In addition, a meeting is scheduled for October 24, 2014, in the Council Room, 412 Student Union, on the campus of Oklahoma State University, Stillwater, Oklahoma. Regent Anthony moved and Regent Lester seconded to approve the meeting scheduled for October 24, 2014, in the Council Room, 412 Student Union, on the campus of Oklahoma State University, Stillwater, Oklahoma.

Recognition of Chairman Tucker Link

Regent Davis expressed appreciation to Chairman Link for the job he has done this year as Chairman and for his devotion, leadership, and sacrifice. On a personal note, he said he wanted to thank Chairman Link for challenging the Board to look at things in a different perspective, being willing to change, and challenge the status quo. The end result of that is that the Board benefits, the institutions benefit, the Oklahoma taxpayers benefit, but probably most important
the students will benefit now and in the future. Also, Regent Davis said he personally wants to thank Chairman Link for being an inclusive Chairman and allowing the Regents to be involved in the activities. Regent Davis said he would be remiss if he did not convey to Vickie thanks for sharing Chairman Link with the Board this year because it is her willingness to do so that allowed him to do the job he did. On behalf of the Board of Regents, Regent Davis presented Chairman Link with a plaque recognizing his service this past year as Chairman. The plaque reads, “To Tucker Link for distinguished service as Chairman of the Board of Regents for Oklahoma State University and the A&M Colleges, July 1, 2013, to June 30, 2014.”

Chairman Link said it has been a thrill, an honor, and a pleasure to serve with the Regents and to serve as Chairman. He said the Board has climbed a lot of hills and has addressed a lot of issues; however, there are still many challenges ahead of the Board and he will do whatever he can to help. It is a challenge to try to do all of the things that the Board sees that need to be addressed. Chairman Link said the Board has received great cooperation from the presidents, faculty, and staff of the colleges and universities, and he appreciates that. The Board has more work to do.

On behalf of himself and his wife Vickie, he expressed thanks for the opportunity.
Dr. Kent Smith, President, appeared before the Board of Regents to present the business of Langston University and review the Agenda for members of the Board. (The Agenda for Langston University is attached. Attachments B-N are collectively on file in the Board of Regents’ Office as Document No. 1-6-20-14.)

Dr. Smith expressed appreciation for the opportunity to appear first before the Board of Regents. He said a number of Langston representatives are leaving this meeting and boarding a flight to attend the Langston University National Alumni Association meeting.

He expressed appreciation to President Shirley for the wonderful hospitality. He said the dinner was awesome last evening, and he appreciates the effort to have everything turn orange on this campus. It is a job well done.

Approval of Proposed Leave Policy

Dr. Smith requested approval of revisions to the current paid leave policy. He said the revised policy would uncouple annual and sick leave and provide for greater clarity on the use of annual and sick leave for Langston University employees. (The revised policy is included in Attachment B, which is on file in the Board of Regents’ Office as Document No. 1-6-20-14.)

Chairman Link noted that the Academic Affairs, Policy and Personnel Committee considered items C.2. and C.4.

Regent Davis reported that the Committee met with the administration of Langston University regarding approval of revisions to the current paid leave policy. The Committee acted to recommend Board approval of the administrative recommendation.

Regent Davis moved and Regent Lester seconded to approve the revisions to the current paid leave policy, pending approval of Legal Counsel.

Approval of Proposed Updated FMLA Policy

Dr. Smith presented the proposed updated Family Medical Leave Act (FMLA) policy. The revisions to this policy clarify the eligibility and use of FMLA and clearly define the period in which employees may take FMLA leave. (The revised policy is included in Attachment C, which is on file in the Board of Regents’ Office as Document No. 1-6-20-14.)
Regent Anthony moved and Regent Lester seconded to approve the revisions to the Family Medical Leave Act policy as presented, pending approval of Legal Counsel.

Approval of Revisions to Current Leave Sharing Policy

Dr. Smith requested Board approval of revisions to the current leave sharing policy to align the policy with the revised annual and sick leave policy. The revisions also provide further clarity. (The revised policy is included in Attachment D, which is on file in the Board of Regents’ Office as Document No. 1-6-20-14.)

Regent Davis reported that the Academic Affairs, Policy and Personnel Committee met with the administration of Langston University regarding approval of revisions to the current leave sharing policy. The Committee acted to recommend Board approval of the administrative recommendation.

