,000.00, effective January 1, 2014.

E. INSTRUCTIONAL PROGRAMS: NONE

F. BUDGETARY ACTION: NONE

G. OTHER BUSINESS AND FINANCIAL MATTERS: NONE
H. CONTRACTUAL AGREEMENTS (other than construction and renovation):

1. Approval (Special Request) is respectfully requested for Langston University to enter into an agreement with PeopleAdmin, a human resources management tool currently utilized by Oklahoma State University. PeopleAdmin will provide a subscription to establish and maintain an automated internet-based system for managing talent, preparation, design, configuration, testing and deployment of the Langston University site and standard support services for the system. The cost of $44,075 includes annual fees of $25,000.00 and one-time fees totalling $19,075.00. Funding for this expenditure is available in account 514000.

2. Approval is respectfully requested for Langston University to enter into a 12-month agreement with Maxient Student Conduct Software. The University is currently without a sustainable web-based platform that allows for the Dean of Students to open, monitor, and report on cases related to student conduct. The Maxient Student Conduct software is currently utilized by Oklahoma State University. The Maxient Student Conduct software is completely web-based and FERPA compliant, and allows for the University to receive and manage the student conduct case load electronically and store unlimited judicial files and student demographic data. Services include online incident reporting, automated letters and forms, reporting judicial trends, email and text alerts, real-time reporting and statistics, including Clery Act Reports. The software requires no additional hardware or software purchase, and integrates with several platforms. All updates to the software are free of charge. The contractual agreement requires a one-time set up fee of $3,500.00 in addition to the standard cost of $5,000.00. A $5,000.00 annual fee will be assessed to utilize the software after the first year. Funds are available in account number 121008.

I. NEW CONSTRUCTION OR RENOVATION OF FACILITIES: NONE

J. PURCHASE REQUESTS:

1. Approval is respectfully requested for the School of Agriculture and Applied Sciences to process a purchase order to Osborne Industries for a feed intake recording system to be installed at the South Barn in order to monitor individual feed intake. The recording system is one component of a larger feeding system which was purchased from Osborne Industries through solicitation of public bid in 2003. We are requesting this purchase as a sole source because the feed intake recording system must be compatible with the existing system. The Sole Source Affidavit is provided in Attachment B for your review. The estimated cost is $52,292.00. Funding for this expenditure is available in account number 4-19013.
K. STUDENT SERVICES/ACTIVITIES: NONE

L. NEW BUSINESS UNFORESEEN AT TIME AGENDA WAS POSTED: NONE

M. OTHER INFORMATIONAL MATTERS NOT REQUIRING ACTION OF THE BOARD:

1. Summary of Out-of-State Travel as of December, 2013:

### Facility/Equipment Utilization Fees

*To be effective Fall 2014*

**Academic Services Fees.** Fees assessed students as a condition of enrollment and as a condition of academic recognition for completion of prescribed courses. Such fees are required for all students receiving certain courses of instruction or certain academic services as designated by the institution and shall not exceed the actual cost of the course of instruction or the academic services provided by the institution. These services may include, but shall not be limited to, special instruction, testing, and provision of laboratory supplies and materials.

**Changes, Additions or Deletions of Academic Services Fees require State Regents' Approval.** OSRHE Policy and Procedures Manual, Budget and Fiscal Affairs, Section 4.18.1.E. Legislation: Title 70 Section 3218.10

**Facility/Equipment Utilization Fees.** Fees assessed students for use of equipment such as physical education equipment, musical instruments, and medical equipment and for facilities such as music practice rooms.

**Comments:**

Describe the basis for the amount of the fee: New fee requested to cover upkeep of simulators due to student use and purchase of simulation supplies.

Describe the use of revenue collected: Pay for replacement or repair of simulators: SimMan3, ISTAN, SimMan, Birthing Noelle and supplies used during student check-off and remediation.

Consequence if fee is not approved: The nursing program and thereby the University will be required to pay the expensive cost of repair or replacement at a time when state allocations are limited.

**Was student comment solicited on this fee change and use of this fee?**

Yes or No --> **YES**

Explain: Students are made aware of various program costs through the nursing student handbook, program information, and during the student orientation workshop conducted each semester.

---

Projected New Revenue for FY15 ($25 x 203 students = $5075 x 2 courses

= 10,150 semester = $20,300 year)

Estimated Revenue for FY14

**Comments:**

Describe the basis for the amount of the fee: The increase is related to the selection of a new testing company because the integrity of the previous company's testing process was compromised.

Describe the use of revenue collected: Allow students to enroll in and utilize a proven testing service.

Consequence if fee is not approved: The nursing program, thereby the University will be required to pay the additional testing costs at a time when state allocations are limited. The other alternative is for the students to pay the testing service directly. However, most of the students rely substantially on financial aid to pay their school costs, and will not have the funds to make the direct payment.

Was student comment solicited on this fee change and use of this fee? Yes or No —> YES

Explain: Students are made aware of various program costs through the nursing student handbook, program information, and during the student orientation workshop conducted each semester.

Agency Requisition No. Agency: Langston University

SERVICE PROVIDER/VENDOR Osborne Industries, Inc.

ADDRESS 120 N. Industrial Ave, Osborne, KS, 67473

PHONE 785-346-2192

I hereby affirm that the services or products to be purchased pursuant to the provisions of the attached contract are very specialized or for which great acquired expertise is needed and to the best of my knowledge:

Osborne Industries, Inc.

is the only person or business entity which is singularly and peculiarly qualified to provide such services or products, and if a product is the only brand name which is singularly and peculiarly unique, for the following reason:

Osborne Industries, Inc. is the only company that manufactures the FIRE system for recording individual animal feed intake. Langston University has purchased six FIRE systems in the past. The six FIRE systems have become an integral component in many of past research projects and it is envisioned that they will be used in many future projects. The USDA-funded project entitled "Sustainable Small Ruminant Production Through Selection for Resistance to Internal Parasites" uses the six existing FIRE systems and requires an additional six FIRE systems.

I understand that the signing of this affidavit knowing such information to be false may subject me to punishment for perjury.

We will not accept nor pay for any other item for the reasons stated on this affidavit.

SIGNED ____________________________
(Head of Department)

SIGNED ____________________________
(Chief Administrative Officer)
Justification for installing six (6) Feed Intake Recording System (FIRE®) feeders in the west side pens of the South Barn

Currently, the South barn is equipped with six (6) FIRE® feeders on the east side and 53 Calan® gate feeders on the west side. The Calan® gate feeders were installed in 1997. In 2005, four (4) FIRE® feeders were installed on the east side. In early 2013, an additional two (2) FIRE® feeders were installed on the east side so that each of the six (6) pens on the east side would be equipped with a FIRE® feeder.

For the Calan® gate feeders, each buck wears a collar with an electronic “key” encased in hard plastic. The key unlocks the door to only one Calan® gate feeder in the pen, thus enabling the buck to eat out of his individual feeder. Each morning, the remaining feed that was offered the day before is weighed and removed from the Calan® gate feeder. Fresh feed is weighed and placed into the Calan® gate feeder. Thus, the difference in weights between the fresh feed placed in the Calan® gate feeder one morning and the remaining feed the next morning is the amount consumed. Because only one goat is capable of opening the Calan® door and eating, it is possible to calculate the feed intake of the individual bucks. Calan® gate feeders are labor and time expensive, especially in the beginning when the bucks must be trained to open the Calan® door.

For the FIRE® system, the buck wears an electronic ear tag and the system automatically records feed intake every time a buck enters into the FIRE® feeder to eat. Compared to Calan® gate feeders, FIRE® feeders are easier to operate and the phenotypic data collection is straightforward and simple.

The addition of the two (2) FIRE® feeders in 2013 was necessary so that the USDA-funded project entitled “Sustainable Small Ruminant Production through Selection for Resistance to Internal Parasites” could accomplish its objectives of phenotypic data collection for the screening of a large number of bucks and rams from farmer collaborators and from the university’s research herd.

In 2013, which was the first-year of the aforementioned project, the six (6) FIRE® feeders on the east side were used to evaluate Dorper, Katahdin, and St. Croix rams from collaborators’ farms. The Calan® gate feeders on the west side were used to evaluate Boer and Kiko bucks from collaborators’ farms and Boer and Spanish bucks from the university’s research herd. The ram evaluation was virtually flawless; however, there were numerous problems with the buck evaluation. The main problem was that the young bucks would not train to the Calan® gate feeders and it was necessary to feed them collectively from a trough. With this modification, the recording of feed intake was lost and therefore, feed efficiency and residual feed intake were not evaluated. Feed efficiency is an important economic trait, which affects producer profitability. Hence, the determination of which bucks should be used for breeding did not include this critical information.

