MINUTES OF THE MEETING OF THE BOARD OF REGENTS FOR THE OKLAHOMA AGRICULTURAL AND MECHANICAL COLLEGES, APRIL 25, 2014

The Board of Regents for the Oklahoma Agricultural and Mechanical Colleges met in Room 17, Three Rivers Port Campus, Connors State College, 2501 N. 41st Street East, Muskogee, Oklahoma, on April 25, 2014.

Those present: Mr. Tucker Link, Chairman; Mr. Rick Davis, Vice Chairman; Mr. Calvin J. Anthony; Mr. Douglas E. Burns; Mr. Joe D. Hall; Mr. Andy Lester; Dr. Trudy J. Milner; Mr. Jim Reese; and Mrs. Lou Watkins.

Absent: None.

Others present: Mr. Jason Ramsey, Chief Executive Officer; Mr. Robert White, Health and Higher Education Policy Analyst; Ms. Jessica Russell, Director, State Government Relations; Mr. Steve Stephens, General Counsel; Mr. Cecil F. Strande, Director of Internal Audits; Ms. Shari Brecht, Administrative Associate; Ms. Cherilyn Williams, Administrative Associate; and Ms. Kyla Eldridge, Administrative Associate.

After the Chief Executive Officer announced a quorum was present and affirmed that all documents had been filed, the meeting was called to order at approximately 10:15 a.m.

MATTERS PERTAINING TO THE BOARD OF REGENTS FOR THE OKLAHOMA AGRICULTURAL AND MECHANICAL COLLEGES OF INTEREST TO ALL THE COLLEGES MEETING OF APRIL 25, 2014

Order of Business

Regent Hall moved and Regent Lester seconded to approve the Order of Business as presented.

Approval of Minutes

Regent Burns moved and Regent Watkins seconded to approve the minutes of the March 7, 2014, Regular Meeting of the Board of Regents for the Oklahoma Agricultural and Mechanical Colleges.

Approval of Future Board Meetings

Chairman Link announced that the next regular meeting of the Board of Regents is scheduled to convene on June 20, 2014, in Conference North, 3rd Floor - Student Center, on the campus of Oklahoma State University-Oklahoma City, 900 North Portland, Oklahoma City, Oklahoma. In addition, a meeting is scheduled for September 5, 2014, in Scholars Inn Clubhouse on the campus of Langston University, Langston, Oklahoma. Chairman Link asked for a motion to confirm this meeting.

Regent Lester moved and Regent Milner seconded to approve the meeting scheduled for September 5, 2014, in Scholars Inn Clubhouse on the campus of Langston University, Langston, Oklahoma.

Recognition of Regent Calvin Anthony

Chairman Link said he would like to recognize a good friend, a hard worker, and someone who has been more than 100 percent dedicated to the Board, Calvin Anthony. As an expression of appreciation for the eight-year term of service Regent Anthony recently completed, Chairman Link presented him with a plaque which reads, “In grateful appreciation for your leadership and dedication to the advancement of higher education in Oklahoma as a member of the Board of Regents of Oklahoma State University and the A&M Colleges, 2006-2014.” Chairman Link expressed thanks to Regent Anthony for his dedicated service. The Board is grateful for the leadership he provides and looks forward to serving with him as he begins his second term.
President Hargis appeared before the Board of Regents to present the business of Oklahoma State University and review the Agenda for members of the Board.

President Hargis said he is very pleased to be at the Three Rivers Port Campus of Connors State College. He said he appreciates all of Dr. Faltyn’s good work.

President Hargis reported that OSU’s commencement ceremonies will be held May 9-10, 2014. The commencement speaker is an internationally known scholar and humanitarian, Dr. Tererai Trent, who is a graduate of Oklahoma State University and who will forever have the moniker of Oprah Winfrey’s favorite guest. He further noted that Mary Beth Davis, a student who was paralyzed about four years ago in a car accident, will walk across the stage to receive her diploma with the aid of a device. Graduation is just two weeks away and the Registrar’s Office estimates there will be a little over 3,000 graduates with approximately 2,400 undergraduate students, 656 graduate students, and 86 doctoral students.

Adoption of Memorial Resolutions

President Hargis presented information regarding John L. Caddel, Professor Emeritus, Department of Plant and Soil Sciences, College of Agricultural Sciences and Natural Resources; Rodney B. Faber, Associate Professor Emeritus, Division of Engineering Technology, College of Engineering, Architecture and Technology; Ernest M. Hodnett, Professor Emeritus, Department of Chemistry, College of Arts and Sciences; and Ravi Sheorey, Professor, Retired, Department of English, College of Arts and Sciences. He presented Memorial Resolutions on behalf of Dr. Caddel, Mr. Faber, Dr. Hodnett, and Dr. Sheorey and requested their adoption. (The Memorial Resolutions are attached to OSU’s portion of the minutes as ATTACHMENTS A-D and considered a part of these minutes.)

Regent Hall moved and Regent Davis seconded to adopt the Memorial Resolutions for John L. Caddel, Rodney B. Faber, Ernest M. Hodnett, and Ravi Sheorey as presented.

President Hargis requested Interim Provost Pam Fry to present information pertaining to Academic Affairs:
Approval of Revisions to OSU Policy 2-0902 Reappointment, Promotion and Tenure Process for Ranked Faculty

Dr. Fry presented modifications to Oklahoma State University Policy and Procedures 2-0902 Reappointment, Promotion and Tenure Process for Ranked Faculty beginning on page C-1 of the OSU Agenda, which is on file in the Board of Regents’ Office as Document No. 1-4-25-14. The policy is the product of months of campus-wide discussions led by a task force chaired by Dr. Carol Moder and culminating with agreements among the Faculty Council, Council of Deans, and Legal Counsel. Earlier today members of the Academic Affairs, Policy and Personnel Committee discussed the proposed revisions to the policy.

Regent Davis reported that the Committee met with the administration of Oklahoma State University regarding the approval of revisions to Oklahoma State University Policy and Procedures 2-0902 Reappointment, Promotion and Tenure Process for Ranked Faculty. The Committee acted to recommend Board approval of the proposed policy revisions outlined in Agenda item C-1.

Regent Davis moved and Regent Lester seconded to approve the revisions to Oklahoma State University Policy and Procedures 2-0902 Reappointment, Promotion and Tenure Process for Ranked Faculty as presented.

Chairman Link said it appears to him that this policy is in effect a top-down review and requirements policy and that each department has its own review process that goes to the college level and then to the University level. He asked if there is a great deal of difference in those review processes and policies or if they are fairly consistent. Dr. Fry said what will be reviewed at the unit level are the standards and expectations (research, teaching, service, and extension) to receive promotion and tenure. As far as the overall process, it has not changed nor does she anticipate it changing dramatically. Chairman Link said standards and expectations will be defined and specified in that review process, and individuals will be measured against those standards and expectations.

Dr. Fry said each unit will evaluate its own reappointment, promotion and tenure (RPT) standards. She said there are University RPT standards and each unit has RPT standards. This specific policy is the University-wide policy. Chairman Link said in this group of policies it allows for a review process of professional standards by either the Dean or Provost. Dr. Fry said the Dean and the Provost both weigh in and will make judgments on the qualifications of each candidate as well as oversee the process to ensure that it was a fair process for each candidate. Chairman Link asked if an issue will elevate to President Hargis. Dr. Fry responded affirmatively and said the request comes from the Provost to President Hargis as well as ultimately to the Board for approval of each of those actions. Chairman Link said the key to him is that there are specifications, definitions, requirements, review, measure, and oversight to make sure that all of those things are happening. Dr. Fry said absolutely and that, in her opinion, it is a much improved document from the 2006 version and much better addresses those concerns.
Regent Davis said during the Committee meeting it was learned that the policy revisions have been reviewed by Legal Counsel.

The motion carried.

Award of Posthumous Degree

Dr. Fry said earlier this year the life of a promising OSU student ended suddenly, and a request was received from the faculty and administration of the Spears School of Business to award a posthumous Bachelor of Science degree in Business Administration with a major in Marketing to Mr. Bryan Daniel Kidd. The Spears School of Business anticipates awarding the degree to Mr. Kidd’s family at the December, 2014, commencement ceremony. This request meets the requirements set forth by the Oklahoma State Regents for Higher Education. She requested Board approval to award the posthumous degree as presented.

Regent Davis moved and Regent Burns seconded to approve the awarding of a posthumous Bachelor of Science degree in Business Administration with a major in Marketing to Bryan Daniel Kidd.

The motion carried.

Personnel Actions

Dr. Fry presented the personnel actions and recommended their approval with the exception of those items pertaining to separations and retirements, which are included as information items. The list includes seven new appointments, including the appointments of Dr. Thomas Coon as Professor, Vice President, Dean and Director of the Division of Agricultural Sciences and Natural Resources, and Dr. Keith Garbutt as the Inaugural Dean of the Honors College. In addition, 22 changes in title and/or rate and 10 sabbatical leave requests are recommended. Dr. Fry requested Board approval of these actions. For information, 11 retirements and 8 separations are also included in the list of personnel actions. (These recommendations are listed under Section D of the OSU Agenda, which is on file in the Board of Regents’ Office as Document No. 1-4-25-14.)