Regent Davis moved and Regent Lester seconded to approve the revisions to the current leave sharing policy, pending approval of Legal Counsel, to assure alignment with the revised annual and sick leave policy.

Approval of FY-15 Budget Documents

Dr. Smith presented the budget documents for FY-15 and recommended their approval. (The budget documents for Langston University are collectively on file on a compact disc in the Board of Regents’ Office as Document No. 2-6-20-14. The salary recommendations are included in Attachment E, which is on file in the Board of Regents’ Office as Document No. 1-6-20-14.) He said the budgets were presented yesterday to the Planning and Budgets Committee for consideration.

Regent Watkins reported that the Planning and Budgets Committee met with the administration of Langston University to review the FY-2015 budget recommendations. The Committee acted to recommend Board approval as follows.

Regent Watkins moved that with regard to Items D.4., F.1., K.2., K.3., and K.4., that the Board conditionally approve all elements of the budget as
presented by the Langston University administration, including any recommendations on salaries and wages, changes in room and board rates, and proposed tuition and/or fees, subject to the correction of any errors in the preparation of the budget documents and any pending or future budget decisions and personnel actions. Regent Milner seconded the motion.

Approval to Implement a Block Tuition Rate

Dr. Smith requested approval to implement a block tuition rate beginning with the 2014-15 academic year affecting undergraduate course work only. It is believed this will be a retention tool. The average student at Langston takes 13 credit hours per semester. This increases the time it takes to graduate, which increases the debt students incur. A block tuition model, which is the same rate for 12-18 credit hours, will afford students an opportunity to pay one rate and take more credit hours. (A detailed proposal of the block tuition plan is outlined in Attachment M, which is on file in the Board of Regents' Office as Document No. 1-6-20-14.)

Regent Watkins said the Planning and Budgets Committee met with the administration of Langston University regarding approval to implement a block tuition rate for the Fall semester. She said the Committee acted to recommend Board approval.

Regent Watkins moved and Regent Lester seconded to authorize the implementation of a block tuition rate for the Fall semester as presented.

Balance of Agenda

Regent Lester moved and Regent Reese seconded to approve the balance of the Agenda, subject to the availability of funds and/or the limitations of the budget. (The Agenda is attached.)

The business of Langston University being concluded, Dr. Smith was then excused from the meeting.
Dear Board Members:

Please approve the following business items for Langston University.

Expenditures from Treasury Funds, contingent upon their availability, will be submitted for purchasing through Ms. Sharon Toy, Director of Purchasing.

A. GENERAL INFORMATION/REPORTS REQUIRING NO ACTION BY THE BOARD: NONE

B. RESOLUTIONS:

WHEREAS, it has been called to the attention of Langston University and the Board of Regents for the Oklahoma Agricultural and Mechanical Colleges that Dr. Lawrence Denobeh Grear was claimed by death on May 19, 2014; and

WHEREAS, Dr. Grear, by his loyalty, attention to duty, and faithful performance rendered service as a faculty member of Langston University for 22 years, serving as Assistant Professor for the Department of Social Sciences and Humanities in the School of Arts and Sciences; and

WHEREAS, his friends and Langston University have suffered an irreparable loss in his passing; NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF REGENTS FOR THE OKLAHOMA AGRICULTURAL AND MECHANICAL COLLEGES; THAT, it takes this method to express its appreciation for the 22 years of exemplary service rendered by Dr. Lawrence D. Grear to Langston University, the State of Oklahoma and its citizens, to express respect to his memory, and to extend to the family its deepest sympathy in the loss sustained, and to state that the Board and every member thereof respectfully join the friends of the deceased in mourning the passing of one of Langston University's beloved faculty members.

BE IT FURTHER RESOLVED, that a copy of this resolution be spread upon the minutes of the Board and a copy sent to the family of Dr. Lawrence D. Grear.

Adopted by the Board the 20th day of June 2014.
C. POLICY AND OPERATIONAL PROCEDURES:

1. Approval is respectfully requested of Langston University's revised Student Code of Conduct. The revised code of conduct is included in Attachment A for your review.