A solution to this problem would be to install six (6) FIRE® feeders in the west side pens of the South Barn. This would alleviate the necessity for training bucks/rams to the Calan® gate feeders and would be more labor efficient.
Dr. Jeff Hale, President; Mr. Mark Rasor, Vice President for Fiscal Affairs; and Dr. Shannon Cunningham, Assistant Vice President for Academic Affairs, appeared before the Board of Regents to present the business of Northeastern Oklahoma A&M College and review the Agenda for members of the Board.

Dr. Hale thanked Dr. Path and his team for the great meal last evening. He said he really enjoyed the presentation on the oil and gas industry.

Dr. Hale said each January he presents NEO’s annual report. (A copy of “NEO Spotlight - 2012-2013” is on file in the Board of Regents’ Office as Document No. 1-1-24-14.) He said he is very proud of the publication and encouraged the Regents to review it at their convenience. It is a good combination of old and new. Featured are some of the new programs including NEO’s Indian Education efforts and process technology as well as a few of NEO’s longstanding successful programs in agriculture and athletics.

Dr. Hale referenced the NEO Update and highlighted a few articles including NEO receiving a $900,000 Federal grant from the United States Department of Education in partnership with the Shawnee Tribe, the hiring of NEO’s new Head Football Coach, and the fourth consecutive year the NEO Rodeo was named as the Rodeo of the Year by the American Cowboy Rodeo Association. Dr. Hale also presented the January/February edition of Ag Youth, which features four articles about NEO’s agricultural programs as well as a feature article on Commissioner Reese (a copy of which is on file in the Board of Regents’ Office as Document No. 2-1-24-14.)

Dr. Hale reported that the annual High School Invitational Basketball Tournament will be held January 23-25, 2014. This is the 69th consecutive year of this tournament. This year the tournament will consist of 48 teams from three different states.

With respect to Spring 2014 enrollment, Dr. Hale said NEO’s FTE comparison to last spring is down a few students. He noted that NEO’s fall enrollment was down nearly 7 percent compared to the previous fall semester, so to be almost even to last spring is good news. He attributed this to the hard work of the recruitment office and the new director that was hired. Dr. Hale pointed out that campus residency is up 15 percent even though there are fewer students on campus.

Dr. Hale presented a handout regarding enrollment entitled, “College Comparison January 2014” (a copy of which is on file in the Board of Regents’ Office as Document No. 3-1-24-14). He said Chairman Link asked a few great questions at the last two Board meetings as it relates to market study and NEO’s competitive advantages, and it helped the administration to think about how NEO could do a better job analyzing where it is in the marketplace and how to invest its resources. The handout includes a map highlighting the Oklahoma two-year college service areas. There are 15 service areas in the State, and those are governed by the Oklahoma State Regents for Higher Education. NEO’s service area has 15 high schools from three counties while Seminole State College, as an example, has 38 high schools from five counties. Dr. Hale
said over the last 20 years service areas provide about 60-70 percent of enrollment and are the base for enrollment. The handout also provides the number of high school graduates from those different service areas and the number of high school graduates who attend colleges/universities. NEO will conduct a good market research to try to analyze some of its challenges related to enrollment. This is the first step in that process, and Dr. Hale said he looks forward to presenting that full study to the Board in June along with its budget presentation. Chairman Link said this is good information.

Regarding the Synar Farm Project, Dr. Hale said NEO has engaged OSU’s Long Range Planning to begin the architectural work related to that project. The project will begin in May and is anticipated to be completed by September 1. NEO has received pledges of approximately $100,000, and four banks in the region have pledged $25,000 each. With approval of the Synar Farm fees as listed in the NEO Agenda, this will provide revenue on the student side.

Dr. Hale reported that the Red Robertson Stadium is in Phase II of that project, which is a $7 million improvement that includes new bleachers, skyboxes, press box, high school locker room, etc. Due to weather conditions the project has been set back about three or four weeks. It appears the project may be completed in mid-September, which may put NEO in a little bit of a danger of getting the project completed by the beginning of the football season. The local community continues to be very excited about the project.

Revisions to NEO’s Tobacco-Free Policy

Dr. Hale requested Board authorization to update NEO’s current Tobacco-Free Policy per Governor Fallin’s Executive Order. He highlighted the simple change in policy language, which includes banning any electronic cigarettes or vaping devices or any other product packaged for smoking or the simulation of smoking.

Personnel Actions

Dr. Hale requested approval to employ Ryan Held as Head Football Coach. He said he learned on Christmas Day that NEO’s former coach would be leaving.

Regent Reese moved and Regent Anthony seconded to approve the employment of Ryan Held, Head Football Coach, beginning January 6, 2014, at an annual salary of $66,000.

Approval of Academic Services Fees

Dr. Hale presented the Academic Services Fees, effective Fall 2014. He said these requests were presented to the Academic Affairs, Policy and Personnel Committee.

Regent Davis reported that the Committee met with the administration of Northeastern Oklahoma A&M College regarding the approval of Academic Services Fees, effective Fall 2014. The Committee acted to recommend Board approval as presented.

Regent Davis moved and Regent Lester seconded to approve the Academic Services Fees as listed in the NEO Agenda.

Balance of Agenda

At the request of Dr. Hale, Mr. Rasor presented the request pertaining to the agreement with Baptist Healthcare of Oklahoma and Freeman Health System for athletic training and the three purchase request items as listed in the NEO Agenda.

As information, Mr. Rasor reported that NEO has three deferred maintenance projects that will be submitted to the Oklahoma State Regents for Higher Education for inclusion in the 2014 Real Property Master Lease Potential Project Listing.

Regent Lester moved and Regent Reese seconded to approve the balance of the Agenda, subject to the availability of funds and/or the limitations of the budget. (The Agenda is attached.)

The business of Northeastern Oklahoma A&M College being concluded, Dr. Hale and members of his administration were then excused from the meeting.
Dear Board Members:

Subject to budgetary limitations and availability of funds, the following expenditures are submitted for Board approval with purchases to be coordinated through the Board Purchasing Officer, Oklahoma State University. We recommend the following business for your consideration and approval.

PART A - GENERAL INFORMATION/REPORTS REQUIRING NO ACTION BY THE BOARD

1. President’s Remarks
   a. “NEO Spotlight 2012-13” – Annual Report
      The “NEO Spotlight 2012-13” provides key stakeholder groups with a comprehensive, executive overview of the events and accomplishments that took place at Northeastern Oklahoma A&M College.
   b. January 2014 “NEO Update”
   c. High School Invitational Basketball Tournament
      The annual High School Invitational Basketball Tournament will be held January 23, 24 and 25, 2014. This is the 69th year that NEO has hosted this tournament. This year we have 48 teams from three states participating and the tournament continues to be the largest high school basketball tournament in the nation.
   d. Spring 2014 Enrollment Comparison
      | Term    | Headcount | FTE  | Campus Residency |
      |---------|-----------|------|------------------|
      | Spring 2014 | 2022     | 1673 | 721              |
      | Spring 2013 | 2090     | 1686 | 629              |
      | Spring 2012 | 2140     | 1761 | 667              |
      | Spring 2011 | 1957     | 1642 | 528              |
      | Spring 2010 | 1889     | 1563 | 500              |
   e. Synar Farm Project update
   f. Red Robertson Stadium update
PART B - RESOLUTIONS

None

PART C - POLICY AND OPERATIONAL PROCEDURES

1. Tobacco-Free Policy amendment

Board authorization is requested to update and amend the current Northeastern Oklahoma A&M College’s Tobacco-Free Policy per Governor Fallin’s Executive Order 2013-43 to specifically name electronic cigarettes/vaping devices. The policy has been amended as highlighted below:

The use of tobacco products (including, but not limited to, cigarettes, pipes, smokeless tobacco, and other tobacco products and electronic cigarettes/vaping devices or any other product packaged for smoking or the simulation of smoking) is prohibited throughout all indoor and outdoor areas of property owned or under the control of Northeastern Oklahoma A&M College including parking lots owned or under the control of said agency, and in vehicles used by said agency or its employees whenever conducting business anywhere.