Regent Hall noted the variance in leave due to individuals who are retiring. He asked if the number represents hours or days. Mr. Weaver confirmed that the number represents hours in all cases. Regent Hall asked if this is based on an eight-hour day, and Mr. Weaver responded affirmatively.
Regent Lester commented that it is difficult to see Dr. Robert Spurrier retire. It was noted that OSU is losing some outstanding professors to retirement.

Regent Burns moved and Regent Lester seconded to approve the personnel actions as listed in the OSU Agenda.

With the appointment of Dr. Coon as the new Vice President, Dean and Director of the Division of Agricultural Sciences and Natural Resources, Regent Davis said he wants to publicly thank Interim Dean Mike Woods for a job well done.

The motion carried.

Approval of Program Deletion

Dr. Fry said the College of Education on the Stillwater campus is requesting to delete the Bachelor of Science degree in Education. The program deletion is summarized in Section E-1 of the OSU Agenda (which is on file in the Board of Regents’ Office as Document No. 1-4-25-14). If approved, this request will be sent to the Oklahoma State Regents for Higher Education for consideration.

Regent Lester moved and Regent Anthony seconded to approve the request to delete the Bachelor of Science degree in Education as presented.

The motion carried.

President Hargis requested Vice President Joe Weaver to present information pertaining to Administration and Finance:

G-1 Approval of Draft Document for 2014 Submission to the State Long-Range Capital Planning Commission

Mr. Weaver requested Board approval for Oklahoma State University’s 2014 submission to the State Long-Range Capital Planning Commission. He said this matter was discussed during the meeting of the Fiscal Affairs Committee.

Regent Hall said the Committee met with the OSU administration regarding approval of the 2014 submission to the State Long-Range Capital Planning Commission. The Committee acted to recommend Board approval.
Regent Hall moved and Regent Milner seconded to approve OSU’s submission to the State Long-Range Capital Planning Commission of a Capital Master Plan outlining current and planned capital expenditures for construction and maintenance.

G-2 Approval to Accept Bids on Oil and Gas Lease Sales

Mr. Weaver requested Board approval to accept bids on oil and gas lease sales in the total amount of $478,527.24. He said the Commissioners of the Land for the State of Oklahoma have managed this for OSU and recommend awarding the oil and gas leases as listed in the OSU Agenda. (The OSU Agenda is on file in the Board of Regents’ Office as Document No. 1-4-25-14.)

Regent Burns moved and Regent Anthony seconded to accept bids on oil and gas lease sales in the total amount of $478,527.24 as presented.

G-3 Approval to Enter into a Purchase Agreement for Real Property

Mr. Weaver requested Board approval to enter into a purchase agreement for real property located at 121 South Mission, Okmulgee, Oklahoma, and to allow the President or his designee to execute the purchase agreement. This property will be helpful for cleaning and upgrading the main entrance of the OSIIT campus.

Regent Reese moved and Regent Watkins seconded to authorize OSU to enter into a purchase agreement for real property located at 121 South Mission, Okmulgee, Oklahoma, and to allow the President or his designee to execute the purchase agreement, subject to approval by Legal Counsel.

G-4 Approval for a Gift-in-Kind of Ribbon Boards in the East End Zone of Boone Pickens Stadium

Mr. Weaver requested Board approval for Cowboy Athletic Facilities, LLC ("Cowboy"), to engage the services of a video board vendor and general contractor to install "ribbon boards" in the east end zone of Boone Pickens Stadium. He further requested Board approval for the OSU President to enter into a gift-in-kind agreement with Cowboy’s parent company, Cowboy Athletics, Incorporated, for the receipt of the project when it is completed, subject to approval by Legal Counsel. The estimated cost of the project is $250,000 and will be funded entirely from private funds.

Regent Hall moved and Regent Reese seconded to authorize Cowboy Athletic Facilities, LLC, to engage the services of a video board vendor and general contractor to install "ribbon boards" in the east end zone of Boone Pickens Stadium and to authorize the OSU President to enter into a gift-in-kind agreement with Cowboy’s parent company, Cowboy Athletics, Incorporated, for the receipt of the project upon completion, subject to review and approval by Legal Counsel.

H-1 Approval to Grant Perpetual Rights of Way and Easements

Mr. Weaver requested Board approval to grant perpetual rights of way and easements to PVR Gas Processing, LLC. He said the rights of way and easements allow PVR to install and maintain pipelines to transport crude oil, natural gas, petroleum products, natural gas liquids, water and other gaseous or liquid substances across lands owned by the Board of Regents in Noble County, Oklahoma. He said PVR will pay $150 per rod as compensation for the easement and will also compensate for surface damage.

Regent Reese moved and Regent Davis seconded to approve the granting of perpetual rights of way and easements to PVR Gas Processing, LLC, as presented, subject to approval by Legal Counsel prior to their execution.

Regent Burns asked General Counsel Stephens if his office gets involved in the negotiation of the documents. Mr. Stephens said Legal Counsel is involved in the approval of the documents but is not involved in the negotiation of the amount paid. That is done before it gets to his office. As far as the terms of the agreement, Regent Burns asked if this is put in Legal Counsel’s hands. Mr. Stephens said the documents are reviewed by Legal Counsel. Mr. Weaver said Doug Price, Deputy General Counsel, was involved in this particular deal. Regent Burns said he knows there
needs to be a big difference between what is presented and what is ultimately the end product and Legal Counsel works on that. Mr. Stephens said this is correct.

Regarding the income from the easements and the royalty leases, Regent Hall asked where it goes into the system. Mr. Weaver said it is put back into the properties. If the property is owned by General University, for example, it goes into a fund used for capital improvements and maintenance of the land that produces the revenue. In this case, these funds will go back to the department that helped the program in that area. Regent Hall asked if that would be like Extension or whatever it is, and Mr. Weaver said this is correct. Regent Hall asked if this is the same for production, and Mr. Weaver responded affirmatively.

Regent Reese said previously the Board decided to allow the Commissioners of the Land Office (CLO) to handle the oil and gas leases, and Mr. Weaver said this is correct. The CLO negotiates the leases for OSU. Regent Reese asked if the CLO also does rights of way, and Mr. Weaver said he does not believe so. Regent Burns said he does not see that there would be a benefit to it. He said he sees the benefit in the oil and gas side of it but not on the easements. Regent Burns said he does not believe there would be a difference in the terms of the amount of money OSU would make. As far as the surface provisions are concerned, Regent Burns said a lot of those are so unique to how that particular piece of land has been used that he believes at the end of the day OSU would be doing the work anyway. Mr. Weaver said OSU always involves the user of the real estate to help OSU know what those surface damages could be and how to be compensated. There is always a group of people involved in it depending on each deal.

As a point of information, Regent Davis said $150 per rod is fairly standard right now. He said there are ranges obviously, but he personally did some at this rate and crop damages on top of that. He believes this is within the range. Regent Burns agreed and said he believes the range currently is $125 to $225 per rod, depending on location.

The motion carried.

H-2 Approval to Grant Utility Easement to the City of Stillwater

Mr. Weaver requested Board approval to grant a utility easement to the City of Stillwater. The easement will allow the City of Stillwater to replace, at its cost, the Eskridge Avenue waterline. This will allow the City to complete the loop around the Athletic Village for the waterline so that the abandoned lines will no longer need to be of service.

Regent Reese moved and Regent Anthony seconded to grant a utility easement to the City of Stillwater to allow the City to replace the Eskridge Avenue waterline as presented, subject to approval by Legal Counsel.
The motion carried.

I-1 Approval to Select On-Call Architect Selser Schaefer to Assist the University in the Design and Construction of the Renovation of the Tower and Roofs of the Edmon Low Library

Mr. Weaver requested Board approval to select on-call architects, Selser Schaefer Architects of Tulsa, to assist the University in the design and construction of the renovation of the tower and roofs of the Edmon Low Library. He said this matter was discussed with members of the Fiscal Affairs Committee at its meeting this morning.

Regent Hall said the Committee met with the OSU administration regarding approval to select on-call architects, Selser Schaefer Architects of Tulsa, to assist the University in the design and construction of the renovation of the tower and roofs of the Edmon Low Library. He said the Committee acted to recommend Board approval.

Regent Hall moved and Regent Anthony seconded to select on-call architects, Selser Schaefer Architects of Tulsa, to assist the University in the design and construction of the renovation of the tower and roofs of the Edmon Low Library as presented.

The motion carried.

I-2 Approval to Begin Selection Process for a Construction Manager At Risk to Assist the University in the Design and Construction of the Renovation of the Tower and Roofs of the Edmon Low Library

Mr. Weaver requested Board approval to begin the selection process for a Construction Manager At Risk to assist the University in the design and construction of the renovation of the tower and roofs of the Edmon Low Library. He said this matter was discussed with members of the Fiscal Affairs Committee.

Regent Hall said the Committee met with the OSU administration regarding approval to begin the selection process for a Construction Manager At Risk to assist the University in the design and construction of the renovation of the tower and roofs of the Edmon Low Library. He said the Committee acted to recommend Board approval of the administrative recommendation.
Regent Hall moved and Regent Reese seconded to authorize Oklahoma State University to begin the selection process for a Construction Manager At Risk to assist the University in the design and construction of the renovation of the tower and roofs of the Edmon Low Library.