2. Approval is respectfully requested for Langston University to revise the current paid leave policy, pending approval of legal counsel. The revision will separate the accrued leave into two categories: annual and sick leave. The revised policy will also allow employees to be paid for accrued annual leave up to a maximum of 30 days upon separation from the University. The proposed policy may be reviewed in Attachment B.

3. Approval is respectfully requested for Langston University to revise the current Family Medical Leave Act (FLMA) policy, pending approval of legal counsel. The current regulation allows an employer to select the method from the defined methods in the regulation of counting the 12 month period for computing FMLA eligibility. The regulation further states that if an employer fails to select an option for identifying the 12 month period, the employee must be given the option which provides the most beneficial outcome. The current FMLA policy does not provide the clarity necessary for proper understanding of FMLA and does not designate the 12 month period on which eligibility should be determined. The revision would clarify the policy and designated term. The proposed policy revision may be reviewed in Attachment C.

4. Approval is respectfully requested for Langston University to revise the current leave sharing policy, pending approval of legal counsel, to assure alignment with the revised annual and sick leave policy. The revision will also revise the current language for clarity; include a section on the limitations of sharing; revise the maximum shared leave an employee may have during University employment; and clarify some of the administrative components of the policy. The proposed policy revision may be viewed in Attachment D.

David Elder
David Elder has been an instrumental part of the development of the well-known OPSU art program and after 16 years of teaching at OPSU he will retire this summer. Elder began teaching at OPSU in the fall of 1998 as an adjunct professor while still teaching art to grades 6-12 in Laverne, Okla. Then in 1999 after 24 years of teaching at Laverne, he began teaching full-time at OPSU. Elder taught a variety of classes from ceramics to oil painting and art appreciation. Now, he primarily focuses on ceramics and art history.
Throughout his time at OPSU, one of the highlights has been actively continuing to assist with the growth of the Art Department. Elder joined Bryon Test in 1998 as the only two art instructors in the program and together they worked to progress from a Humanities degree with an art emphasis to the current Bachelor of Fine Arts degree. Elder also assisted in the revision of the bachelor’s degree program and the addition of an Art History minor.
Among other highlights, Elder obtained his goal of obtaining the rank of Professor of Art. He has been very involved as the department has established two annual events, The Paul Farrell Memorial Art Auction and the Art Jubilee. Elder had the opportunity to teach current OPSU art instructors, Brent Shoulders and Yvonne Sangster. One of his favorite things is staying in touch with many of the students he has taught throughout the years.
When asked to describe his time at OPSU, Elder immediately responded, “One word—only one word can describe it, Family.”
He continued saying, “The administration has been great, and I have enjoyed working with everyone here at OPSU.”
Elder’s plans for retirement don’t include slowing down any. Currently, he plans to enter politics. As time allows, he will continue to own and operate Elder’s Pottery.
Dr. Loyet Shafer
Dr. Loyet Shafer, OPSU Professor of Education, came to OPSU in the fall of 1998 and after 16 years of service to OPSU, she will retire in June. Born in Alva, Okla. and raised in Cherokee, Okla., Dr. Shafer moved to the Oklahoma Panhandle to be closer to her family and brought with her a great deal of experience and a long list of credentials. She graduated from Oklahoma State University (OSU) in 1965 with a bachelor’s degree and in 1967 with a master’s degree, both in speech. After teaching in south Florida for more than four years and receiving certification in Guidance and Counseling, Dr. Shafer returned to Oklahoma and served as an elementary school counselor for several years. She left this position to return to OSU to work on a doctoral degree in Counseling Psychology which she completed in 1998. She was licensed by the State of Oklahoma as a Psychologist in 1990 and as Health Service Provider in 1991.

Dr. Shafer opened a private practice of psychological clinical services in Woodward Okla. in 1990 and operated it until 2003. At one time she had offices in both Woodward and Guymon with the Guymon office open through 2007. In 1996, Dr. Shafer was appointed by Governor Keating to the Oklahoma State Board of Examiners of Psychologists and served as the Vice-Chair in 1999 and the Chair in 2000. To say she was busy seems like an understatement!

Dr. Shafer began at OPSU dividing teaching time between the Education department and the Psychology department, before eventually teaching full time for the Education department. Dr. Shafer spoke of her time at OPSU saying, “One of my greatest satisfactions in the job is that I believe I can offer a lot to my students. I can see what I am teaching from three different views: being in the classroom as a teacher, seeing parents and children in clinical practice, and as a consultant between parents and schools.”