PART D - PERSONNEL ACTIONS

Authorization is requested for the following personnel actions:

1. Employment
   a. Approval is requested to employ Ryan Held, Head Football Coach, beginning January 6, 2014. Coach Held will be paid an annual salary of $66,000 (12-month appointment). This is a replacement for an employee who resigned.

2. Information Requiring No Action by the Board

PART E - INSTRUCTIONAL PROGRAMS

None
PART F - BUDGETARY ACTIONS

1. **Academic Course Fees Request**

Board authorization is requested for academic services fees to support classroom and laboratory supplies, equipment and improvement costs, effective fall 2014 for courses in the Department of Agriculture, Department of Communication & Fine Arts, Department of Math & Science, Department of Nursing, Allied Health & Physical Education, and Department of Social Sciences. Attached is Reference Document #1 which provides detailed course information. Reference Document #2, Resolution from the Aggie Society for Tuition Fee increases in the Agriculture Department, is also attached.

   a. **School of Agriculture**
   The funds generated will help offset the cost of improvement to the Synar Farm and maintenance of these improvements. The Synar Farm serves as a classroom and laboratory space for many courses taught in the Department of Agriculture and provides practical laboratory exercises, which are critical to many agricultural courses and contribute to the education and training of students. Without these fees, needed improvements cannot be made to the Synar Farm.
   Total projected annual revenue: $17,190

   b. **Department of Communications and Fine Arts**
   The fees generated in the ART courses will be utilized to help offset the cost of the purchase of supplies necessary for course instruction, such as specialty papers for specific techniques, spray fixatives, printmaking inks, gesso for priming canvas and glazing medium.
   Total projected annual revenue: $610

   c. **Department of Math and Science**
   The fees generated from PHYS 1025, Physical Science for Physical Therapy, will be used to help cover the cost of laboratory supplies and maintaining equipment used in the laboratory of this course. Examples of equipment include meter sticks, spring scales, stopwatches, magnets, voltmeters, and motion sensors.
   Total projected annual revenue: $480

   d. **Department of Nursing, Allied Health and Physical Education**
   The fees generated from NURS 1111, Cardiopulmonary Resuscitation, will be used to insure that up-to-date supplies and mannequins are available to students on a continual basis. The mannequins and supplies are used for demonstration of techniques, practice of techniques by students, and skills check-off conducted during the examinations of the course.
   Total projected annual revenue: $700

   e. **Department of Social Sciences**
   The fees generated from CLS courses will be used to provide resources for student engagement, retention, and team building activities. This course is designed to help students who are struggling academically so resources that promote student success and retention are a critical concern.
   Total projected annual revenue: $2,240
PART G - OTHER BUSINESS AND FINANCIAL MATTERS

Northeastern Oklahoma A&M College received notification from the Oklahoma State Regents for Higher Education of approval for funding of a 2014 Summer Academy Grant, “E.D.U.C.A.T.E. M.E.,” – Exceptional Direction United in Culture, Academics, Technology, and Excitement in Medication Education, in the amount of $19,500. We request authorization to accept the grant and expend the funds according to the Grant guidelines.

PART H - CONTRACTUAL AGREEMENTS (other than construction and renovation)

1. **Agreement for Rehabilitation and Sports Medicine Services between Baptist Healthcare of Oklahoma (INTEGRIS Baptist Regional Health Center, NEO A&M College and Freeman Health System**

We request authorization to enter into an agreement with Baptist Healthcare of Oklahoma (INTEGRIS) and Freeman Health System, whereas INTEGRIS and Freeman, through their qualified and trained employees, will provide physical therapy rehabilitation and sports medicine services to inpatient and outpatient services to students of NEO A&M College’s athletic programs who have been identified as needing such treatment and/or services. Freeman will provide a certified athletic trainer on site at the College for twelve months per year to provide appropriate training for sports practices and/or games and a fellowship trained sports medicine orthopedic surgeon to the College on-site for four hours per week during the school year. The College will pay INTEGRIS $5,000.00 and Freeman $35,000.00 per year for providing the services. This agreement has been approved by Legal Counsel.

PART I - NEW CONSTRUCTION OR RENOVATION OF FACILITIES

None

PART J - PURCHASE REQUESTS

Board authorization is requested for the following purchases:

1. **Dell Computer Lease Program.** Board authorization is requested for NEO A&M College to enter into a four-year lease agreement with Dell Financial Services L.L.C., subject to legal approval, for the purchase of campus computer equipment. Purchases under the lease agreement are not to exceed $425,000. Projected funding for the lease payments will be proposed through a $2.00 per credit hour fee increase in the mandatory student technology fees. The student technology fee request will be brought to the Board at the June 2014 meeting.
PART J - PURCHASE REQUESTS

2. Purchase from the Office of State Finance contract a Polycom RealPresence media Manager server software suite with licensing and maintenance, and a Polycom Capture Station Portable Pro mobile audio/video capture station. This hardware/software will provide a centralized audio/video capture and stream point for video on demand content. Its primary use will be to enhance our distance education offerings. The estimated total cost of the project is not to exceed $110,000. Funding for the project will be from the Title III, Part A Grant, pending U.S. Department of Education approval.

3. Purchase from the Office of State Finance contract Polycom Video Conferencing equipment and related network support hardware. Its primary use will be to capture and archive recorded lectures for student access. The total estimated cost of the project is not to exceed $125,000. Funding for the project will be from the Title III, Part F Grant, pending U.S. Department of Education approval.

PART K - STUDENT SERVICES/ACTIVITIES

None

PART L - NEW BUSINESS UNFORSEEN AT TIME AGENDA WAS POSTED

None

PART M - OTHER INFORMATIONAL MATTERS NOT REQUIRING ACTION OF THE BOARD

1. 2014 Real Property Master Lease Potential Project Listing

The Oklahoma State Regents for Higher Education requested academic institutions provide a 2014 Real Property Master Lease Potential Project Listing. We are not requesting board approval for each individual project at this time; however, at the time of a future bond issuance, we will request Board for financing as has been the usual practice in past issuances. The new projects are:

AGGIE SOCIETY
NORTHEASTERN OKLAHOMA A&M COLLEGE
RESOLUTION FOR TUITION INCREASE
JANUARY 13, 2014

TITLE: A RESOLUTION TO SUPPORT A MODEST INCREASE IN FEES TO ALLOW CONTINUED INVESTMENT AND SUPPORT OF THE STUDENTS

WHEREAS: The Aggie Society Club of Northeastern Oklahoma A&M College supports the successful Operation and maintenance of the College; and Synar Farm Campus

WHEREAS: The Aggie Society has observed continuous improvement in student services and Unprecedented enrollment growth while the State appropriations have continued To be reduced; and Northeastern Oklahoma A&M College has the largest two-year Agriculture Department in Oklahoma; and

WHEREAS: Northeastern Oklahoma A&M College has the fifth lowest tuition and fee rate in Oklahoma, while Oklahoma has the seventh lowest tuition and fee rate in the Nation; And

WHEREAS: The Aggie Society continues to see a need for increased student services, facilities, Maintenance, and upgrades, improved classroom environment and activities within the Agriculture Department and the Synar Farm Campus;

WHEREAS: The Aggie Society has a strong interest in and supports Northeastern Oklahoma A&M College’s efforts to utilize the fee increase to improve facilities on the Synar Farm Campus

THEREFORE LET IT BE RESOLVED:
The Aggie Society supports the proposal to increase fees for the 2014/2015 Academic year.
Copies shall be sent to:

Dr. Jeffery Hale, NEO President
Dr. Bethene Fahrenstock, Vice President for Academic Affairs
Mark Rasor, Vice President for Physical Affairs
Amy Ishmael, Vice President for Student Affairs and Enrollment Management

Lauren Crudup — President
Sadie Saputo — Secretary
Helen Gagan — Treasurer
Branden Hanke — SBG Representative
DELL LEASE PROPOSAL

MASTER LEASE

Four year term with equal annual payments

End of term options:
- Purchase at then fair market value
- Return all products to lessor at lessee expense
- Renew on month to month or fixed term

BENEFITS

The college will be able to:
- Replacement of an aging and out-of-warranty computer inventory
- Spread the cost over four budget cycles
- Maintain a current and in-warranty computer inventory

All computers will be a common make and model allowing more efficient management by IT

TIMELINE

Phase 1 – ASAP: An initial purchase of 23 computers needed as soon as possible - $25,568.60
These computers will replace ones that are consistently failing or are too old to accept needed software updates.