I-3 Approval to Select On-Call Construction Manager Nabholz Construction to Assist the University in the Design and Construction of Renovations to the First Floor of the Advanced Technology Research Center for the College of Engineering, Architecture, and Technology

Mr. Weaver said the request to select the on-call Construction Manager At Risk for renovations to the first floor of the Advanced Technology Research Center was also discussed with members of the Fiscal Affairs Committee.

Regent Hall reported that the Committee met with members of the OSU administration regarding approval to select on-call Construction Manager, Nabholz Construction, to assist the University in the design and construction of renovations to the first floor of the Advanced Technology Research Center for the College of Engineering, Architecture, and Technology on the OSU-Stillwater Campus. The Committee acted to recommend Board approval of the administrative recommendation.

Regent Hall moved and Regent Watkins seconded to select the on-call Construction Manager At Risk, Nabholz Construction, to assist the University in the design and construction of renovations to the first floor of the Advanced Technology Research Center as presented.

I-4 Approval to Begin Selection Process for a Construction Manager At Risk to Assist the University in the Design and Construction of Renovations at the North Central Research Station, Lahoma, Oklahoma

With respect to the request to begin the selection process for a Construction Manager At Risk regarding renovations at the North Central Research Station in Lahoma, Oklahoma, Mr. Weaver said this matter was discussed with members of the Fiscal Affairs Committee.
Regent Hall reported that the Committee met with members of the OSU administration regarding approval to begin the selection process for a Construction Manager At Risk to assist the University in the design and construction of renovations at the North Central Research Station located in Lahoma, Oklahoma. He said the Committee acted to recommend Board approval of the request.

Regent Hall moved and Regent Watkins seconded to authorize Oklahoma State University to begin the selection process for a Construction Manager At Risk to assist the University in the design and construction of renovations at the North Central Research Station located in Lahoma, Oklahoma.

I-5  Approval to Amend the Scope of Work for the Construction Manager At Risk Previously Selected to Assist the University in the Design and Construction of a New Building

Mr. Weaver requested approval to amend the scope of work for the previously selected Construction Manager At Risk, Flintco, LLC, to assist the University in the design and construction of a new building to house classrooms, student services, and faculty offices for Oklahoma State University – Center for Health Sciences (OSU-CHS). He said this item was discussed with members of the Fiscal Affairs Committee.

Regent Hall reported that the Committee met with the OSU administration regarding approval to amend the scope of work for the Construction Manager At Risk previously selected to assist the University in the design and construction of a new building for OSU-CHS. He said the Committee acted to recommend Board approval.

Regent Hall moved and Regent Milner seconded to amend the scope of work for the previously selected Construction Manager At Risk, Flintco LLC, to assist the University in the design and construction of a new building to house classrooms, student services, and faculty offices for OSU-CHS.

J  Approval of Purchase Request Items

Mr. Weaver presented the purchase requests and recommended their approval. (The purchase requests are listed on page 9 of the OSU Agenda, which is on file in the Board of Regents'
He requested approval to purchase the items as listed, subject to the availability of funds and/or the limitations of the budget.

Regent Reese moved and Regent Davis seconded to approve the purchase requests as listed in the OSU Agenda, subject to the availability of funds and/or the limitations of the budget (purchase requests Nos. 1-3, page 9, OSU Agenda).

Chairman Link said he would like to acknowledge a few OSU students who are present, Jacquelyn Lane and Nick Berghall. He said they are here representing the OSU Student Government Association.

Also, Chairman Link said he would like to acknowledge Kyle Wray. He noted that he recently received a call from a school that had approximately 100 junior and senior high school students who wanted to visit OSU. He said he e-mailed Mr. Wray, and he arranged the visit. Chairman Link said he received a good report from those who visited the campus.

The business of Oklahoma State University being concluded, President Hargis and members of the OSU administration were then excused from the meeting.
MEMORIAL RESOLUTION

WHEREAS, it has been called to the attention of the Board of Regents for Oklahoma State University and the Agricultural and Mechanical Colleges that John L. Caddel, Professor Emeritus, Department of Plant and Soil Sciences, College of Agricultural and Natural Resources, was claimed by death on March 16, 2014; and

OKLAHOMA PANHANDLE STATE UNIVERSITY, GOODWELL, OKLAHOMA

Dr. David Bryant, President, appeared before the Board of Regents to present the business of Oklahoma Panhandle State University and review the Agenda for members of the Board.

Dr. Bryant expressed thanks to President Tim Faltyn, his wife Kelly, and the staff of Connors State College for the outstanding hospitality at Muskogee. The groundbreaking ceremony, dinner, and program yesterday were first class and very enjoyable.

Items of information presented by Dr. Bryant included the City of Guymon and OPSU receiving a State Regents’ Business Partnership Excellence Award; four OPSU concert band members being selected to participate in the Oklahoma Intercollegiate Honor Band during the Oklahoma Music Educators Association convention; members of OPSU’s Hispanic American Leadership Organization attending the 32nd Annual United States Hispanic Leadership Institute; and the success of the OPSU Phi Beta Lambda Business Team at the recent state convention in Stillwater where it won 18 state championships, 10 second place awards, and 5 third place awards. In addition, Dr. Bryant referenced the April President’s Update newsletter regarding results of the 2014 Faculty and Staff Satisfaction Survey, which will be helpful in identifying areas that need improvement.

Chairman Link asked how many participants were involved in the event in which OPSU received 18 state championships. Dr. Bryant said approximately 20 OPSU students attended the event. He said he believes awards were given in about 50 categories.

Personnel Actions

Dr. Bryant presented personnel actions, effective July 1, 2014. These include two promotions and one request to grant tenure. He said the promotions will include a $1,000 increase in base salary.

Regent Reese moved and Regent Lester seconded to approve the personnel actions as listed in the OPSU Agenda.

Approval of Actions Regarding Master Lease Programs

Dr. Bryant requested Board approval to make bond payments of Master Lease 2014B (Aggie Apartments) for April, May, and June, 2014, in the total amount of $81,581.82.
In addition, Dr. Bryant presented two requests that relate to refinancing two equipment items within the Master Lease Equipment Program to achieve a lower interest rate of 2.5 percent. (Information regarding these requests is found in Exhibits A and B, which are collectively on file in the Board of Regents’ Office as Document No. 2-4-25-14.) One request pertains to a steam line and condensation line replacement project that basically revamped the heating infrastructure of OPSU. The second request involves lighting improvements and HVAC zone and climate control equipment.

Regent Anthony moved and Regent Reese seconded to approve the bond payments of Master Lease 2014B (Aggie Apartments) for April, May and June, 2014, in the total amount of $81,581.82; the submission of appropriate documents to the Oklahoma State Regents for Higher Education (OSRHE) for refunding the 2004A Master Lease in the estimated amount of $1,262,261 to be included in the Master Equipment Lease Program; and the submission of appropriate documents to the OSRHE for refunding the 2002 OPSU Bonds in the estimated amount of $1,801,839 to be included in the Master Equipment Lease Program as presented in the OPSU Agenda.

The business of Oklahoma Panhandle State University being concluded, Dr. Bryant was then excused from the meeting.

Board of Regents for Oklahoma A & M Colleges

Dear Board Members,

Subject to the budgetary limitations and availability of funds, the following expenditures are submitted for Board Approval with purchases to be coordinated through the Board Purchasing Office.

Part A---General Information/Reports Requiring No Action By the Board

None

Part B---Resolutions

None

Part C---Policy and Operational Procedures

None

Part D---Personnel Actions

Board approval is requested for the following personnel actions effective July 1, 2014. Promotions will include a $1,000 increase in base salary.

1.  The promotion of Ms. Julie Book from Instructor to Assistant Professor of English.

2.  The promotion of Mr. Brent Shoulders from Assistant Professor to Associate Professor of Art.

3.  The granting of tenure to Dr. Patrick Maille, Associate Professor of History.

Part E---Instructional Programs

None

Part F---Budgetary Actions

None
Part G—Other Business and Financial Matters

1. Board approval is requested to approve the bond payments of Master Lease 2014B (Aggie Apartments) for April, May and June 2014 in the total amount of $81,581.82.

2. Board approval is requested to submit the appropriate documents to the OSRHE for refunding of the 2004A Master Lease for an estimated value of $1,262,261 to be included in the Master Equipment Lease Program. (See Exhibit A).

The 2004A Master Lease will be refunded with the 2014A Master Lease in the estimated amount of $1,262,261. Required capital annual payments of an estimated amount of $143,860 will be made from lawfully available funds. To the extent the University utilizes its own funds or borrowed funds for said purposes, it is the intent of the Board that proceeds of the OSRHE Master Lease program will be utilized to reimburse the University and/or repay said borrowed funds.

The refunding of the 2004A Master Lease with the 2014A Master Lease will result in a net present value saving of approximately $144,917 over the remaining term of the bond. (2015-2024). This will be an estimated annual savings of $16,025. These savings are possible because of an average projected lower interest rate on the 2014A bonds (2.5% compared to the existing average rate of 4.41%).