She continued saying, “Teaching in the Education department has been very gratifying for me, because I feel that I am able to affect the lives of so many others through the teachers I am teaching.”

Dr. Shafer is looking forward to the freedoms of retirement!

Dr. Kathy Turner
“It’s been a wonderful 22 years,” says OPSU English Professor, Dr. Kathy Turner, when asked about her time at OPSU. After growing up in Tuscaloosa, Ala., things must have been a bit of change coming to the Oklahoma Panhandle an area that Dr. Turner enjoys.

She says, “I like it here. I even like the weather.” Prior to her time at OPSU, Dr. Turner studied at the University of Alabama. She graduated magna cum laude in 1977 earning a Bachelor of Arts degree in Anthropology. In 1982, Dr. Turner obtained a master’s degree in English and in 1985 she earned a doctorate in English/interdisciplinary.

Dr. Turner began teaching at OPSU in the fall of 1992 as an Assistant Professor of Communications. In the fall of 1993, she took on the responsibility of Faculty Athletics Representative.

She has taught a variety of classes at OPSU from Freshman Composition to General Humanities I as well as American and British Literature. Over the years, Dr. Turner has provided several seminars for the English Department. As the Faculty Athletics Representative, responsibilities range from numerous reports, to eligibility checks, and rule interpretation, just to name a few of the many tasks. Additionally, Dr. Turner has helped with grant writing and coordination over the years.

Dr. Turner has played an instrumental part in the implementation of different organizations and clubs on campus. She had a significant role in the transition for OPSU athletics from NAIA to NCAA starting in 1995. In 2009, she assisted with the beginning of the OPSU Beta Chapter of Chi Alpha Sigma, an honor society for student-athletes that just recently inducted 19 new members. Also, Dr. Turner aided in the start of a Catholic Student Center where she now serves as a Volunteer Director.

Dr. Turner plans to retire this summer and she is looking forward to being able to travel more and work on her home in Guymon, Okla. She also plans to spend plenty of time doing some of the things she loves like being outdoors, reading, attending concerts, and swimming.

NORTHEASTERN OKLAHOMA A&M COLLEGE, MIAMI, OKLAHOMA

Dr. Jeff Hale, President, and Mr. Mark Rasor, Vice President for Fiscal Affairs, appeared before the Board of Regents to present the business of Northeastern Oklahoma A&M College and review the Agenda for members of the Board.

Dr. Hale said he has been on the OSU-OKC campus numerous times, and he does not believe it has ever looked better. He said President Shirley deserves a lot of credit for the appearance of the campus. He also expressed thanks for the hospitality.

Dr. Hale referenced the NEO Update. He said the exclamation point to any school year is commencement, and NEO had a very distinguished commencement speaker, Chairman Tucker Link. This year NEO had the largest number of graduates in the history of the College. Dr. Hale encouraged the Board members to review the Update. It contains a lot of good information and employees work hard to put that together specifically for the Regents.

**Personnel Actions**

Dr. Hale presented the personnel actions and recommended their approval.

Regent Anthony moved and Regent Milner seconded to approve the personnel actions as listed in the NEO Agenda (Items D1. and D2.).

**Approval of FY-15 Budget Documents**

Dr. Hale presented the FY-15 budget documents for Northeastern Oklahoma A&M College and recommended their approval. He noted that there was no change in the budget allocation to NEO for FY-2015. With respect to salary recommendations, Dr. Hale said NEO is requesting a 2 percent across-the-board salary increase for faculty and staff, effective January 1, 2015. Dr. Hale said the budgets were presented to the Planning and Budgets Committee at its meeting yesterday. (The 2014-2015 Faculty and Professional Salaries and Classified and Support Personnel Salaries are collectively on file in the Board of Regents' Office as Document No. 5-6-20-14; and the FY-15 budget documents for NEO are collectively on file on a compact disc in the Board of Regents' Office as Document No. 6-6-20-14.)