Phase 2 – July - August, 2014: Replace all lab computers

287 lab computers being replaced

Phase 3 – September, 2014: 110 staff & classroom computers being replaced
President Burns Hargis and members of the OSU administration appeared before the Board of Regents to present the business of Oklahoma State University and review the Agenda for members of the Board.

President Hargis said OSU is quickly moving through the new year into the spring semester, and it is off to a great start. He said a news release will be distributed later today regarding a major milestone in OSU’s energy efforts. OSU has been in partnership with alum Bill Spears and his company, Cenergistic, and it will be announced that OSU has now reached $30 million in energy savings over the last six years. Governor Fallin recently announced that the energy savings initiative is going to be implemented throughout State government, and Rick Krysiak from OSU will be helping on that program initiative. Energy savings have been a wonderful help in these difficult economic times.

OSUIT Campus Master Plan Update

President Hargis said it is his pleasure to turn the meeting over to the host, Dr. Bill Path, President, Oklahoma State University Institute of Technology-Okmulgee. He noted that Dr. Path has a presentation regarding the Campus Master Plan for OSUIT. Dr. Path presented a copy of a booklet entitled, “2013 Master Plan Report” (a copy of which is on file in the Board of Regents’ Office as Document No. 4-1-24-14). Dr. Path expressed appreciation to the Board for authorizing OSUIT to work with Dewberry & Associates a little over a year ago to develop a 20-25 year Campus Master Plan for this institution. He said OSUIT has been extremely pleased with the performance of Dewberry. The firm has identified the very unique needs of this campus and projected in a very ambitious way what the campus should look like over the next quarter of a century. Dr. Path asked Mr. Bruce Henley, Chief Consultant of Dewberry, to describe the project.

Mr. Henley introduced his team, Jonathan Crump and Dominic Spadfore from Dewberry, as well as representatives from Howell & Vancuren, Inc., Paulien & Associates, Inc., and Traffic Engineering, Inc. Mr. Henley described the process utilized in developing the Master Plan, which involved more than 30 meetings, conference calls, and presentations conducted over the past 14 months. The process involved a ten-year academic space plan, an evaluation of existing buildings to determine quality and quantity, and a traffic study for vehicular circulation and parking utilization. Mr. Henley said it is expected that OSUIT will experience a 30 percent growth over the next 10-20 years between what is offered on campus as well as the increased offering of online courses.

In going through the process, it was determined that housing is approximately 50 percent under what is needed and is limiting the size of some programs. There are also some unique needs for short-term housing for eight-week terms. It was also determined that the library is woefully less than what it needs to be for a campus of this type. Technical programs are sometimes operating
at less than ideal conditions; i.e., culinary and heavy equipment because of extremely dysfunctional spaces.

Mr. Henley said as the Board is aware, the OSUIT campus was developed from a World War II camp and was never intended for the purpose it is today. Great strides have been made to make it work; however, the campus needs to be better organized. Currently, parking lots are overcrowded in some places and other lots have almost no use, streets and driveways run through parking lots, pedestrian ways are not available between parts of the campus, etc. He said the new plan will enhance the 4th Street entrance and make it the central key point of the campus once again, create pedestrian ways that connect the buildings, rearrange the parking to better accommodate the buildings and programs, increase housing and create a housing corridor along the south region, and refurbish buildings and add on to buildings where programs are growing.

Mr. Henley said the new plan will also place heavy equipment and automotive programs in a center for excellence that will bring multiple programs under one roof that is scaled appropriately to the programs, add a distinct connection to the neighbors at Green Country Technology and the Muscogee Creek Nation facilities, enhance open and green spaces to create a collegiate campus atmosphere, and reduce some of the entrance and exits to the campus to improve campus security. Mr. Henley said the Master Plan is designed so that new building construction will occur within parking lots and vacant land to minimize displacement of active programs. He said it is a long process. This is believed to be a dynamic snapshot of what might be as funds become available and as needs create demand.

Regent Anthony asked the acreage of the campus. It was reported that it is 160 acres, and Mr. Henley said acquisitions continue to occur and grow the campus. He noted that there was a recent 10-acre exchange with Muscogee Creek Nation, so that obviously altered the shape and created space in the northeast corner of the campus.

Chairman Link asked if it is anticipated that the automobile traffic will improve because currently it is kind of difficult to look at a map and know which road to take. Mr. Henley said chaos is probably the correct word and noted that the loop entrance and the 4th Street entrance will be the primary entrances to the campus. There will be consistent traffic flow. It will be somewhat of a loop around the core of the campus and will take the traffic completely out of the core of the campus. Chairman Link said his understanding is that this is basically a plan for the campus going forward and that it would allow for future growth as it can be financed. Mr. Henley said this is correct. He said it is a plan, it is a direction, and it is dynamic. Master plans are never static.

Dr. Path said this is not the first time he has used master planning as a college president. It really does allow the administration to make smarter decisions as it moves an institution forward. He said there have been a lot of changes on the campus over the years, but a lot of the decisions have been random as far as the selection of locations for buildings on campus. This is why there is a lot of confusion with buildings that do not make sense, sidewalks that do not connect with one another, driveways that do not necessarily go all the way through, etc. A master plan allows
an institution to make smarter decisions in the present that are going to make sense in the future. Dr. Path said he is excited about the future. He said he cautions his staff, however, to not expect these things immediately because it is easy to get excited about a drawing like this. It will take a lot of time to match up the right kind of funding with the priority projects. Dr. Path said he has identified a data collection team that will be going all across campus looking at where OSUIT’s needs are right now so it can begin to prioritize projects and look at funding sources. Dr. Path said it provides a vision of what the campus could look like, and it is a very exciting vision.

President Hargis said Dr. Path and his team are doing a great job at OSUIT.

Adoption of Memorial Resolutions

President Hargis presented information on behalf of John Howland, Associate Professor, Foreign Languages, Colleges of Arts and Sciences, and James M. Smallwood, Professor, Retired, History, College of Arts and Sciences. President Hargis presented the Memorial Resolutions for Dr. Howland and Dr. Smallwood and recommended their adoption. (The Memorial Resolutions for Dr. Howland and Dr. Smallwood are attached to OSU’s portion of the minutes as ATTACHMENTS A and B and considered a part of these minutes.)

Regent Lester moved and Regent Hall seconded to adopt the Memorial Resolutions for John Howland and James M. Smallwood as presented.

Approval of Revisions to OSUIT Policy 1-008 Tobacco Free Campus

President Hargis requested Dr. Path to present the request to approve revisions to OSUIT Policy 1-008 Tobacco Free Campus. Dr. Path said OSUIT has officially been a tobacco free campus since July 1, 2010, with policy language going back to 1996. He said this reflects the recent Governor’s Executive Order as well as the policy language the Board recently approved for OSU-Stillwater. It was believed to be good to have consistent language. The changes in this particular policy have to do with e-cigarettes and any vaping devices being prohibited on campus. He said he is aware the Board is familiar with these types of policies and would address any questions from the Board.

Regent Burns moved and Regent Anthony seconded to approve the revisions to OSUIT Policy 1-008 Tobacco Free Campus as presented.

Approval of Revisions to OSU-OKC Policy Tobacco Use in University Buildings and Grounds and Approval of Revisions to OSU-OKC Policy 1-0312 International Travel

President Hargis said the requests for approval of OSU-OKC’s revised policies will be presented by the administration of OSU-OKC. Due to illness, OSU-OKC President Natalie Shirley requested Ronda Reece, Vice President for Finance & Operations, to present these requests.

Ms. Reece said OSU-OKC is updating its Tobacco Use in University Buildings and Grounds policy in response to Board approval of OSU-Stillwater’s policy and in response to the Governor’s Executive Order last month.

In addition, Ms. Reece presented revisions to OSU-OKC’s Policy 1-0312 International Travel. The wording was changed to reflect departments that are on the OSU-OKC campus.

Regent Hall moved and Regent Milner seconded to approve revisions to OSU-OKC Policy Tobacco Use in University Buildings and Grounds and to OSU-OKC Policy 1-0312 International Travel as presented.