3. Board approval is requested to submit the appropriate documents to the OSRHE for refunding of the 2002 OPSU Bonds for an estimated value of $1,801,839 to be included in the Master Equipment Lease Program. (See Exhibit B).

The 2002 OPSU Bonds will be refunded with the 2014A Master Lease in the estimated amount of $1,801,839. Required capital annual payments of an estimated amount of $217,703 will be made from lawfully available funds. To the extent the University utilizes its own funds or borrowed funds for said purposes, it is the intent of the Board that proceeds of the OSRHE Master Lease program will be utilized to reimburse the University and/or repay said borrowed funds.

The refunding of the 2002 OPSU Bonds with the 2014A Master Lease will result in a net present value saving of approximately $238,105 over the remaining term of the bond. (2015-2023). This will be an estimated annual savings of $50,351. These savings are possible because of an average projected lower interest rate on the 2014A bonds (2.5% compared to the existing average rate of 5.55%).

Part H—Contractual Agreements (other than construction and renovation)

None

Part I—New Construction or Renovation of Facilities

None

Part J—Purchase Requests

None
Part K---Student Services/Activities

None

Part L---New Business Unforeseen At Time Agenda Was Posted

None

Part M---Other Information Matters Not Requiring Action of the Board

1. The City of Guymon and OPSU received a State Regents’ Business Partnership Excellence Award in March.

2. Four of OPSU’s concert band members were selected to participate in this year’s Oklahoma Intercollegiate Honor Band during the Oklahoma Music Educators Association convention in Tulsa.

3. Members of OPSU’s Hispanic American Leadership Organization attended the 32nd Annual United States Hispanic Leadership Institute in Chicago.

4. At the recent state convention in Stillwater, the OPSU Phi Beta Lambda Business Team came away with 18 state championships, 10 second place awards, and 5 third place awards.

5. The March and April President’s Update Newsletters are attached.

7. The quarterly FTE report is attached.

Respectfully submitted,

The OPSU Rodeo’s Annual Top Hand Auction was held Feb. 1 at the Pickle Creek Event Center in Guymon. Hunny’s of Guymon provided the free meal for the evening. The auction raised over $27,000 which will be used for scholarships, practice stock, facility upkeep and the professional rodeo schools.

OPSU Head Football Coach Russell Gaskamp announced the Aggies’ 2014 Signing Day Recruiting Class via video conference on Feb. 5. With the addition of an impressive 2014 Aggie Signing Class to the current squad, Gaskamp declares that in 2014...WE WILL!

The OPSU Staff Liaison Committee hosted the Annual Staff Silent Auction at the OPSU Winter Homecoming on Saturday, Feb. 15. Profits from the auction totalled approximately $1800 and will benefit the OPSU Staff Scholarship which is awarded each fall.

The 62nd Annual Oklahoma Panhandle State University Performance Tested Bull Sale was held February 24, 2014. 59 bulls brought $222,950 for an average of $3,778.81.

Oklahoma Panhandle State University is now offering the GED exam making it more possible for adults in this area that may not have finished a four-year high school education program to press on to their goals! The test is made up of four modules including math, science, language arts and social studies and is generally taken two tests at a time. The cost is $34 per module.

Lance Quintana, senior, at Oklahoma Panhandle State University represented the OPSU student body at the 17th Annual George and Donna Nigh Leadership Scholarship Academy held Feb. 7-11, 2014, in Oklahoma City. Quintana got the opportunity to meet many prominent leaders from the state of Oklahoma and received a $1000 Leadership Scholarship.

Senior forward Bill Lee was recognized prior to the February 27 game against Dallas Baptist for collecting 500 rebounds in his four-year career as an Aggie. During the game, Lee reached the 1000-point mark in scoring for his career.

The last basketball game of the season saw five OPSU women’s basketball seniors Meagan Bell, Sarah Johnson, Sharice Papaleo, Morgan Rickwartz, and Kortney Williams play their season finale game against Oklahoma Christian University on March 1.

Six Senior Aggie basketball players, T.J. Farrell, Z. Jones, Bill Lee, Krys Randolph, Tavien Rosemond, and Kysahn Sands, took the court against Oklahoma Christian University in their last college basketball game.

The 14th Annual Paul Farrell Memorial Art Auction took place March 7 at the Pickle Creek Event Center. The auction raised over $16,000 to be used for scholarships and awards. The event was stated to be the best presentation of art in the 14 years of holding the auction.
OPSU Familiar Faces: Physical Plant

The staff members at the OPSU Physical Plant work hard to keep OPSU at its best. From the appearance of the campus to routine maintenance, the Custodial Crew, the Grounds Crew, and the Maintenance Crew together with Johnson Controls Inc. complete a variety of tasks here on campus.

Bob Scott, Physical Plant Director, oversees the duties of each department within the Physical Plant as well as monitoring the campus water system, the sewer system and lagoon, and a gas well on the OPSU farm. As a dedicated OPSU employee, he is not only on duty from 6:30 a.m. to 4:30 p.m. but Bob is available to be here 24 hours a day, 7 days a week, 365 days a year if needed to take care of anything that may arise. Scott will complete his 29th year of service at OPSU in April and has seen many updates throughout his time on campus. He said, “With the help of Dr. Bryant and Larry Peters, we have come a long way.” Technology advancements have been particularly important to the way things are able to be done now compared to many years ago.

Supervised by Laura Duran, the Custodial staff is a very key part of the Physical Plant and includes Maytee Alarcon, Christina Avila, Isebel Barriga, Maricela Corral, Veronica Esquivel, Jennifer Fernandez, Maria Fraire and Rosa Gonzalez. In addition to keeping each of the buildings and the offices inside them clean and shining, the crew cleans the gym or stadium before and after athletic events. They may be seen waxing floors or setting up for graduation or a banquet in the ballroom, always with a smile!

Additionally, Duran is the Administrative Assistant at the Physical Plant. She also supervises the scheduling of motor pool vehicles and supervises the Freight Office.

Another very crucial part of the Physical Plant is the Maintenance department which includes Mike Calsing, Beau Conway, George Garcia, Ernie George and Frank Quintana. Together, they complete tasks from carpentry work to electrical work and painting. The maintenance crew provides a variety of services on campus such as installing windows, replacing light fixtures, and maintaining and updating housing units.

The Grounds Crew and Motor Pool are yet another chief area of the Physical Plant. Supervised by Ray Ortiz, the grounds crew’s duties can vary depending on the time of the year. From mowing grass and installing sprinkler systems to cleaning snow, clearing tumbleweeds, or preparing the fields for games and maintaining the OPSU Golf Course, they keep the campus looking great. The team is made up of Noe Adame, Jose Cazares, Manuel Cazares, Mike Lamar and Jose Magallanes. Robert Lamar works in the Motor Pool and he is responsible for keeping the campus vehicles clean, safe and ready for campus use.

Another area that is vital to the campus, the Physical Plant outsources the heating, ventilation, and air conditioning (HVAC) and HVAC maintenance as well as the plumbing maintenance to Johnson Controls Inc. Staff members include Don Brewer, Lawrence Hambleton and one rotating technician.

Johnson Controls Inc. is in charge of monitoring and maintaining all heating and air on campus including the OPSU farm and all housing units. Often times, the Physical Plant staff members are “behind the scenes” making sure things are exactly the way they are supposed to be. While it would be nearly impossible to name everything they do, one thing is very certain, each department within the Physical Plant is vital to the success of the University and the comfort, safety and security of the students, faculty and staff.

Starting in the fall of 2014, OPSU will offer a Bachelor of Science Degree in Criminal Justice in addition to the Associate of Science Degree in Criminal Justice.

Students in OPSU's Phi Beta Lambda (PBL) organization traveled to the 2014 Oklahoma FBLA-PBL (Future Business Leaders of America- Phi Beta Lambda) State Leadership Conference held in Stillwater, Okla., to compete in various state competitions as well as attend workshops and networking sessions on Friday, March 28. The students competed in a total of 31 events placing in 28 of them, and returning to the Panhandle with state championships in 18 events; second place finishes in 10 events; and third place finishes in five events.

A team of four OPSU students from the Computer Information Systems (CIS) department participated in the Heartland Gaming Expo. They won the Animation Award and finished third place overall.

The summary of the 2014 Faculty and Staff Satisfaction Survey is presented below with a numerical score for each section. The numerical scoring consisted of 1 = strongly agree; 2 = agree; 3 = neutral; 4 = disagree; and 5 = strongly disagree. All sections were rated below 3 which placed them on the positive side of the rating spectrum. University services and department supervisors/directors in Section 6 received their individual scores.

This survey information from all sections will be helpful in identifying areas that need improvements. Thanks for your participation in this important effort.
Faces of OPSU: Larry Hough
First a student and now a teacher, Larry Hough, Associate Professor and Department Chair Industrial Technology, is no stranger to the OPSU campus. He received a Bachelor of Science degree in Industrial Education from OPSU in 1968 and began teaching classes in the Industrial Technology Program in 1972. Hough has taught a wide variety of subjects within the program over the years including: metal manufacturing, auto mechanics, computer-aided design (CAD), welding, computer numerical control (CNC), and robotics.