Regent Watkins reported that the Planning and Budgets Committee met with the administration of Northeastern Oklahoma A&M College to review FY-2015 budget recommendations. The Committee acted to recommend Board approval as follows.
Regent Watkins moved that with regard to Items F1., F2., K1., K2., and K3., that the Board conditionally approve all elements of the budget as presented by the NEO administration, including any recommendations on salary and wages, changes in room and board rates, and proposed tuition and/or fees, subject to the correction of any errors in the preparation of the budget documents and any pending or future budget decisions and personnel actions. Regent Milner seconded the motion.

**Balance of Agenda**

Regent Watkins moved and Regent Lester seconded to approve the balance of the Agenda, subject to the availability of funds and/or the limitations of the budget. (The Agenda is attached.)

**Expression of Appreciation to Chairman Link**

Dr. Hale expressed to Chairman Link how much NEO appreciated his service as Chairman of the Board this past year. He presented Chairman Link with a token of appreciation from the students, faculty, and staff of NEO. Dr. Hale said he has learned three things under Chairman Link’s leadership, which are preparation, preparation, and preparation; think outside the box if one plans to make progress; and get to the point.

The business of Northeastern Oklahoma A&M College being concluded, Dr. Hale and Mr. Rasor were then excused from the meeting.

Board authorization is requested for an increase in resident and non-resident tuition and mandatory fees as depicted on the following chart, effective fall semester 2014 (OSRHE forms are attached, Reference Document #2). NEO administration and student government leaders have worked very closely over the past six years to bring about many changes that have been identified as priorities by the Student Body Government. While students, faculty and staff understand the importance of access and affordability, student government also understands that campus safety, campus life, quality education, and co-curricular programming comes with related costs. The NEO Student Body Government supports the administration’s request for a 6.9% tuition and fee increase (Student Body Government Resolution, Reference Document #3 is attached).

FY14 Tuition & Mandatory Fee Request Form
Comm Coll
Title 70 O.S. 2004 Supp., Section 3218.2B provides as follows:
By January 1 of each year, the Oklahoma State Regents for Higher Education shall submit a report to the Governor, the President Pro Tempore of the Senate, the Speaker of the House of Representatives, and the minority floor leaders and education committee chairs of both houses of the Oklahoma Legislature, of the actions taken in regard to and the schedule of tuition and fees approved for The Oklahoma System of Higher Education for the current academic year. The annual report shall include data on the impact of any tuition or fee increases on the ability of students to meet the costs of attendance, enrollment patterns, availability of financial aid, and any other data considered relevant by the State Regents.

To assist this office in compiling this annual report, please provide information on the impact of any tuition or fee increases on your students by responding to the questions below with detailed information.

1. Describe the projected impact of tuition and fee increases on the ability of your students to meet the costs of attendance.

A full time residential student would see an increase in tuition/fees of $235.50 for the year. The majority of our students receive more than enough financial aid to afford the increase.

2. Describe the projected impact of tuition and fee increases on your institution's enrollment pattern for FY15.

Administration expects this increase to have no effect on enrollment.

3. Describe the projected impact of tuition and fee increases on the availability of financial aid to offset costs. What efforts will your institution undertake to increase need-based financial aid proportionately to tuition and fee increases? (Need-based financial aid shall include, but shall not be limited to, awards for the Oklahoma Higher Learning Access Program, Oklahoma Tuition Aid Grants, federal need-based financial aid, tuition waivers and private donations.)

The Financial Aid Department at NEO A&M College continues to work very closely with students to ensure that they receive the maximum available financial aid from all sources: Pell, OTAG, SEOG, Native American Tribes, etc. The department also works very closely with several private scholarship providers.

4. Describe cost effective measures which your institution will implement in FY15.

NEO A&M College continues to leave full time positions unfilled in an attempt to reduce cost. Additional teaching needs are met using adjunct faculty whenever reasonable.

5. Describe your institution's communication of tuition and fee requests to student government organizations, other student groups, and students at large.

On May 1, 2014, the Student Body Government passed a resolution supporting a tuition and fee increase to student support services.

6. Provide detailed justification for all tuition and mandatory fee increases, regardless of the amount of increase.

NEO A&M College remains below the state average for two-year colleges for tuition rate. Even with the requested increase in tuition and fees, NEO A&M College remains competitive with other two-year institutions in our state and our region. In an environment of increasing fixed costs and a highly competitive workforce, these increases are necessary to maintain the level of service expected from NEO A&M College.