President Hargis requested Interim Provost Fry to present information pertaining to Academic Affairs:

Approval of Revisions to OSU Policy 2-0903 Clinical Faculty Track (Non-Tenure Track)

Dr. Fry presented proposed modifications to OSU Policy 2-0903 Clinical Faculty Track (Non-Tenure Track), which is presented in the OSU Agenda beginning on page C-4. (A copy of the OSU Agenda is on file in the Board of Regents’ Office as Document No. 5-1-24-14.) If approved, policy modifications would be effective July 1, 2014. The document was discussed with members of the Academic Affairs, Policy and Personnel Committee at its meeting earlier today.

Regent Davis reported that the Academic Affairs, Policy and Personnel Committee met with the administration of Oklahoma State University regarding approval of revisions to University Policy and Procedures 2-0903 Clinical Faculty Track (Non-Tenure Track). The Committee acted to recommend Board approval of the proposed policy revisions as presented.
Regent Davis moved and Regent Lester seconded to approve the revisions to OSU Policy 2-0903 *Clinical Faculty Track (Non-Tenure Track)* as presented.

**Approval of Revisions to OSU Policy 2-0902 Reappointment, Promotion and Tenure Process for Ranked Faculty**

(This item was withdrawn from consideration by the OSU administration.)

**Approval of Special Fees for 2014-2015**

Dr. Fry requested approval of several new Special Fees and modifications of some existing fees. A summary of fees is provided beginning on page C-6 of the OSU Agenda (which is on file in the Board of Regents’ Office as Document No. 5-1-24-14). Dr. Fry said this request was discussed earlier today with members of the Academic Affairs, Policy and Personnel Committee.

Regent Davis reported that the Academic Affairs, Policy and Personnel Committee met with the administration of Oklahoma State University regarding approval of the 2014-2015 Special Fees request. The Committee acted to recommend Board approval of the Special Fees as presented.

Regent Davis moved and Regent Lester seconded to approve the Special Fees for 2014-2015 as presented.

**Personnel Actions**

Dr. Fry presented the personnel actions and recommended their approval with the exception of those items pertaining to retirements and separations, which are included as information items only. The list includes ten new appointments and eight changes in title and/or rate. For information, three retirements and eight separations are also included in the list of personnel actions. (These recommendations are listed under Section D of the OSU Agenda, which is on file in the Board of Regents’ Office as Document No. 5-1-24-14.)

Regent Anthony moved and Regent Milner seconded to approve the personnel actions as presented.

President Hargis requested Vice President Weaver to present information pertaining to Administration and Finance:

G-1 Approval of Actions Required to Submit Potential Projects and Documents to the Oklahoma State Regents for Higher Education for Submission to the Master Lease Programs and/or to Seek Legislative Authorization to Issue General Revenue Bonds

Mr. Weaver requested Board approval to submit the potential projects listed in the OSU Agenda and the appropriate documents to the Oklahoma State Regents for Higher Education for inclusion in the Master Lease programs and/or to seek legislative authorization to issue general revenue bonds. He said this request was considered by the Fiscal Affairs Committee at its meeting earlier today.

Regent Hall reported that the Committee met with the OSU administration regarding approval of actions required to submit potential projects and documents to the Oklahoma State Regents for Higher Education for inclusion in the Master Lease program and/or to seek legislative authorization to issue general revenue bonds. He said the Committee acted to recommend Board approval of the request as presented.

Regent Hall moved and Regent Anthony seconded to authorize Oklahoma State University to submit the projects listed in the OSU Agenda and the appropriate documents to the Oklahoma State Regents for Higher Education for inclusion in the Master Lease programs and/or to seek legislative authorization to issue general revenue bonds; to solicit a financing team in the event the Master Lease programs are either unavailable for use or the determination is made to issue revenue bonds; and to purchase the items in accordance with purchasing policy and procedures.

G-2 Approval of Assignment of Rights and Release of Rights

Mr. Weaver requested Board approval for the assignment of a patent relating to “Ultrasonic Interrogation of Blood by Microelectromechanical Piezoelectric Resonators” to the inventors. He said Dr. Steve Price, Associate Vice President of the Technology Development Center, and Dr. Sheryl Tucker, Interim Vice President for Research, are present to answer any questions.
Regent Anthony asked if there is an allocation amount attached to what the costs are that would be reimbursable. Dr. Price said OSU has spent $2,760.25, which was the cost of preparing for the legal patent package. Chairman Link asked if this is the total amount, and Dr. Price responded affirmatively.

Regent Davis moved and Regent Anthony seconded to approve the assignment of rights and release of rights of a patent to the inventors as presented.

G-3 Approval to Enter Into a Purchase Agreement for Real Property

Mr. Weaver requested Board approval to enter into a purchase agreement for real property located at 103 South Mission, Okmulgee, Oklahoma, and to allow the President or his designee to execute the purchase agreement. He said the intended use of the property will be to clean and upgrade the main entrance to the OSUIT campus.

Regent Anthony moved and Regent Watkins seconded to authorize the University to enter into a purchase agreement for real property located at 103 South Mission, Okmulgee, Oklahoma, and to allow the President, or his designee, to execute the purchase agreement.

I-1 Approval to Demolish Hanner Hall for the Construction of the New Business Building

Mr. Weaver requested Board approval to demolish Hanner Hall to allow for the construction of the new Business Building scheduled to begin construction next year.

Regent Hall moved and Regent Watkins seconded to approve the demolition of Hanner Hall as presented.

I-2 Approval to Extend the Scope of the University Commons (New Residence Hall) Project to Include North Dining Services Facilities, Using the Previously Selected Construction Manager At Risk

Mr. Weaver requested Board approval to extend the scope of the University Commons (new Residence Hall) project to include North Dining Services using the previously selected Construction Manager At Risk. He said this item was discussed with members of the Fiscal Affairs Committee at its meeting this morning.

Regent Hall said the Fiscal Affairs Committee met with the OSU administration regarding approval to extend the scope of the University Commons project to include North Dining Services using the previously selected Construction Manager At Risk, Flintco of Tulsa. The Committee acted to recommend Board approval.

Regent Hall moved and Regent Anthony seconded to approve the extension of the scope of the University Commons (new Residence Hall) project to include North Dining Services using the previously selected Construction Manager At Risk, Flintco of Tulsa, and to authorize the purchase of all furniture, fixtures, and equipment necessary for the completion of this project.

I-3 Approval to Extend the Scope of the University Commons (New Residence Hall) Project to Include North Dining Services Facilities, Using the Previously Selected Architect

Mr. Weaver requested Board approval to extend the scope of the University Commons (new Residence Hall) project to include North Dining Services using the previously selected Architect. He said this matter was discussed with members of the Fiscal Affairs Committee at its meeting this morning.

Regent Hall reported that the Committee met with members of the OSU administration regarding approval to extend the scope of the University Commons project to include North Dining Services using the previously selected Architect, KSQ Architects of Tulsa. The Committee acted to recommend Board approval.

Regent Hall moved and Regent Anthony seconded to approve the extension of the scope of the University Commons (new Residence Hall) project to include North Dining Services using the previously selected Architect, KSQ Architects of Tulsa, and to authorize the purchase, by sealed bid process, of all furniture, fixtures, and equipment necessary for the completion of this project.

J Approval of Purchase Request Items

Mr. Weaver presented the purchase requests and recommended their approval. (The purchase requests are listed on pages 5-6 of the OSU Agenda, which is on file in the Board of Regents’ Office as Document No. 5-1-24-14.) He requested approval to purchase the items as listed, subject to the availability of funds and/or the limitations of the budget.

Regent Milner moved and Regent Reese seconded to approve the sole source and special request purchase items as listed in the OSU Agenda (purchase requests Nos. 1 and 2, page 5, OSU Agenda).

Regent Davis moved and Regent Hall seconded to approve the balance of the purchase requests as listed in the OSU Agenda (pages 5-6, OSU Agenda).

President Hargis requested Interim Provost Fry to present an item pertaining to Academic Affairs:

Approval of Program Modifications

President Hargis said one item was not addressed during the business of Academic Affairs pertaining to curricular changes. He asked Dr. Fry to address this item.

Dr. Fry presented program modifications for the OSU-Stillwater campus. These modifications are summarized beginning on page E-1 of the OSU Agenda (which is on file in the Board of Regents’ Office as Document No. 5-1-24-14). If approved, these requests will be submitted to the Oklahoma State Regents for Higher Education for consideration.