Hough said, “All of the classes I teach are a hobby to me. I get to do what I enjoy every day.”

One of the biggest joys for Hough is the relationship with the students. Within the Industrial Technology program, 75 percent of the class is taught in the lab through hands-on experience and 25 percent is taught in the classroom which allows plenty of time for the instructors to get to know their students. It doesn’t take long to see Hough’s passion for what he does and his desire to teach others about it. Hough said, “I tell the students if you don’t learn something new every day of your life, you are wasting your time. I’ve said that a million times, probably worn the hinges out on it.”

During Hough’s time at OPSU one of the biggest changes he has observed is the integration of computer-aided manufacturing into the curriculum.

Soon, the Industrial Technology department will experience another change as Hough will retire this spring. Although this will require some adjusting for the department, Hough’s expertise and years of experience won’t be far. Hough plans to teach one class in the Industrial Technology department each semester as an adjunct professor.

Additional time will be spent working on projects, becoming more involved with benchrest shooting and spending more time with the grandkids.

---

Faces of OPSU: Dr. Russell Thatcher
After 16 years of teaching at OPSU, Dr. Russell Thatcher, Professor of Education, plans to retire in May.

Dr. Thatcher was born and raised in Indiana where he was a preacher and teacher before coming to OPSU in January of 1998 and he says, “I would come out here again in a heartbeat.” During his time at OPSU, Dr. Thatcher has taught a variety of classes within the Elementary Education program. When asked about a favorite class, Dr. Thatcher said he likes them all, but “Classroom Management is always a fun one.” Dr. Thatcher's wife will also retire from her teaching job in Dumas, Texas, in May and the two are excited for the future to travel and spend time with family. The couple will spend time traveling to both Michigan and New Mexico, where they own land. Dr. Thatcher is already making plans to be in Michigan in the fall for the salmon run. Eventually, they will visit both England and Scotland and pursue their ancestral roots. Additional plans include homeschooling one of their grandchildren and plenty of time for playing the piano and organ, a passion of Dr. Thatcher's.

Dr. Thatcher has truly enjoyed his time at OPSU and said, “The students have made the job the greatest pleasure.” He added, “Life has many challenges and when the challenges are part of your profession it makes life worth living.”

Dr. Kent Smith, President; Dr. Clyde Montgomery, Vice President for Academic Affairs; and Dr. Sharron Burnett, Vice President for Fiscal and Administrative Affairs, appeared before the Board of Regents to present the business of Langston University and review the Agenda for members of the Board.

Dr. Smith wished to thank his good friend and colleague, Tim Faltyn, for the wonderful dinner. He appreciated the great service and hospitality.

Dr. Smith reported that the Langston University commencement will be held on Friday, May 16. He said he is very excited to have Regents Davis, Lester, Reese, and Watkins attend as well as CEO Ramsey. In addition, Dr. Smith expressed appreciation to Regent Lester who was on campus for Honors Day, Regent Anthony who attended the grand opening of Langston’s Public Safety Building, and CEO Ramsey for attending Founders’ Day. Dr. Smith said it is always good to have Board representation on campus, and people certainly take notice when the Regents are in attendance.

Dr. Smith presented the new recruitment brochure. He said one thing he is hearing nationally in discussions is that a lot of universities are not providing truth in lending as to the actual cost of attendance. He said the decision was made to provide the full cost including room, board, and fees. This is a competitive advantage for Langston because it is one of the least expensive four-year institutions in the state and region. He also noted that the brochure includes pictures of current students.

Dr. Smith also presented a Langston University Enrollment Management Planning and Tracking Document (which is attached and considered a part of these minutes). He said it is believed that Langston will meet its goal of 650 students for the fall semester and that Langston is actually trending towards 700 students. Last year was a record year for Langston in terms of freshman enrollment, applications, etc. Currently, Langston is 30 percent above the numbers for last year.

Approval to Establish a Faculty Senate

Dr. Smith requested Board approval of Langston University’s proposed constitution to establish a Faculty Senate. He said this matter was discussed with members of the Academic Affairs, Policy and Personnel Committee. He said the document has been reviewed by Legal Counsel. (A copy of the proposed constitution establishing a Faculty Senate is on file in the Board of Regents’ Office as Document No. 3-4-25-14.)

Regent Davis said the Committee met with the administration of Langston University regarding approval of a constitution to establish a Faculty Senate. The Committee acted to recommend Board approval of the administrative recommendation.
Regent Davis moved and Regent Lester seconded to approve the constitution to establish a Faculty Senate for Langston University as presented.

Personnel Actions

Dr. Smith presented the personnel actions and recommended their approval. Dr. Smith said while Langston is requesting a non-renewal of its head coach and assistant men’s basketball coach, an offer was made to renew the contract of the women’s basketball coach. The coach initially accepted but has since decided to move back to California to be with his family. Dr. Smith said Langston has honed in on a candidate for the women’s basketball program. He said he has visited with Mr. Ramsey and will communicate with Chairman Link regarding the matter. He informed the Board that he would like to make an announcement as early as next week. He said he is meeting with the candidate this afternoon to further discuss the appointment.

Regent Anthony moved and Regent Watkins seconded to approve personnel actions Nos. D.4.-D.7. as listed in the Langston Agenda.

FY 2014 Budget Revision

Dr. Smith requested approval of a budget revision for FY 2014 (a copy of which is on file in the Board of Regents’ Office as Document No. 4-4-25-14). Because of the increase in enrollment, Langston had an increase in the number of scholarships offered. The revision brings its budget in line. To date Langston has not drawn down any money from the endowment. However, Langston does anticipate, as promised, a pre-budget in which Langston would draw down some funds to attract the type of college-ready students that Langston is recruiting. This adjustment simply brings Langston in line in terms of the budget.

Balance of Agenda

Regent Lester moved and Regent Reese seconded to approve the balance of the Agenda, subject to the availability of funds and/or the limitations of the budget. (The Agenda is attached.)
The motion carried.

Chairman Link asked Dr. Smith where he is next week, and Dr. Smith said he will be in Atlanta on Monday. Chairman Link said that is a good way to dodge the KLR field day competition.

The business of Langston University being concluded, Dr. Smith and members of the Langston administration were then excused from the meeting.
BOARD OF REGENTS FOR THE OKLAHOMA A&M COLLEGES

E. INSTRUCTIONAL PROGRAMS:  NONE

F. BUDGETARY ACTION:

1. Approval is respectfully requested of Langston University's budget revision for fiscal year 2014. This document is included for your review in Attachment D.

G. OTHER BUSINESS AND FINANCIAL MATTERS:

2. Approval is respectfully requested for Langston University to decommission Officer Louis Ross, Campus Police Officer.

H. CONTRACTUAL AGREEMENTS (other than construction and renovation):

1. Approval is respectfully requested for Langston University to enter into an affiliation agreement with Kindred Hospital of Oklahoma City for the training of Nursing and Health Professions students.

2. Approval is respectfully requested for Langston University to enter into an affiliation agreement with Shadow Health, Inc. for the training of Nursing and Health Professions students. Shadow Health, Inc. will provide an education clinical scenario in the form of digital simulation using their Digital Clinical Experience. Students will have access to Shadow Health services for the remainder of their enrollment within the School of Nursing and Health Professions after paying a one-time fee of $89.00. Students will purchase the Digital Clinical through the University bookstore. This agreement is pending final approval by Legal Counsel.

I. NEW CONSTRUCTION OR RENOVATION OF FACILITIES:  NONE
J. PURCHASE REQUESTS:

1. Approval is respectfully requested for Langston University to settle outstanding Perkins Loans claims with the Department of Education/Perkins Loans liquidation for $36,732.60. While collection activity has continued, the last payment of these loans occurred in 1993. As a result, the Department of Education has asked that these loans be liquidated and funds returned. This request was approved by the Oklahoma A&M Board of Regents at the June 2013 meeting for use of FY 2012 funding; however, the Department of Education did not provide final resolution for payment until April 2014, and FY 2012 funding had closed. Funds are available for this settlement with FY 2013 funding in Account 1-29990. Supplemental documentation is included in Attachment E for your review.

TOBACCO USE IN UNIVERSITY BUILDINGS AND GROUNDS

(This policy replaces policy 603.0 Smoking in the Staff Handbook)

It is the intent of Langston University to promote the health, well-being and safety of students, faculty, staff and visitors. In order to maintain a safe and comfortable working environment and to ensure compliance with applicable laws, Langston University is designated as a tobacco-free environment. Smoking and the use of all tobacco products are prohibited. This includes the use of e-cigarettes and other vapor products.

The Oklahoma State System of Higher Education may be designated as tobacco free, including smoking or smokeless tobacco, by the institution upon adoption of a policy stating the tobacco restrictions for the institution and an intent to enforce the penalty for violations as set forth in subsection N of 21 O.S.§1247 effective November 1, 2010. As well as ensure compliance Executive Order 2013-43, effective January 1, 2014.