***Use of Revenue from Dedicated Fees: Requests for new fees or increases to existing fees will be thoroughly reviewed to ensure that the fees are required to meet specific costs and not requested to obscure, in essence, a tuition increase.***
Mandatory Fees: Fees required of all students for enrollment to receive instruction at an institution of The State System. Such fees shall be used to support the mission of the institution and shall support service facilities, such as student unions, health care infirmaries, recreational facilities, for any lawful purpose to enhance quality of student life including, but not limited to, facility debt service, student scholarships, student awards, travel, entertainment, guest speakers, and student organizations, or for any academic purpose or service as designated by the institution including, but not limited to, assessment fees and library resources fees. The State Regents shall maintain information on established mandatory fees, which shall include, but shall not be limited to, the basis for the amount of the fee, the amount of total revenue to be collected from the fee, and the use of the revenue collected. Changes, Additions, and Deletions of Mandatory Fees Require State Regents’ Approval. OSRHE Policy and Procedures Manual, Budget and Fiscal Affairs, Section 4.18.1.C and D. Legislation: Title 70 Sections 3218.8 and 3218.9

Dr. Tim Faltyn, President; Dr. Ron Ramming, Vice President for Academic Affairs and Student Services; and Ms. Kim Ryals, Controller, appeared before the Board of Regents to present the business of Connors State College and review the Agenda for members of the Board.

Dr. Faltyn expressed appreciation to President Shirley. He said he has spent quite a bit of time on this campus during his lifetime, and he said he agrees with Dr. Hale that the campus has never looked better. He said last night OSU-OKC provided excellent hospitality and entertainment.

Dr. Faltyn said there are three covers for the Connors Connection. The first is Regent Watkins, who was the commencement speaker. He noted that Regent Watkins did a great job and even supported Connors on its 105 Campaign. The second cover is an expression of thanks to Chairman Link for the KiamichiLink Field Day, and the third cover represents graduation. He noted that Connors, too, had a record year and had more graduates than it has ever had in its history. Dr. Faltyn highlighted other articles in the Connection including the groundbreaking ceremony for the Nursing and Allied Health Building. In addition, the Health and Wellness Center celebrated its Warner location with a ribbon cutting ceremony—the clinic is open to the public.

KiamichiLink Field Day Update

Dr. Faltyn presented a slide presentation regarding the events surrounding KiamichiLink Field Day. One slide represents a presentation to Tucker and Vickie Link of a purple ribbon that was awarded to Connors after the team showed cattle of Tucker and Vickie and received the purple ribbon, which is the highest that is awarded.

Dr. Faltyn presented further slides highlighting the events of the day. He noted that President Hale was the 2014 winner of KiamichiLink Field Day and has handled it really well. He said the day is about the students getting to experience this event when under normal circumstances they would not be able to do so. This is the third year for the contest, and it is just a phenomenal day. Dr. Faltyn said he would like to thank his partner in the judging contest, Regent Trudy Milner.

Chairman Link said it was a great day and agreed that it is about the kids. He said he believes the students all had a good time and that many of them are still enjoying it.

Approval of Revised Connors State College Student Handbook

Dr. Faltyn presented the revised Connors State College Student Handbook and requested approval. He noted that this item was discussed with members of the Academic Affairs, Policy and Personnel Committee at its meeting. He said the Handbook has been reviewed by Legal Counsel.
Regent Davis reported that the Committee met with the administration of Connors State College regarding approval of revisions to the Connors State College Student Handbook. The Committee acted to recommend Board approval of the administrative recommendation. (The revised Connors State College Student Handbook is included in the Connors State College document that is on file in the Board of Regents' Office as Document No. 7-6-20-14.)

Regent Davis moved and Regent Lester seconded to approve the revisions to the Connors State College Student Handbook as presented.

 Approval of FY-15 Budget Documents

Dr. Faltyn presented the FY-15 budget documents for Connors State College and recommended their approval. (The FY-15 budget documents for Connors State College are collectively on file in the Board of Regents' Office on a compact disc as Document No. 8-6-20-14.) He also presented the salary recommendations for FY-15. (A copy of the document outlining proposed FY 2014-2015 Salary Recommendations is included in the Connors State College document that is on file in the Board of Regents' Office as Document No. 7-6-20-14.) He said the budget was presented yesterday to the Planning and Budgets Committee of the Board of Regents.