Regent Lester moved and Regent Milner seconded to approve the program modifications as listed in the OSU Agenda.
With respect to the program modification regarding Entomology, Regent Davis commended both the administrations of OSU and the Center for Health Sciences in their efforts to address the need to get more doctors and veterinarians into the Oklahoma economy. He said his understanding is that this will provide a faster track and a more accessible path for those students to be able to earn those degrees. He said he appreciates that effort, and that is something the University has been working towards.

The motion carried.

The business of Oklahoma State University being concluded, President Hargis and members of the OSU administration were then excused from the meeting.
MEMORIAL RESOLUTION

WHEREAS, it has been called to the attention of the Board of Regents for Oklahoma State University and the Agricultural and Mechanical Colleges that John Howland, Associate Professor, Foreign Languages, College of Arts and Sciences, was claimed by death on December 9, 2013; and

WHEREAS, Dr. Howland, by his loyalty, attention to duty, and faithful performance rendered service as a faculty member of Oklahoma State University from September 1, 1984, to the date of his death, December 9, 2013, and as a citizen worthy of commemoration and respect; and

WHEREAS, his friends and Oklahoma State University have suffered irreparable loss in his passing:

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF REGENTS FOR OKLAHOMA STATE UNIVERSITY AND THE AGRICULTURAL AND MECHANICAL COLLEGES:

THAT it takes this method to express its appreciation for the years of useful service rendered by Dr. Howland to the State of Oklahoma and its citizens, to express respect to his memory, and to extend to the family its deep sympathy in the loss sustained, and to state that the Board and every member thereof respectfully join the friends of the deceased in mourning the passing of one of Oklahoma State University's faculty members.

BE IT FURTHER RESOLVED, that a copy of this resolution be spread upon the minutes of the Board and a copy sent to the family of Dr. Howland.

Adopted by the Board the 24th day of January 2014.

Tucker Link, Chair
MEMORIAL RESOLUTION

WHEREAS, it has been called to the attention of the Board of Regents for Oklahoma State University and the Agricultural and Mechanical Colleges that James M. Smallwood, Professor, Retired, History, College of Arts and Sciences, was claimed by death on November 22, 2013; and

WHEREAS, Dr. Smallwood, by his loyalty, attention to duty, and faithful performance rendered service as a faculty member of Oklahoma State University from September 1, 1975, to the date of his retirement, May 31, 2003, and as a citizen worthy of commemoration and respect; and

WHEREAS, his friends and Oklahoma State University have suffered irreparable loss in his passing:

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF REGENTS FOR OKLAHOMA STATE UNIVERSITY AND THE AGRICULTURAL AND MECHANICAL COLLEGES:

THAT it takes this method to express its appreciation for the years of useful service rendered by Dr. Smallwood to the State of Oklahoma and its citizens, to express respect to his memory, and to extend to the family its deep sympathy in the loss sustained, and to state that the Board and every member thereof respectfully join the friends of the deceased in mourning the passing of one of Oklahoma State University's faculty members.

BE IT FURTHER RESOLVED, that a copy of this resolution be spread upon the minutes of the Board and a copy sent to the family of Dr. Smallwood.

Adopted by the Board the 24th day of January 2014.

Tucker Link, Chair
January 24, 2014

CONNORS STATE COLLEGE, WARNER, OKLAHOMA

Dr. Tim Faltyn, President; Dr. Ron Ramming, Vice President for Academic Affairs and Student Services; and Ms. Kim Ryals, Controller, appeared before the Board of Regents to present the business of Connors State College and review the Agenda for members of the Board. Dr. Faltyn congratulated President Path and his wife, Deb, for the excellent evening. He said Dr. Path has done a great job since he has been in Oklahoma.

Special Presentation by Head Baseball Coach

Dr. Faltyn said he has a very special guest, Perry Keith, Head Baseball Coach. He said Coach Keith was named the 2013 South Central Region Coach of the Year by Diamond Sports. He has been at Connors 28 years. Dr. Faltyn said Coach Keith led the Cowboys to the 2013 National Junior College Athletic Association World Series in Grand Junction, Colorado, with a 5th place finish and was recognized at the American Baseball Coaches Association Hall of Fame banquet on January 3, 2014, in Dallas, Texas. In his 28 years of coaching at Connors, he has compiled a 1,375/399 win/loss record, he has taken the Cowboys to the World Series five different times, he was inducted into the NJCAA Baseball Hall of Fame in 2008, and he is the youngest coach in history to win 1,000 games—doing so by age 42. Dr. Faltyn said during his coaching career he has had 11 players go on to Major League Baseball. Dr. Faltyn asked Coach Keith to address the Board during which time special rings and/or pendants will be presented to the Board members.

Coach Keith said it is an honor to be here. He said former President Carl Westbrook took a chance on him 28 years ago to be the baseball coach. He said Dr. Faltyn talked about the players who have gone on to play Major League Baseball; however, he noted he has had three former players who are now doctors, one former player is currently in medical school, and another was just accepted into optometry school. He said when he goes into the homes of recruits, he preaches to them and their parents the success of the players who graduate and that he wants the young men to be good employees, good husbands, and good fathers. Coach Keith said Connors is a unique place. It gets many athletes who are not traditional college students; however, they go on and graduate from universities. He said it is easy for him to go into the homes of recruits and sell Connors because he can tell them they are getting a private education at Connors for a public price. The College is a size where many will know their names and make them ready to go on to a university and get a degree. He said several of these recruits would be lost if they went to a larger university. Coach Keith said it is an exciting time at Connors. He said he and Dr. Faltyn get along very well because they both have a “let’s go” mentality. He said he wants to continue every day to improve and not rest on what Connors now has.

Coach Keith said he is proud to say that both of his children graduated from Connors State College as well as himself and his wife. He said he is a blessed man to be able to spend his life at Connors, and he expressed appreciation to the Regents for their efforts and the things they do for Connors. He said when he is in the homes of recruits he proudly reports that Connors State College is governed by the A&M Board of Regents, which gives him instant validity. He said he
Connors State College - 2

January 24, 2014

hopes the Regents enjoy the rings and pendants, and he commended Dr. Faltyn for his efforts in getting these items. He said the players are very proud to have them.

**Personal Remarks by President Faltyn**

Dr. Faltyn presented the latest edition of the *Connection*. He noted that Dr. Trudy Milner was highlighted in this edition. She came to campus and met with the Leadership Connors group and toured the campuses. In addition, Dr. Faltyn reported that Connors earned top honors as a Certified Healthy Campus and Certified Healthy Business; a new campaign to celebrate Connors' 105th anniversary was launched; the Livestock Judging Team was named the overall champion team for the freshman and sophomore junior college division at the Arizona National Livestock Show; the CSC Shotgun Shooting Sports Team placed fourth overall in the Upper Midwest Conference Championship; and the beef show team placed well at the North American International Livestock Exposition.

With respect to enrollment, Dr. Faltyn reported that Connors is approximately 3 percent down in headcount and 1.5 percent down in credit hours. Annually, Connors is still up about 4.5 percent because it had quite an increase when most schools were trending down in the fall, and it is expected that final enrollment will be up about 4 percent when enrollment closes next week.

Regarding the capital construction projects, Dr. Faltyn said Connors has roughly $16 million worth of projects going on two of its campuses at this time. This includes the sewer project, the renovation of the Student Union, and the Nursing and Allied Health Building on the Three Rivers Port Campus.

Dr. Faltyn said when he arrived at Connors the faculty salaries were ranked No. 11 in the State. Through some excellent work by the salary task force, Dr. Faltyn said he is pleased to report that Connors is currently ranked No. 4 in terms of faculty salaries.

**Discussion Regarding Aged Accounts Receivable**

Dr. Faltyn said at the last Board meeting Regent Anthony asked a question about aged accounts receivable and bad debt. He asked Ms. Ryals to address this matter. Ms. Ryals presented an analysis of accounts receivable, which is included in the Connors Agenda. She said the information contains the accounts receivable for December 2012 year-to-date and December 2013 year-to-date for transparency, which reflects how much it has increased. She said there are two reasons for this. One is because in prior years there were some things that were not done in a timely manner and were not set up the way they should have been. Another reason is because changes were started, and sometimes it takes getting a little bit worse to get better. She said the chart also reflects how Connors allocates its allowance for uncollectibles. It is a graduating scale based on the age of the accounts receivable. Ms. Ryals said she is excited about the new things Connors is doing to manage its accounts receivable, and she highlighted the
steps being taken. These include setting up the warrant intercepts prior to June 30 and December 15 each year; issuing pre-collection letters prior to sending accounts to collection agencies; placing accounts with collection agencies prior to June 30 and December 15 each year; initiating electronic billing; placing all private pay students on payment plans; monitoring accounts receivable on a regular basis; and implementing a revenue cycle team that meets regularly to discuss processes that impact accounts receivable.