This policy applies to all non-leased buildings and grounds owned or under the control of Langston University, including any housing or residence facility owned, operated, or managed by the University. Tobacco use is also prohibited in all vehicles owned, leased or under the control of Langston University.

All faculty, staff, students, and visitors are requested to honor the tobacco free policy. Courtesy and consideration will be exercised when informing others unaware of and/or in disregard of this policy. Appropriate corrective action will be taken for any individual failing to comply with this policy. In addition to appropriate corrective action by the University, any commissioned law enforcement officer may issue a citation in accordance with the Langston University's Tobacco Use in University Buildings and Grounds policy.

For employees who wish to quit tobacco or e-cigarettes, a variety of cessation resources are available, many at no cost or covered by state-provided insurance programs. Free quit coaching and other resources are available through the Oklahoma Tobacco Helpline by calling 1-800-QUIT-NOW (784-7669) or visiting www.okhelpline.com. Langston University will be supportive of those wanting to quit and will assist in connecting employees with the available resources.

Langston University

6. Approval is respectfully requested to pay the annual amortization of the Sodexo investment carried over from Aramark in the estimated amount of $214,000.00. The payment of this amortization will allow the University to minimize the requested meal plan increases to students. Funds for this expenditure are available in account 131991.

7. Approval is respectfully requested for Langston University to advertise for bids and award the lowest and best bidder a contract to provide tornado sirens. Our current tornado sirens are outdated and only fifty percent functional. The estimated cost for a new remote control audible notification system is $55,000.00. Funds for this are available in Section 13/New College.

8. Approval is respectfully requested to settle outstanding Perkins Loan claims with the Department of Education/Perkins Loan liquidation in an amount not to exceed $50,000. While collection activity has continued, the last payment occurred in 1993. As a result, the Department of Education has asked that these loans be liquidated and funds returned. Funds are available in account 1-29993.

9. Approval is respectfully requested for Langston University to process a purchase requisition to complete the disaster recovery activities for Jonas Hall, due to flooding caused by combined roofing and plumbing malfunction over the weekend of June 1-2, 2013. The Department of Central Services risk management has approved for Langston University to perform emergency recovery process. The estimated cost ranges from $150,000.00 to $200,000.00. This requisition will be processed for actual realized costs and submitted to Department of Central Services (DCS) risk management for reimbursement for funding expended beyond the $50,000.00 deductible. Funds for this deductible are available in account 430 working funds.

10. Approval is respectfully requested for Langston University to purchase a new generator for the Aline H. Johnson building (Whitehouse) at an estimated cost of $55,000.00. The design plans and scope of work for bidding are complete and the above estimate is based on the same.

11. Approval is respectfully requested to purchase distance learning equipment for the School of Physical Therapy. The projected estimated cost for the equipment is $76,000 per the contract. Funds for this expenditure are available in account number 776503.

12. Approval is respectfully requested for Langston University to process a purchase requisition in the amount of $77,550 for FY13 to Littlefield Brand Development for additional work in developing the University brand and website. Funding for this expenditure is available in account number 121999.

NORTHEASTERN OKLAHOMA A&M COLLEGE, MIAMI, OKLAHOMA

Dr. Jeff Hale, President; Mr. Mark Rasor, Vice President for Fiscal Affairs; and Dr. Shannon Cunningham, Assistant Vice President for Academic Affairs, appeared before the Board of Regents to present the business of Northeastern Oklahoma A&M College and review the Agenda for members of the Board.

Dr. Hale said he is sorry he missed dinner and the activities last evening. He said he heard good reports.

Dr. Hale referenced the NEO Update and said it is the “who’s who” edition beginning with the cover page highlighting Chairman Link. He said NEO is looking forward to having Chairman Link as the commencement speaker on May 8. Dr. Hale said Regents Davis and Lester will be attending as well as Mr. Ramsey.

The NEO Update also features Kelsey Williams receiving the New Century Scholar as one of 51 community college students from the United States, Canada, and American Samoa to receive this honorary scholarship; Charlie McQuigg being named one of the nationwide winners for the Newman Civic Fellows Award; Joe Renfro receiving the 2014 National Junior College Athletic Association Wrestling Coach of the Year (his fourth time to win this award during the past ten years); two students from the livestock judging team being named All-Americans for the junior college All-American team; NEO’s small business division team placing third at the 2013 Donald W. Reynolds Governor’s Cup competition for the second consecutive year; and Tandy Kidd receiving a summer internship with the Oklahoma Department of Agriculture in Oklahoma City.

Oklahoma Online Course Review Checklist

Regent Anthony said as a part of the agenda is the Oklahoma Online Course Review Checklist that NEO will use to assess its online courses. He asked if this is something NEO does on a regular basis and if this survey goes to the students and they provide feedback. Dr. Hale said the growth of online courses at NEO and across the System has grown tremendously over the last several years. To be honest, Dr. Hale said NEO has not really looked at the standards of the development of those courses as closely as it should have. He said Dr. Bethene Fahnestock, Vice President for Academic Affairs, Dr. Cunningham, and the department chairs have worked on a standard format for the development of online courses, and it includes the eight standards listed in the document. Dr. Hale said he wanted the Board to see that NEO is trying to “wrap its arms” around the way it develops and reviews its online programs. NEO now has 70 different courses in any given semester that are offered online, and over the course of the next three years NEO will have new online degree programs as well. It is a massive undertaking as it relates to how those are developed and how the programs get reviewed and evaluated, and this is a good standard for NEO in its efforts to develop and review online courses.
Regent Anthony said it makes a lot of sense to him and it makes him wonder if the other institutions are doing the same thing. There is a lot of question about the quality of online education in general. Being able to validate the quality by surveys is promising. Dr. Hale said the rubric standards document included in the Agenda is from a national initiative called “Quality Matters,” and Dr. Hale said he believes the other institutions are ahead of where NEO is but he does not know that with regard to standards, review, evaluation, and assessment. Regent Anthony said he would be curious to know if the other schools are doing some type of analysis, and Chairman Link said he is sure that inquiry will be followed up.

**Boys State Update**

Dr. Hale said there have been news articles over the last several months regarding Boys State. NEO has hosted Boys State for 27 consecutive years. It has been a rocky few years with that organization because of failed leadership. Dr. Hale said Mr. Rasor has spent a lot of time dealing with not only the state office but also the national office. NEO has carried a deficit in its books for a few years. He said he is pleased to report that about a month ago Boys State paid in full and that last check cleared the bank. Dr. Hale said Boys State has been in contact with NEO and plans to offer Boys State in Miami again for 2014. He said he is not certain at what level that organization will be able to pull it off, but NEO is prepared to host Boys State and has indicated to the new leadership that NEO is willing to help with respect to programming, budget, recruitment, etc. NEO is 27 years into this and does not want to lose it. Dr. Hale said he wanted the Board to be aware that NEO is once again scheduled to host Boys State and is working closely with the revised Oklahoma office of Boys State to make sure they know they have great support from NEO.

**Commendation to Board Staff**

Dr. Hale said NEO continues to receive great support from the Board offices through the Office of Legal Counsel and the Department of Internal Audits. NEO uses their services on a regular basis, and he does not know if he has informed the Board how frequently NEO relies on that kind of expertise to deal with a lot of challenges. He said he cannot imagine where NEO would be without that kind of regular support. He said he always receives great reception and incredible help and support.

**Approval of Program Modifications and Curricular Changes**

Dr. Hale presented program modifications and curricular changes for the Board’s consideration. He said these items were discussed with members of the Academic Affairs, Policy and Personnel Committee at its meeting this morning.

Regent Davis said the Committee met with the administration of Northeastern Oklahoma A&M College regarding approval of program modifications and curricular changes. The Committee
acted to recommend Board approval of the administrative recommendations as listed in Agenda items E-1 and E-2.

Regent Davis moved and Regent Lester seconded to approve the program modifications and curricular changes as listed in the NEO Agenda.

Approval of Campus Master Plan 2015

Dr. Hale presented the Campus Master Plan 2015 and recommended its approval. He said this was discussed with members of the Fiscal Affairs Committee at its meeting this morning. He said the Plan will be submitted to the Oklahoma State Regents for Higher Education after Board approval.

Regent Hall said the Committee met with the NEO administration regarding approval of the Campus Master Plan 2015. The Committee acted to recommend Board approval.

Regent Hall moved and Regent Davis seconded to approve the Campus Master Plan 2015 for Northeastern Oklahoma A&M College as presented.

Balance of Agenda

Regent Hall moved and Regent Anthony seconded to approve the balance of the Agenda, subject to the availability of funds and/or the limitations of the budget. (The Agenda is attached.)

Dr. Hale said NEO is ready to compete in the KLR field day competition next Monday.

The business of Northeastern Oklahoma A&M College being concluded, Dr. Hale and members of the NEO administration were then excused from the meeting.
Board of Regents for OSU and the A&M Colleges  
Stillwater, Oklahoma

Dear Board Members:

Subject to budgetary limitations and availability of funds, the following expenditures are submitted for Board approval with purchases to be coordinated through the Board Purchasing Officer, Oklahoma State University. We recommend the following business for your consideration and approval.