Regent Watkins reported that the Planning and Budgets Committee met with the administration of Connors State College to review FY-2015 budget recommendations. He said the Committee acted to recommend Board approval as follows.

Regent Watkins moved that with regard to Items C.3., F.1., K.1., and K.2., that the Board conditionally approve all elements of the budget as presented by the Connors State College administration, including any recommendations on salary and wages, changes in room and board rates, and proposed tuition and/or fees, subject to the correction of any errors in the preparation of the budget documents and any pending or future budget decisions and personnel actions. Regent Anthony seconded the motion.

Balance of Agenda

Regent Anthony moved and Regent Lester seconded to approve the balance of the Agenda, subject to the availability of funds and/or the limitations of the budget. (The Agenda is attached.)

Expression of Appreciation to Chairman Link

Dr. Faltyn expressed appreciation to Chairman Link for his leadership this past year. He presented Chairman Link with a gift. He said he has learned a great deal from Chairman Link and thanked him for his service.

With respect to the KiamichiLink Field Day, Regent Milner said she believes President Smith should be involved. Chairman Link said he has encouraged Dr. Smith to the point of embarrassment about his involvement. The contest will probably have something to do with goats next time.

The business of Connors State College being concluded, Dr. Faltyn and members of the Connors State College administration were then excused from the meeting.

POLICE SERVICES AGREEMENT

WHEREAS, the Board of Regents for the Oklahoma Agricultural and Mechanical Colleges owns, leases, and rents property within the City limits of the City of Muskogee; and

WHEREAS, the Board of Regents for the Oklahoma Agricultural and Mechanical Colleges, acting for and on behalf of Connors State College, and the City of Muskogee have duly established and authorized police departments for the purpose of providing police protection for property and persons within each of its own jurisdictional areas; and

WHEREAS, 74 O.S. § 360.15 et seq. authorizes agreements between the Board of Regents and the Municipalities for the purpose of delineating responsibilities between the two police departments, delineating geographical boundaries thereof, and further, for the purpose of authorizing campus police departments to exercise authority and jurisdiction within areas of municipal police jurisdiction and to charge violations of the same within municipal courts;

NOW, THEREFORE, the Board of Regents for the Oklahoma Agricultural and Mechanical Colleges, acting for and on behalf of Connors State College, hereinafter referred to as “Board”, and the City of Muskogee, a Municipal Corporation, hereinafter referred to as “City” agree as follows:

1. Connors State College Police Department, and its duly commissioned and CLEET certified police officers have the authority to enforce criminal statutes, Muskogee municipal ordinances, and College rules and regulations on all property, including streets, highways, roads, alleys, easements, and other public ways or public areas, owned, leased, or rented by the Board and on all properties, including streets, highways, alleys, roads, easements, and other public ways or areas, that are immediately adjacent to Board owned, leased, or rented property.

2. The Connors State College Police Department and its duly commissioned and certified officers are further authorized to exercise their power and authority as peace officers within the police jurisdiction of Muskogee in the following situations:

   (a) When requested by any City Police Officer

   (b) When necessary to complete any enforcement activities which began on Board property or property adjacent thereto.

   (c) When reasonably related to the activities of the Connors State College Police Officers on Board property or the investigation of incidents occurring on Board property.

   (d) In any emergency situation or in a situation where prompt action is necessary to prevent or avoid personal injury or property damage or the escape of an offender who is reasonably
believed to be fleeing from the scene of a crime or to be resisting arrest.

3. Authority as used in this Agreement means the authority and power vested by the Oklahoma Statutes in Peace Officers, except the service and execution of civil summons, including, but not limited to, making of arrests, issuing of citations, the conducting of criminal investigations, and traffic accident investigations.

4. The jurisdiction of the Connors State College Police Department in the situations as set forth in paragraphs one (1) and two (2) is concurrent with the jurisdiction of the Muskogee Police Department. As used therein, concurrent jurisdiction denotes the authority shared by the two police departments at the same time, over the same subject matter, and within the same territory.