Regent Burns noted that in prior years there was no formal payment plan available and asked if one is now available. Ms. Ryals said this is correct. Regent Burns asked what is being done to contact students who are in arrears with regard to payment plans. Ms. Ryals said Financial Aid is sending these students to the Bursar’s Office to begin their payment plan. Regent Burns asked if there is a lot of contact with students before an account is turned over to a collection agency, and Ms. Ryals responded affirmatively. She said there will be communications with them and they will be set up on a payment plan, which will be monitored. Regent Burns asked how long it will go before an account is turned over to a collection agency. Ms. Ryals said about midway through a semester the students will be contacted. She said it takes about one semester before these accounts hit the collection agency. Regent Burns asked if Connors has had much success with collection agencies, and Ms. Ryals said Connors has had relative success. She said she believes Connors can do a better job, and this is the reason the pre-collection letters and payment plans were initiated.

Regent Anthony said he appreciates the response of the administration. Dr. Faltyn expressed thanks to Regent Anthony for the question. He said he was surprised about what Connors was doing and what it was not doing. He said some of it seemed fairly rudimentary to him, and some of it seemed really innovative. This was untapped territory for Connors, so he is very excited about this.

**Approval of Degree Programs**

Dr. Faltyn requested Board approval to begin the approval process for the degree programs as listed in the Connors Agenda. He said these programs are designed to be embedded certificates within the AAS in Nursing degree.

Regent Milner moved and Regent Burns seconded to approve the degree programs in Nursing as presented under item E.1. of the Agenda.

**Academic Services Fees**

Dr. Falty presented the Academic Services Fees and recommended their approval. He said this matter was discussed with members of the Academic Affairs, Policy and Personnel Committee at its meeting.

Regent Davis reported that the Committee met with the administration of Connors State College regarding the approval of certain Academic Services Fees, effective Fall 2014. The Committee acted to recommend Board approval as presented.

Regent Davis moved and Regent Burns seconded to approve the Academic Services Fees as presented.

**Balance of Agenda**

Chairman Link said he would entertain a motion for the balance of the Agenda, with the exception of Item J.2.

Regent Reese moved and Regent Davis seconded to approve the balance of the Agenda, with the exception of Item J.2. (The Agenda is attached.)

**Executive Session**

With respect to the request to pay UGL/DTZ for services rendered (Item J.2.), Chairman Link asked for advice from Legal Counsel about how to proceed.

Mr. Stephens said he would recommend that the Board go into Executive Session, which would be appropriate under Oklahoma Open Meeting Act, 307B.4., to discuss confidential communications with the Board concerning a pending claim that the disclosure of which would seriously impair the ability of this body to process that claim. He asked Dr. Falty to attend to present technical background information regarding the matter.
At approximately 11:35 a.m., Regent Burns moved that the Board go into Executive Session to discuss confidential communications with the Board concerning a pending claim that the disclosure of which would seriously impair the ability of the Board of Regents to process the claim (Oklahoma Open Meeting Act 307B.4.). Regent Reese seconded the motion.

Open Session

At approximately 12:10 p.m., Regent Burns moved and Regent Anthony seconded that the meeting reconvene in Open Session.

Mr. Stephens said he would like the record to reflect that during the Executive Session that was attended by members of the Board, the Chief Executive Officer, Dr. Faltyn, and himself that no vote was taken and no other action was taken by the Board.

Authorization to Pay UGL/DTZ

Dr. Faltyn requested authorization to pay $73,221 and $161,433 to UGL/DTZ for services rendered. These amounts will be paid out of Auxiliary funds.

Regent Burns moved and Regent Hall seconded to authorize Connors State College to pay $73,221 and $161,433 to UGL/DTZ for services rendered to be paid from Auxiliary funds.

The business of Connors State College being concluded, Dr. Faltyn and members of his administration were then excused from the meeting.
Dear Board Member:

Subject to budgetary limitations and availability of funds, the following expenditures are submitted for Board approval with purchases to be coordinated through the Board Purchasing Officer, Oklahoma State University. We recommend the following business for your consideration and approval.

A. **GENERAL INFORMATION REPORTS REQUIRING NO ACTION BY THE BOARD:**
   1. **Personal Remarks – Dr. Tim Faltyn**
      - Connors Connection
      - Spring Enrollment Update
      - Capital Construction Project Updates

B. **RESOLUTIONS:**
   None

C. **POLICY AND OPERATIONAL PROCEDURES:**
   None

D. **PERSONNEL ACTIONS:**
   None

E. **INSTRUCTIONAL PROGRAMS:**
   1. Approval is requested to begin the approval process for the following degree programs:
      a. Certificate in Certified Nursing Assistant Preparation
      b. Certificate in Practical Nursing Preparation
      These programs are designed to be embedded certificates within the AAS in Nursing degree. (see attached)

   2. Approval is requested to modify the AS in Physical Education to include the following options and new courses:
      a. Athletic Training
      b. Education
      c. Health and Wellness
      (see attached)

F. **BUDGETARY ACTIONS:**
   None
G. **OTHER BUSINESS AND FINANCIAL MATTERS:**

None

H. **CONTRACTUAL AGREEMENTS (other than construction and renovation)**

None

I. **NEW CONSTRUCTION OR RENOVATION OF FACILITIES:**

None

J. **PURCHASE REQUESTS:**

1. **Bull Test Program Feed**
   
   Authorization is requested to seek bids and purchase feed for the Bull Test Program up to the amount of $100,000. The purchase amount will be paid out of Auxiliary funds.

2. **UGL/DTZ Payment**
   
   Authorization is requested to pay UGL/DTZ $73,221 and $161,433 for services rendered. These amounts will be paid out of Auxiliary funds.

K. **STUDENT SERVICES/ACTIVITIES:**

1. **Academic Service Fees**
   
   Approval is requested to implement or increase the attached academic service fees.

L. **NEW BUSINESS UNFORESEEN AT TIME AGENDA WAS POSTED:**

None

M. **INFORMATIONAL MATTERS NOT REQUIRING ACTION OF THE BOARD:**

1. **November 2013 Out-of-State Travel Report, attached**
2. **December 2013 Out-of-State Travel Report, attached**
3. **2\(^{nd}\) Otr. Veterinary Payments Report, attached**
4. **2\(^{nd}\) Otr. Livestock Sales Report, attached**
5. **2\(^{nd}\) Otr. F.T.E. Employee Report, attached**
6. **Full-Time Faculty Salary Breakdown**
7. **Aged Accounts Receivables**

Respectfully submitted,

ASSOCIATE IN SCIENCE (AS) PHYSICAL EDUCATION
OPTION: ATHLETIC TRAINING

Program Goal
The goal of the Associate in Science Degree Program in Physical Education - Option: Athletic Training is to provide graduates a basis in physical education, athletic training, and health which will enable the success of the student in pursuit of a degree at a four-year college or university.

Program Objectives
1. Prepare the student to transfer Physical Education courses to a four-year college or university and seek a degree in Athletic Training, Health and Human Performance, or Health Promotions.
2. Graduates will:
   a. demonstrate an understanding of the basic concepts of physical education and athletic training;
   b. demonstrate an understanding of the basic concepts of health;
   c. demonstrate an understanding of the basic concepts of nutrition;
   d. demonstrate an understanding of the basic concepts of social science;
   e. demonstrate proficient public speaking;
   f. apply critical thinking skills to problems involving physical education, athletic training, health, and nutrition;
   g. perceive physical education from a global perspective;
   h. demonstrate an understanding of physical education, athletic training, health, nutrition, and social science and its place in developing effective citizenship skills.

Proposed Fall 2014
Proposed New Courses

**PHED 1713 Introduction to Athletic Training**
Course Description: 3 credit hours
An introduction to the profession of athletic training. Basic history, policies and procedures, management, and prevention techniques related to athletic training. Development of essential skills and competencies needed to perform selected athletic training procedures. Included lab portion for development of skills.