PART A - GENERAL INFORMATION/REPORTS REQUIRING NO ACTION BY THE BOARD

1. President’s Remarks
   - April 2014 “NEO Update”

2. Commencement Exercises 2014
   Northeastern Oklahoma A&M College’s 93rd Commencement is scheduled for Thursday, May 8th at 8:00 p.m. at the Student Activity Center. This year’s speaker is Board Chairman Tucker Link. You are cordially invited to attend all events for the Commencement.

3. Oklahoma Online Course Review Checklist
   Attached for your review and information is the Oklahoma Online Course Review Checklist (Reference Document #1) that NEO A&M College will be using for assessment of online courses. This document has been provided by the Oklahoma State Regents for Higher Education.

PART B - RESOLUTIONS

None

PART C - POLICY AND OPERATIONAL PROCEDURES

None
PART D - PERSONNEL ACTIONS

Authorization is requested for the following personnel actions:

1. **Information Requiring No Action by the Board**
   a. Angela Williams, nursing instructor, resigning effective May 13, 2014.
   b. Chelsie Huseman, agriculture instructor and equestrian team coach, resigning effective May 8, 2014.

PART E - INSTRUCTIONAL PROGRAMS

Board approval is requested for the following program modification and curricular changes, to be effective fall semester 2014 (see attached Reference Document #2). The changes will be submitted to the Oklahoma State Regents for Higher Education pending approval of the Board:

1. **Program Modifications**
   a. Associate in Applied Science degree in Equine & Ranch Management
      Requesting the addition of two new options: Beef Cattle Management and Ranch. We believe the addition of these options will allow us to serve more students, enhance and broaden the opportunities for our students, and will aid in the preparation of students for entry into industry jobs.
   b. Associate of Arts degree in Music with a Music Theatre Option
      Requesting a modification to our Music with a Music Theatre option program to include the deletion of two courses and addition of three new courses. This change will ensure that students are provided the learning opportunity to cover key aspects needed to be competent and relevant in this field.
   c. Associate in Applied Science degree in Construction Technology
      Requesting a name change for this program from Construction Technology to Construction Management. Additionally, this is a request to add three existing courses to the Technical/Occupational Specialty section of the degree and to remove three courses from this section. Further, this request is to add five courses to the Technical/Occupational Support section and to delete one course from this section. This request was precipitated by a review of the curriculum and recommendations by the lead faculty and department chair.
   d. Associate in Science in Physical Education & Recreation with an option in Pre-Athletic Training
      Requesting a modification in the program requirements to add five courses to the options of courses from which to be selected. This modification was a result of the review of the degree plan and request to add courses that would provide students more ease of transferability into four-year programs, while also allowing students to take American Council on Exercise (ACE) courses.
PART E - INSTRUCTIONAL PROGRAMS

1. Program Modifications (Cont’d)

   e. Associate in Science in Elementary Education
   Requesting a modification in the program requirements to add seven existing courses to the program requirements and to delete thirteen courses from this section. This request is in response to a review of the curriculum and available course offerings, in addition to congruence with transfer of these courses and requirements to a four-year institution in this field.

   f. Associate in Science in Criminal Justice
   Requesting a modification in the program requirement electives to add two existing courses to this section. The addition of these courses will allow students more psychology elective options.

   g. Associate in Science in Native American Studies
   Requesting a modification in the program requirements of the Native American Studies degree to delete five courses from this section. The deletion of these courses as program electives is a result of a review of the degree content and as a result of courses which are no longer taught.

   h. Associate in Science in Psychology & Sociology
   Requesting a modification in the program requirement electives to add an existing course to this section. The addition of this course will allow students an additional option in psychology.

2. Curricular Changes

   a. New Course requests:
      ECON 1113, Economics of Social & Contemporary Issues
      TH 2123, Stage Makeup
      TH 2153, Stagecraft
      TH 2713, Stage Costume

   b. Course Description change requests:
      FRCD 1113, Orientation to Childcare
      NREM 1114, Elements of Forestry

PART M - OTHER INFORMATIONAL MATTERS NOT REQUIRING ACTION OF THE BOARD

3. **Boys State update**

Northeastern Oklahoma A&M College has hosted the Boys State summer camp for the past 27 years. We recently received information from the Assistant Director of Boys State that the National American Legion has approved the Oklahoma Boys State to have the Boys State summer camp at NEO. This event will be held May 24 – 31.

4. **Summer Camps 2014**

Attached for your information are calendars for the months of May, June and July 2014 which depict the camps and activities scheduled on our campus this summer.

Respectfully Submitted,

Dr. Jeffery L. Hale
President
Northeastern Oklahoma A&M College

Agriculture

Associate in Applied Science degree in Equine & Ranch Management Program Modification: Addition of Two Options and Addition of Core

Program Modification: Add two new options to current program

Northeastern Oklahoma A&M College requests a modification of this program to add two additional options: Beef Cattle Management and Ranch.

Addition of Core

Northeastern Oklahoma A&M College requests a program modification for this program to establish a core that consists of 28 credit hours of required courses that would include subject areas of basic animal science, livestock production, animal nutrition, pasture and range management, livestock sales and marketing, and business management.

These options will be in addition to the current Equine Option. These additions will allow NEO to serve more students (those with beef cattle interest in particular), enhance and broaden the opportunities for our students, and will aid in the preparation of our students for entry into industry jobs.

Communication & Fine Arts

Associate in Arts degree in Music with a Music Theatre Option Program Modification: Delete courses and Addition of new courses

Program Modification: Delete courses and Addition of new courses

Northeastern Oklahoma A&M College requests a modification of our Music with a Music Theatre Option program to delete the following courses from the program requirements:

TH 2663 Technical Production I
TH 2673 Technical Production II

Additionally, the request is made to add the new courses:

TH 2123 Basic Stage Makeup
TH 2153 Basic Stagecraft
TH 2173 Basic Stage Costume

This change was precipitated by a review of the program and course offerings available at NEO, in addition to a review of Music programs at four-year institutions. This change will ensure that students are learning the material needed to be competent and relevant in this field.
**Math & Science**

**Associate in Applied Science degree in Construction Technology: Name Change Request, Rearrange courses**

**Program Name Change Request**

Northeastern Oklahoma A&M College requests a name change of the Associate in Applied Science in Construction Technology to Associate in Applied Science in Construction Management.

**Program Modification: Delete courses and Addition of new courses**

Northeastern Oklahoma A&M College requests a program modification for this program to add the following existing courses to the Technical/Occupational Specialty section of the degree:

- CNST 2123 Construction Management & Leadership
- CNST 2233 Internship: Construction Management
- CNST 2333 Construction Documents

Additionally, this request is to remove the following courses from the Technical/Occupational Specialty section of the degree and move to the Technical/Occupational Support section of the degree:

- CNST 1123 Intro to Carpentry Construction
- CNST 1213 Intro to Electrical Construction

CONNORS STATE COLLEGE, WARNER, OKLAHOMA

Dr. Tim Faltyn, President; Dr. Ron Ramming, Vice President for Academic Affairs and Student Services; and Ms. Kim Ryals, Controller, appeared before the Board of Regents to present the business of Connors State College and review the Agenda for members of the Board.

Dr. Faltyn said it is always a big deal when the Oklahoma A&M Board of Regents comes to town. He referenced the Muskogee Phoenix newspaper and noted that the article about the groundbreaking ceremony for the new Nursing & Allied Health building made headlines and is above the article covering Governor Mary Fallin’s visit. He expressed appreciation to the Board for attending the event.

Dr. Faltyn said he would like to publicly thank the Connors State family. A lot of people were involved yesterday to make a lot of good things happen as well as today. He said he is blessed to work with these individuals, and he wanted to go on record thanking them for their efforts.

Dr. Faltyn referenced the Connection. He said the cover story features Coach Perry Keith passing a milestone. He is the second man in history to achieve 1,400 wins. Coach Keith is doing a great job with the baseball program. Connors’ baseball team is ranked No. 1 in the nation and is doing everything it can to get back to Grand Junction, Colorado, to compete in the Junior College World Series.

Other items of information included in the Connection pertain to the announcement of Mike Lewis accepting the position of Vice President of Fiscal Services; the reinstatement of the Employee Recognition program; the success of the annual Bull Test Sale; and two Connors’ division chairs and the Director of the CSC Development Foundation presenting sessions at the Higher Learning Commission’s Annual Conference in Chicago, Illinois. Dr. Faltyn said April is arguably the busiest month for colleges and universities, but when there are events like KLR field day where he gets to compete against good friends, it is those sorts of things that really make one feel better about the work and everything else.

With respect to commencement, Dr. Faltyn said he is very excited that Regent Lou Watkins will be the commencement speaker. He noted that Mr. Ramsey will also be in attendance.

Bookstore Function and Revenue Analysis

Dr. Faltyn said when Connors switched to outsourcing its Bookstore operation, he promised he would share the results with the Board. He said Follett Corporation was chosen to manage the Bookstore. He asked Ms. Ryals to present an update to the Board.