5. The property as used herein includes highways, streets, roads, alleys, easements, and other public ways and areas.

6. In all other areas within the police jurisdiction of the City, excluding the areas wherein the Connors State College Police Department and the Muskogee Police Department have by this Agreement concurrent jurisdiction, the Police Department of the City will have the primary responsibility for law enforcement, patrolling, crime investigation, call response, traffic accident investigation, and traffic control.

7. Each party shall be solely responsible for the acts of its own police officers, employees, and agents taken under this Agreement but not for the acts of the police officers, employees, or agents of the other party. It is expressly understood and agreed that nothing herein shall be construed as creating an employment or agency relationship between the Connors State College Police Department, its officers, employees, or agents and the City, nor between the Muskogee Police Department, its officers, employees, or agents and the Board.

President Hargis requested Dr. Kayse Shrum present the request to approve revisions to the Policy Statement to Govern Appointments, Tenure, Promotions, and Related Matters of the Faculty of the OSU Center for Health Sciences.

Dr. Shrum said in December, 2013, OSU-CHS brought revised policies forward, and the changes at the time were centered around localizing the decision process for promotion and tenure to the OSU-CHS campus. During that process it was realized that some of the policies in the OSU-CHS handbook were not current OSU policies and needed to be updated. What is being presented is the full handbook that has been approved by the faculty to update OSU-CHS’s policies to reflect current OSU policies. (The revised Policy Statement to Govern Appointments, Tenure, Promotions, and Related Matters of the Faculty of the Oklahoma State University Center
for Health Sciences is found beginning on page C-1 of the OSU Agenda, which is on file in the Board of Regents’ Office as Document No. 9-6-20-14.)

Regent Anthony moved and Regent Burns seconded to approve the revised Policy Statement to Govern Appointments, Tenure, Promotions, and Related Matters of the Faculty of the Oklahoma State University Center for Health Sciences as presented.

President Hargis requested Vice President Weaver to present information pertaining to Administration and Finance:

Approval of Revisions to OSU Policy #1-0134 Employee Travel

Mr. Weaver said during the Academic Affairs, Policy and Personnel Committee the OSU administration presented policy revisions to the Employee Travel policy and the Long-Term Disability policy. He said the Committee has recommendations regarding these matters.

Regent Davis reported that the Academic Affairs, Policy and Personnel Committee met with the administration of OSU regarding approval of revisions to the Employee Travel policy as presented in Agenda Item C-2, which is included in the OSU Agenda and is on file in the Board of Regents’ Office as Document No. 9-6-20-14. The Committee acted to recommend Board approval of the proposed policy.

Regent Davis moved and Regent Lester seconded to approve the revisions to OSU Policy #1-0134 Employee Travel as presented.

Approval of Revisions to Policy #3-0750 Long-Term Disability

Regent Davis said the Committee also met with the OSU administration regarding approval of revisions to the Long-Term Disability policy. Regent Davis moved and Regent Burns seconded to approve the revisions to OSU Policy #3-0750 Long-Term Disability as presented.

President Hargis requested Interim Provost and Senior Vice President Fry to present information pertaining to Academic Affairs:

Personnel Actions

Dr. Fry presented the personnel actions and recommended their approval with the exception of those items pertaining to separations and retirements, which are included as information items. The list includes 36 new appointments, including the appointment of Dr. Gary Sandefur as Provost and Senior Vice President. In addition, 221 changes in title and/or rate are being recommended, a majority of which are reappointments, promotions, and/or tenure actions brought forward from the academic colleges and branch campuses as well as numerous appointments and reappointments to endowed chairs and professorships. Dr. Fry noted the list also includes the change in title for Dr. Kenneth Eastman from Interim Dean to Dean of the Spears School of Business. She said 23 sabbatical leave requests are also recommended. Dr. Fry requested the Board’s approval of all personnel actions as presented. For information, 20 separations and 20 retirements are also included in the list of personnel actions. (These recommendations are listed under Section D of the OSU Agenda, which is on file in the Board of Regents’ Office as Document No. 9-6-20-14.)

Chairman Link asked if either of the new deans are present, and President Hargis responded negatively. He said Dr. Sandefur will be on campus by July 1.

Regent Lester moved and Regent Milner seconded to approve the personnel actions as listed in the OSU Agenda.

Approval of Proposed New Degrees and Program Modifications

Dr. Fry presented two curricular requests for the OSU-OKC campus related to the Electronics Engineering Technology program.