**PHED 1813 Sports Nutrition**
Course Description: 3 credit hours
Overview of the science of sports nutrition, with emphasis on nutrition as it applies to fitness, sport-specific training, and athletic performance. Topics include nutrient requirements and dietary recommendations, energy metabolism, weight management, and special nutrient needs during training and competition.

**PHED 2664 Assessment and Management of Musculoskeletal Injuries**
Course Description: 4 credit hours
Recognition and management of medical conditions affecting athletic participants. Medical history, use of evaluative tools, knowledge of various conditions and diseases, and clinical evaluation techniques for musculoskeletal disorders. This course will correspond directly with clinical observation placement and skills will be evaluated under the supervision of ATC. Prerequisite: PHED 1713 and HLTH 2383

**PHED 2222 Introduction to Kinesiology**
Course Description: 2 credit hours
An introduction course to the discipline of Kinesiology. The course will include origin, scope, development, and purpose of the Kinesiology discipline. The course will provide knowledge concerning future directions and career possibilities.
ASSOCIATE IN SCIENCE (AS) PHYSICAL EDUCATION
OPTION: EDUCATION

Program Goal
The goal of the Associate in Science Degree Program in Physical Education-Option: Education is to provide graduates a basis in physical education, health, family and consumer science, social science, and speech which will enable the success of the student in pursuit of a degree at a four-year college or university.

Program Objectives
1. Prepare the student to transfer Physical Education courses to a four-year college or university.
2. Graduates will:
   a. demonstrate an understanding of the basic concepts of physical education;
   b. demonstrate an understanding of the basic concepts of health;
   c. demonstrate an understanding of the basic concepts of nutrition;
   d. demonstrate an understanding of the basic concepts of social science;
   e. demonstrate proficient public speaking;
   f. apply critical thinking skills to problems involving physical education, health, nutrition, and social science;
   g. perceive physical education from a global perspective;
   h. demonstrate an understanding of physical education, health, nutrition, and social science and its place in developing effective citizenship skills.
# Associate in Science (AS) Physical Education Option: Education

**Total Minimum Degree Hours**: 61 Hours

¹ File with State Regents' office by the tenth of the month following the end of the calendar quarter being reported.
² The term employee shall mean "a full time employee or any number of part time employees whose combined weekly hours of employment equal those of a full time employee, but shall not include seasonal employees." For this report, the number of FTE employees for the reported quarter can be calculated by dividing by 487.5 hours (162.5 hours per month multiplied by three months) the total payroll hours (including seasonal employees) for the quarter.
³ This figure reflects the total number of FTE Employees for the main campus, branch campus(es) and all constituent agencies.

**PRIOR YEARS**

- Warrant Intercepts were not done timely
- Accounts were not placed with collection agency timely
- No formal payment plans available
- Accounts receivable was not monitored and worked regularly

**CURRENT YEAR**

- Warrant Intercepts will be done prior to June 30 and Dec. 15 each year
- Issue Pre-Collection Letters prior to sending accounts to collection agency
- Accounts will be placed with collection agency prior to June 30 and Dec. 15 each year
- Electronic Billing - with return receipts collected to ensure that bills are being received
- Payment plans are available and all private pay students will be placed on one
- Accounts receivable will be monitored regularly and will be a primary job responsibility of a director level employee
- Implemented a Revenue Cycle team that meets quarterly to discuss processes that impact accounts receivable. Team consists of Bursar, Registrar, Financial Aid Director, Director of Campus Life, and Controller
Public Comments

Chairman Link said 15 minutes are provided for members of the public who would like to address the Board, and he asked if there were any members of the public who wished to address the Board at this time.

Mr. Nick Berghall, a member of the Oklahoma State University Student Government Association, said at the last Board meeting he addressed the Board regarding his efforts to create a panel of all the student government associations under the A&M Board of Regents. He said at this point a constitution has been developed and has been presented to all the associations under the Board of Regents. Mr. Berghall said he is quite confident that by the next Board meeting the constitution will be ratified and there will be a functioning panel with representation of all the students under the A&M Board of Regents that will be able to answer to the Board and serve the Board. Mr. Berghall said he looks forward to revealing that as it gets approved.
Chairman Link called upon the Committee Chairs of the following Committees to give reports.

**Academic Affairs, Policy and Personnel Committee**

(All business discussed by the Academic Affairs, Policy and Personnel Committee was discussed during the business of Langston University, Northeastern Oklahoma A&M College, Oklahoma State University, and Connors State College.)

**Fiscal Affairs Committee**

(All business discussed by the Fiscal Affairs Committee was discussed during the business of Oklahoma State University.)

**Audit, Risk Management and Compliance Review Committee**

*Engagement of External Auditors for FY-2014*

With respect to the engagement of external auditors for the FY-2014 institutional audits, Regent Lester said Grant Thornton and Cole & Reed have each completed the second year of a three-year agreement to provide external audits of Oklahoma State University and the four A&M institutions, respectively. He said the proposed fee for Grant Thornton to audit Oklahoma State University and related entities for FY-2014 is $300,077. The proposed fee for Cole & Reed to audit the four A&M institutions for FY-2014 is $201,900. In addition, Cole & Reed would perform arbitrage rebate calculations on revenue bond issues on an as-needed basis for OSU during 2014 at a cost of $2,000 per calculation.

Regent Lester moved that the Board of Regents retain Grant Thornton to perform FY-2014 external audits for Oklahoma State University and related entities in the amount of $300,077 and Cole & Reed to perform FY-2014 external audits for the four A&M institutions in the amount of $201,900 plus arbitrage rebate calculations as stated. Regent Davis seconded the motion.

Personnel Actions

Mr. Ramsey said he has one item for the Board’s consideration that comes from General Counsel Stephens and himself regarding a special payment to Cindy Pearson on the staff of the Office of Legal Counsel. Mr. Ramsey said there was a special circumstance involving a faculty appeal in which a transcript needed to be developed. It was determined that it would cost several thousand dollars to contract with an outside service. He said Ms. Pearson volunteered to put in extra time, which involved several late evenings in order to get the project accomplished in a timely manner. Mr. Ramsey said it is proposed to process a special payment to Ms. Pearson of $500.00 to thank her for her efforts.

Chairman Link said his understanding is that this is in lieu of overtime and/or engaging a third party that would probably in either case cost more than $500. Mr. Ramsey said this is correct.

Regent Burns moved and Regent Anthony seconded to approve a one-time special payment of $500.00 to Cindy Pearson as presented.

The motion carried.

Actions Regarding the Appeal of Professor Arnon Rikin

Mr. Ramsey said on December 24, 2013, he received a letter of appeal from Dr. Arnon Rikin, Professor of Botany, at Oklahoma State University requesting that the Board review his termination pursuant to Board Rule 30:1-1-10. According to this policy, appeals of termination of tenured faculty are mandatory if requested by the faculty member. Therefore, it is appropriate for the Board to take action authorizing Chairman Link to refer this matter for a hearing before a hearing panel of Regents to act on this matter. He said the hearing panel members would be Regents Burns, Davis, and Lester, and Chairman Link and himself would be non-voting ex-officio members. In addition, he said Chairman Link has recommended that Regent Davis serve as Chair of the hearing panel.

Regent Davis moved and Regent Anthony seconded to approve the recommendation that Regents Burns, Davis, and Lester serve on a hearing panel (chaired by Regent Davis) with Chairman Link and CEO Ramsey acting as ex-officio non-voting members to review the termination of Professor Arnon Rikin.

The motion carried.
Chairman Link noted that the panel will meet with Dr. Rikin on February 3, 2014, at 3:00 p.m. Regent Burns suggested that a separate motion be made with respect to the time of the hearing so that it is on record.

Regent Burns moved that the hearing be held on February 3, 2014, at 3:00 p.m. in the Conference Room in the Office of the Board of Regents on the 5th Floor of the Student Union on the campus of Oklahoma State University, Stillwater, Oklahoma. Regent Davis seconded the motion.

Adjournment

At approximately 12:20 p.m., Regent Lester moved and Regent Burns seconded that the meeting be adjourned.

MEETING OF THE A & M BOARD OF REGENTS

January 24, 2014

State Room
Hospitality Services Building
OSU Institute of Technology-Okmulgee
1801 E. 4th Street
Okmulgee, Oklahoma