Ms. Ryals presented a handout entitled “Connors State College Bookstore Operations” (which is attached to the Connors Agenda and made a part of these minutes). She said before Connors outsourced the Bookstore operations, its FY13 net income was $186,782. After outsourcing, the
FY14 net income to date is $172,778; however, that does not include summer revenues. With summer revenues it is anticipated the net income will be a little more than $180,000. This is less than a 3 percent reduction, but over five years Connors will be able to provide students $185,000 in textbook scholarships. Ms. Ryals further noted that the students now have the ability to rent textbooks and have saved approximately $56,000 with this option, and students now have the option to purchase e-books. None of these options were available prior to the outsource. Follett also provides retail-oriented employee training, which provides the best experience for the students, and an online website to purchase textbooks, rentals, and merchandise is now available.

Chairman Link asked what percentage of textbooks is available on e-books. Ms. Ryals said it is not a huge number and is dependent on the publishers. She believed it is approximately 30 percent.

Dr. Faltyn said he and Ms. Ryals are in the process of developing the FY15 budget, which will be presented to the Board in June. He said he would like to publicly recognize Ms. Ryals. He reported that she has done an excellent job.

Dr. Faltyn said he would like to thank the Regents for coming to Muskogee. He said he would encourage the Regents on their way home to go by the Warner campus and see all the great things going on that campus. He said when the Regents come to campus and to this community, it really is a big deal. The Board’s support solidifies Connors’ ability to do great things for the community, and it is very much appreciated.

Appointment of Vice President for Fiscal Services

Dr. Faltyn requested Board approval to appoint Mike Lewis as Vice President for Fiscal Services, effective July 1, 2014, at an annual salary of $95,000.

Regent Reese moved and Regent Burns seconded to approve the appointment of Mike Lewis as Vice President for Fiscal Services, effective July 1, 2014, at an annual rate of $95,000.

Modification of Child Development Degree Program

Dr. Faltyn asked Dr. Ramming to present the modifications to the Child Development degree program. Dr. Ramming requested approval to modify the Associate of Arts in Child Development degree program. He presented the current degree program requirements and the
proposed degree requirements. Probably the most significant is a reduction in total program hours from 65 to 62.

Regent Davis moved and Regent Burns seconded to approve the modification of the Associate of Arts in Child Development degree program as presented.

**Balance of Agenda**

Regent Milner moved and Regent Lester seconded to approve the balance of the Agenda, subject to the availability of funds and/or the limitations of the budget. (The Agenda is attached).

On behalf of the Board of Regents, Chairman Link expressed thanks to Dr. Faltyn for hosting the Board of Regents.

The business of Connors State College being concluded, Dr. Faltyn and members of the Connors State College administration were then excused from the meeting.
Dear Board Member:

Subject to budgetary limitations and availability of funds, the following expenditures are submitted for Board approval with purchases to be coordinated through the Board Purchasing Officer, Oklahoma State University. We recommend the following business for your consideration and approval.

A. GENERAL INFORMATION REPORTS REQUIRING NO ACTION BY THE BOARD:
   1. Personal Remarks – Dr. Tim Faltyn
      - Connors Connection
   2. Commencement Exercises
      Connors State College’s Commencement is scheduled for Friday, May 9, at the Muskogee Civic Center. Regent Lou Watkins will be this year’s Commencement speaker. You are cordially invited to attend a Faculty and Staff Reception at the Civic Center, Room C at 5:30 p.m. and Commencement beginning at 7:00 p.m. in the auditorium.

B. RESOLUTIONS:

1. FTE employees are defined as full-time employees, excluding seasonal employees. For purposes of this report, the number of FTE employees for the reported quarter can be calculated by dividing the total payroll hours (including seasonal employees) for the quarter by 487.5 hours (162.5 hours per month multiplied by three months). This figure reflects the total number of FTE Employees for the main campus, branch campuses(s) and all constituent agencies.
Chairman Link said 15 minutes are provided for members of the public who would like to address the Board, and he asked if there were any members of the public who wished to address the Board at this time.

Mr. Nick Bergall said he is present representing the OSU Student Government Association as well as the student governments of all the other A&M colleges. The student body president-elect of OPSU asked him to reiterate his excitement about the different student organizations and their successes that Dr. Bryant talked about in their partnership with the City of Guymon. At OSU, the Murray Hall issue continues to be discussed and discussions will continue into next year with more recommendations to be presented. He said this will be his last meeting of the Board of Regents to attend as he will be graduating. He introduced Jacquelyn Lane from the OSU Student Government Association and said she will fill his position. He noted that there is a lot of changing of the guards going on at all the different schools, and there will be an effort to coordinate with all the A&M institutions so that the student government associations will continue to represent the students at the Board meetings.

Regent Anthony complimented Mr. Bergall regarding his persistence on his efforts to communicate among the schools and students to get this representation. He expressed congratulations to Mr. Bergall.

Regent Burns asked Mr. Bergall where he is going after graduation. Mr. Bergall said he will eventually be attending law school.
Chairman Link called upon the Committee Chairs of the following Committees to give reports.

Fiscal Affairs Committee

(All business discussed by the Fiscal Affairs Committee was discussed during the business of Northeastern Oklahoma A&M College and Oklahoma State University.)

Academic Affairs, Policy and Personnel Committee

(All business discussed by the Academic Affairs, Policy and Personnel Committee was discussed during the business of Langston University, Northeastern Oklahoma A&M College, and Oklahoma State University.)

Employment Actions Regarding the Executive/Administrative Office of the Board of Regents

Mr. Ramsey said he is pleased to offer several staff adjustments as outlined on SCHEDULE A. (SCHEDULE A is attached to this portion of the minutes and considered a part of these minutes.) One of the actions is the hiring of Dr. Suzy Burks to fill the role of the Independent Advocate for victims of sexual assault. She has been acting in that position on an interim basis for a while now, and this action will make a portion of her compensation a part of the Board budget effective May 1, 2014. She will be working with the A&M campuses as well.

Mr. Ramsey said he is also excited about the hiring of Kyla Eldridge as Administrative Associate in the Oklahoma City office. This represents a replacement for Linda Novak who retired.

He further noted that the Schedule contains other adjustments regarding the employment of Shari Brecht and Cherilyn Williams.

Mr. Ramsey requested Board approval of the proposed employee compensation adjustments as presented.

Regent Lester moved and Regent Burns seconded to approve the employment actions regarding the Executive/Administrative Office of the Board of Regents as presented.

Engagement of Service for Search for Director of Internal Audits

Mr. Ramsey requested Board approval to engage the services of Robert Half International to assist in the search for the replacement of Cecil Strande, Director of Internal Audits. He said he has visited with Mr. Strande about this matter. Robert Half International is the parent company of Protiviti. It is believed that this firm will bring in expertise and help find someone in a difficult market. It will help get candidates who might not otherwise apply. Mr. Ramsey said it has been difficult getting a high number of qualified applicants to the audit positions because it is a very competitive industry.

Regent Reese moved and Regent Anthony seconded to engage the services of Robert Half International to assist in the search for the position of Director of Internal Audits.

Approval of Revisions to the Annual Presidential Assessment Procedure

Mr. Ramsey requested Board approval of revisions to the annual presidential assessment procedures and evaluation assessment instrument as presented (a copy of which is attached and considered a part of these minutes). Revisions are made to accurately reflect the process followed regarding the annual assessment of the presidents, and it also includes desired improvements to the annual instrument trying to draw more comments and more productive feedback that the presidents have shared that they desire. Chairman Link noted that this document has been circulated to the Regents.

Regent Reese moved and Regent Anthony seconded to approve the revisions to the annual presidential assessment procedures and evaluation assessment instrument as presented.

Retirement of Audit Manager

Mr. Strande noted that Beverly Shannon, Audit Manager in the Department of Internal Audits, has shared with him her desire to retire after 34 years of service to Oklahoma State University and to the OSU/A&M Board of Regents. She spent 6 years with the Internal Audit Department of OSU before that department became a part of the Board of Regents and almost 27 years with the Department of Internal Audits. He wished her well as she retires effective June 1, 2014.

Adjournment

Chairman Link reminded the Regents that a special meeting of the Board is scheduled for June 4, 2014, in Oklahoma City, Oklahoma. The meeting pertains to presidential evaluation/assessment.

At approximately 11:30 a.m., Regent Anthony moved and Regent Lester seconded that the meeting be adjourned.

For the position of Independent Advocate for Victims of Sexual Assault, Shewill be moving from a full-time position as Director of University Counseling Services and become a 0.25 FTE employee of the Board as the Independent Advocate for Victims of Sexual Assault effective May 1, 2014. She will work closely with the Board’s Office of Legal Counsel in that capacity.
PRESIDENTIAL ASSESSMENT

Procedures

* Share form and procedural information with Presidents.

* Solicit responses (via form) from all Regents on all Presidents.

* Compile results.

* All Regents participate in evaluation session during executive session of the Board.

* Board Chair, Board Vice Chair, and Board CEO meet individually with each of the Presidents for closure meetings.

* Compilation and resulting remarks constitute a Personnel File which is confidential from the public but which may be viewed by President.
The institutional presidents have expressed that comments and candid feedback from Regents on the annual evaluation are most beneficial to them.

Space is provided at the end of each category and at the end of the evaluation form for comments related to the performance of the president.

Please utilize the rating scale which follows for each evaluation category.
